3 (e) Has entered into an interlocal agreement with all cities that
4 are not members of the watershed management partnership and that have
5 water or sewer service areas within one-half mile of Lake Tapps or
6 water or sewer service areas within five miles upstream from Lake Tapps
7 along the White river. The interlocal agreement shall, at a minimum,
8 address:

9 (i) The impacts of the planned current and future operations of the
10 watershed management partnership on the existing and future water
11 supplies of those cities; and

12 (ii) The impacts of the planned current and future operations of
13 the watershed management partnership on the infrastructure or municipal
14 operations of those cities.

15 The watershed management partnership and the cities under this
16 subsection (3)(e) shall employ good faith efforts to conclude
17 negotiations for the interlocal agreement within two years from the
18 effective date of this act. If the watershed management partnership
19 and those cities do not execute an interlocal agreement within this
20 time, the matter shall be resolved by binding arbitration as determined
21 by a board of arbitrators consisting of a representative selected by
22 the watershed management partnership, a representative selected by the
23 cities, and a third representative to be appointed by the other two
24 representatives. If no agreement is reached with regard to selecting
25 the third representative, the third representative shall be appointed
26 by a judge of the superior court of the county in which the majority of
27 the cities are located. The determination by the board of arbitrators
28 shall be binding on all parties. Each party shall pay the costs of

1 their individual representatives on the board of arbitrators and they
2 shall pay one-half of the cost of the third representative"
