10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

11       NEW SECTION. **Sec. 1.** The legislature finds that the education of  
12 children who are deaf presents unique challenges because deafness is a

15 legislature further finds that over the past fifty years, there have  
16 been numerous advances in technology as well as a growing awareness  
17 about the importance of delivering services to children in a variety of  
18 communication modalities to support their early and continued access to  
19 communication. The legislature intends to enhance the coordination of

1 regionally delivered educational services and supports for children who  
2 are deaf or hard of hearing and to promote the development of  
3 communication-rich learning environments for these children.

4 NEW SECTION. **Sec. 2.** A new section is added to chapter 72.42 RCW  
5 to read as follows:
