23 application. The secretary shall establish by rule the examination
24 application deadline.

25 (2) The secretary or the secretary's designees shall examine each
26 applicant, by means determined most effective, on subjects appropriate
27 to the scope of practice, as applicable. The examinations must be
28 limited to the purpose of determining whether the applicant possesses
29 the minimum skill and knowledge necessary to practice competently.

30 (3) The examination papers, all grading of the papers, and the
31 grading of any practical work shall be preserved for a period of not

15 fee must accompany the application.

16 NEW SECTION. **Sec. 8.** The secretary shall establish by rule the
17 requirements and fees for renewal of a license. Failure to renew the
18 license invalidates the license and all privileges granted by the
19 license. If a license has lapsed for a period longer than three years,
20 the person shall demonstrate competence to the satisfaction of the
21 secretary by completing continuing competency requirements or meeting
22 other standards determined by the secretary.

23 NEW SECTION. **Sec. 9.** The secretary may grant a provisional
24 license to a person who has met all of the requirements for obtaining

2 state are substantially equivalent to the licensing standards of this
3 state.

4 NEW SECTION. **Sec. 11.** (1) Except as provided in section 3 of this
5 act, no person shall engage in the practice of genetic counseling
6 unless he or she is licensed, or provisionally licensed, under this
7 chapter.
