16 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

17 NEW SECTION. **Sec. 1.** Intent. One of the key roles of advisory
18 boards, committees, and commissions is to provide input, advice and
19 recommendations from stakeholders, other interested parties, and the

1 public to state agencies. Some advisory boards, committees, and
2 commissions may be abolished without detriment to the mission of the
3 agency each supports. Most of the advisory functions of some boards,
4 committees, and commissions can be performed without the administrative
5 costs of maintaining formal organizations. In the interest of building
6 a leaner, more efficient, and more responsible government, this vital
7 communications conduit must be maintained for the benefit of the state
8 and its citizens, through the use of modern communication technology.
9 It is the intent of the legislature this interim to identify criteria
10 to evaluate those advisory boards, committees, and commissions that may
11 be eliminated or consolidated, and for agencies to identify new, less
12 costly, and more effective opportunities to ensure a broad range of
13 citizen participation is provided and that all reasonable efforts are
14 made to ensure that channels are maintained for vital input from the
15 citizens of Washington.

16 **Acupuncture Ad Hoc Committee**

17 **Sec. 2.** RCW 18.06.080 and 1995 c 323 s 7 are each amended to read
18 as follows:

19 (1) The secretary is hereby authorized and empowered to execute the
20 provisions of this chapter and shall offer examinations in acupuncture
21 at least twice a year at such times and places as the secretary may
22 select. The examination shall be a written examination and may include
23 a practical examination.

24 (2) The secretary shall develop or approve a licensure examination
25 in the subjects that the secretary determines are within the scope of
26 and commensurate with the work performed by licensed acupuncturists and
27 shall include but not necessarily be limited to anatomy, physiology,
28 microbiology, biochemistry, pathology, hygiene, and acupuncture. All
29 application papers shall be deposited with the secretary and there
30 retained for at least one year, when they may be destroyed.

31 (3) If the examination is successfully passed, the secretary shall
32 confer on such candidate the title of Licensed Acupuncturist.

33 ~~(4) ((The secretary may appoint members of the profession to serve
34 in an ad hoc advisory capacity to the secretary in carrying out this
35 chapter. The members will serve for designated times and provide
36 advice on matters specifically identified and requested by the~~

1 ~~secretary. The members shall be compensated in accordance with RCW~~
2 ~~43.03.220 and reimbursed for travel expenses under RCW 43.03.040 and~~
3 ~~43.03.060.~~

4 (5)) The secretary, ad hoc committee members, or individuals
5 acting in their behalf are immune from suit in a civil action based on
6 any certification or disciplinary proceedings or other official acts
7 performed in the course of their duties.

8 **Character-Building Residential Services**
9 **in Prisons, Oversight Committee**

10 NEW SECTION. **Sec. 3.** RCW 72.09.800 (Comprehensive plan for
11 character-building residential services in prisons--Establishment of
12 oversight committee) and 2008 c 104 s 2 are each repealed.

13 **Displaced Homemaker Program Statewide Advisory Committee**

14 NEW SECTION. **Sec. 4.** RCW 28B.04.085 (Displaced homemaker program
15 advisory committee) and 2004 c 275 s 32 & 1987 c 230 s 2 are each
16 repealed.

17 **Adult Family Home Advisory Committee**

18 NEW SECTION. **Sec. 5.** RCW 70.128.225 (Advisory committee) and 2007
19 c 40 s 1 & 2002 c 223 s 4 are each repealed.

20 **Sec. 6.** RCW 70.128.163 and 2001 c 193 s 6 are each amended to read
21 as follows:

22 (1) When the department has summarily suspended a license, the
23 licensee may, subject to the department's approval, elect to
24 participate in a temporary management program. All provisions of this
25 section shall apply.

26 The purposes of a temporary management program are as follows:

27 (a) To mitigate dislocation and transfer trauma of residents while
28 the department and licensee may pursue dispute resolution or appeal of
29 a summary suspension of license;

30 (b) To facilitate the continuity of safe and appropriate resident
31 care and services;

1 (c) To preserve a residential option that meets a specialized
2 service need and/or is in a geographical area that has a lack of
3 available providers; and

4 (d) To provide residents with the opportunity for orderly
5 discharge.

6 (2) Licensee participation in the temporary management program is
7 voluntary. The department shall have the discretion to approve any
8 temporary manager and the temporary management arrangements. The
9 temporary management shall assume the total responsibility for the
10 daily operations of the home.

11 (3) The temporary management shall contract with the licensee as an
12 independent contractor and is responsible for ensuring that all minimum
13 licensing requirements are met. The temporary management shall protect
14 the health, safety, and well-being of the residents for the duration of
15 the temporary management and shall perform all acts reasonably
16 necessary to ensure that residents' needs are met. The licensee is
17 responsible for all costs related to administering the temporary
18 management program and contracting with the temporary management. The
19 temporary management agreement shall at a minimum address the
20 following:

21 (a) Provision of liability insurance to protect residents and their
22 property;

23 (b) Preservation of resident trust funds;

24 (c) The timely payment of past due or current accounts, operating
25 expenses, including but not limited to staff compensation, and all debt
26 that comes due during the period of the temporary management;

27 (d) The responsibilities for addressing all other financial
28 obligations that would interfere with the ability of the temporary
29 manager to provide adequate care and services to residents; and

30 (e) The authority of the temporary manager to manage the home,
31 including the hiring, managing, and firing of employees for good cause,
32 and to provide adequate care and services to residents.

33 (4) The licensee and department shall provide written notification
34 immediately to all residents, legal representatives, interested family
35 members, and the state long-term care ombudsman program, of the
36 temporary management and the reasons for it. This notification shall
37 include notice that residents may move from the home without notifying

1 the licensee in advance, and without incurring any charges, fees, or
2 costs otherwise available for insufficient advance notice, during the
3 temporary management period.

4 (5) The temporary management period under this section concludes
5 twenty-eight days after issuance of the formal notification of
6 enforcement action or conclusion of administrative proceedings,
7 whichever date is later. Nothing in this section precludes the
8 department from revoking its approval of the temporary management
9 and/or exercising its licensing enforcement authority under this
10 chapter. The department's decision whether to approve or to revoke a
11 temporary management arrangement is not subject to the administrative
12 procedure act, chapter 34.05 RCW.

13 (6) The department is authorized to adopt rules implementing this
14 section. In implementing this section, the department shall consult
15 with consumers, advocates, (~~the adult family home advisory committee~~
16 ~~established under chapter 18.48 RCW,~~) and organizations representing
17 adult family homes. The department may recruit and approve qualified,
18 licensed providers interested in serving as temporary managers.

19 **Boarding Home Advisory Board**

20 NEW SECTION. **Sec. 7.** RCW 18.20.260 (Advisory board) and 2000 c 47
21 s 8 are each repealed.

22 **Citizens' Work Group on Health Care Reform**

23 NEW SECTION. **Sec. 8.** The following acts or parts of acts are each
24 repealed:

- 25 2008 c 311 s 1 (uncodified);
- 26 2008 c 311 s 2 (uncodified);
- 27 2008 c 311 s 3 (uncodified); and
- 28 2008 c 311 s 4 (uncodified).

29 **Model Toxic Control Act Science Advisory Board**

30 NEW SECTION. **Sec. 9.** 1997 c 406 s 1 (uncodified) is repealed.

1 **Sec. 10.** RCW 70.105D.030 and 2007 c 446 s 1, 2007 c 225 s 1, and
2 2007 c 104 s 19 are each reenacted and amended to read as follows:

3 (1) The department may exercise the following powers in addition to
4 any other powers granted by law:

5 (a) Investigate, provide for investigating, or require potentially
6 liable persons to investigate any releases or threatened releases of
7 hazardous substances, including but not limited to inspecting,
8 sampling, or testing to determine the nature or extent of any release
9 or threatened release. If there is a reasonable basis to believe that
10 a release or threatened release of a hazardous substance may exist, the
11 department's authorized employees, agents, or contractors may enter
12 upon any property and conduct investigations. The department shall
13 give reasonable notice before entering property unless an emergency
14 prevents such notice. The department may by subpoena require the
15 attendance or testimony of witnesses and the production of documents or
16 other information that the department deems necessary;

17 (b) Conduct, provide for conducting, or require potentially liable
18 persons to conduct remedial actions (including investigations under (a)
19 of this subsection) to remedy releases or threatened releases of
20 hazardous substances. In carrying out such powers, the department's
21 authorized employees, agents, or contractors may enter upon property.
22 The department shall give reasonable notice before entering property
23 unless an emergency prevents such notice. In conducting, providing
24 for, or requiring remedial action, the department shall give preference
25 to permanent solutions to the maximum extent practicable and shall
26 provide for or require adequate monitoring to ensure the effectiveness
27 of the remedial action;

28 (c) Indemnify contractors retained by the department for carrying
29 out investigations and remedial actions, but not for any contractor's
30 reckless or willful misconduct;

31 (d) Carry out all state programs authorized under the federal
32 cleanup law and the federal resource, conservation, and recovery act,
33 42 U.S.C. Sec. 6901 et seq., as amended;

34 (e) Classify substances as hazardous substances for purposes of RCW
35 70.105D.020 and classify substances and products as hazardous
36 substances for purposes of RCW 82.21.020(1);

37 (f) Issue orders or enter into consent decrees or agreed orders
38 that include, or issue written opinions under (i) of this subsection

1 that may be conditioned upon, environmental covenants where necessary
2 to protect human health and the environment from a release or
3 threatened release of a hazardous substance from a facility. Prior to
4 establishing an environmental covenant under this subsection, the
5 department shall consult with and seek comment from a city or county
6 department with land use planning authority for real property subject
7 to the environmental covenant;

8 (g) Enforce the application of permanent and effective
9 institutional controls that are necessary for a remedial action to be
10 protective of human health and the environment and the notification
11 requirements established in RCW 70.105D.110, and impose penalties for
12 violations of that section consistent with RCW 70.105D.050;

13 (h) Require holders to conduct remedial actions necessary to abate
14 an imminent or substantial endangerment pursuant to RCW
15 70.105D.020(17)(b)(ii)(C);

16 (i) Provide informal advice and assistance to persons regarding the
17 administrative and technical requirements of this chapter. This may
18 include site-specific advice to persons who are conducting or otherwise
19 interested in independent remedial actions. Any such advice or
20 assistance shall be advisory only, and shall not be binding on the
21 department. As a part of providing this advice and assistance for
22 independent remedial actions, the department may prepare written
23 opinions regarding whether the independent remedial actions or
24 proposals for those actions meet the substantive requirements of this
25 chapter or whether the department believes further remedial action is
26 necessary at the facility. Nothing in this chapter may be construed to
27 preclude the department from issuing a written opinion on whether
28 further remedial action is necessary at any portion of the real
29 property located within a facility, even if further remedial action is
30 still necessary elsewhere at the same facility. Such a written opinion
31 on a portion of a facility must also provide an opinion on the status
32 of the facility as a whole. The department may collect, from persons
33 requesting advice and assistance, the costs incurred by the department
34 in providing such advice and assistance; however, the department shall,
35 where appropriate, waive collection of costs in order to provide an
36 appropriate level of technical assistance in support of public
37 participation. The state, the department, and officers and employees

1 of the state are immune from all liability, and no cause of action of
2 any nature may arise from any act or omission in providing, or failing
3 to provide, informal advice and assistance; and

4 (j) Take any other actions necessary to carry out the provisions of
5 this chapter, including the power to adopt rules under chapter 34.05
6 RCW.

7 (2) The department shall immediately implement all provisions of
8 this chapter to the maximum extent practicable, including investigative
9 and remedial actions where appropriate. The department shall adopt,
10 and thereafter enforce, rules under chapter 34.05 RCW to:

11 (a) Provide for public participation, including at least (i) public
12 notice of the development of investigative plans or remedial plans for
13 releases or threatened releases and (ii) concurrent public notice of
14 all compliance orders, agreed orders, enforcement orders, or notices of
15 violation;

16 (b) Establish a hazard ranking system for hazardous waste sites;

17 (c) Provide for requiring the reporting by an owner or operator of
18 releases of hazardous substances to the environment that may be a
19 threat to human health or the environment within ninety days of
20 discovery, including such exemptions from reporting as the department
21 deems appropriate, however this requirement shall not modify any
22 existing requirements provided for under other laws;

23 (d) Establish reasonable deadlines not to exceed ninety days for
24 initiating an investigation of a hazardous waste site after the
25 department receives notice or otherwise receives information that the
26 site may pose a threat to human health or the environment and other
27 reasonable deadlines for remedying releases or threatened releases at
28 the site;

29 (e) Publish and periodically update minimum cleanup standards for
30 remedial actions at least as stringent as the cleanup standards under
31 section 121 of the federal cleanup law, 42 U.S.C. Sec. 9621, and at
32 least as stringent as all applicable state and federal laws, including
33 health-based standards under state and federal law; and

34 (f) Apply industrial clean-up standards at industrial properties.
35 Rules adopted under this subsection shall ensure that industrial
36 properties cleaned up to industrial standards cannot be converted to
37 nonindustrial uses without approval from the department. The
38 department may require that a property cleaned up to industrial

1 standards is cleaned up to a more stringent applicable standard as a
2 condition of conversion to a nonindustrial use. Industrial clean-up
3 standards may not be applied to industrial properties where hazardous
4 substances remaining at the property after remedial action pose a
5 threat to human health or the environment in adjacent nonindustrial
6 areas.

7 (3) To achieve and protect the state's long-term ecological health,
8 the department shall prioritize sufficient funding to clean up
9 hazardous waste sites and prevent the creation of future hazards due to
10 improper disposal of toxic wastes, and create financing tools to clean
11 up large-scale hazardous waste sites requiring multiyear commitments.
12 To effectively monitor toxic accounts expenditures, the department
13 shall develop a comprehensive ten-year financing report that identifies
14 long-term remedial action project costs, tracks expenses, and projects
15 future needs.

16 (4) Before December 20th of each even-numbered year, the department
17 shall:

18 (a) Develop a comprehensive ten-year financing report in
19 coordination with all local governments with clean-up responsibilities
20 that identifies the projected biennial hazardous waste site remedial
21 action needs that are eligible for funding from the local toxics
22 control account;

23 (b) Work with local governments to develop working capital reserves
24 to be incorporated in the ten-year financing report;

25 (c) Identify the projected remedial action needs for orphaned,
26 abandoned, and other clean-up sites that are eligible for funding from
27 the state toxics control account;

28 (d) Project the remedial action need, cost, revenue, and any
29 recommended working capital reserve estimate to the next biennium's
30 long-term remedial action needs from both the local toxics control
31 account and the state toxics control account, and submit this
32 information to the appropriate standing fiscal and environmental
33 committees of the senate and house of representatives. This submittal
34 must also include a ranked list of such remedial action projects for
35 both accounts; and

36 (e) Provide the legislature and the public each year with an
37 accounting of the department's activities supported by appropriations
38 from the state and local toxics control accounts, including a list of

1 known hazardous waste sites and their hazard rankings, actions taken
2 and planned at each site, how the department is meeting its waste
3 management priorities under RCW 70.105.150, and all funds expended
4 under this chapter.

5 ~~(5) ((The department shall establish a scientific advisory board to
6 render advice to the department with respect to the hazard ranking
7 system, cleanup standards, remedial actions, deadlines for remedial
8 actions, monitoring, the classification of substances as hazardous
9 substances for purposes of RCW 70.105D.020 and the classification of
10 substances or products as hazardous substances for purposes of RCW
11 82.21.020(1). The board shall consist of five independent members to
12 serve staggered three year terms. No members may be employees of the
13 department. Members shall be reimbursed for travel expenses as
14 provided in RCW 43.03.050 and 43.03.060.~~

15 ~~(6))~~ The department shall establish a program to identify
16 potential hazardous waste sites and to encourage persons to provide
17 information about hazardous waste sites.

18 ~~((7))~~ (6) For all facilities where an environmental covenant has
19 been required under subsection (1)(f) of this section, including all
20 facilities where the department has required an environmental covenant
21 under an order, agreed order, or consent decree, or as a condition of
22 a written opinion issued under the authority of subsection (1)(i) of
23 this section, the department shall periodically review the
24 environmental covenant for effectiveness. Except as otherwise provided
25 in (c) of this subsection, the department shall conduct a review at
26 least once every five years after an environmental covenant is
27 recorded.

- 28 (a) The review shall consist of, at a minimum:
- 29 (i) A review of the title of the real property subject to the
30 environmental covenant to determine whether the environmental covenant
31 was properly recorded and, if applicable, amended or terminated;
 - 32 (ii) A physical inspection of the real property subject to the
33 environmental covenant to determine compliance with the environmental
34 covenant, including whether any development or redevelopment of the
35 real property has violated the terms of the environmental covenant; and
 - 36 (iii) A review of the effectiveness of the environmental covenant
37 in limiting or prohibiting activities that may interfere with the

1 integrity of the remedial action or that may result in exposure to or
2 migration of hazardous substances. This shall include a review of
3 available monitoring data.

4 (b) If an environmental covenant has been amended or terminated
5 without proper authority, or if the terms of an environmental covenant
6 have been violated, or if the environmental covenant is no longer
7 effective in limiting or prohibiting activities that may interfere with
8 the integrity of the remedial action or that may result in exposure to
9 or migration of hazardous substances, then the department shall take
10 any and all appropriate actions necessary to ensure compliance with the
11 environmental covenant and the policies and requirements of this
12 chapter.

13 (c) For facilities where an environmental covenant required by the
14 department under subsection (1)(f) of this section was required before
15 July 1, 2007, the department shall:

16 (i) Enter all required information about the environmental covenant
17 into the registry established under RCW 64.70.120 by June 30, 2008;

18 (ii) For those facilities where more than five years has elapsed
19 since the environmental covenant was required and the department has
20 yet to conduct a review, conduct an initial review according to the
21 following schedule:

22 (A) By December 30, 2008, fifty facilities;

23 (B) By June 30, 2009, fifty additional facilities; and

24 (C) By June 30, 2010, the remainder of the facilities;

25 (iii) Once this initial review has been completed, conduct
26 subsequent reviews at least once every five years.

27 Oil Heat Advisory Committee

28 **Sec. 11.** RCW 70.149.040 and 2007 c 240 s 1 are each amended to
29 read as follows:

30 The director shall:

31 (1) Design a program, consistent with RCW 70.149.120, for providing
32 pollution liability insurance for heating oil tanks that provides up to
33 sixty thousand dollars per occurrence coverage and aggregate limits,
34 and protects the state of Washington from unwanted or unanticipated
35 liability for accidental release claims;

1 (2) Administer, implement, and enforce the provisions of this
2 chapter. To assist in administration of the program, the director is
3 authorized to appoint up to two employees who are exempt from the civil
4 service law, chapter 41.06 RCW, and who shall serve at the pleasure of
5 the director;

6 (3) Administer the heating oil pollution liability trust account,
7 as established under RCW 70.149.070;

8 (4) Employ and discharge, at his or her discretion, agents,
9 attorneys, consultants, companies, organizations, and employees as
10 deemed necessary, and to prescribe their duties and powers, and fix
11 their compensation;

12 (5) Adopt rules under chapter 34.05 RCW as necessary to carry out
13 the provisions of this chapter;

14 (6) Design and from time to time revise a reinsurance contract
15 providing coverage to an insurer or insurers meeting the requirements
16 of this chapter. The director is authorized to provide reinsurance
17 through the pollution liability insurance program trust account;

18 (7) Solicit bids from insurers and select an insurer to provide
19 pollution liability insurance for third-party bodily injury and
20 property damage, and corrective action to owners and operators of
21 heating oil tanks;

22 (8) Register, and design a means of accounting for, operating
23 heating oil tanks;

24 (9) Implement a program to provide advice and technical assistance
25 to owners and operators of active and abandoned heating oil tanks if
26 contamination from an active or abandoned heating oil tank is
27 suspected. Advice and assistance regarding administrative and
28 technical requirements may include observation of testing or site
29 assessment and review of the results of reports. If the director finds
30 that contamination is not present or that the contamination is
31 apparently minor and not a threat to human health or the environment,
32 the director may provide written opinions and conclusions on the
33 results of the investigation to owners and operators of active and
34 abandoned heating oil tanks. The agency is authorized to collect, from
35 persons requesting advice and assistance, the costs incurred by the
36 agency in providing such advice and assistance. The costs may include
37 travel costs and expenses associated with review of reports and
38 preparation of written opinions and conclusions. Funds from cost

1 reimbursement must be deposited in the heating oil pollution liability
2 trust account. The state of Washington, the pollution liability
3 insurance agency, and its officers and employees are immune from all
4 liability, and no cause of action arises from any act or omission in
5 providing, or failing to provide, such advice, opinion, conclusion, or
6 assistance;

7 (10) Establish a public information program to provide information
8 regarding liability, technical, and environmental requirements
9 associated with active and abandoned heating oil tanks;

10 (11) Monitor agency expenditures and seek to minimize costs and
11 maximize benefits to ensure responsible financial stewardship;

12 ~~(12) ((Create an advisory committee of stakeholders to advise the
13 director on all aspects of program operations and fees authorized by
14 this chapter, including pollution prevention programs. The advisory
15 committee must have one member each from the Pacific Northwest oil heat
16 council, the Washington oil marketers association, the western states
17 petroleum association, and the department of ecology and three members
18 from among the owners of home heating oil tanks registered with the
19 pollution liability insurance agency who are generally representative
20 of the geographical distribution and types of registered owners. The
21 committee should meet at least quarterly, or more frequently at the
22 discretion of the director; and~~

23 ~~(13))~~ Study if appropriate user fees to supplement program funding
24 are necessary and develop recommendations for legislation to authorize
25 such fees.

26 **Parks Centennial Advisory Committee**

27 **Sec. 12.** RCW 79A.75.900 and 2004 c 14 s 5 are each amended to read
