

2SHB 1186 - H AMD TO H AMD (H-2038.1/11) 83

By Representative Harris

FAILED 02/28/2011

1 On page 11, line 7 of the amendment, after "activation" insert ".  
2 If technology equivalent to that which is required under this  
3 subsection is owned by the United States or international governments,  
4 the department must develop a memorandum of understanding with the  
5 applicable governments that allows contingency plan holders the  
6 ability to contract for the use of the technology when needed"

7

EFFECT: Requires the Department of Ecology to enter into a memorandum of understanding with the federal government or an international government that allows tank vessel contingency plan holders to contract for the use of any multispectrum scanning technologies owned by those governments.
