32
EFFECT: Transfers responsibility from the Administrative Office
of the Courts to the Department of Corrections for the following

functions previously performed by the Sentencing Guidelines Commission:

- serve as a sentencing clearinghouse and information center for the collection, preparation, analysis, and dissemination of information on state and local adult and juvenile sentencing practices; maintain a computerized adult and juvenile sentencing information system by individual superior court judge consisting of offender, offense, history, and sentence information entered from judgment and sentence forms for all adult felons; and annually publish an adult sentencing manual, a juvenile disposition manual, and statistical summaries of adult felony sentencing and juvenile disposition data;
- receive juvenile court and juvenile detention facility records collected for research and data gathering functions; and
- appoint the staff for conducting criminal-justice related research and request that the Department of Social and Health Services provide administrative support for its data collection functions.
