

SHB 2688 - H AMD **1144**

By Representative Morris

1 On page 2, line 5, after "group." insert "The Washington State
2 University extension energy program must ensure that any advisory
3 opinion issued regarding a proposed electric generation project or
4 conservation resource under this section is consistent with any
5 declaratory order or other formal ruling previously issued by the
6 utilities and transportation commission regarding the eligibility of a
7 similar electric generation project or conservation resource to meet a
8 target under RCW 19.285.040."

EFFECT: Provides that the Washington State University Extension Energy Program must ensure that any advisory opinion it issues regarding a proposed project or resource is consistent with any declaratory order or other formal ruling previously issued by the Utilities and Transportation Commission concerning a similar project or resource.
