

ESB 5647 - H COMM AMD TO AGNR COMM AMD (H2231.1)
By Committee on Capital Budget

NOT CONSIDERED 04/22/2011

1 On page 12, line 9 of the amendment, after "90.90.020." insert "As
2 part of its evaluation, the department of ecology must reexamine its
3 method of accounting for in-stream and out-of-stream benefits and
4 develop a means of accounting for the indirect but substantial and
5 tangible out-of-stream benefits that accrue from conservation, pump
6 exchanges, and other projects."

EFFECT: Requires the department of ecology, as part of its
September 2011 aggregation report, to develop a way of accounting for
out-of-stream benefits that occur as a result of conservation, pump
exchanges, and other projects.
