Effect: Local governments that collect impact fees for school facilities may not defer any portion of the impact fee collected for school facilities, unless provided for otherwise by local ordinance.

Local governments that collect less than \$3,500 for impact fees per residential lot or unit, including fees for school facilities, are exempt from the provisions of this bill.

Provides that in addition to local governments that have an existing impact fee deferral process, a local government that has an existing impact fee deferral, credit, or reduction process for vehicle trip reduction are exempt from the provisions of this bill.

Makes technical corrections.
