

ESHB 2082 - S COMM AMD
By Committee on Ways & Means

NOT ADOPTED 05/25/2011

1 Strike everything after the enacting clause and insert the
2 following:

3 "NEW SECTION. **Sec. 1. Intent.** (1) The legislature finds that:

4 (a) Persons who have a long-term disability and apply for federal
5 supplemental security income benefits should receive assistance while
6 their application for federal benefits is pending, with repayment from
7 the federal government of state-funded income assistance paid through
8 the aged, blind, or disabled assistance program;

9 (b) Persons who are incapacitated from gainful employment for an
10 extended period, but who may not meet the level of severity of a long-
11 term disability, are at increased risk of homelessness; and

12 (c) Persons who are homeless and suffering from significant medical
13 impairments, mental illness, or chemical dependency face substantial
14 barriers to successful participation in, and completion of, needed
15 medical or behavioral health treatment services. Stable housing
16 increases the likelihood of compliance with and completion of
17 treatment.

18 (2) Through this act, the legislature intends to:

19 (a) Terminate all components of the disability lifeline program
20 created in 2010 and codified in RCW 74.04.005 and create new programs:

21 (i) To provide financial grants through the aged, blind, and disabled
22 assistance program and the pregnant women assistance program; and (ii)
23 to provide services through the essential needs and housing support
24 program; and

25 (b) Increase opportunities to utilize limited public funding,
26 combined with private charitable and volunteer efforts to serve persons
27 who are recipients of the benefits provided by the new programs created
28 under this act.

1 NEW SECTION. **Sec. 2.** Effective October 31, 2011, the disability
2 lifeline program, as defined under chapter 74.04 RCW, is terminated and
3 all benefits provided under that program shall expire and cease to
4 exist.

5 NEW SECTION. **Sec. 3.** (1)(a) Effective November 1, 2011, the aged,
6 blind, or disabled assistance program shall provide financial grants to
7 persons in need who:

8 (i) Are not eligible to receive federal aid assistance, other than
9 basic food benefits transferred electronically and medical assistance;

10 (ii) Meet the eligibility requirements of subsection (3) of this
11 section; and

12 (iii) Are aged, blind, or disabled. For purposes of determining
13 eligibility for assistance for the aged, blind, or disabled assistance
14 program, the following definitions apply:

15 (A) "Aged" means age sixty-five or older.

16 (B) "Blind" means statutorily blind as defined for the purpose of
17 determining eligibility for the federal supplemental security income
18 program.

19 (C) "Disabled" means likely to meet the federal supplemental
20 security income disability standard. In making this determination, the
21 department should give full consideration to the cumulative impact of
22 an applicant's multiple impairments, an applicant's age, and vocational
23 and educational history but need not duplicate the full five-step
24 sequential review process set out in federal supplemental security
25 income regulations.

26 In determining whether a person is disabled, the department may
27 rely on the following:

28 (I) A previous disability determination by the social security
29 administration or the disability determination service entity within
30 the department; or

31 (II) A determination that an individual is eligible to receive
32 optional categorically needy medicaid as a disabled person under the
33 federal regulations at 42 C.F.R. Parts 435, Secs. 201(a)(3) and 210.

34 (b) The following persons are not eligible for the aged, blind, or
35 disabled assistance program:

36 (i) Persons who are not able to engage in gainful employment due
37 primarily to alcohol or drug addiction. These persons shall be

1 referred to appropriate assessment, treatment, shelter, or supplemental
2 security income referral services as authorized under chapter 74.50
3 RCW. Referrals shall be made at the time of application or at the time
4 of eligibility review. This subsection may not be construed to
5 prohibit the department from granting long-term disability assistance
6 benefits to alcoholics and drug addicts who are incapacitated due to
7 other physical or mental conditions that meet the eligibility criteria
8 for the long-term disability assistance program; or

9 (ii) Persons for whom there has been a final determination by the
10 social security administration of ineligibility for federal
11 supplemental security income benefits.

12 (c) Persons may receive aged, blind, or disabled assistance
13 benefits pending application for federal supplemental security income
14 benefits. The monetary value of any aged, blind, or disabled
15 assistance benefit that is subsequently duplicated by the person's
16 receipt of supplemental security income for the same period shall be
17 considered a debt due the state and shall by operation of law be
18 subject to recovery through all available legal remedies.

19 (2) Effective November 1, 2011, the pregnant women assistance
20 program shall provide financial grants to persons who:

21 (a) Are not eligible to receive federal aid assistance other than
22 basic food benefits or medical assistance; or

23 (b) Are pregnant and in need, based upon the current income and
24 resource standards of the federal temporary assistance for needy
25 families program, but are ineligible for federal temporary assistance
26 for needy families benefits for a reason other than failure to
27 cooperate in program requirements; and

28 (c) Meet the eligibility requirements of subsection (3) of this
29 section.

30 (3) To be eligible for the aged, blind, or disabled assistance
31 program under subsection (1) of this section or the pregnant women
32 assistance program under subsection (2) of this section, a person must:

33 (a) Be a citizen or alien lawfully admitted for permanent residence
34 or otherwise residing in the United States under color of law;

35 (b) Have furnished the department his or her social security
36 number. If the social security number cannot be furnished because it
37 has not been issued or is not known, an application for a number shall

1 be made prior to authorization of benefits, and the social security
2 number shall be provided to the department upon receipt;

3 (c) Have not refused or failed without good cause to participate in
4 drug or alcohol treatment if an assessment by a certified chemical
5 dependency counselor indicates a need for such treatment. Good cause
6 must be found to exist when a person's physical or mental condition, as
7 determined by the department, prevents the person from participating in
8 drug or alcohol dependency treatment, when needed outpatient drug or
9 alcohol treatment is not available to the person in the county of his
10 or her residence or when needed inpatient treatment is not available in
11 a location that is reasonably accessible for the person; and

12 (d) Not have refused or failed to cooperate in obtaining federal
13 aid assistance, without good cause.

14 (4) Effective November 1, 2011, referrals for essential needs and
15 housing support under section 4 of this act shall be provided to
16 persons found eligible for medical care services under RCW 74.09.035
17 who are not recipients of alcohol and addiction services provided under
18 chapter 74.50 RCW or are not recipients of aged, blind, or disabled
19 assistance.

20 (5) No person may be considered an eligible individual for benefits
21 under this section with respect to any month if during that month the
22 person:

23 (a) Is fleeing to avoid prosecution of, or to avoid custody or
24 confinement for conviction of, a felony, or an attempt to commit a
25 felony, under the laws of the state of Washington or the place from
26 which the person flees; or

27 (b) Is violating a condition of probation, community supervision,
28 or parole imposed under federal or state law for a felony or gross
29 misdemeanor conviction.

30 (6) The department must review the cases of all persons, except
31 recipients of alcohol and addiction treatment under chapter 74.50 RCW,
32 or recipients of aged, blind, or disabled assistance, who have received
33 medical care services for twelve consecutive months, and at least
34 annually after the first review, to determine whether they are eligible
35 for the aged, blind, or disabled assistance program.

36 NEW SECTION. **Sec. 4.** A new section is added to chapter 43.185C
37 RCW to read as follows:

1 **Grants to local governments and community-based organizations for**
2 **essential needs and housing support.** (1) The department shall
3 distribute funds for the essential needs and housing support program
4 established under this section in a manner consistent with the
5 requirements of this section and the biennial operating budget. The
6 first distribution of funds must be completed by September 1, 2011.
7 Essential needs or housing support is only for persons found eligible
8 for such services under section 3(4) of this act and is not considered
9 an entitlement.

10 (2) The department shall distribute funds appropriated for the
11 essential needs and housing support program in the form of grants to
12 designated essential needs support and housing support entities within
13 each county. The department shall not distribute any funds until it
14 approves the expenditure plan submitted by the designated essential
15 needs support and housing support entities. The amount of funds to be
16 distributed pursuant to this section shall be designated in the
17 biennial operating budget. For the sole purpose of meeting the initial
18 distribution of funds date, the department may distribute partial
19 funds, as provided in the biennial operating budget, upon the
20 department's approval of a preliminary expenditure plan. The
21 department shall not distribute the remaining funds until it has
22 approved a final expenditure plan.

23 (3) As provided in the biennial operating budget, for the 2011-2013
24 biennium, a contingency fund shall be used solely for those clients who
25 are at imminent risk of losing stable housing or at imminent risk of
26 losing one of the other services defined in section 7(6) of this act.
27 For purposes of this chapter, "imminent risk" means the client has
28 written proof that he or she will lose his or her housing within the
29 next thirty days or that the services will be discontinued within the
30 next thirty days.

31 (4) For each county, the department shall designate an essential
32 needs support entity and a housing support entity that will begin
33 providing these supports to essential needs and housing support program
34 recipients on November 1, 2011. Essential needs and housing support
35 entities are not required to provide assistance to every essential
36 needs and housing support recipient that is referred to the local
37 entity or who meets the priority standards in subsection (5)(c) of this
38 section.

1 (a) Each designated entity must be a local government or
2 community-based organization, and may administer the funding for
3 essential needs support, housing support, or both. Designated entities
4 have the authority to subcontract with qualified entities. Upon
5 request, and the approval of the department, two or more counties may
6 combine resources to more effectively deliver services.

7 (b) The department's designation process must include a review of
8 proficiency in managing housing or human services programs when
9 designating housing support entities.

10 (c) Within a county, if the department directly awards separate
11 grants to the designated housing support entity and the designated
12 essential needs support entity, the department shall determine the
13 amount allocated for essential needs support as directed in the
14 biennial operating budget.

15 (5)(a) Essential needs and housing support entities must use funds
16 distributed under this section as flexibly as is practicable to provide
17 essential needs items and housing support to recipients of the
18 essential needs and housing support program, subject to the
19 requirements of this section.

20 (b) Benefits provided under the essential needs and housing support
21 program shall not be provided to recipients in the form of cash
22 assistance.

23 (c) The appropriations by the legislature for the purposes of the
24 essential needs and housing support program established under this
25 section shall be based on forecasted program caseloads. To the extent
26 that actual caseloads are less than forecasted, the proportional amount
27 of the appropriation shall lapse and remain unexpended. Savings
28 resulting from program caseload attrition from forecasted levels shall
29 not result in increased per-client expenditures.

30 (d) In awarding housing support, the designated housing support
31 entity shall provide housing support to clients who are homeless
32 persons as defined in RCW 43.185C.010.

33 (e) Essential needs and housing support entities must partner with
34 other public and private organizations to maximize the beneficial
35 impact of funds distributed under this section, and should attempt to
36 leverage other sources of public and private funds to serve essential
37 needs and housing support recipients. Funds appropriated in the

1 operating budget for essential needs and housing support must be used
2 only to serve persons eligible to receive services under that program.

3 (6) The department shall use no more than five percent of the funds
4 for administration of the essential needs and housing support program.
5 Each essential needs and housing support entity shall use no more than
6 seven percent of the funds for administrative expenses.

7 (7) The department shall:

8 (a) Require housing support entities to enter data into the
9 homeless client management information system;

10 (b) Require essential needs support entities to report on services
11 provided under this section;

12 (c) In collaboration with the department of social and health
13 services, submit a report annually to the relevant policy and fiscal
14 committees of the legislature. A preliminary report shall be submitted
15 by December 31, 2011, and must include (c)(i), (iii), and (v) of this
16 subsection. Annual reports must be submitted beginning December 1,
17 2012, and must include:

18 (i) A description of the actions the department has taken to
19 achieve the objectives of this act;

20 (ii) The amount of funds used by the department to administer the
21 program;

22 (iii) Information on the housing status of essential needs and
23 housing support recipients served by housing support entities, and
24 individuals referred for housing support by the department of social
25 and health services, but not receiving services;

26 (iv) Grantee expenditure data related to administration and
27 services provided under this section; and

28 (v) Efforts made to partner with other entities and leverage
29 sources or public and private funds;

30 (d) Review the data submitted by the designated entities, and make
31 recommendations for program improvements and administrative
32 efficiencies. The department has the authority to designate
33 alternative entities as necessary due to performance or other
34 significant issues. Such change must only be made after consultation
35 with the department of social and health services and the impacted
36 entity.

37 (8) The department, counties, and essential needs and housing
38 support entities are not civilly or criminally liable and may not have

1 any penalty or cause of action of any nature arise against them related
2 to decisions regarding: (a) The provision or lack of provision of
3 housing or essential needs support; or (b) the type of housing
4 arrangement supported with funds allocated under this section, when the
5 decision was made in good faith and in the performance of the powers
6 and duties under this section. However, this section does not prohibit
7 legal actions against the department, county, or essential needs or
8 housing support entity to enforce contractual duties or obligations.

9 NEW SECTION. **Sec. 5.** A new section is added to chapter 43.185C
10 RCW to read as follows:

11 The department, in collaboration with the department of social and
12 health services, shall develop a mechanism through which the department
13 and local governments or community-based organizations can verify a
14 person has been determined eligible and remains eligible for medical
15 care services under RCW 74.09.035 by the department of social and
16 health services.

17 **Sec. 6.** RCW 74.09.035 and 2011 c 284 s 3 are each amended to read
18 as follows:

19 (1) To the extent of available funds, medical care services may be
20 provided to ~~((recipients of disability lifeline benefits, persons
21 denied disability lifeline benefits under RCW 74.04.005(5)(b) or
22 74.04.655 who otherwise meet the requirements of RCW 74.04.005(5)(a),
23 and recipients of alcohol and drug addiction services provided under
24 chapter 74.50 RCW, in accordance with medical eligibility requirements
25 established by the department.))~~:

26 (a) Persons who:
27 (i) Are incapacitated from gainful employment by reason of bodily
28 or mental infirmity that will likely continue for a minimum of ninety
29 days as determined by the department. The standard for incapacity in
30 this subsection, as evidenced by the ninety-day duration standard, is
31 not intended to be as stringent as federal supplemental security income
32 disability standards;

33 (ii) Are citizens or aliens lawfully admitted for permanent
34 residence or otherwise residing in the United States under color of
35 law;

1 (iii) Have furnished the department their social security number.
2 If the social security number cannot be furnished because it has not
3 been issued or is not known, an application for a number shall be made
4 prior to authorization of benefits, and the social security number
5 shall be provided to the department upon receipt;

6 (iv) Have countable income as described in RCW 74.04.005 at or
7 below four hundred twenty-eight dollars for a married couple or at or
8 below three hundred thirty-nine dollars for a single individual; and

9 (v) Do not have countable resources in excess of those described in
10 RCW 74.04.005.

11 (b) Persons eligible for the aged, blind, or disabled assistance
12 program authorized in section 3 of this act and who are not eligible
13 for medicaid under RCW 74.09.510.

14 (c) Persons eligible for alcohol and drug addiction services
15 provided under chapter 74.50 RCW, in accordance with medical
16 eligibility requirements established by the department.

17 (d) The following persons are not eligible for medical care
18 services:

19 (i) Persons who are unemployable due primarily to alcohol or drug
20 addiction, except as provided in (c) of this subsection. These persons
21 shall be referred to appropriate assessment, treatment, shelter, or
22 supplemental security income referral services as authorized under
23 chapter 74.50 RCW. Referrals shall be made at the time of application
24 or at the time of eligibility review. This subsection shall not be
25 construed to prohibit the department from granting medical care
26 services benefits to alcoholics and drug addicts who are incapacitated
27 due to other physical or mental conditions that meet the eligibility
28 criteria for medical care services;

29 (ii) Persons who refuse or fail to cooperate in obtaining federal
30 aid assistance, without good cause;

31 (iii) Persons who refuse or fail without good cause to participate
32 in drug or alcohol treatment if an assessment by a certified chemical
33 dependency counselor indicates a need for such treatment. Good cause
34 must be found to exist when a person's physical or mental condition, as
35 determined by the department, prevents the person from participating in
36 drug or alcohol dependency treatment, when needed outpatient drug or
37 alcohol treatment is not available to the person in the county of his

1 or her residence or when needed inpatient treatment is not available in
2 a location that is reasonably accessible for the person; and

3 (iv) Persons who are fleeing to avoid prosecution of, or to avoid
4 custody or confinement for conviction of, a felony, or an attempt to
5 commit a felony, under the laws of the state of Washington or the place
6 from which the person flees; or who are violating a condition of
7 probation, community supervision, or parole imposed under federal or
8 state law for a felony or gross misdemeanor conviction.

9 (e) For purposes of determining whether a person is incapacitated
10 from gainful employment under (a) of this subsection:

11 (i) The department shall adopt by rule medical criteria for
12 incapacity determinations to ensure that eligibility decisions are
13 consistent with statutory requirements and are based on clear,
14 objective medical information; and

15 (ii) The process implementing the medical criteria shall involve
16 consideration of opinions of the treating or consulting physicians or
17 health care professionals regarding incapacity, and any eligibility
18 decision which rejects uncontroverted medical opinion must set forth
19 clear and convincing reasons for doing so.

20 (f) For purposes of reviewing a person's continuing eligibility and
21 in order to remain eligible for the program, persons who have been
22 found to have an incapacity from gainful employment must demonstrate
23 that there has been no material improvement in their medical or mental
24 health condition. The department may discontinue benefits when there
25 was specific error in the prior determination that found the person
26 eligible by reason of incapacitation.

27 (2) Enrollment in medical care services may not result in
28 expenditures that exceed the amount that has been appropriated in the
29 operating budget. If it appears that continued enrollment will result
30 in expenditures exceeding the appropriated level for a particular
31 fiscal year, the department may freeze new enrollment and establish a
32 waiting list of ((eligible)) persons who may receive benefits only when
33 sufficient funds are available. ((Upon implementation of a federal
34 medicaid 1115 waiver providing federal matching funds for medical care
35 services, persons subject to termination of disability lifeline
36 benefits under RCW 74.04.005(5)(h) remain enrolled in medical care
37 services and persons subject to denial of disability lifeline benefits
38 under RCW 74.04.005(5)(h) remain eligible for medical care services.

1 ~~(2))~~ (3) Determination of the amount, scope, and duration of
2 medical care services shall be limited to coverage as defined by the
3 department, except that adult dental, and routine foot care shall not
4 be included unless there is a specific appropriation for these
5 services.

6 ~~((3))~~ (4) The department shall enter into performance-based
7 contracts with one or more managed health care systems for the
8 provision of medical care services ~~((to recipients of disability
9 lifeline benefits))~~ under this section. The contract must provide for
10 integrated delivery of medical and mental health services.

11 ~~((4))~~ (5) The department shall establish standards of assistance
12 and resource and income exemptions, which may include deductibles and
13 co- insurance provisions. In addition, the department may include a
14 prohibition against the voluntary assignment of property or cash for
15 the purpose of qualifying for assistance.

16 ~~((5))~~ (6) Residents of skilled nursing homes, intermediate care
17 facilities, and intermediate care facilities for persons with
18 intellectual disabilities, as that term is described by federal law,
19 who are eligible for medical care services shall be provided medical
20 services to the same extent as provided to those persons eligible under
21 the medical assistance program.

22 ~~((6) Eligibility for medical care services shall commence with the
23 date of certification for disability lifeline benefits or the date of
24 eligibility for alcohol and drug addiction services provided under
25 chapter 74.50 RCW.))~~

26 (7) Eligibility for medical care services shall commence with the
27 date of certification for medical services, date of eligibility for the
28 aged, blind, or disabled assistance program provided under section 3 of
29 this act, or the date or eligibility for alcohol and drug addiction
30 services provided under chapter 74.50 RCW.

18 ~~in this subsection who apply for disability lifeline benefits during~~
19 ~~the time period that housing is not available shall receive a cash~~
20 ~~grant in lieu of a cash stipend and housing voucher.~~

21 ~~(iii) Persons who refuse to accept a housing voucher under this~~
22 ~~subsection but otherwise meet the eligibility requirements of (a) of~~
23 ~~this subsection are eligible for medical care services benefits under~~
24 ~~RCW 74.09.035, subject to the time limits in (h) of this subsection.~~

25 ~~(c) The following persons are not eligible for the disability~~
26 ~~lifeline program:~~

27 ~~(i) Persons who are unemployable due primarily to alcohol or drug~~
28 ~~addiction. These persons shall be referred to appropriate assessment,~~
29 ~~treatment, shelter, or supplemental security income referral services~~
30 ~~as authorized under chapter 74.50 RCW. Referrals shall be made at the~~
31 ~~time of application or at the time of eligibility review. This~~
32 ~~subsection shall not be construed to prohibit the department from~~
33 ~~granting disability lifeline benefits to alcoholics and drug addicts~~
34 ~~who are incapacitated due to other physical or mental conditions that~~
35 ~~meet the eligibility criteria for the disability lifeline program;~~

36 ~~(ii) Persons who refuse or fail to cooperate in obtaining federal~~
37 ~~aid assistance, without good cause.~~

1 ~~(d) Disability lifeline benefits shall be provided only to persons~~
2 ~~who are not members of assistance units receiving federal aid~~
3 ~~assistance, except as provided in (a) of this subsection, and who will~~
4 ~~accept available services that can reasonably be expected to enable the~~
5 ~~person to work or reduce the need for assistance unless there is good~~
6 ~~cause to refuse. Failure to accept such services shall result in~~
7 ~~termination until the person agrees to cooperate in accepting such~~
8 ~~services and subject to the following maximum periods of ineligibility~~
9 ~~after reapplication:~~

10 ~~(i) First failure: One week;~~

11 ~~(ii) Second failure within six months: One month;~~

13 ~~(e) Persons who are likely eligible for federal supplemental~~
14 ~~security income benefits shall be moved into the disability lifeline~~
15 ~~expedited component of the disability lifeline program. Persons placed~~
16 ~~in the expedited component of the program may, if otherwise eligible,~~
17 ~~receive disability lifeline benefits pending application for federal~~
18 ~~supplemental security income benefits. The monetary value of any~~
19 ~~disability lifeline benefit that is subsequently duplicated by the~~
20 ~~person's receipt of supplemental security income for the same period~~
21 ~~shall be considered a debt due the state and shall by operation of law~~
22 ~~be subject to recovery through all available legal remedies.~~

23 ~~(f) For purposes of determining whether a person is incapacitated~~
24 ~~from gainful employment under (a) of this subsection:~~

25 ~~(i) The department shall adopt by rule medical criteria for~~
26 ~~disability lifeline incapacity determinations to ensure that~~
27 ~~eligibility decisions are consistent with statutory requirements and~~
28 ~~are based on clear, objective medical information; and~~

29 ~~(ii) The process implementing the medical criteria shall involve~~
30 ~~consideration of opinions of the treating or consulting physicians or~~
31 ~~health care professionals regarding incapacity, and any eligibility~~
32 ~~decision which rejects uncontroverted medical opinion must set forth~~
33 ~~clear and convincing reasons for doing so.~~

34 ~~(g) Persons receiving disability lifeline benefits based upon a~~
35 ~~finding of incapacity from gainful employment who remain otherwise~~
36 ~~eligible shall have their benefits discontinued unless the recipient~~
37 ~~demonstrates no material improvement in their medical or mental health~~

1 condition.—The department may discontinue benefits when there was
2 specific error in the prior determination that found the person
3 eligible by reason of incapacitation.

4 (h)(i) Beginning September 1, 2010, no person who is currently
5 receiving or becomes eligible for disability lifeline program benefits
6 shall be eligible to receive benefits under the program for more than
7 twenty four months in a sixty month period.—For purposes of this
8 subsection, months of receipt of general assistance unemployable
9 benefits count toward the twenty four month limit. Months during which
10 a person received benefits under the expedited component of the
11 disability lifeline or general assistance program or under the aged,
12 blind, or disabled component of the disability lifeline or general
13 assistance program shall not be included when determining whether a
14 person has been receiving benefits for more than twenty four months.
15 On or before July 1, 2010, the department must review the cases of all
16 persons who have received disability lifeline benefits or general
17 assistance unemployable benefits for at least twenty months as of that
18 date.—On or before September 1, 2010, the department must review the
19 cases of all remaining persons who have received disability lifeline
20 benefits for at least twelve months as of that date. The review should
21 determine whether the person meets the federal supplemental security
22 income disability standard and, if the person does not meet that
23 standard, whether the receipt of additional services could lead to
24 employability.—If a need for additional services is identified, the
25 department shall provide case management services, such as assistance
26 with arranging transportation or locating stable housing, that will
27 facilitate the person's access to needed services.—A person may not be
28 determined ineligible due to exceeding the time limit unless he or she
29 has received a case review under this subsection finding that the
30 person does not meet the federal supplemental security income
31 disability standard.

32 (ii) The time limits established under this subsection expire June
33 30, 2013.

34 (i) No person may be considered an eligible individual for
35 disability lifeline benefits with respect to any month if during that
36 month the person:

37 (i) Is fleeing to avoid prosecution of, or to avoid custody or

2 ~~felony, under the laws of the state of Washington or the place from~~
3 ~~which the person flees; or~~

4 ~~(ii) Is violating a condition of probation, community supervision,~~
5 ~~or parole imposed under federal or state law for a felony or gross~~
6 ~~misdemeanor conviction)) the program established in section 4 of this~~
7 ~~act.~~

8 (6) (~~"Disability lifeline expedited" means a component of the~~
9 ~~disability lifeline program under which persons receiving disability~~
10 ~~lifeline benefits have been determined, after examination by an~~
11 ~~appropriate health care provider, to be likely to be eligible for~~
12 ~~federal supplemental security income benefits based on medical and~~
13 ~~behavioral health evidence that meets the disability standards used for~~
14 ~~the federal supplemental security income program.~~

15 ~~(7)) "Aged, blind, or disabled assistance program" means the~~
16 ~~program established under section 3 of this act.~~

17 (7) "Federal aid assistance"((—)) means the specific categories of

19 hereafter passed by which payments are made from the federal government
20 to the state in aid or in respect to payment by the state for public
21 assistance rendered to any category of needy persons for which
22 provision for federal funds or aid may from time to time be made, or a
23 federally administered needs-based program.

24 (8) "Applicant"((—)) means any person who has made a request, or
25 on behalf of whom a request has been made, to any county or local

34 owned by or available to the applicant at the time of application,
35 which can be applied toward meeting the applicant's need, either
36 directly or by conversion into money or its equivalent. The department
37 may by rule designate resources that an applicant may retain and not be

1 ineligible for public assistance because of such resources. Exempt
2 resources shall include, but are not limited to:

3 (a) A home that an applicant, recipient, or their dependents is
4 living in, including the surrounding property;

5 (b) Household furnishings and personal effects;

6 (c) A motor vehicle, other than a motor home, used and useful
7 having an equity value not to exceed five thousand dollars;

8 (d) A motor vehicle necessary to transport a household member with
9 a physical disability. This exclusion is limited to one vehicle per
10 person with a physical disability;

11 (e) All other resources, including any excess of values exempted,

13 department, to be consistent with limitations on resources and

15 also allow recipients of temporary assistance for needy families to
16 exempt savings accounts with combined balances of up to an additional
17 three thousand dollars;

18 (f) Applicants for or recipients of (~~disability~~ ~~lifeline~~)
19 benefits under sections 3 and 4 of this act shall have their
20 eligibility based on resource limitations consistent with the temporary
21 assistance for needy families program rules adopted by the department;
22 and

23 (g) If an applicant for or recipient of public assistance possesses
24 property and belongings in excess of the ceiling value, such value
25 shall be used in determining the need of the applicant or recipient,
26 except that: (i) The department may exempt resources or income when
27 the income and resources are determined necessary to the applicant's or
28 recipient's restoration to independence, to decrease the need for
29 public assistance, or to aid in rehabilitating the applicant or
30 recipient or a dependent of the applicant or recipient; and (ii) the
31 department may provide grant assistance for a period not to exceed nine
32 months from the date the agreement is signed pursuant to this section
33 to persons who are otherwise ineligible because of excess real property
34 owned by such persons when they are making a good faith effort to
35 dispose of that property(~~:-PROVIDED, That~~) if:

36 (A) The applicant or recipient signs an agreement to repay the
37 lesser of the amount of aid received or the net proceeds of such sale;

1 (B) If the owner of the excess property ceases to make good faith

4 pursuant to RCW 43.20B.630;

5 (C) Applicants and recipients are advised of their right to a fair
6 hearing and afforded the opportunity to challenge a decision that good
7 faith efforts to sell have ceased, prior to assessment of an
8 overpayment under this section; and

9 (D) At the time assistance is authorized, the department files a
10 lien without a sum certain on the specific property.

11 (12) "Income"((—)) means:

12 (a) All appreciable gains in real or personal property (cash or
13 kind) or other assets, which are received by or become available for
14 use and enjoyment by an applicant or recipient during the month of
15 application or after applying for or receiving public assistance. The
16 department may by rule and regulation exempt income received by an
17 applicant for or recipient of public assistance which can be used by
18 him or her to decrease his or her need for public assistance or to aid
19 in rehabilitating him or her or his or her dependents, but such
20 exemption shall not, unless otherwise provided in this title, exceed
21 the exemptions of resources granted under this chapter to an applicant
22 for public assistance. In addition, for cash assistance the department
23 may disregard income pursuant to RCW 74.08A.230 and 74.12.350.

24 (b) If, under applicable federal requirements, the state has the
25 option of considering property in the form of lump sum compensatory
26 awards or related settlements received by an applicant or recipient as
27 income or as a resource, the department shall consider such property to
28 be a resource.

29 (13) "Need"((—)) means the difference between the applicant's or
30 recipient's standards of assistance for himself or herself and the
31 dependent members of his or her family, as measured by the standards of
32 the department, and value of all nonexempt resources and nonexempt
33 income received by or available to the applicant or recipient and the
34 dependent members of his or her family.

36 and participation levels in the cost of medical care, the department
37 shall exempt restitution payments made to people of Japanese and Aleut

1 ancestry pursuant to the Civil Liberties Act of 1988 and the Aleutian
2 and Pribilof Island Restitution Act passed by congress, P.L. 100-383,
3 including all income and resources derived therefrom.

5 the singular number shall include the plural, the masculine gender
6 shall include both the feminine and neuter genders, and the present
7 tense shall include the past and future tenses, unless the context
8 thereof shall clearly indicate to the contrary.

5 pay any amount for the retention of counsel.

6 (2) "Indigent and able to contribute" means a person who, at any
7 stage of a court proceeding, is unable to pay the anticipated cost of
8 counsel for the matter before the court because his or her available
9 funds are less than the anticipated cost of counsel but sufficient for
10 the person to pay a portion of that cost.

11 (3) "Anticipated cost of counsel" means the cost of retaining
12 private counsel for representation on the matter before the court.

13 (4) "Available funds" means liquid assets and disposable net

20 employment and having a market value not greater than three thousand
21 dollars shall not be considered a liquid asset.

22 (b) "Income" means salary, wages, interest, dividends, and other
23 earnings which are reportable for federal income tax purposes, and cash

5 custodian has expressed, either by statement or conduct, an intent to
6 forego, for an extended period, parental rights or responsibilities
7 despite an ability to exercise such rights and responsibilities. If
8 the court finds that the petitioner has exercised due diligence in
9 attempting to locate the parent, no contact between the child and the
10 child's parent, guardian, or other custodian for a period of three
11 months creates a rebuttable presumption of abandonment, even if there
12 is no expressed intent to abandon.

13 (2) "Child," "juvenile," and "youth" means:

14 (a) Any individual under the age of eighteen years; or

15 (b) Any individual age eighteen to twenty-one years who is eligible

28 services.

22 represent the best interests of a child in a proceeding under this
23 chapter, or in any matter which may be consolidated with a proceeding
24 under this chapter. A "court-appointed special advocate" appointed by
25 the court to be the guardian ad litem for the child, or to perform

28 this chapter.

30 program, which is or may be established by the superior court of the
31 county in which such proceeding is filed, to manage all aspects of

11 veterans' benefits, food stamps or food stamp benefits transferred
12 electronically, refugee resettlement benefits, medicaid, or
13 supplemental security income; or

14 (b) Involuntarily committed to a public mental health facility; or

15 (c) Receiving an annual income, after taxes, of one hundred twenty-
16 five percent or less of the federally established poverty level; or

17 (d) Unable to pay the anticipated cost of counsel for the matter
18 before the court because his or her available funds are insufficient to
19 pay any amount for the retention of counsel.

25 child and the child's siblings if appropriate; and

26 (f) Behavior that will be expected before determination that
27 supervision of the family or placement is no longer necessary.

28 (18) "Supervising agency" means an agency licensed by the state

1 **Sec. 14.** RCW 26.19.071 and 2010 1st sp.s. c 8 s 14 are each
2 amended to read as follows:

3 (1) **Consideration of all income.** All income and resources of each
4 parent's household shall be disclosed and considered by the court when
5 the court determines the child support obligation of each parent. Only
6 the income of the parents of the children whose support is at issue
7 shall be calculated for purposes of calculating the basic support
8 obligation. Income and resources of any other person shall not be
9 included in calculating the basic support obligation.

10 (2) **Verification of income.** Tax returns for the preceding two

3 closely held corporation.

4 (4) **Income sources excluded from gross monthly income.** The
5 following income and resources shall be disclosed but shall not be
6 included in gross income:

10 (c) Gifts and prizes;

11 (d) Temporary assistance for needy families;

12 (e) Supplemental security income;

13 (f) (~~Disability lifeline~~) Aged, blind, or disabled assistance
14 benefits;

15 (g) Pregnant women assistance benefits;

21 party has paid off his or her debts.

22 Receipt of income and resources from temporary assistance for needy
23 families, supplemental security income, (~~disability lifeline~~) aged,
24 blind, or disabled assistance benefits, and food stamps shall not be a
25 reason to deviate from the standard calculation.

26 (5) **Determination of net income.** The following expenses shall be

3 support; and

4 (h) Normal business expenses and self-employment taxes for self-

8 a reason to deviate from the standard calculation.

9 (6) **Imputation of income.** The court shall impute income to a
10 parent when the parent is voluntarily unemployed or voluntarily
11 underemployed. The court shall determine whether the parent is
12 voluntarily underemployed or voluntarily unemployed based upon that
13 parent's work history, education, health, and age, or any other
14 relevant factors. A court shall not impute income to a parent who is
15 gainfully employed on a full-time basis, unless the court finds that
16 the parent is voluntarily underemployed and finds that the parent is
17 purposely underemployed to reduce the parent's child support
18 obligation. Income shall not be imputed for an unemployable parent.
19 Income shall not be imputed to a parent to the extent the parent is
20 unemployed or significantly underemployed due to the parent's efforts
21 to comply with court-ordered reunification efforts under chapter 13.34
22 RCW or under a voluntary placement agreement with an agency supervising
23 the child. In the absence of records of a parent's actual earnings,
24 the court shall impute a parent's income in the following order of
25 priority:

37 incarceration, or is a high school student;

1 (e) Median net monthly income of year-round full-time workers as
2 derived from the United States bureau of census, current population
3 reports, or such replacement report as published by the bureau of
4 census.

5 **Sec. 15.** RCW 31.04.540 and 2010 1st sp.s. c 8 s 15 are each
6 amended to read as follows:

7 (1) To the extent that implementation of this section does not
8 conflict with federal law resulting in the loss of federal funding,
9 proprietary reverse mortgage loan advances made to a borrower must be
10 treated as proceeds from a loan and not as income for the purpose of
11 determining eligibility and benefits under means-tested programs of aid
12 to individuals.

13 (2) Undisbursed reverse mortgage funds must be treated as equity in
14 the borrower's home and not as proceeds from a loan, resources, or
15 assets for the purpose of determining eligibility and benefits under
16 means-tested programs of aid to individuals.

17 (3) This section applies to any law or program relating to
18 payments, allowances, benefits, or services provided on a means-tested
19 basis by this state including, but not limited to, optional state
20 supplements to the federal supplemental security income program, low-
21 income energy assistance, property tax relief, (~~disability lifeline~~
22 ~~benefits~~) aged, blind, or disabled assistance benefits, pregnant women
23 assistance benefits, essential needs and housing support, and medical
24 assistance only to the extent this section does not conflict with Title
25 19 of the federal social security act.

26 **Sec. 16.** RCW 70.123.110 and 2010 1st sp.s. c 8 s 16 are each
27 amended to read as follows:

28 (~~Disability lifeline~~) Aged, blind, or disabled assistance
29 benefits, essential needs and housing support benefits, pregnant women
30 assistance benefits, or temporary assistance for needy families
31 payments shall be made to otherwise eligible individuals who are
32 residing in a secure shelter, a housing network or other shelter
33 facility which provides shelter services to persons who are victims of
34 domestic violence. Provisions shall be made by the department for the
35 confidentiality of the shelter addresses where victims are residing.

1 **Sec. 17.** RCW 73.08.005 and 2010 1st sp.s. c 8 s 17 are each
2 amended to read as follows:

3 The definitions in this section apply throughout this chapter
4 unless the context clearly requires otherwise.

5 (1) "Direct costs" includes those allowable costs that can be

8 of management and budget in circular No. A-87, dated May 10, 2004.

9 (2) "Family" means the spouse or domestic partner, surviving

23 income established by the county legislative authority; or

24 (c) Unable to pay reasonable costs for shelter, food, utilities,
25 and transportation because his or her available funds are insufficient.

26 (4) "Indirect costs" includes those allowable costs that are
27 generally associated with carrying out the statutory objectives of this
28 chapter, but the identification and tracking of those costs cannot be
29 readily assigned to a specific statutory objective without an
30 accounting effort that is disproportionate to the benefit received. A
31 county legislative authority may allocate allowable indirect costs to
32 its veterans' assistance fund if it is accomplished in a manner
33 consistent with the cost principles promulgated by the federal office
34 of management and budget in circular No. A-87, dated May 10, 2004.

35 (5) "Veteran" has the same meaning as defined in RCW 41.04.005 and

11 **Sec. 18.** RCW 74.04.0052 and 2010 1st sp.s. c 8 s 18 are each
12 amended to read as follows:

13 (1) The department shall determine, after consideration of all
14 relevant factors and in consultation with the applicant, the most
15 appropriate living situation for applicants under eighteen years of
16 age, unmarried, and pregnant who are eligible for ~~((disability~~
17 ~~lifeline))~~ benefits under sections 3 and 4 of this act. An appropriate
18 living situation shall include a place of residence that is maintained
19 by the applicant's parents, parent, legal guardian, or other adult
20 relative as their or his or her own home and that the department finds
21 would provide an appropriate supportive living arrangement. It also
22 includes a living situation maintained by an agency that is licensed
23 under chapter 74.15 RCW that the department finds would provide an
24 appropriate supportive living arrangement. Grant assistance shall not
25 be provided under this chapter if the applicant does not reside in the
26 most appropriate living situation, as determined by the department.

27 (2) A pregnant minor residing in the most appropriate living
28 situation, as provided under subsection (1) of this section, is
29 presumed to be unable to manage adequately the funds paid to the minor
30 or on behalf of the dependent child or children and, unless the minor
31 provides sufficient evidence to rebut the presumption, shall be subject
32 to the protective payee requirements provided for under RCW 74.12.250
33 and 74.08.280.

34 (3) The department shall consider any statements or opinions by
35 either parent of the unmarried minor parent or pregnant minor applicant
36 as to an appropriate living situation for the minor, whether in the
37 parental home or other situation. If the parents or a parent of the

1 minor request, they or he or she shall be entitled to a hearing in
2 juvenile court regarding designation of the parental home or other
3 relative placement as the most appropriate living situation for the
4 pregnant or parenting minor.

5 The department shall provide the parents or parent with the
6 opportunity to make a showing that the parental home, or home of the
7 other relative placement, is the most appropriate living situation. It
8 shall be presumed in any administrative or judicial proceeding
9 conducted under this subsection that the parental home or other
10 relative placement requested by the parents or parent is the most
11 appropriate living situation. This presumption is rebuttable.

12 (4) In cases in which the minor is unmarried and unemployed, the
13 department shall, as part of the determination of the appropriate
14 living situation, provide information about adoption including referral
15 to community-based organizations providing counseling.

16 (5) For the purposes of this section, "most appropriate living
17 situation" shall not include a living situation including an adult male
18 who fathered the qualifying child and is found to meet the elements of

23 the public with more effective access to available state, federal, and
24 local services. The secretary of the department of social and health
25 services shall act as the executive branch sponsor of the portal
26 planning process. Under the leadership of the secretary, the
27 department shall:

28 (a) Identify and select an appropriate solution and acquisition
29 approach to integrate technology systems to create a user-friendly
30 electronic tool for Washington residents to apply for benefits;

31 (b) Facilitate the adaptation of state information technology
32 systems to allow applications generated through the opportunity portal
33 and other compatible electronic application systems to seamlessly link
34 to appropriate state information systems;

35 (c) Ensure that the portal provides access to a broad array of
36 state, federal, and local services, including but not limited to:
37 Health care services, higher education financial aid, tax credits,

1 civic engagement, nutrition assistance, energy assistance, family
2 support, and ~~((disability lifeline benefits))~~ the programs under
3 sections 3 and 4 of this act and as defined in RCW 10.101.010,

6 (d) Design an implementation strategy for the portal that maximizes
7 collaboration with community-based organizations to facilitate its use
8 by low-income individuals and families;

11 community college campuses where community service offices are
12 colocated, community-based organizations, libraries, churches, food
13 banks, state agencies, early childhood education sites, and labor
14 unions;

15 (f) Ensure project resources maximize available federal and private
16 funds for development and initial operation of the opportunity portal.
17 Any incidental costs to state agencies shall be derived from existing
18 resources. This subsection does not obligate or preclude the
19 appropriation of future state funding for the opportunity portal;

20 (g) Determine the solution and acquisition approach by June 1,
21 2010.

22 (2) By December 1, 2011, and annually thereafter, the department of
23 social and health services shall report to the legislature and
24 governor. The report shall include data and information on
25 implementation and outcomes of the opportunity portal, including any
26 increases in the use of public benefits and increases in federal
27 funding.

28 (3) The department shall develop a plan for implementing paperless
29 application processes for the services included in the opportunity
30 portal for which the electronic exchange of application information is
31 possible. The plan should include a goal of achieving, to the extent
32 possible, the transition of these services to paperless application
33 processes by July 1, 2012. The plan must comply with federal statutes
34 and regulations and must allow applicants to submit applications by
35 alternative means to ensure that access to benefits will not be
36 restricted.

37 (4) To the extent that the department enters into a contractual

1 relationship to accomplish the purposes of this section, such contract
2 or contracts shall be performance-based.

3 **Sec. 20.** RCW 74.04.230 and 2010 1st sp.s. c 8 s 20 are each

12 blind, or disabled assistance, and medical care services, the
13 department may by rule and regulation establish a monthly earned income
14 exemption in an amount not to exceed the exemption allowable under
15 disability programs authorized in Title XVI of the federal social
16 security act.

17 **Sec. 22.** RCW 74.04.620 and 2010 1st sp.s. c 8 s 22 are each
18 amended to read as follows:

19 (1) The department is authorized to establish a program of state
20 supplementation to the national program of supplemental security income
21 consistent with Public Law 92-603 and Public Law 93-66 to those persons
22 who are in need thereof in accordance with eligibility requirements
23 established by the department.

25 of assistance and resource and income exemptions specifically for such
26 program of state supplementation which shall be consistent with the
27 provisions of the Social Security Act.

33 security income applicant providing for the reimbursement of interim
34 assistance to the department shall provide, if the applicant has been
35 represented by an attorney, that twenty-five percent of the

1 reimbursement received shall be withheld by the department and all or
2 such portion thereof as has been approved as a fee by the United States
3 department of health and human services shall be released directly to
4 the applicant's attorney. The secretary may maintain such records as
5 are deemed appropriate to measure the cost and effectiveness of such
6 agreements and may make recommendations concerning the continued use of
7 such agreements to the legislature.

8 **Sec. 23.** RCW 74.04.652 and 2010 1st sp.s. c 8 s 7 are each amended
9 to read as follows:

10 (1) To ensure that persons who are likely eligible for supplemental
11 security income benefits are transitioned from (~~disability lifeline~~
12 ~~benefits to disability lifeline expedited~~) the essential needs and
13 housing support program to the aged, blind or disabled assistance
14 program, and the medicaid program, and then to the supplemental
15 security income program as quickly as practicable, the department shall
16 implement the early supplemental security income transition project
17 starting in King, Pierce, and Spokane counties no later than July 1,

24 program shall be responsible for:

25 (i) Systematically screening persons receiving (~~disability~~
26 ~~lifeline~~) benefits under section 5 of this act at the point of

30 income;

31 (ii) Immediately sharing the results of the disability screening
32 with the department;

35 to needed medical and behavioral health evaluations and standardizing
36 health care providers' conduct of incapacity evaluations. To maximize
37 the timeliness and efficiency of incapacity evaluation examinations,

1 the department must strongly consider contracting with a managed health
2 care system with a network of health care providers that are trained
3 and have agreed to conduct disability lifeline medical and
4 psychological incapacity and recertification exams. The department may
5 obtain medical evidence and other relevant information from sources
6 other than the contracted entity if such evidence is available at the

8 sufficient to support a determination that the person is incapacitated;

9 (iv) Maintaining a centralized appointment and clinical data
10 system; and

11 (v) Assisting persons receiving ~~((disability lifeline benefits))~~
12 medical care services benefits, except recipients of alcohol and

25 entity, and immediately referring such persons to a contracted entity
26 for services;

27 (iii) Developing standardized procedures for sharing data and
28 information with the contracted entities to ensure timely
29 identification of clients who have not been transferred to the
30 ~~((disability lifeline expedited))~~ aged, blind, or disabled assistance
31 program within four months of their date of application, but who may,
32 upon further review, be appropriately transferred to that program;

33 (iv) Providing case management, in partnership with the managed
34 health care system or contracted entity, to support persons' transition
35 to federal supplemental security income and medicaid benefits; and

36 (v) Identifying a savings determination methodology, in
37 consultation with the contracted entities, the office of financial

1 management, and the legislature, on or before implementation of the
2 project.

3 (2) Early supplemental security income transition project contracts
4 shall include the following performance goals:

5 (a) Persons receiving (~~((disability lifeline benefits))~~) medical care
6 services benefits, except recipients of alcohol and addiction treatment

18 (3) The initial focus of the efforts of the early supplemental
19 security income transition project shall be on persons who have been
20 receiving (~~((disability lifeline or general assistance unemployable~~
21 ~~benefits))~~) medical care services, except recipients of alcohol and
22 addiction treatment under chapter 74.50 RCW or aged, blind, or disabled
23 assistance, for twelve or more months (~~((as of September 1, 2010))~~).

24 (4) No later than December 1, 2011, the department shall report to
25 the governor and appropriate policy and fiscal committees on whether
26 the early supplemental security income transition project performance
27 goals in subsection (2) of this section were met, including the reasons
28 those goals were or were not met.

29 (5) Pursuant to RCW 41.06.142(3), performance-based contracting

1 the division of vocational rehabilitation to develop an assessment tool
2 that must be used to determine whether the programs offered by the
3 division of vocational rehabilitation could assist persons receiving
4 ((~~disability lifeline~~)) benefits under sections 3 and 4 of this act in
5 returning to the workforce. The assessment tool shall be completed no
6 later than December 1, 2010. The economic services administration
7 shall begin using the tool no later than January 1, 2011. No later
8 than December 30, 2011, the department shall report on the use of the
9 tool and to what extent the programs offered by the division of
10 vocational rehabilitation have been successful in returning persons
11 receiving disability lifeline benefits to the workforce.

12 (2) After January 1, 2011, all persons receiving ((~~disability~~
13 ~~lifeline~~)) benefits under sections 3 and 5 of this act shall be
14 assessed to determine whether they would likely benefit from a program
15 offered by the division of vocational rehabilitation. If the
16 assessment indicates that the person might benefit, the economic
17 services administration shall make a referral to the division of
18 vocational rehabilitation. If the person is found eligible for a
19 program with the division of vocational rehabilitation, he or she must
20 participate in that program to remain eligible for the monthly stipend
21 and housing voucher or a cash grant. If the person refuses to
22 participate or does not complete the program, the department shall
23 terminate the cash stipend and housing voucher or cash grant but may
24 not terminate medical coverage and food benefits.

25 **Sec. 25.** RCW 74.04.657 and 2010 1st sp.s. c 8 s 6 are each amended
26 to read as follows:

27 During the application process for ((~~disability lifeline~~)) benefits
28 under sections 3 and 4 of this act, the department shall inquire of
29 each applicant whether he or she has ever served in the United States
30 military service. If the applicant answers in the affirmative, the
31 department shall confer with a veterans benefit specialist with the
32 Washington state department of veterans affairs or a contracted
33 veterans service officer in the community to determine whether the
34 applicant is eligible for any benefits or programs offered to veterans
35 by either the state or the federal government.

1 **Sec. 26.** RCW 74.04.770 and 2010 1st sp.s. c 8 s 23 are each
2 amended to read as follows:

3 The department shall establish consolidated standards of need each
4 fiscal year which may vary by geographical areas, program, and family
5 size, for temporary assistance for needy families, refugee assistance,
6 supplemental security income, and ~~((disability—lifeline))~~ benefits
7 under section 3 of this act. Standards for temporary assistance for
8 needy families, refugee assistance, and ~~((disability—lifeline))~~
9 benefits under section 3 of this act shall be based on studies of
10 actual living costs and generally recognized inflation indices and
11 shall include reasonable allowances for shelter, fuel, food,
12 transportation, clothing, household maintenance and operations,
13 personal maintenance, and necessary incidentals. The standard of need
14 may take into account the economies of joint living arrangements, but
15 unless explicitly required by federal statute, there shall not be
16 proration of any portion of assistance grants unless the amount of the
17 grant standard is equal to the standard of need.

18 The department is authorized to establish rateable reductions and
19 grant maximums consistent with federal law.

20 Payment level will be equal to need or a lesser amount if rateable
21 reductions or grant maximums are imposed. In no case shall a recipient
22 of supplemental security income receive a state supplement less than
23 the minimum required by federal law.

24 The department may establish a separate standard for shelter
25 provided at no cost.

26 **Sec. 27.** RCW 74.08.043 and 2010 1st sp.s. c 8 s 24 are each
27 amended to read as follows:

28 In determining the living requirements of otherwise eligible
29 applicants and recipients of supplemental security income and
30 ~~((disability—lifeline))~~ benefits under sections 3 and 4 of this act,
31 the department is authorized to consider the need for personal and
32 special care and supervision due to physical and mental conditions.

33 **Sec. 28.** RCW 74.08.278 and 2010 1st sp.s. c 8 s 25 are each
34 amended to read as follows:

35 In order to comply with federal statutes and regulations pertaining
36 to federal matching funds and to provide for the prompt payment of

1 initial grants and adjusting payments of grants the secretary is
2 authorized to make provisions for the cash payment of assistance by the
3 secretary or county administrators by the establishment of a central
4 operating fund. The secretary may establish such a fund with the
5 approval of the state auditor from moneys appropriated to the
6 department for the payment of (~~disability lifeline~~) benefits under
7 section 3 of this act in a sum not to exceed one million dollars. Such
8 funds shall be deposited as agreed upon by the secretary and the state
9 auditor in accordance with the laws regulating the deposits of public
10 funds. Such security shall be required of the depository in connection
11 with the fund as the state treasurer may prescribe. Moneys remaining
12 in the fund shall be returned to the general fund at the end of the
13 biennium, or an accounting of proper expenditures from the fund shall
14 be made to the state auditor. All expenditures from such central
15 operating fund shall be reimbursed out of and charged to the proper
16 program appropriated by the use of such forms and vouchers as are
17 approved by the secretary of the department and the state auditor.
18 Expenditures from such fund shall be audited by the director of
19 financial management and the state auditor from time to time and a
20 report shall be made by the state auditor and the secretary as are
21 required by law.

22 **Sec. 29.** RCW 74.08.335 and 2010 1st sp.s. c 8 s 26 are each
23 amended to read as follows:

24 Temporary assistance for needy families and (~~disability lifeline~~)
25 benefits under sections 3 and 4 of this act shall not be granted to any
26 person who has made an assignment or transfer of property for the
27 purpose of rendering himself or herself eligible for the assistance.
28 There is a rebuttable presumption that a person who has transferred or
29 transfers any real or personal property or any interest in property
30 within two years of the date of application for the assistance without
31 receiving adequate monetary consideration therefor, did so for the
32 purpose of rendering himself or herself eligible for the assistance.
33 Any person who transfers property for the purpose of rendering himself
34 or herself eligible for assistance, or any person who after becoming a
35 recipient transfers any property or any interest in property without
36 the consent of the secretary, shall be ineligible for assistance for a
37 period of time during which the reasonable value of the property so

1 transferred would have been adequate to meet the person's needs under
2 normal conditions of living: PROVIDED, That the secretary is hereby
3 authorized to allow exceptions in cases where undue hardship would
4 result from a denial of assistance.

5 **Sec. 30.** RCW 74.08A.210 and 2010 1st sp.s. c 8 s 27 are each
6 amended to read as follows:

7 (1) In order to prevent some families from developing dependency on
8 temporary assistance for needy families, the department shall make
9 available to qualifying applicants a diversion program designed to
10 provide brief, emergency assistance for families in crisis whose income
11 and assets would otherwise qualify them for temporary assistance for
12 needy families.

13 (2) Diversion assistance may include cash or vouchers in payment
14 for the following needs:

15 (a) Child care;

16 (b) Housing assistance;

17 (c) Transportation-related expenses;

18 (d) Food;

19 (e) Medical costs for the recipient's immediate family;

20 (f) Employment-related expenses which are necessary to keep or
21 obtain paid unsubsidized employment.

22 (3) Diversion assistance is available once in each twelve-month
23 period for each adult applicant. Recipients of diversion assistance
24 are not included in the temporary assistance for needy families
25 program.

26 (4) Diversion assistance may not exceed one thousand five hundred
27 dollars for each instance.

28 (5) To be eligible for diversion assistance, a family must
29 otherwise be eligible for temporary assistance for needy families.

30 (6) Families ineligible for temporary assistance for needy families
31 or (~~disability lifeline~~) benefits under section 3 of this act due to
32 sanction, noncompliance, the lump sum income rule, or any other reason
33 are not eligible for diversion assistance.

34 (7) Families must provide evidence showing that a bona fide need
35 exists according to subsection (2) of this section in order to be
36 eligible for diversion assistance.

1 An adult applicant may receive diversion assistance of any type no
2 more than once per twelve-month period. If the recipient of diversion
3 assistance is placed on the temporary assistance for needy families
4 program within twelve months of receiving diversion assistance, the
5 prorated dollar value of the assistance shall be treated as a loan from
6 the state, and recovered by deduction from the recipient's cash grant.

7 **Sec. 31.** RCW 74.08A.440 and 2010 1st sp.s. c 8 s 32 are each
8 amended to read as follows:

9 Recipients exempted from active work search activities due to
10 incapacity or a disability shall receive ~~((disability—lifeline))~~
11 services for which they are eligible, including aged, blind, or
12 disabled assistance benefits as they relate to the facilitation of
13 enrollment in the federal supplemental security income program,
14 referrals to essential needs and housing support benefits, access to
15 chemical dependency treatment, referrals to vocational rehabilitation,
16 and other services needed to assist the recipient in becoming
17 employable. ~~((Disability—lifeline))~~ Aged, blind, or disabled
18 assistance and essential needs and housing support benefits shall not
19 supplant cash assistance and other services provided through the
20 temporary assistance for needy families program. To the greatest
21 extent possible, services shall be funded through the temporary
22 assistance for needy families appropriations.

23 **Sec. 32.** RCW 74.09.555 and 2010 1st sp.s. c 8 s 30 are each
24 amended to read as follows:

25 (1) The department shall adopt rules and policies providing that
26 when persons with a mental disorder, who were enrolled in medical
27 assistance immediately prior to confinement, are released from
28 confinement, their medical assistance coverage will be fully reinstated
29 on the day of their release, subject to any expedited review of their
30 continued eligibility for medical assistance coverage that is required
31 under federal or state law.

32 (2) The department, in collaboration with the Washington
33 association of sheriffs and police chiefs, the department of
34 corrections, and the regional support networks, shall establish
35 procedures for coordination between department field offices,
36 institutions for mental disease, and correctional institutions, as

1 defined in RCW 9.94.049, that result in prompt reinstatement of
2 eligibility and speedy eligibility determinations for persons who are
3 likely to be eligible for medical assistance services upon release from
4 confinement. Procedures developed under this subsection must address:

5 (a) Mechanisms for receiving medical assistance services
6 applications on behalf of confined persons in anticipation of their
7 release from confinement;

8 (b) Expeditious review of applications filed by or on behalf of
9 confined persons and, to the extent practicable, completion of the
10 review before the person is released;

11 (c) Mechanisms for providing medical assistance services identity
12 cards to persons eligible for medical assistance services immediately
13 upon their release from confinement; and

14 (d) Coordination with the federal social security administration,
15 through interagency agreements or otherwise, to expedite processing of
16 applications for federal supplemental security income or social
17 security disability benefits, including federal acceptance of
18 applications on behalf of confined persons.

19 (3) Where medical or psychiatric examinations during a person's
20 confinement indicate that the person is disabled, the correctional
21 institution or institution for mental diseases shall provide the
22 department with that information for purposes of making medical
23 assistance eligibility and enrollment determinations prior to the
24 person's release from confinement. The department shall, to the
25 maximum extent permitted by federal law, use the examination in making
26 its determination whether the person is disabled and eligible for
27 medical assistance.

28 (4) For purposes of this section, "confined" or "confinement" means
29 incarcerated in a correctional institution, as defined in RCW 9.94.049,
30 or admitted to an institute for mental disease, as defined in 42 C.F.R.

1 (b) Was enrolled in medicaid or supplemental security income or the
2 ((disability lifeline)) medical care services program at any time
3 during the five years before his or her confinement, and medical or

5 the person continues to be disabled and the disability is likely to
6 last at least twelve months following release.

7 (6) The economic services administration shall adopt standardized
8 statewide screening and application practices and forms designed to
9 facilitate the application of a confined person who is likely to be

17 board in a supervised living arrangement, normally in a group or
18 dormitory setting, to eligible recipients under this chapter. This may
19 include supervised domiciliary facilities operated under the auspices
20 of public or private agencies. No facility under contract to the
21 department shall allow the consumption of alcoholic beverages on the
22 premises. The department may contract with counties and cities for
23 such shelter services. To the extent possible, the department shall
24 not displace existing emergency shelter beds for use as shelter under
25 this chapter. In areas of the state in which it is not feasible to
26 develop shelters, due to low numbers of people needing shelter
27 services, or in which sufficient numbers of shelter beds are not
28 available, the department may provide shelter through an intensive
29 protective payee program, unless the department grants an exception on
30 an individual basis for less intense supervision.
