By Senators Hobbs, Benton

ADOPTED 02/09/2012

1        On page 2, beginning on line 17, after "gathered" strike all  
2 material through "46.35.010" on line 18 and insert "from any recording  
3 device as defined in RCW 46.35.010, or a system, or business method  
4 that records and preserves data arising from the actual usage of a  
5 motor vehicle"

EFFECT:        Expands the definition of "usage-based insurance" in attempt to capture additional business methods for recording and preserving data arising from the actual usage of the motor vehicle to determine rates or premiums for such coverage.
