SENATE COMMITTEE ON EARLY LEARNING & K-12 EDUCATION

Staff: Kimberly Cushing (786-7421)

Background: The Department of Early Learning (DEL) was established in 2006 as an executive branch agency, and chapter 43.215 for DEL was added to the Revised Code of Washington. The primary duties of DEL are to implement early learning policy and to coordinate, consolidate, and integrate child care and early learning programs in order to administer programs and funds efficiently. Various powers, duties, and functions within the Department of Social and Health Services (DSHS) were transferred to DEL. When statutory authority was transferred, some obsolete references to DSHS were left in code. Also, outdate descriptions, such as handicapped children, persist in code.

Summary of Bill: The following technical corrections are made to DEL statutes:

- replaces references to DSHS's authority with a reference to DEL's authority;
- replaces a reference to the definition of a family-day care provider with the appropriate definition under chapter 43.215; and
- changes handicapped children to children with disabilities.

Appropriation: None.

Fiscal Note: Available.

Committee/Commission/Task Force Created: No.

Effective Date: Ninety days after adjournment of session in which bill is passed.
