
HOUSE BILL 1573

State of Washington 62nd Legislature 2011 Regular Session

By Representatives Tharinger, Van De Wege, and Fitzgibbon

Read first time 01/26/11. Referred to Committee on Ways & Means.

1 AN ACT Relating to creating a local mineral severance tax;
2 reenacting and amending RCW 43.84.092; and adding a new chapter to
3 Title 82 RCW.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The definitions in this section apply
6 throughout this chapter unless the context clearly requires otherwise.

7 (1) "Mineral" means rock, stone, sand, and gravel.

8 (2) "Person" means "person" as defined in RCW 82.04.030.

9 (3) "Producer" means any person subject to tax under chapter 82.04
10 RCW who, from the person's own land or from the land of another under
11 a right or license granted by lease or other contract, either directly
12 or by contracting with others for the necessary labor or mechanical
13 services, severs minerals for sale or for commercial or industrial use.

14 (4) "Severance" or "sever" means the taking of or producing from
15 the lands or waters of this state any mineral by whatever means used.

16 (5) "Value" means "value of products" as determined under RCW
17 82.04.450.

1 NEW SECTION. **Sec. 2.** (1) The legislative body of any county, by
2 ordinance, may impose an excise tax upon the privilege of severing
3 minerals from the land or waters within the county. The tax is imposed
4 upon the entire production in the county regardless of the place of
5 sale or that delivery may be made outside the county or the state. The
6 tax authorized in this section is in addition to any other taxes
7 authorized by law.

8 (2) The tax imposed by this chapter on the severance of minerals is
9 the liability of the producer.

10 (3) The rate of the tax imposed is up to five percent.

11 (4) The measure of the tax is the value of the minerals.

12 NEW SECTION. **Sec. 3.** (1) Counties must contract, no less than
13 seventy-five days prior to the effective date of an ordinance imposing
14 the severance tax, for the administration and collection of the tax by
15 the department. A county must provide the department with at least
16 seventy-five days' notice prior to the expiration of the tax in section
17 2 of this act and the department must notify affected taxpayers before
18 the expiration. The department must deduct an amount, as provided by
19 contract, not to exceed one percent of the taxes collected for
20 administration and collection expenses incurred by the department. The
21 remainder of any portion of any tax authorized by this chapter that is
22 collected by the department must be deposited in the county severance
23 taxation account created in the state treasury.

24 (2) Monthly, the state treasurer must distribute moneys in the
25 county severance taxation account to counties imposing a county
26 severance tax authorized in section 2 of this act. Fifty percent of
27 the moneys must be deposited in the county general fund and fifty
28 percent must be deposited into the county road fund. Except as
29 provided in RCW 43.08.190, all earnings of investments of balances in
30 the county severance taxation account must be credited to the county
31 severance taxation account and distributed monthly to the counties
32 imposing the tax. The state treasurer must make the distribution under
33 this section without appropriation.

34 NEW SECTION. **Sec. 4.** (1) The taxes imposed under this chapter are
35 due and payable monthly within twenty-five days after the end of the
36 month in which the taxable activity occurs. The department may relieve

1 any taxpayer from the obligation of filing a monthly return and may
2 require the return to cover other periods, but in no event may periodic
3 returns be filed for a period greater than one year. In such cases tax
4 returns and payments are due on or before the last day of the month
5 next succeeding the end of the period covered by the return. The
6 department must assign a reporting frequency for the tax authorized in
7 this chapter that coincides with the taxpayer's reporting frequency for
8 the tax imposed in chapter 82.04 RCW.

9 (2) The taxpayer must file a return, upon the forms, or
10 electronically as provided in RCW 82.32.080, setting forth the
11 information, as the department may require, showing the amount of tax
12 for which the taxpayer is liable for the reporting period. The
13 taxpayer must transmit the return and remit payment of the amount due
14 to the department by the due date.

15 NEW SECTION. **Sec. 5.** The following are exempt from the taxes
16 imposed under this chapter:

17 (1) The value of any minerals severed from the land or waters by a
18 person and incorporated into a construction project located on the site
19 where the minerals were severed;

20 (2) The value of any minerals owned by a producer:
21 (a) Regulated by chapters 78.56 and 78.44 RCW; or
22 (b) Exempt from tax by reason of federal law or a compact
23 negotiated by the state with a tribal government.

24 NEW SECTION. **Sec. 6.** Chapter 82.32 RCW applies to the tax
25 authorized in section 2 of this act. The department may adopt any
26 administrative rules necessary for the effective administration of this
27 chapter.
