10 appropriations and authorizing expenditures for capital improvements;
11 providing an effective date; and declaring an emergency.

12 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

13 NEW SECTION. **Sec. 1.** The legislature recognizes that for ensuing
14 biennia, the Washington state patrol, ferry operations, as well as
15 state and local roadway preservation and maintenance activities will
16 soon experience significant funding shortfalls. The legislature
17 further recognizes that existing law, enacted in 2002, requires the
18 department of licensing to submit a fee study every two years to the
19 transportation committees of the house of representatives and the

1 senate, the purpose of which is to ensure cost recovery for
2 transportation services. Based on the review of the department of
3 licensing's fee study, the legislature will review and adjust fees
4 accordingly each biennium to ensure that fees are adjusted and brought
5 up-to-date. The legislature further recognizes that previous studies
6 conducted by the joint transportation committee have recommended
7 various fees adjustments. Therefore, it is the intent of the
8 legislature to ensure that funding shortfalls in certain transportation
9 programs are addressed, to provide gap funding for local transportation
10 entities along with roadway preservation for cities and counties, and
11 to bring fees in-line with costs.

10 submitted by means of mail or electronic commerce only if specific
11 authority and funding is provided for this purpose by June 30, 2004, in
12 the omnibus transportation appropriations act.

13 An identicard may not be renewed by mail or by electronic commerce
14 unless the renewal issued by the department includes a photograph of

25 shall extend the person's license. The department may grant

30 dollars for each license extension;

31 (b) Apply to the department to renew his or her license by mail or,

12 each year that the license is issued, which includes the fee for the
13 required photograph, shall issue to every qualifying applicant a
14 driver's license. A driver's license issued to a person under the age
15 of eighteen is an intermediate license, subject to the restrictions
16 imposed under RCW 46.20.075, until the person reaches the age of
17 eighteen. The license must include a distinguishing number assigned to
18 the licensee, the name of record, date of birth, Washington residence
19 address, photograph, a brief description of the licensee, and either a
20 facsimile of the signature of the licensee or a space upon which the

34 days after the license has expired shall pay a penalty fee of (~~ten~~)
35 fifteen dollars in addition to the renewal fee, unless his or her
36 license expired when:

1 (a) The person was outside the state and he or she renews the
2 license within sixty days after returning to this state; or

4 within sixty days after the termination of the incapacity.

5 (4) During the period from July 1, 2000, to July 1, 2006, the
6 department may issue or renew a driver's license for a period other
7 than five years, or may extend by mail a license that has already been
8 issued, in order to evenly distribute, as nearly as possible, the
9 yearly renewal rate of licensed drivers. The fee for a driver's
10 license issued or renewed for a period other than five years, or that
11 has been extended by mail, is five dollars for each year that the
12 license is issued, renewed, or extended. The department may adopt any
13 rules as are necessary to carry out this subsection.

19 department and payment of a fee of (~~fifteen~~) twenty dollars to the
20 department.

21 (2) A replacement permit, identicard, or driver's license may be
22 obtained to change or correct material information upon payment of a
23 fee of (~~ten~~) fifteen dollars and surrender of the permit, identicard,
24 or driver's license being replaced.

25 **Sec. 20.** RCW 46.20.202 and 2007 c 7 s 1 are each amended to read
26 as follows:

28 with any federal agency for the purposes of facilitating the crossing
29 of the border between the state of Washington and the Canadian province
30 of British Columbia.

14 required to sign a declaration acknowledging their understanding of the
15 one-to-many biometric match.

16 (c) The enhanced driver's license or identicard must include
17 reasonable security measures to protect the privacy of Washington state
18 residents, including reasonable safeguards to protect against
19 unauthorized disclosure of data about Washington state residents. If
20 the enhanced driver's license or identicard includes a radio frequency
21 identification chip, or similar technology, the department shall ensure
22 that the technology is encrypted or otherwise secure from unauthorized
23 data access.

24 (d) The requirements of this subsection are in addition to the
25 requirements otherwise imposed on applicants for a driver's license or
26 identicard. The department shall adopt such rules as necessary to meet
27 the requirements of this subsection. From time to time the department
28 shall review technological innovations related to the security of
29 identity cards and amend the rules related to enhanced driver's
30 licenses and identicards as the director deems consistent with this
31 section and appropriate to protect the privacy of Washington state
32 residents.

33 (e) Notwithstanding RCW 46.20.118, the department may make images

33 federal standards established by federal regulation enumerated in 49
34 C.F.R. part 383, subparts G and H, and has satisfied all other
35 requirements of the CMVSA in addition to other requirements imposed by
36 state law or federal regulation. The tests must be prescribed and

1 conducted by the department. In addition to the fee charged for
2 issuance or renewal of any license, the applicant shall pay a fee of no
3 more than (~~ten~~) thirty dollars for each classified knowledge
4 examination, classified endorsement knowledge examination, or any
5 combination of classified license and endorsement knowledge
6 examinations. The applicant shall pay a fee of no more than one
7 hundred twenty-five dollars for each classified skill examination or
8 combination of classified skill examinations conducted by the
9 department.

10 (b) The department may authorize a person, including an agency of
11 this or another state, an employer, a private driver training facility,
12 or other private institution, or a department, agency, or
13 instrumentality of local government, to administer the skills test
14 specified by this section under the following conditions:

15 (i) The test is the same which would otherwise be administered by
16 the state;

17 (ii) The third party has entered into an agreement with the state
18 that complies with the requirements of 49 C.F.R. part 383.75; and

19 (iii) The director has adopted rules as to the third party testing
20 program and the development and justification for fees charged by any
21 third party.

22 (c) If the applicant's primary use of a commercial driver's license
23 is for any of the following, then the applicant shall pay a fee of no
24 more than seventy-five dollars for each classified skill examination or
25 combination of classified skill examinations whether conducted by the
26 department or a third-party tester:

27 (i) Public benefit not-for-profit corporations that are federally
28 supported head start programs; or

29 (ii) Public benefit not-for-profit corporations that support early
30 childhood education and assistance programs as described in RCW
31 43.215.405(~~(+4)~~) (2).

32 (2) The department shall work with the office of the superintendent
33 of public instruction to develop modified P1 and P2 skill examinations
34 that also include the skill examination components required to obtain
35 an "S" endorsement. In no event may a new applicant for an "S"
36 endorsement be required to take two separate examinations to obtain an
37 "S" endorsement and either a P1 or P2 endorsement, unless that
38 applicant is upgrading his or her existing commercial driver's license

1 to include an "S" endorsement. The combined P1/S or P2/S skill
2 examination must be offered to the applicant at the same cost as a
3 regular P1 or P2 skill examination.

4 (3)(a) The department may waive the skills test and the requirement
5 for completion of a course of instruction in the operation of a
6 commercial motor vehicle specified in this section for a commercial
7 driver's license applicant who meets the requirements of 49 C.F.R. part
8 383.77.

9 (b) An applicant who operates a commercial motor vehicle for
10 agribusiness purposes is exempt from the course of instruction
11 completion and employer skills and training certification requirements
12 under this section. By January 1, 2010, the department shall submit
13 recommendations regarding the continuance of this exemption to the
14 transportation committees of the legislature. For purposes of this
15 subsection (3)(b), "agribusiness" means a private carrier who in the
16 normal course of business primarily transports:

17 (i) Farm machinery, farm equipment, implements of husbandry, farm
18 supplies, and materials used in farming;

19 (ii) Agricultural inputs, such as seed, feed, fertilizer, and crop
20 protection products;

21 (iii) Unprocessed agricultural commodities, as defined in RCW
22 17.21.020, where such commodities are produced by farmers, ranchers,
23 vineyardists, or orchardists; or

24 (iv) Any combination of (b)(i) through (iii) of this subsection.

25 This subsection (3)(b) expires July 1, 2011.

26 (4) A commercial driver's license or commercial driver's
27 instruction permit may not be issued to a person while the person is
28 subject to a disqualification from driving a commercial motor vehicle,
29 or while the person's driver's license is suspended, revoked, or
30 canceled in any state, nor may a commercial driver's license be issued
31 to a person who has a commercial driver's license issued by any other
32 state unless the person first surrenders all such licenses, which must
33 be returned to the issuing state for cancellation.

34 (5)(a) The department may issue a commercial driver's instruction
35 permit to an applicant who is at least eighteen years of age and holds
36 a valid Washington state driver's license and who has submitted a
37 proper application, passed the general knowledge examination required

1 for issuance of a commercial driver's license under subsection (1) of
2 this section, and paid the appropriate fee for the knowledge
3 examination and an application fee of (~~ten~~) thirty-five dollars.

4 (b) A commercial driver's instruction permit may not be issued for
5 a period to exceed six months. Only one renewal or reissuance may be
6 granted within a two-year period.

7 (c) The holder of a commercial driver's instruction permit may
8 drive a commercial motor vehicle on a highway only when accompanied by
9 the holder of a commercial driver's license valid for the type of
10 vehicle driven who occupies a seat beside the individual for the
11 purpose of giving instruction in driving the commercial motor vehicle.
12 The holder of a commercial driver's instruction permit is not
13 authorized to operate a commercial motor vehicle transporting hazardous
14 materials.

15 (d) The department shall transmit the fees collected for commercial
16 driver's instruction permits to the state treasurer.

17 **Sec. 23.** RCW 46.25.100 and 2002 c 272 s 4 are each amended to read
18 as follows:

19 When a person has been disqualified from operating a commercial
20 motor vehicle, the person is not entitled to have the commercial
21 driver's license restored until after the expiration of the appropriate
22 disqualification period required under RCW 46.25.090 or until the
23 department has received a drug and alcohol assessment and evidence is
24 presented of satisfactory participation in or completion of any
25 required drug or alcohol treatment program for ending the
26 disqualification under RCW 46.25.090(7). After expiration of the
27 appropriate period and upon payment of a requalification fee of
28 (~~twenty~~) twenty-five dollars, or (~~one~~) five hundred (~~fifty~~)
29 dollars if the person has been disqualified under RCW 46.25.090(7), the
30 person may apply for a new, duplicate, or renewal commercial driver's
31 license as provided by law. If the person has been disqualified for a
32 period of one year or more, the person shall demonstrate that he or she
33 meets the commercial driver's license qualification standards specified
34 in RCW 46.25.060.

35 **Sec. 24.** RCW 46.20.308 and 2008 c 282 s 2 are each amended to read
36 as follows:

1 (1) Any person who operates a motor vehicle within this state is
2 deemed to have given consent, subject to the provisions of RCW
3 46.61.506, to a test or tests of his or her breath or blood for the
4 purpose of determining the alcohol concentration or presence of any
5 drug in his or her breath or blood if arrested for any offense where,
6 at the time of the arrest, the arresting officer has reasonable grounds
7 to believe the person had been driving or was in actual physical
8 control of a motor vehicle while under the influence of intoxicating
9 liquor or any drug or was in violation of RCW 46.61.503. Neither
10 consent nor this section precludes a police officer from obtaining a
11 search warrant for a person's breath or blood.

12 (2) The test or tests of breath shall be administered at the
13 direction of a law enforcement officer having reasonable grounds to
14 believe the person to have been driving or in actual physical control
15 of a motor vehicle within this state while under the influence of
16 intoxicating liquor or any drug or the person to have been driving or
17 in actual physical control of a motor vehicle while having alcohol in
18 a concentration in violation of RCW 46.61.503 in his or her system and
19 being under the age of twenty-one. However, in those instances where
20 the person is incapable due to physical injury, physical incapacity, or
21 other physical limitation, of providing a breath sample or where the
22 person is being treated in a hospital, clinic, doctor's office,
23 emergency medical vehicle, ambulance, or other similar facility or
24 where the officer has reasonable grounds to believe that the person is
25 under the influence of a drug, a blood test shall be administered by a
26 qualified person as provided in RCW 46.61.506(5). The officer shall
27 inform the person of his or her right to refuse the breath or blood
28 test, and of his or her right to have additional tests administered by
29 any qualified person of his or her choosing as provided in RCW
30 46.61.506. The officer shall warn the driver, in substantially the
31 following language, that:

32 (a) If the driver refuses to take the test, the driver's license,
33 permit, or privilege to drive will be revoked or denied for at least
34 one year; and

35 (b) If the driver refuses to take the test, the driver's refusal to
36 take the test may be used in a criminal trial; and

37 (c) If the driver submits to the test and the test is administered,
38 the driver's license, permit, or privilege to drive will be suspended,

1 revoked, or denied for at least ninety days if the driver is age
2 twenty-one or over and the test indicates the alcohol concentration of
3 the driver's breath or blood is 0.08 or more, or if the driver is under
4 age twenty-one and the test indicates the alcohol concentration of the
5 driver's breath or blood is 0.02 or more, or if the driver is under age
6 twenty-one and the driver is in violation of RCW 46.61.502 or
7 46.61.504; and

8 (d) If the driver's license, permit, or privilege to drive is
9 suspended, revoked, or denied the driver may be eligible to immediately
10 apply for an ignition interlock driver's license.

11 (3) Except as provided in this section, the test administered shall
12 be of the breath only. If an individual is unconscious or is under
13 arrest for the crime of vehicular homicide as provided in RCW 46.61.520
14 or vehicular assault as provided in RCW 46.61.522, or if an individual
15 is under arrest for the crime of driving while under the influence of
16 intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest
17 results from an accident in which there has been serious bodily injury
18 to another person, a breath or blood test may be administered without
19 the consent of the individual so arrested.

20 (4) Any person who is dead, unconscious, or who is otherwise in a
21 condition rendering him or her incapable of refusal, shall be deemed
22 not to have withdrawn the consent provided by subsection (1) of this
23 section and the test or tests may be administered, subject to the
24 provisions of RCW 46.61.506, and the person shall be deemed to have
25 received the warnings required under subsection (2) of this section.

26 (5) If, following his or her arrest and receipt of warnings under
27 subsection (2) of this section, the person arrested refuses upon the
28 request of a law enforcement officer to submit to a test or tests of
29 his or her breath or blood, no test shall be given except as authorized
30 under subsection (3) or (4) of this section.

31 (6) If, after arrest and after the other applicable conditions and
32 requirements of this section have been satisfied, a test or tests of
33 the person's blood or breath is administered and the test results
34 indicate that the alcohol concentration of the person's breath or blood
35 is 0.08 or more if the person is age twenty-one or over, or 0.02 or
36 more if the person is under the age of twenty-one, or the person
37 refuses to submit to a test, the arresting officer or other law

1 enforcement officer at whose direction any test has been given, or the
2 department, where applicable, if the arrest results in a test of the
3 person's blood, shall:

4 (a) Serve notice in writing on the person on behalf of the
5 department of its intention to suspend, revoke, or deny the person's
6 license, permit, or privilege to drive as required by subsection (7) of
7 this section;

8 (b) Serve notice in writing on the person on behalf of the
9 department of his or her right to a hearing, specifying the steps he or
10 she must take to obtain a hearing as provided by subsection (8) of this
11 section and that the person waives the right to a hearing if he or she
12 receives an ignition interlock driver's license;

13 (c) Mark the person's Washington state driver's license or permit
14 to drive, if any, in a manner authorized by the department;

15 (d) Serve notice in writing that the marked license or permit, if
16 any, is a temporary license that is valid for sixty days from the date
17 of arrest or from the date notice has been given in the event notice is
18 given by the department following a blood test, or until the
19 suspension, revocation, or denial of the person's license, permit, or
20 privilege to drive is sustained at a hearing pursuant to subsection (8)
21 of this section, whichever occurs first. No temporary license is valid
22 to any greater degree than the license or permit that it replaces; and

23 (e) Immediately notify the department of the arrest and transmit to
24 the department within seventy-two hours, except as delayed as the
25 result of a blood test, a sworn report or report under a declaration
26 authorized by RCW 9A.72.085 that states:

27 (i) That the officer had reasonable grounds to believe the arrested
28 person had been driving or was in actual physical control of a motor
29 vehicle within this state while under the influence of intoxicating
30 liquor or drugs, or both, or was under the age of twenty-one years and
31 had been driving or was in actual physical control of a motor vehicle
32 while having an alcohol concentration in violation of RCW 46.61.503;

33 (ii) That after receipt of the warnings required by subsection (2)
34 of this section the person refused to submit to a test of his or her
35 blood or breath, or a test was administered and the results indicated
36 that the alcohol concentration of the person's breath or blood was 0.08
37 or more if the person is age twenty-one or over, or was 0.02 or more if
38 the person is under the age of twenty-one; and

1 (iii) Any other information that the director may require by rule.

2 (7) The department of licensing, upon the receipt of a sworn report
3 or report under a declaration authorized by RCW 9A.72.085 under
4 subsection (6)(e) of this section, shall suspend, revoke, or deny the
5 person's license, permit, or privilege to drive or any nonresident
6 operating privilege, as provided in RCW 46.20.3101, such suspension,
7 revocation, or denial to be effective beginning sixty days from the
8 date of arrest or from the date notice has been given in the event
9 notice is given by the department following a blood test, or when
10 sustained at a hearing pursuant to subsection (8) of this section,
11 whichever occurs first.

12 (8) A person receiving notification under subsection (6)(b) of this
13 section may, within twenty days after the notice has been given,
14 request in writing a formal hearing before the department. The person
15 shall pay a fee of (~~two~~) three hundred seventy-five dollars as part
16 of the request. If the request is mailed, it must be postmarked within
17 twenty days after receipt of the notification. Upon timely receipt of
18 such a request for a formal hearing, including receipt of the required
19 (~~two~~) three hundred seventy-five dollar fee, the department shall
20 afford the person an opportunity for a hearing. The department may
21 waive the required (~~two~~) three hundred seventy-five dollar fee if the
22 person is an indigent as defined in RCW 10.101.010. Except as
23 otherwise provided in this section, the hearing is subject to and shall
24 be scheduled and conducted in accordance with RCW 46.20.329 and
25 46.20.332. The hearing shall be conducted in the county of the arrest,
26 except that all or part of the hearing may, at the discretion of the
27 department, be conducted by telephone or other electronic means. The
28 hearing shall be held within sixty days following the arrest or
29 following the date notice has been given in the event notice is given
30 by the department following a blood test, unless otherwise agreed to by
31 the department and the person, in which case the action by the
32 department shall be stayed, and any valid temporary license marked
33 under subsection (6)(c) of this section extended, if the person is
34 otherwise eligible for licensing. For the purposes of this section,
35 the scope of the hearing shall cover the issues of whether a law
36 enforcement officer had reasonable grounds to believe the person had
37 been driving or was in actual physical control of a motor vehicle
38 within this state while under the influence of intoxicating liquor or

1 any drug or had been driving or was in actual physical control of a
2 motor vehicle within this state while having alcohol in his or her
3 system in a concentration of 0.02 or more if the person was under the
4 age of twenty-one, whether the person was placed under arrest, and (a)
5 whether the person refused to submit to the test or tests upon request
6 of the officer after having been informed that such refusal would
7 result in the revocation of the person's license, permit, or privilege
8 to drive, or (b) if a test or tests were administered, whether the
9 applicable requirements of this section were satisfied before the
10 administration of the test or tests, whether the person submitted to
11 the test or tests, or whether a test was administered without express
12 consent as permitted under this section, and whether the test or tests
13 indicated that the alcohol concentration of the person's breath or
14 blood was 0.08 or more if the person was age twenty-one or over at the
15 time of the arrest, or 0.02 or more if the person was under the age of
16 twenty-one at the time of the arrest. The sworn report or report under
17 a declaration authorized by RCW 9A.72.085 submitted by a law
18 enforcement officer is prima facie evidence that the officer had
19 reasonable grounds to believe the person had been driving or was in
20 actual physical control of a motor vehicle within this state while
21 under the influence of intoxicating liquor or drugs, or both, or the
22 person had been driving or was in actual physical control of a motor
23 vehicle within this state while having alcohol in his or her system in
24 a concentration of 0.02 or more and was under the age of twenty-one and
25 that the officer complied with the requirements of this section.

26 A hearing officer shall conduct the hearing, may issue subpoenas
27 for the attendance of witnesses and the production of documents, and
28 shall administer oaths to witnesses. The hearing officer shall not
29 issue a subpoena for the attendance of a witness at the request of the
30 person unless the request is accompanied by the fee required by RCW
31 5.56.010 for a witness in district court. The sworn report or report
32 under a declaration authorized by RCW 9A.72.085 of the law enforcement
33 officer and any other evidence accompanying the report shall be
34 admissible without further evidentiary foundation and the
35 certifications authorized by the criminal rules for courts of limited
36 jurisdiction shall be admissible without further evidentiary
37 foundation. The person may be represented by counsel, may question

1 witnesses, may present evidence, and may testify. The department shall
2 order that the suspension, revocation, or denial either be rescinded or
3 sustained.

4 (9) If the suspension, revocation, or denial is sustained after
5 such a hearing, the person whose license, privilege, or permit is
6 suspended, revoked, or denied has the right to file a petition in the
7 superior court of the county of arrest to review the final order of
8 revocation by the department in the same manner as an appeal from a
9 decision of a court of limited jurisdiction. Notice of appeal must be
10 filed within thirty days after the date the final order is served or
11 the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ
12 1.1, or other statutes or rules referencing de novo review, the appeal
13 shall be limited to a review of the record of the administrative
14 hearing. The appellant must pay the costs associated with obtaining
15 the record of the hearing before the hearing officer. The filing of
16 the appeal does not stay the effective date of the suspension,
17 revocation, or denial. A petition filed under this subsection must
18 include the petitioner's grounds for requesting review. Upon granting
19 petitioner's request for review, the court shall review the
20 department's final order of suspension, revocation, or denial as
21 expeditiously as possible. The review must be limited to a
22 determination of whether the department has committed any errors of
23 law. The superior court shall accept those factual determinations
24 supported by substantial evidence in the record: (a) That were
25 expressly made by the department; or (b) that may reasonably be
26 inferred from the final order of the department. The superior court
27 may reverse, affirm, or modify the decision of the department or remand
28 the case back to the department for further proceedings. The decision
29 of the superior court must be in writing and filed in the clerk's
30 office with the other papers in the case. The court shall state the
31 reasons for the decision. If judicial relief is sought for a stay or
32 other temporary remedy from the department's action, the court shall
33 not grant such relief unless the court finds that the appellant is
34 likely to prevail in the appeal and that without a stay the appellant
35 will suffer irreparable injury. If the court stays the suspension,
36 revocation, or denial it may impose conditions on such stay.

37 (10)(a) If a person whose driver's license, permit, or privilege to
38 drive has been or will be suspended, revoked, or denied under

1 subsection (7) of this section, other than as a result of a breath or
2 blood test refusal, and who has not committed an offense for which he
3 or she was granted a deferred prosecution under chapter 10.05 RCW,
4 petitions a court for a deferred prosecution on criminal charges
5 arising out of the arrest for which action has been or will be taken
6 under subsection (7) of this section, or notifies the department of
7 licensing of the intent to seek such a deferred prosecution, then the
8 license suspension or revocation shall be stayed pending entry of the
9 deferred prosecution. The stay shall not be longer than one hundred
10 fifty days after the date charges are filed, or two years after the
11 date of the arrest, whichever time period is shorter. If the court
12 stays the suspension, revocation, or denial, it may impose conditions
13 on such stay. If the person is otherwise eligible for licensing, the
14 department shall issue a temporary license, or extend any valid
15 temporary license marked under subsection (6) of this section, for the
16 period of the stay. If a deferred prosecution treatment plan is not
17 recommended in the report made under RCW 10.05.050, or if treatment is
18 rejected by the court, or if the person declines to accept an offered
19 treatment plan, or if the person violates any condition imposed by the
20 court, then the court shall immediately direct the department to cancel
21 the stay and any temporary marked license or extension of a temporary
22 license issued under this subsection.

23 (b) A suspension, revocation, or denial imposed under this section,
24 other than as a result of a breath or blood test refusal, shall be
25 stayed if the person is accepted for deferred prosecution as provided
26 in chapter 10.05 RCW for the incident upon which the suspension,
27 revocation, or denial is based. If the deferred prosecution is
28 terminated, the stay shall be lifted and the suspension, revocation, or
29 denial reinstated. If the deferred prosecution is completed, the stay
30 shall be lifted and the suspension, revocation, or denial canceled.

31 (c) The provisions of (b) of this subsection relating to a stay of
32 a suspension, revocation, or denial and the cancellation of any
33 suspension, revocation, or denial do not apply to the suspension,
34 revocation, denial, or disqualification of a person's commercial
35 driver's license or privilege to operate a commercial motor vehicle.

36 (11) When it has been finally determined under the procedures of
37 this section that a nonresident's privilege to operate a motor vehicle
38 in this state has been suspended, revoked, or denied, the department

1 shall give information in writing of the action taken to the motor
2 vehicle administrator of the state of the person's residence and of any
3 state in which he or she has a license.

4 **Sec. 25.** RCW 46.20.380 and 2008 c 282 s 5 are each amended to read
5 as follows:

6 No person may file an application for an occupational driver's
7 license, a temporary restricted driver's license, or an ignition
8 interlock driver's license as provided in RCW 46.20.391 and 46.20.385
9 unless he or she first pays to the director or other person authorized
10 to accept applications and fees for driver's licenses a fee of one
11 hundred ten dollars. The applicant shall receive upon payment an
12 official receipt for the payment of such fee. All such fees shall be
13 forwarded to the director who shall transmit such fees to the state
14 treasurer in the same manner as other driver's license fees.

15 **III. VEHICLE FEES**

16 **Sec. 26.** RCW 46.17.230 and 2010 c 161 s 519 are each amended to
17 read as follows:

18 Before accepting an application for a replacement license tab, the
19 department, county auditor or other agent, or subagent appointed by the
20 director shall charge a one dollar and twenty-five cent fee for each
21 pair of tabs or windshield emblem. The license tab or windshield
22 emblem replacement fee must be deposited in the motor vehicle fund
23 created in RCW 46.68.070.

24 **Sec. 27.** RCW 46.17.310 and 2010 c 161 s 523 are each amended to
25 read as follows:

26 Before accepting an application for a change of class as required
27 under RCW 46.16A.200(6), the department, county auditor or other agent,
28 or subagent appointed by the director shall require the applicant to
29 pay a one dollar and twenty-five cent fee. The ~~((one-dollar))~~ change
30 of class fee must be deposited in the motor vehicle fund created in RCW
31 46.68.070.

32 **Sec. 28.** RCW 46.17.315 and 2010 c 161 s 524 are each amended to
33 read as follows:

1 (1) Before accepting an application for a motor vehicle base plated
2 in the state of Washington that is subject to highway inspections and
3 compliance reviews under RCW 46.32.080 or the international
4 registration plan if base plated in a foreign jurisdiction, the
5 department, county auditor or other agent, or subagent appointed by the
6 director shall require the applicant to pay a (~~sixteen~~) twenty-five
7 dollar commercial vehicle safety enforcement fee in addition to any
8 other fees and taxes required by law. The (~~sixteen~~) twenty-five
9 dollar fee:

10 (a) Must be apportioned for those vehicles operating interstate and
11 registered under the international registration plan;

12 (b) Does not apply to trailers; and

13 (c) Is not refundable when the motor vehicle is no longer subject
14 to RCW 46.32.080.

15 (2) The department may deduct an amount equal to the cost of
16 administering the program. All remaining fees must be deposited with
17 the state treasurer and credited to the state patrol highway account of
18 the motor vehicle fund created in RCW 46.68.070.

19 **Sec. 29.** RCW 46.17.400 and 2010 c 161 s 535 are each amended to
20 read as follows:

21 (1) Before accepting an application for one of the following
22 permits, the department, county auditor or other agent, or subagent
23 appointed by the director shall require the applicant to pay the
24 following permit fee by permit type in addition to any other fee or tax
25 required by law:

26	PERMIT TYPE	FEE	AUTHORITY	DISTRIBUTION
