

SHB 1290 - H AMD 182

By Representative Zeiger

WITHDRAWN 03/08/2013

1 On page 1, beginning on line 6, after "must" strike "place at
2 least one ballot drop box at each public institution of higher
3 education, including one at each branch campus" and insert "contact
4 the administration of each public institution of higher education with
5 a branch campus located in the county to determine whether the
6 institution agrees to the installation of a ballot drop box at any of
7 the institution's campuses within the county. The county auditor or
8 election official is authorized to locate and install a ballot drop
9 box at any campus where the administration agrees to such
10 installation, but only if the administration or an associated student
11 body association commits to jointly funding the installation of the
12 ballot drop box"

EFFECT: Removes the requirement that a ballot drop box be placed at each public institution of higher education. Requires the county auditor or local election official to contact the administration of each public institution of higher education with a branch campus located in the county, to determine whether the institution agrees to installation of a ballot drop box. Authorizes the county auditor or election official to install a ballot drop box at any such campus, but only if the administration or an associated student body association commits to jointly funding the installation of the ballot drop box.
