5 for those purposes in the state appropriations act by the legislature
6 as allocated to the board of trustees by the state board for community
7 and technical colleges. The state board for community and technical
8 colleges shall adopt rules defining the permissible elements of
9 compensation under this subsection;

10 (4) May establish, in accordance with RCW 28B.77.080, new
11 facilities as community needs and interests demand. However, the
12 authority of boards of trustees to purchase or lease major off-campus
13 facilities shall be subject to the approval of the student achievement
14 council pursuant to RCW 28B.77.080;

15 (5) May establish or lease, operate, equip and maintain
16 dormitories, food service facilities, bookstores and other self-
17 supporting facilities connected with the operation of the community and
18 technical college;

19 (6) May, with the approval of the college board, borrow money and
20 issue and sell revenue bonds or other evidences of indebtedness for the
21 construction, reconstruction, erection, equipping with permanent
22 fixtures, demolition and major alteration of buildings or other capital
23 assets, and the acquisition of sites, rights-of-way, easements,
24 improvements or appurtenances, for dormitories, food service

32 college may enter into agreements, subject to rules of the college
33 board, with owners of facilities to be used for housing regarding the

1 (b) Employ necessary employees to govern, manage and operate the
2 same;

3 (8) May receive such gifts, grants, conveyances, devises and
4 bequests of real or personal property from private sources, as may be

6 conditions thereof will aid in carrying out the community and technical
7 college programs as specified by law and the rules of the state college
8 board; sell, lease or exchange, invest or expend the same or the

28 certificates, and degrees are to lead individuals directly to
29 employment in a specific occupation or prepare individuals for a
30 bachelor's degree or beyond. Technical colleges may only offer
31 transfer degrees that prepare students for bachelor's degrees in

9 property;

10 (13) Shall enforce the rules prescribed by the state board for
11 community and technical colleges for the government of community and
12 technical colleges, students and teachers, and adopt such rules and

14 board for community and technical colleges as the board of trustees may
15 in its discretion deem necessary or appropriate to the administration
16 of college districts: PROVIDED, That such rules shall include, but not
17 be limited to, rules relating to housing, scholarships, conduct at the

31 or governmental entities, consistent with rules adopted by the state
32 board for community and technical colleges: PROVIDED, That the whole

34 than the full instructional costs of such services including any salary
35 increases authorized by the legislature for community and technical

37 That enrollments generated hereunder shall not be counted toward the

1 official enrollment level of the college district for state funding

8 services: PROVIDED, That such contracts shall be subject to review by
9 the state board for community and technical colleges and to such rules
10 as the state board may adopt for that purpose in order to assure that
11 the sum of the supplemental fee and the normal state funding shall not
12 exceed the projected total cost of offering the educational service:
13 PROVIDED FURTHER, That enrollments generated by courses offered on the
14 basis of contracts requiring payment of a share of the normal costs of
15 the course will be discounted to the percentage provided by the
16 college;

18 that may be formed by the various boards of trustees; such association

30 and did not graduate because they were ordered into an internment camp.
31 The honorary degree may also be requested by a representative of
32 deceased persons who meet these requirements. For the purposes of this
33 subsection, "internment camp" means a relocation center to which
