
SENATE BILL 5656

State of Washington 63rd Legislature 2013 Regular Session

By Senators Braun, Carrell, Rivers, Sheldon, Hobbs, and Fain

Read first time 02/07/13. Referred to Committee on Trade & Economic Development.

1 AN ACT Relating to revising business licensing systems; and adding
2 a new section to chapter 35.102 RCW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** A new section is added to chapter 35.102 RCW
5 to read as follows:

6 (1) Except as provided in subsection (3) of this section, all
7 cities that impose a business and occupation tax under this chapter
8 must have by July 1, 2015, their general business licenses issued and
9 renewed, if the license is required to be renewed, through the business
10 licensing system in accordance with chapter 19.02 RCW.

11 (2) Except as provided in subsection (3) of this section, by
12 January 1, 2019, all cities that require general business licenses and
13 that do not impose a business and occupation tax must have such
14 licenses issued and renewed, if the license is required to be renewed,
15 through the business licensing system in accordance with chapter 19.02
16 RCW.

17 (3) The department may delay or phase-in the issuance and renewal
18 of general business licenses beyond the dates provided in subsections
19 (1) and (2) of this section if funding or other resources are

1 insufficient to enable the department to meet the deadlines in
2 subsection (1) or (2) of this section or as necessary to ensure the
3 business licensing system is adequately prepared to handle all general
4 business licenses and that the transition to mandatory department
5 issuance and renewal of general business licenses is as seamless as
6 possible. To that end, the department, working with affected cities,
7 is authorized to establish a schedule for assuming the issuance and
8 renewal of general business licenses as required by this section.
9 Cities may continue to issue and renew their general business licenses
10 until those licenses have been incorporated into the business licensing
11 system. A city whose general business license has been incorporated
12 into the business licensing system may no longer issue and renew those
13 licenses.

14 (4) For purposes of this section, "business and occupation tax" has
15 the same meaning as in RCW 35.102.030.
