1            AN ACT Relating to a hospital safety net assessment and quality  
2 incentive program for increased hospital payments to improve health  
3 care access for the citizens of Washington; amending RCW 74.60.005,  
4 74.60.010, 74.60.020, 74.60.030, 74.60.050, 74.60.070, 74.60.080,  
5 74.60.090, 74.60.100, 74.60.110, 74.60.120, 74.60.130, 74.09.522,  
6 74.60.140, 74.60.150, 74.60.900, and 74.60.901; adding a new section to  
7 chapter 74.60 RCW; adding a new section to chapter 74.09 RCW; providing  
8 an expiration date; and declaring an emergency.

9            BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

10           **Sec. 1.** RCW 74.60.005 and 2010 1st sp.s. c 30 s 1 are each amended  
11 to read as follows:

12            (1) The purpose of this chapter is to provide for a safety net  
13 assessment on certain Washington hospitals, which will be used solely  
14 to augment funding from all other sources and thereby (~~obtain~~  
15 ~~additional funds to restore recent reductions and to~~) support  
16 additional payments to hospitals for medicaid services as specified in  
17 this chapter.

18            (2) The legislature finds that((+)

1 ~~(a) Washington hospitals, working with the department of social and~~  
2 ~~health services, have proposed a hospital safety net assessment to~~  
3 ~~generate additional state and federal funding for the medicaid program,~~  
4 ~~which will be used to partially restore recent inpatient and outpatient~~  
5 ~~reductions in hospital reimbursement rates and provide for an increase~~  
6 ~~in hospital payments; and~~

7 (b)) federal health care reform will result in an expansion of  
8 medicaid enrollment in this state and an increase in federal financial  
9 participation. As a result, the hospital safety net assessment and  
10 hospital safety net assessment fund created in this chapter ((allows  
11 the state to generate additional federal financial participation for  
12 the medicaid program and provides for increased reimbursement to  
13 hospitals)) will begin phasing down over a four-year period beginning  
14 in fiscal year 2016 as federal medicaid expansion is fully implemented.  
15 The state will end its reliance on the assessment and the fund by the  
16 end of fiscal year 2019.

17 (3) In adopting this chapter, it is the intent of the legislature:

18 (a) To impose a hospital safety net assessment to be used solely  
19 for the purposes specified in this chapter;

20 (b) ~~((That funds generated by the assessment shall be used solely~~  
21 ~~to augment all other funding sources and not as a substitute for any~~  
22 ~~other funds;~~

23 (e)) To generate approximately four hundred forty-six million  
24 three hundred thirty-eight thousand dollars per state fiscal year in  
25 fiscal years 2014 and 2015, and then phasing down in equal increments  
26 to zero by the end of fiscal year 2019, in new state and federal funds  
27 by disbursing all of that amount to pay for medicaid hospital services  
28 and grants to certified public expenditure hospitals, except costs of  
29 administration as specified in this chapter, in the form of additional  
30 payments to hospitals and managed care plans, which may not be a  
31 substitute for payments from other sources;

32 (c) To generate one hundred ninety-nine million eight hundred  
33 thousand dollars in the 2013-2015 biennium, phasing down to zero by the  
34 end of the 2017-2019 biennium, in new funds to be used in lieu of state  
35 general fund payments for medicaid hospital services;

36 (d) That the total amount assessed not exceed the amount needed, in  
37 combination with all other available funds, to support the

1 (~~reimbursement rates and other~~) payments authorized by this chapter;  
2 and

3 ~~((d))~~ (e) To condition the assessment on receiving federal  
4 approval for receipt of additional federal financial participation and  
5 on continuation of other funding sufficient to maintain (~~hospital~~  
6 ~~inpatient and outpatient reimbursement rates and small rural~~  
7 ~~disproportionate share payments at least at the levels in effect on~~  
8 July 1, 2009)) aggregate payment levels to hospitals for inpatient and  
9 outpatient services covered by medicaid, including fee-for-service and  
10 managed care, at least at the levels the state paid for those services

10 assessment amounts must be reduced in approximately equal yearly  
11 increments each fiscal year by category of hospital until the  
12 assessment amount is zero by July 1, 2019;

13 (b) If sufficient other funds, including federal funds, are  
14 available to make the payments required under this chapter and fund the

21 the upper payment limit and the entire excess amount cannot be  
22 disbursed by additional payments to managed care organizations under  
23 RCW 74.60.130, the authority shall proportionately reduce future  
24 assessments on prospective payment hospitals to the level necessary to

26 upper payment limit plus the maximum permissible amount of additional  
27 payments to managed care organizations under RCW 74.60.130;

28 (d) If the amount of payments to managed care organizations under  
29 RCW 74.60.130 cannot be distributed because of failure to meet federal  
30 actuarial soundness or utilization requirements or other federal  
31 requirements, the authority shall apply the amount that cannot be  
32 distributed to reduce future assessments to the level necessary to  
33 generate additional payments to managed care organizations that are  
34 consistent with federal actuarial soundness or utilization requirements  
35 or other federal requirements;

36 (e) If required in order to obtain federal matching funds, the  
37 maximum number of nonmedicare inpatient days at the higher rate

1 provided under RCW 74.60.030(1)(b)(i) may be adjusted in order to  
2 comply with federal requirements;

3 (f) If the number of nonmedicare inpatient days applied to the  
4 rates provided in RCW 74.60.030 will not produce sufficient funds to  
5 support the payments required under this chapter and the state portion  
6 of the quality incentive payments under section 18 of this act and RCW  
7 74.60.020(4)(f), the assessment rates provided in RCW 74.60.030 may be

10 to make the payments specified in this chapter and the state portion of  
11 the quality incentive payments under section 18 of this act and RCW  
12 74.60.020(4)(f); and

13 (g) Any actual or estimated surplus remaining in the fund at the  
14 end of the fiscal year must be applied to reduce the assessment amount

17 section, and the data supporting such adjustment, including, but not  
18 limited to, relevant data listed in (b) of this subsection, must be  
19 submitted to the Washington state hospital association for review and  
20 comment at least sixty calendar days prior to implementation of such  
21 adjusted assessment amounts. Any review and comment provided by the  
22 Washington state hospital association does not limit the ability of the

24 adjustment or other action by the authority that is not made in  
25 accordance with this chapter.

26 (b) The authority shall provide the following data to the

29 any additional federal matching funds for the increased managed care  
30 capitation payments under subsection (1) of this section available from  
31 medicaid expansion under the federal patient protection and affordable  
32 care act to substitute for assessment funds which otherwise would have  
33 been used to pay managed care plans under this section.

34       (3) Payments to individual managed care organizations shall be  
35 determined by the authority based on each organization's or network's  
36 enrollment relative to the anticipated total enrollment in each program  
37 for the fiscal year in question, the anticipated utilization of

1 hospital services by an organization's or network's medicaid enrollees,  
2 and such other factors as are reasonable and appropriate to ensure that  
3 purposes of this chapter are met.

4 (4) If the federal government determines that total payments to  
5 managed care organizations under this section exceed what is permitted  
6 under applicable medicaid laws and regulations, payments must be  
7 reduced to levels that meet such requirements, and the balance  
8 remaining must be applied as provided in RCW 74.60.050. Further, in  
9 the event a managed care organization is legally obligated to repay  
10 amounts distributed to hospitals under this section to the state or  
11 federal government, a managed care organization may recoup the amount  
12 it is obligated to repay under the medicaid program from individual  
13 hospitals by not more than the amount of overpayment each hospital  
14 received from that managed care organization.

15 (5) Payments under this section do not reduce the amounts that  
16 otherwise would be paid to managed care organizations: PROVIDED, That  
17 such payments are consistent with actuarial soundness certification and  
18 enrollment.

19 (6) Before making such payments, the authority shall require  
20 medicaid managed care organizations to comply with the following  
21 requirements:

22 (a) All payments to managed care organizations under this chapter  
23 must be expended for hospital services provided by Washington  
24 hospitals, which for purposes of this section includes psychiatric and  
25 rehabilitation hospitals, in a manner consistent with the purposes and  
26 provisions of this chapter, and must be equal to all increased  
27 capitation payments under this section received by the organization or  
28 network, consistent with actuarial certification and enrollment, less  
29 an allowance for any estimated premium taxes the organization is  
30 required to pay under Title 48 RCW associated with the payments under  
31 this chapter;

32 (b) Before the end of the quarter in which funds are paid to them,  
33 managed care organizations shall expend the increased capitation  
34 payments under this section in a manner consistent with the purposes of  
35 this chapter;

36 (c) Providing that any delegation or attempted delegation of an  
37 organization's or network's obligations under agreements with the

1 authority do not relieve the organization or network of its obligations  
2 under this section and related contract provisions.

3 (7) No hospital or managed care organizations may use the payments  
4 under this section to gain advantage in negotiations.

5 (8) No hospital has a claim or cause of action against a managed  
6 care organization for monetary compensation based on the amount of  
7 payments under subsection (6) of this section.

8 (9) If funds cannot be used to pay for services in accordance with  
9 this chapter the managed care organization or network must return the  
10 funds to the authority which shall return them to the hospital safety  
11 net assessment fund.

12 **Sec. 13.** RCW 74.09.522 and 2013 c 261 s 2 are each amended to read  
13 as follows:

14 (1) For the purposes of this section:

15 (a) "Managed health care system" means any health care  
16 organization, including health care providers, insurers, health care  
17 service contractors, health maintenance organizations, health insuring  
18 organizations, or any combination thereof, that provides directly or by  
19 contract health care services covered under this chapter and rendered  
20 by licensed providers, on a prepaid capitated basis and that meets the  
21 requirements of section 1903(m)(1)(A) of Title XIX of the federal  
22 social security act or federal demonstration waivers granted under  
23 section 1115(a) of Title XI of the federal social security act;

24 (b) "Nonparticipating provider" means a person, health care  
25 provider, practitioner, facility, or entity, acting within their scope  
26 of practice, that does not have a written contract to participate in a  
27 managed health care system's provider network, but provides health care  
28 services to enrollees of programs authorized under this chapter whose  
29 health care services are provided by the managed health care system.

30 (2) The authority shall enter into agreements with managed health  
31 care systems to provide health care services to recipients of temporary  
32 assistance for needy families under the following conditions:

33 (a) Agreements shall be made for at least thirty thousand  
34 recipients statewide;

35 (b) Agreements in at least one county shall include enrollment of  
36 all recipients of temporary assistance for needy families;

1 (c) To the extent that this provision is consistent with section  
2 1903(m) of Title XIX of the federal social security act or federal  
3 demonstration waivers granted under section 1115(a) of Title XI of the  
4 federal social security act, recipients shall have a choice of systems  
5 in which to enroll and shall have the right to terminate their  
6 enrollment in a system: PROVIDED, That the authority may limit  
7 recipient termination of enrollment without cause to the first month of  
8 a period of enrollment, which period shall not exceed twelve months:  
9 AND PROVIDED FURTHER, That the authority shall not restrict a  
10 recipient's right to terminate enrollment in a system for good cause as  
11 established by the authority by rule;

12 (d) To the extent that this provision is consistent with section  
13 1903(m) of Title XIX of the federal social security act, participating  
14 managed health care systems shall not enroll a disproportionate number  
15 of medical assistance recipients within the total numbers of persons  
16 served by the managed health care systems, except as authorized by the  
17 authority under federal demonstration waivers granted under section  
18 1115(a) of Title XI of the federal social security act;

19 (e)(i) In negotiating with managed health care systems the  
20 authority shall adopt a uniform procedure to enter into contractual  
21 arrangements, to be included in contracts issued or renewed on or after  
22 January 1, 2015, including:

23 (A) Standards regarding the quality of services to be provided;

24 (B) The financial integrity of the responding system;

25 (C) Provider reimbursement methods that incentivize chronic care  
26 management within health homes, including comprehensive medication  
27 management services for patients with multiple chronic conditions  
28 consistent with the findings and goals established in section 1 of this  
29 act;

30 (D) Provider reimbursement methods that reward health homes that,  
31 by using chronic care management, reduce emergency department and  
32 inpatient use;

33 (E) Promoting provider participation in the program of training and  
34 technical assistance regarding care of people with chronic conditions  
35 described in RCW 43.70.533, including allocation of funds to support  
36 provider participation in the training, unless the managed care system  
37 is an integrated health delivery system that has programs in place for  
38 chronic care management;

1 (F) Provider reimbursement methods within the medical billing  
2 processes that incentivize pharmacists or other qualified providers  
3 licensed in Washington state to provide comprehensive medication  
4 management services consistent with the findings and goals established  
5 in section 1 of this act; and

6 (G) Evaluation and reporting on the impact of comprehensive  
7 medication management services on patient clinical outcomes and total  
8 health care costs, including reductions in emergency department  
9 utilization, hospitalization, and drug costs.

10 (ii)(A) Health home services contracted for under this subsection  
11 may be prioritized to enrollees with complex, high cost, or multiple  
12 chronic conditions.

13 (B) Contracts that include the items in (e)(i)(C) through (G) of  
14 this subsection must not exceed the rates that would be paid in the  
15 absence of these provisions;

16 (f) The authority shall seek waivers from federal requirements as  
17 necessary to implement this chapter;

18 (g) The authority shall, wherever possible, enter into prepaid  
19 capitation contracts that include inpatient care. However, if this is  
20 not possible or feasible, the authority may enter into prepaid  
21 capitation contracts that do not include inpatient care;

22 (h) The authority shall define those circumstances under which a  
23 managed health care system is responsible for out-of-plan services and  
24 assure that recipients shall not be charged for such services;

25 (i) Nothing in this section prevents the authority from entering  
26 into similar agreements for other groups of people eligible to receive  
27 services under this chapter; and

28 (j) The authority must consult with the federal center for medicare  
29 and medicaid innovation and seek funding opportunities to support  
30 health homes.

31 (3) The authority shall ensure that publicly supported community  
32 health centers and providers in rural areas, who show serious intent  
33 and apparent capability to participate as managed health care systems  
34 are seriously considered as contractors. The authority shall  
35 coordinate its managed care activities with activities under chapter  
36 70.47 RCW.

37 (4) The authority shall work jointly with the state of Oregon and  
38 other states in this geographical region in order to develop

1 recommendations to be presented to the appropriate federal agencies and  
2 the United States congress for improving health care of the poor, while  
3 controlling related costs.

4 (5) The legislature finds that competition in the managed health  
5 care marketplace is enhanced, in the long term, by the existence of a  
6 large number of managed health care system options for medicaid  
7 clients. In a managed care delivery system, whose goal is to focus on  
8 prevention, primary care, and improved enrollee health status,  
9 continuity in care relationships is of substantial importance, and  
10 disruption to clients and health care providers should be minimized.  
11 To help ensure these goals are met, the following principles shall  
12 guide the authority in its healthy options managed health care  
13 purchasing efforts:

14 (a) All managed health care systems should have an opportunity to  
15 contract with the authority to the extent that minimum contracting  
16 requirements defined by the authority are met, at payment rates that  
17 enable the authority to operate as far below appropriated spending  
18 levels as possible, consistent with the principles established in this  
19 section.

20 (b) Managed health care systems should compete for the award of  
21 contracts and assignment of medicaid beneficiaries who do not  
22 voluntarily select a contracting system, based upon:

23 (i) Demonstrated commitment to or experience in serving low-income  
24 populations;

25 (ii) Quality of services provided to enrollees;

26 (iii) Accessibility, including appropriate utilization, of services  
27 offered to enrollees;

28 (iv) Demonstrated capability to perform contracted services,  
29 including ability to supply an adequate provider network;

30 (v) Payment rates; and

31 (vi) The ability to meet other specifically defined contract  
32 requirements established by the authority, including consideration of  
33 past and current performance and participation in other state or  
34 federal health programs as a contractor.

35 (c) Consideration should be given to using multiple year  
36 contracting periods.

37 (d) Quality, accessibility, and demonstrated commitment to serving

1 low-income populations shall be given significant weight in the  
2 contracting, evaluation, and assignment process.

3 (e) All contractors that are regulated health carriers must meet  
4 state minimum net worth requirements as defined in applicable state  
5 laws. The authority shall adopt rules establishing the minimum net  
6 worth requirements for contractors that are not regulated health  
7 carriers. This subsection does not limit the authority of the  
8 Washington state health care authority to take action under a contract  
9 upon finding that a contractor's financial status seriously jeopardizes  
10 the contractor's ability to meet its contract obligations.

11 (f) Procedures for resolution of disputes between the authority and  
12 contract bidders or the authority and contracting carriers related to  
13 the award of, or failure to award, a managed care contract must be  
14 clearly set out in the procurement document.

15 (6) The authority may apply the principles set forth in subsection  
16 (5) of this section to its managed health care purchasing efforts on  
17 behalf of clients receiving supplemental security income benefits to  
18 the extent appropriate.

19 (7) A managed health care system shall pay a nonparticipating  
20 provider that provides a service covered under this chapter to the  
21 system's enrollee no more than the lowest amount paid for that service  
22 under the managed health care system's contracts with similar providers  
23 in the state.

24 (8) For services covered under this chapter to medical assistance  
25 or medical care services enrollees and provided on or after August 24,  
26 2011, nonparticipating providers must accept as payment in full the  
27 amount paid by the managed health care system under subsection (7) of  
28 this section in addition to any deductible, coinsurance, or copayment  
29 that is due from the enrollee for the service provided. An enrollee is  
30 not liable to any nonparticipating provider for covered services,  
31 except for amounts due for any deductible, coinsurance, or copayment  
32 under the terms and conditions set forth in the managed health care  
33 system contract to provide services under this section.

34 (9) Pursuant to federal managed care access standards, 42 C.F.R.  
35 Sec. 438, managed health care systems must maintain a network of  
36 appropriate providers that is supported by written agreements  
37 sufficient to provide adequate access to all services covered under the  
38 contract with the (~~department~~) authority, including hospital-based

1 physician services. The ((department)) authority will monitor and  
2 periodically report on the proportion of services provided by  
3 contracted providers and nonparticipating providers, by county, for  
4 each managed health care system to ensure that managed health care  
5 systems are meeting network adequacy requirements. No later than  
6 January 1st of each year, the ((department)) authority will review and  
7 report its findings to the appropriate policy and fiscal committees of  
8 the legislature for the preceding state fiscal year.

9 (10) Payments under RCW 74.60.130 are exempt from this section.

10 (11) Subsections (7) through (9) of this section expire July 1,  
11 2016.

12 **Sec. 14.** RCW 74.60.140 and 2010 1st sp.s. c 30 s 16 are each  
13 amended to read as follows:

14 (1) If an entity owns or operates more than one hospital subject to  
15 assessment under this chapter, the entity shall pay the assessment for  
16 each hospital separately. However, if the entity operates multiple  
17 hospitals under a single medicaid provider number, it may pay the  
18 assessment for the hospitals in the aggregate.

19 (2) Notwithstanding any other provision of this chapter, if a  
20 hospital subject to the assessment imposed under this chapter ceases to  
21 conduct hospital operations throughout a state fiscal year, the  
22 assessment for the quarter in which the cessation occurs shall be  
23 adjusted by multiplying the assessment computed under RCW 74.60.030  
24 ((~~(1) and (3)~~)) by a fraction, the numerator of which is the number of  
25 days during the year which the hospital conducts, operates, or  
26 maintains the hospital and the denominator of which is three hundred  
27 sixty-five. Immediately prior to ceasing to conduct, operate, or  
28 maintain a hospital, the hospital shall pay the adjusted assessment for  
29 the fiscal year to the extent not previously paid.

30 ~~(3) ((Notwithstanding any other provision of this chapter, in the  
31 case of a hospital that commences conducting, operating, or maintaining  
32 a hospital that is not exempt from payment of the assessment under RCW  
33 74.60.040 and that did not conduct, operate, or maintain such hospital  
34 throughout the cost reporting year used to determine the assessment  
35 amount, the assessment for that hospital shall be computed on the basis  
36 of the actual number of nonmedicare inpatient days reported to the~~

1 ~~department by the hospital on a quarterly basis. The hospital shall be~~  
2 ~~eligible to receive increased payments under this chapter beginning on~~  
3 ~~the date it commences hospital operations.~~

4 ~~(4))~~ Notwithstanding any other provision of this chapter, if a  
5 hospital previously subject to assessment is sold or transferred to  
6 another entity and remains subject to assessment, the assessment for  
7 that hospital shall be computed based upon the cost report data  
8 previously submitted by that hospital. The assessment shall be  
9 allocated between the transferor and transferee based on the number of  
10 days within the assessment period that each owned, operated, or  
11 maintained the hospital.

12 **Sec. 15.** RCW 74.60.150 and 2010 1st sp.s. c 30 s 17 are each  
13 amended to read as follows:

14 (1) The assessment, collection, and disbursement of funds under  
15 this chapter shall be conditional upon:

16 ~~(a) ((Withdrawal of those aspects of any pending state plan~~  
17 ~~amendments previously submitted to the centers for medicare and~~  
18 ~~medicaid services that are inconsistent with this chapter, specifically~~  
19 ~~any pending state plan amendment related to the four percent rate~~  
20 ~~reductions for inpatient and outpatient hospital rates and elimination~~  
21 ~~of the small rural disproportionate share hospital payment program as~~  
22 ~~implemented July 1, 2009;~~

23 ~~(b) Approval by the centers for medicare and medicaid services of~~  
24 ~~any state plan amendments or waiver requests that are necessary in~~  
25 ~~order to implement the applicable sections of this chapter;~~

26 ~~(c))~~ Final approval by the centers for medicare and medicaid  
27 services of any state plan amendments or waiver requests that are  
28 necessary in order to implement the applicable sections of this chapter  
29 including, if necessary, waiver of the broad-based or uniformity  
30 requirements as specified under section 1903(w)(3)(E) of the federal  
31 social security act and 42 C.F.R. 433.68(e);

32 (b) To the extent necessary, amendment of contracts between the  
33 ~~((department))~~ authority and managed care organizations in order to  
34 implement this chapter; and

35 ~~((d))~~ (c) Certification by the office of financial management  
36 that appropriations have been adopted that fully support the rates  
37 established in this chapter for the upcoming fiscal year.

1 (2) This chapter does not take effect or ceases to be imposed, and  
2 any moneys remaining in the fund shall be refunded to hospitals in  
3 proportion to the amounts paid by such hospitals, if and to the extent  
4 that any of the following conditions occur:

5 ~~(a) ((An appellate court or the centers for medicare and medicaid  
6 services)) The federal department of health and human services and a  
7 court of competent jurisdiction makes a final determination, with all  
8 appeals exhausted, that any element of this chapter, other than RCW  
9 74.60.100, cannot be validly implemented;~~

10 ~~(b) ((Medicaid inpatient or outpatient reimbursement rates for  
11 hospitals are reduced below the combined rates established by RCW  
12 74.60.080 and 74.60.090);~~

13 ~~(c) Except for payments to the University of Washington medical  
14 center and harborview medical center, payments to hospitals required  
15 under RCW 74.60.080, 74.60.090, 74.60.110, and 74.60.120 are not  
16 eligible for federal matching funds;~~

17 ~~(d) Other funding available for the medicaid program is not  
18 sufficient to maintain medicaid inpatient and outpatient reimbursement  
19 rates at the levels set in RCW 74.60.080, 74.60.090, and 74.60.110))  
20 Funds generated by the assessment for payments to prospective payment  
21 hospitals or managed care organizations are determined to be not  
22 eligible for federal match;~~

23 ~~(c) Other funding sufficient to maintain aggregate payment levels  
24 to hospitals for inpatient and outpatient services covered by medicaid,  
25 including fee-for-service and managed care, at least at the levels the  
26 state paid for those services on July 1, 2009, as adjusted for current  
27 enrollment and utilization, but without regard to payment increases  
28 resulting from chapter 30, Laws of 2010 1st sp. sess., is not  
29 appropriated or available;~~

30 ~~(d) Payments required by this chapter are reduced, except as  
31 specifically authorized in this chapter, or payments are not made in  
32 substantial compliance with the time frames set forth in this chapter;  
33 or~~

34 (e) The fund is used as a substitute for or to supplant other  
35 funds, except as authorized by RCW 74.60.020(~~(+3)(e)~~)).

36 **Sec. 16.** RCW 74.60.900 and 2010 1st sp.s. c 30 s 18 are each  
37 amended to read as follows:

1 (1) The provisions of this chapter are not severable: If the  
2 conditions (~~set forth~~) in RCW 74.60.150(1) are not satisfied or if  
3 any of the circumstances (~~set forth~~) in RCW 74.60.150(2) should  
4 occur, this entire chapter shall have no effect from that point  
5 forward(~~, except that if the payment under RCW 74.60.100, or the~~  
6 ~~application thereof to any hospital or circumstances does not receive~~  
7 ~~approval by the centers for medicare and medicaid services as described~~  
8 ~~in RCW 74.60.150(1)(b) or is determined to be unconstitutional or~~  
9 ~~otherwise invalid, the other provisions of this chapter or its~~  
10 ~~application to hospitals or circumstances other than those to which it~~  
11 ~~is held invalid shall not be affected thereby)).~~

12 (2) In the event that any portion of this chapter shall have been  
13 validly implemented and the entire chapter is later rendered  
14 ineffective under this section, prior assessments and payments under  
15 the validly implemented portions shall not be affected.

16 (~~(3) In the event that the payment under RCW 74.60.100, or the~~  
17 ~~application thereof to any hospital or circumstances does not receive~~  
18 ~~approval by the centers for medicare and medicaid services as described~~  
19 ~~in RCW 74.60.150(1)(b) or is determined to be unconstitutional or~~  
20 ~~otherwise invalid, the amount of the assessment shall be adjusted under~~  
21 ~~RCW 74.60.050(1)(c).)~~)

22 NEW SECTION. **Sec. 17.** A new section is added to chapter 74.60 RCW  
23 to read as follows:

24 (1) The legislature intends to provide the hospitals with an  
25 opportunity to contract with the authority each fiscal biennium to  
26 protect the hospitals from future legislative action during the  
27 biennium that could result in hospitals receiving less from  
28 supplemental payments, increased managed care payments,  
29 disproportionate share hospital payments, or access payments than the  
30 hospitals expected to receive in return for the assessment based on the  
31 biennial appropriations and assessment legislation.

32 (2) Each odd-numbered year after enactment of the biennial omnibus  
33 operating appropriations act, the authority shall offer to enter into  
34 a contract for the period of the fiscal biennium beginning July 1st  
35 with a hospital that is required to pay the assessment under this  
36 chapter. The contract must include the following terms:

37 (a) The authority must agree not to do any of the following:

1 (i) Increase the assessment from the level set by the authority  
2 pursuant to this chapter on the first day of the contract period for  
3 reasons other than those allowed under RCW 74.60.050(3);

4 (ii) Reduce aggregate payment levels to hospitals for inpatient and  
5 outpatient services covered by medicaid, including fee-for-service and  
6 managed care, allowing for variations due to budget-neutral rebasing  
7 and adjusting for changes in enrollment and utilization, from the  
8 levels the state paid for those services on the first day of the  
9 contract period;

10 (iii) For critical access hospitals only, reduce the levels of  
11 disproportionate share hospital payments under RCW 74.60.110 or access  
12 payments under RCW 74.60.100 for all critical access hospitals below  
13 the levels specified in those sections on the first day of the contract  
14 period;

15 (iv) For prospective payment system, psychiatric, and  
16 rehabilitation hospitals only, reduce the levels of supplemental  
17 payments under RCW 74.60.120 for all prospective payment system  
18 hospitals below the levels specified in that section on the first day  
19 of the contract period unless the supplemental payments are reduced  
20 under RCW 74.60.120(2);

21 (v) For prospective payment system, psychiatric, and rehabilitation  
22 hospitals only, reduce the increased capitation payments to managed  
23 care organizations under RCW 74.60.130 below the levels specified in  
24 that section on the first day of the contract period unless the managed  
25 care payments are reduced under RCW 74.60.130(4); or

26 (vi) Except as specified in this chapter, use assessment revenues  
27 for any other purpose than to secure federal medicaid matching funds to  
28 support payments to hospitals for medicaid services; and

29 (b) As long as payment levels are maintained as required under this  
30 chapter, the hospital must agree not to challenge the authority's  
31 reduction of hospital reimbursement rates to July 1, 2009, levels,  
32 which results from the elimination of assessment supported rate  
33 restorations and increases, under 42 U.S.C. Sec. 1396a(a)(30)(a) either  
34 through administrative appeals or in court during the period of the  
35 contract.

36 (3) If a court finds that the authority has breached an agreement  
37 with a hospital under subsection (2)(a) of this section, the authority:

1 (a) Must immediately refund any assessment payments made subsequent  
2 to the breach by that hospital upon receipt; and

3 (b) May discontinue supplemental payments, increased managed care  
4 payments, disproportionate share hospital payments, and access payments  
5 made subsequent to the breach for the hospital that are required under  
6 this chapter.

7 (4) The remedies provided in this section are not exclusive of any  
8 other remedies and rights that may be available to the hospital whether  
9 provided in this chapter or otherwise in law, equity, or statute.

10 NEW SECTION. **Sec. 18.** A new section is added to chapter 74.09 RCW  
11 to read as follows:

12 (1) If sufficient funds are made available as provided in  
13 subsection (2) of this section the authority, in collaboration with the  
14 Washington state hospital association, shall design a system of  
15 hospital quality incentive payments for noncritical access hospitals.  
16 The system must be based upon the following principles:

17 (a) Evidence-based treatment and processes must be used to improve  
18 health care outcomes for hospital patients;

19 (b) Effective purchasing strategies to improve the quality of  
20 health care services should involve the use of common quality  
21 improvement measures by public and private health care purchasers,  
22 while recognizing that some measures may not be appropriate for  
23 application to specialty pediatric, psychiatric, or rehabilitation  
24 hospitals;

25 (c) Quality measures chosen for the system should be consistent  
26 with the standards that have been developed by national quality  
27 improvement organizations, such as the national quality forum, the  
28 federal centers for medicare and medicaid services, or the federal  
29 agency for healthcare research and quality. New reporting burdens to  
30 hospitals should be minimized by giving priority to measures hospitals  
31 are currently required to report to governmental agencies, such as the  
32 hospital compare measures collected by the federal centers for medicare  
33 and medicaid services;

34 (d) Benchmarks for each quality improvement measure should be set  
35 at levels that are feasible for hospitals to achieve, yet represent  
36 real improvements in quality and performance for a majority of  
37 hospitals in Washington state; and

1 (e) Hospital performance and incentive payments should be designed  
2 in a manner such that all noncritical access hospitals are able to  
3 receive the incentive payments if performance is at or above the  
4 benchmark score set in the system established under this section.

5 (2) If hospital safety net assessment funds under RCW 74.60.020 are  
6 made available, such funds must be used to support an additional one  
7 percent increase in inpatient hospital rates for noncritical access  
8 hospitals that:

9 (a) Meet the quality incentive benchmarks established under this  
10 section; and

11 (b) Participate in Washington state hospital association  
12 collaboratives related to the benchmarks in order to improve care and  
13 promote sharing of best practices with other hospitals.

14 (3) Funds directed from any other lawful source may also be used to  
15 support the purposes of this section.

16 **Sec. 19.** RCW 74.60.901 and 2010 1st sp.s. c 30 s 21 are each  
17 amended to read as follows:
