**INTERPRETIVE STATEMENT
DEPARTMENT OF REVENUE**

[Filed May 26, 2006, 2:42 p.m.]

ISSUANCE OF INTERPRETIVE STATEMENT

The department of revenue has issued a revised excise tax advisory ETA 2024.04.182 Storing, inspecting, testing, and labeling of canned salmon (ETA 2024).

The purpose of ETA 2024 is to clarify the tax reporting responsibilities of persons in Washington who store, inspect, test, and label canned salmon that was canned outside of Washington. This advisory has been revised to recognize provisions of chapter 354, Laws of 2006, which provides a specific B&O tax rate to persons inspecting, testing, labeling, and storing salmon owned by another person. This tax rate becomes effective July 1, 2006.

A copy of this document is available via the internet at <http://www.dor.wa.gov/content/laws/eta/eta.aspx> or a request for copies may be directed to Roseanna Hodson, Interpretations and Technical Advice Unit, P.O. Box 47453, Olympia, WA 98504-7453, phone (360) 570-6119, fax (360) 586-5543.

Alan R. Lynn
Rules Coordinator

**NOTICE OF PUBLIC MEETINGS
DEPARTMENT OF
GENERAL ADMINISTRATION
(Capitol Campus Design Advisory Committee)**

[Memorandum—May 25, 2006]

This is to announce a capitol campus design advisory committee (CCDAC) special meeting for June 1st, a workshop on June 21st, and a special meeting on July 25th.

The CCDAC meetings will all be held in the John L. O'Brien Building, House Hearing Room C from 10:00 a.m. to 12:00 p.m. in Olympia, Washington.

The primary purpose of this June 1st CCDAC special meeting is to endorse the master plan, and get it ready to forward onto the SCC for approval.

If you have any questions, please contact Jennifer Cox at (360) 902-0975.

WSR 06-12-022

**NOTICE OF PUBLIC MEETINGS
DEPARTMENT OF LICENSING
(Driver Training School Program Advisory Committee)**

[Memorandum—May 26, 2006]

Department of Licensing
Driver Training School Program
Advisory Committee Meeting
Thursday, June 22, 2006
9:00 a.m. to 3:00 p.m.
Department of Natural Resources Building

Olympia, WA 98504-7000
(360) 902-0110

WSR 06-12-023

**NOTICE OF PUBLIC MEETINGS
CONVENTION AND TRADE
CENTER**

[Memorandum—May 25, 2006]

The board of directors of the Washington state convention and trade center made a change to the date for the September 2006 board meeting as noted below.

Board Planning Retreat

June 23, 2006 (Friday)
8:30 a.m. - 5:00 p.m.
to be held at the Washington State
Convention and Trade Center

Agenda will include strategic planning sessions for fiscal year 2006-2007. The board anticipates taking action at this meeting to approve the fiscal year 2006-2007 corporate goals and marketing plan.

Regular Board Meetings

to be held at the Washington State
Convention and Trade Center

July 18, 2006

**September 26, 2006 (was September 19, 2006 -
start time remains 2:00 p.m.)**

November 21, 2006

January 16, 2007

March 20, 2007

May 15, 2007

July 17, 2007

September 18, 2007

November 20, 2007

With the exception of the planning retreat and September 2006, all meetings are scheduled bimonthly for the third Tuesday of the month and with a start time of 2:00 p.m. Meeting rooms are not noted because the location may be changed on short notice, as event needs dictate.

WSR 06-12-037

**NOTICE OF PUBLIC MEETINGS
EXECUTIVE ETHICS BOARD**

[Memorandum—May 30, 2006]

This is to notify all interested persons that the executive ethics board's regular meeting, scheduled for June 9, 2006, has been cancelled.

If you have any questions, please contact executive ethics board staff at (360) 664-0871.

WSR 06-12-038

**RULES COORDINATOR
ATTORNEY GENERAL'S OFFICE**

[Filed May 31, 2006, 4:30 p.m.]

This letter is to request a change in the designated rules coordinator for the attorney general's office. Sue Bellevue is our current designee, but we would like to appoint a new rules coordinator as follows: Shelley Rohr, Attorney General's Office, P.O. Box 40100, Olympia, WA 98504-0100, e-mail shelleyr@atg.wa.gov, phone (360) 586-0363, fax (360) 586-0228.

Greg Lane
Acting Chief of Staff

WSR 06-12-046

**NOTICE OF PUBLIC MEETINGS
SHORELINE COMMUNITY COLLEGE**

[Memorandum—May 30, 2006]

In compliance with the Open Public Meetings Act, this letter is to notify the code reviser's office that the board of trustees of Shoreline Community College will hold a special meeting on Thursday, June 1, 2006, from 4:00 p.m. to 6:00 p.m. for the purpose of conducting the presidential search process. The meeting will take place in the Building 1000 Central Conference Room.

Michele Foley will continue to notify the code reviser's office when additional meetings are scheduled. Please call (206) 546-4552 or e-mail mfoley@shoreline.edu if you have further information.

WSR 06-12-047

**NOTICE OF PUBLIC MEETINGS
BELLINGHAM TECHNICAL COLLEGE**

[Memorandum—June 1, 2006]

The regularly scheduled meeting of the board of trustees of Bellingham Technical College will be held on Thursday, June 15, 2006, 9:00 - 11:00 a.m., in the College Services Board Room on the Bellingham Technical College campus. Call 752-8334 for information.

WSR 06-12-053

**RULES COORDINATOR
JAIL INDUSTRIES BOARD**

[Filed June 2, 2006, 10:02 a.m.]

The designee for the rules coordinator on behalf of the jail industries board is Dean Mason, Executive Director, 3060 Willamette Drive N.E., Lacey, WA 98516, e-mail dmaison@cjtc.state.wa.us, phone (360) 486-2432, fax (360) 486-2381, cell (360) 480-8128.

If you have any further questions or require additional information, please contact executive assistant Christina Cruz at (360) 486-2380.

INTERPRETIVE OR POLICY STATEMENT
DEPARTMENT OF
SOCIAL AND HEALTH SERVICES

[Filed June 6, 2006, 4:18 p.m.]

DESCRIPTION OF INTERPRETIVE OR POLICY STATEMENT

Document Title: PCM 06-006: WAC Changes Regarding Arrears Payments on Administrative Support Orders.

Subject: WAC changes regarding arrears payments on administrative support orders.

Effective Date: May 19, 2006.

Document Description: This notice explains to the division of child support (DCS) staff that DCS has adopted new rules which change the way we deal with back support debts. Effective May 11, 2006, DCS staff will set arrears payments when the administrative law judge in a support establishment hearing establishes a back support debt.

To receive a copy of the interpretive or policy statement, contact Fran Ferry, Division of Child Support, P.O. Box 11520, Tacoma, WA 98411-5520, phone (360) 664-5322, TDD (360) 753-9122, fax (360) 586-3274, e-mail FFerry@dshs.wa.gov.

DEPARTMENT OF ECOLOGY

[Filed June 7, 2006, 8:25 a.m.]

PUBLIC NOTICE
Issuance of the Concentrated Animal
Feeding Operation (CAFO) General Permit

The department of ecology (ecology) has completed work on a general permit to cover concentrated animal feeding operations (CAFO). The old dairy general permit expired in March 2005. Ecology has revised the original draft permit to reflect changes from public comments provided during two comment periods and a federal court decision issued on February 12, 2005. Ecology is to issue a final permit on June 20, 2006. The title of the permit is "Concentrated Animal Feeding Operations (CAFO) National Pollutant Discharge Elimination System (NPDES) and State Waste Discharge General Permit."

Purpose of the General Permit: The general permit covers discharges of wastewater from CAFOs to waters of Washington state. Under federal and state water quality law (federal Clean Water Act and state Water Pollution Control Act), a permit is required for the discharge of wastewater. The permit addresses these legal requirements and controls the discharge of pollutants to protect surface water and ground water quality in Washington state.

A general permit is used instead of a series of individual permits when the permitted facilities are similar. Individual facilities that receive coverage under the general permit are required to comply with the terms and conditions of the permit.

Requesting Copies of the Permit: You can request copies of the permit and fact sheet by contacting Kevin Hancock, Department of Ecology, P.O. Box 47600, Olympia, WA 98504-7600, phone (360) 407-6283, fax (360) 407-6426, e-mail khan461@ecy.wa.gov.

The permit and fact sheet are also available online at www.ecy.wa.gov/programs/wq/permits/cafo.

Who would be covered by the permit? The permit covers all CAFOs who discharge or propose to discharge to waters of the state. The permit also covers any animal feeding operations (AFOs) who decide to get a permit. There are three types of CAFOs: Large CAFOs, medium CAFOs, and designated CAFOs.

Animal Feeding Operations (AFOs): Any AFO can choose to get a permit. A lot or facility is defined as an AFO if it meets these two conditions:

1. It has animals (other than aquatic animals) that have been, are, or will be stabled or confined and fed or maintained

for a total of forty-five days or more in any twelve-month period.

2. Crops, vegetation, forage growth, or post-harvest residues are not sustained in the normal growing season over any portion of the lot or facility where animals are confined.

Large CAFOs: Large CAFOs who discharge or propose to discharge to waters of the state must get a permit. A lot or facility is defined as a large CAFO if it meets the following two conditions:

1. It is an AFO.

and

2. It stables or confines as many as or more than the number of animals specified in any of the following categories:

(i) 700 mature dairy cows, whether milked or dry;

(ii) 1,000 veal calves;

(iii) 1,000 cattle other than mature dairy cows or veal calves. Cattle includes but is not limited to heifers, steers, bulls and cow/calf pairs;

(iv) 2,500 swine each weighing fifty-five pounds or more;

(v) 10,000 swine each weighing less than fifty-five pounds;

(vi) 500 horses;

(vii) 10,000 sheep or lambs;

(viii) 55,000 turkeys;

(ix) 30,000 laying hens or broilers, if the operation uses a liquid manure handling system;

(x) 125,000 chickens (other than laying hens), if the operation uses other than a liquid manure handling system;

(xi) 82,000 laying hens, if the operation uses other than a liquid manure handling system;

(xii) 30,000 ducks (if the operation uses other than a liquid manure handling system); or

(xiii) 5,000 ducks (if the operation uses a liquid manure handling system).

Medium CAFOs: A lot or facility is defined as a medium CAFO if it is an AFO (see above) **and** also meets the following conditions:

1. It stables or confines the number of animals that falls within any of the following ranges:

(i) 200 to 699 mature dairy cows, whether milked or dry;

(ii) 300 to 999 veal calves;

(iii) 300 to 999 cattle other than mature dairy cows or veal calves. Cattle includes but is not limited to heifers, steers, bulls and cow/calf pairs;

(iv) 750 to 2,499 swine each weighing fifty-five pounds or more;

(v) 3,000 to 9,999 swine each weighing less than fifty-five pounds;

(vi) 150 to 499 horses;

(vii) 3,000 to 9,999 sheep or lambs;

(viii) 16,500 to 54,999 turkeys;

(ix) 9,000 to 29,999 laying hens or broilers, if the operation uses a liquid manure handling system;

(x) 37,500 to 124,999 chickens (other than laying hens), if the operation uses other than a liquid manure handling system;

(xi) 25,000 to 81,999 laying hens, if the operation uses other than a liquid manure handling system;

- (xii) 10,000 to 29,999 ducks (if the operation uses other than a liquid manure handling system); or
- (xiii) 1,500 to 4,999 ducks (if the operation uses a liquid manure handling system);

and

2. Either one of the following conditions are met:

- (i) Pollutants are discharged into waters of the state through a man-made ditch or other similar man-made device; or
- (ii) Pollutants are discharged directly into waters of the state which originate outside of and pass over, across, or through the facility or otherwise come into direct contact with the animals confined in the operation.

Designated CAFOs: Any AFO facility or lot smaller than a large CAFO can be designated as a CAFO by the department if:

1. Either one of the following conditions are met:

- (i) Pollutants are discharged into waters of the state through a man-made ditch or other similar man-made device; or
- (ii) Pollutants are discharged directly into waters of the state which originate outside of and pass over, across, or through the facility or otherwise come into direct contact with the animals confined in the operation;

and

2. It is determined to be a significant contributor of pollutants to waters of the state. A "significant contributor of pollution" includes, but is not limited to, a facility directly discharging pollutants that causes or contributes to a violation of state surface water quality standards (chapter 173-201A WAC), state ground water quality standards, (chapter 173-200 WAC), or chapter 90.48 RCW, (water pollution control).

If you have special accommodation needs or require a copy of the permit and fact sheet in an alternative format, please contact Kevin Hancock at (360) 407-6283. If you are a person with a speech or hearing impairment, call 711 or 800-833-6388 for TTY.

department of ecology had made a preliminary determination to issue only a state waste discharge general permit. After receiving feedback from stakeholders, we are now planning to issue a combination national pollutant discharge elimination system (NPDES) and state waste discharge general permit.

We expect to complete the draft version of the permit and release it for public comment by October 2006. The proposed timeline for drafting the permit is:

October 2006	Public notice of draft permit
November 2006	Public hearings and end of the public comment period
January 2007	Issue final permit

We have formed an advisory group to assist in the development of the permit. If you are interested in participating, contact Andrew Kolosseus at (360) 407-7543.

The department of ecology will keep a mailing list to inform the public of significant stages in the development of the permit, including notices of the draft permit, public hearings, and issuance of the permit. Information will also be posted on the department of ecology's web page at <http://www.ecy.wa.gov/programs/wq/pesticides/index.html>.

To join the mailing list, to comment on the appropriateness of general permits instead of individual permits, or to provide information on potential dischargers, please contact Andrew Kolosseus, Washington State Department of Ecology, Water Quality Program, P.O. Box 47600, Olympia, WA 98504-7600, (360) 407-7543.

WSR 06-12-123

DEPARTMENT OF ECOLOGY

[Filed June 7, 2006, 10:33 a.m.]

Department of Ecology to Develop a General Permit for Aquatic Weed Control in Irrigation Systems

The Washington state department of ecology has made a preliminary determination to reissue a general permit for irrigation systems. The permit would cover entities that use pesticides to control aquatic weeds in irrigation systems. A final permit is expected in January 2007. The department of ecology originally issued a general permit in 2002 that will expire in May 2007.

The permit provides coverage for irrigation districts and irrigation water suppliers who apply aquatic herbicides in irrigation canals or ditches. Currently, sixteen irrigation districts and irrigation water suppliers are covered by the permit.

On November 15, 2005, the department of ecology filed a state register notice (WSR 05-23-068). In that notice, the
