RCW 17.28.010 Definitions. When used in this chapter, the following terms, words or phrases shall have the following meaning:

- (1) "District" means any mosquito control district formed pursuant to this chapter.
- (2) "Board" or "district board" means the board of trustees governing the district.
- (3) "County commissioners" means the governing body of the county.
- (4) "Unit" means all unincorporated territory in a proposed district in one county, regarded as an entity, or each city in a proposed district, likewise regarded as an entity.
- (5) "Territory" means any city or county or portion of either or both city or county having a population of not less than one hundred persons.
- (6) "Person" means any individual, firm, partnership, corporation, company, association, or joint stock association, and the legal successor thereof. [1957 c 153 § 1.]

RCW 17.28.020 Districts may be organized in counties—Petition, presentment, signatures. Any number of units of a territory within the state of Washington in Adams, Benton, Franklin, Grant, Kittitas, Walla Walla and Yakima counties or any other county may be organized as a mosquito control district under the provisions of this chapter.

A petition to form a district may consist of any number of separate instruments which shall be presented at a regular meeting of the county commissioners of the county in which the greater area of the proposed district is located. Petitions shall be signed by registered voters of each unit of the proposed district, equal in number to not less than ten percent of the votes cast in each unit

respectively for the office of governor at the last gubernatorial election prior to the time of presenting the petition. [1969 c 96 § 1; 1957 c 153 § 2.]

RCW 17.28.030 Petition method—Description of boundaries—Verification of signatures—Resolution to include city. Before a city can be included as a part of the proposed district its governing body shall have requested that the city be included by resolution, duly authenticated.

The petition shall set forth and describe the boundaries of the proposed district and it shall request that it be organized as a mosquito control district. Upon receipt of such a petition, the auditor of the county in which the greater area of the proposed district is located shall be charged with the responsibility of examining the same and certifying to the sufficiency of the signatures thereon. For the purpose of examining the signatures on such petitions, the auditor shall be permitted access to the voters' registration books of each city and county located in the proposed district and may appoint the respective county auditors and city clerks thereof as his or her deputies. No person may withdraw his or her name from a petition after it has been filed with the auditor. Within thirty days following the receipt of such petition, the auditor shall transmit the same to the board of commissioners of the county in which the greater area of the proposed district is located, together with his or her certificate as to the sufficiency thereof. [2011 c 336 § 462; 1957 c 153 § 3.]

RCW 17.28.040 Petition method—Publication of petition and notice of meeting. Upon receipt of a duly certified petition, the board of commissioners shall cause the text of the petition to be published once a week for at least three consecutive weeks in one or more newspapers of general circulation within the county where the petition is presented and at each city a portion of which is included in the proposed district. If any portion of the proposed district lies in another county, the petition and notice shall be likewise published in that county.

Only one copy of the petition need be published even though the district embraces more than one unit. No more than five of the names attached to the petition need appear in the publication of the petition and notice, but the number of signers shall be stated.

With the publication of the petition there shall be published a notice of the time of the meeting of the county commissioners when the petition will be considered, stating that all persons interested may appear and be heard. [1957 c 153 § 4.]

RCW 17.28.050 Resolution method. Such districts may also be organized upon the adoption by the county commissioners of a resolution of intention so to do, in lieu of the procedure hereinbefore provided for the presentation of petitions. In the event the county commissioners adopt a resolution of intention, such resolution shall describe the boundaries of the proposed district and shall set a time and place at which they will consider the organization of the district, and shall state that all persons

interested may appear and be heard. Such resolution of intention shall be published in the same manner and for the same length of time as a petition. [1957 c 153 § 5.]

RCW 17.28.060 Hearing—Defective petition—Establishment of boundaries. At the time stated in the notice of the filing of the petition or the time mentioned in the resolution of intention, the county commissioners shall consider the organization of the district and hear those appearing and all protests and objections to it. The commissioners may adjourn the hearing from time to time, not exceeding two months in all.

No defect in the contents of the petition or in the title to or form of the notice or signatures, or lack of signatures thereto, shall vitiate any proceedings if the petition has a sufficient number of qualified signatures.

On the final hearing the county commissioners shall make such changes in the proposed boundaries as are advisable, and shall define and establish the boundaries. [1957 c 153 § 6.]

RCW 17.28.070 Procedure to include other territory. If the county commissioners deem it proper to include any territory not proposed for inclusion within the proposed boundaries, they shall first cause notice of intention to do so to be mailed to each owner of land in the territory whose name appears as owner on the last completed assessment roll of the county in which the territory lies, addressed to the owner at his or her address given on the assessment roll, or if no address is given, to his or her last known address; or if it is not known, at the county seat of the county in which his or her land lies. The notice shall describe the territory and shall fix a time, not less than two weeks from the date of mailing, when all persons interested may appear before the county commissioners and be heard.

The boundaries of a district lying in a city shall not be altered unless the governing board of the city, by resolution, consents to the alteration. [2011 c 336 § 463; 1957 c 153 § 7.]

RCW 17.28.080 Determination of public necessity and compliance with chapter. Upon the hearing of the petition the county commissioners shall determine whether the public necessity or welfare of the proposed territory and of its inhabitants requires the formation of the district, and shall also determine whether the petition complies with the provisions of this chapter, and for that purpose shall hear all competent and relevant testimony offered. [1957 c 153 § 8.]

RCW 17.28.090 Declaration establishing and naming district—Election to form district—Establishment of district. If, from the testimony given before the county commissioners, it appears to that board that the public necessity or welfare requires the formation of the district, it shall, by an order entered on its minutes, declare that to be its finding, and shall further declare and order that the territory within the boundaries so fixed and determined be organized

as a district, under an appropriate name to be selected by the county commissioners, subject to approval of the voters of the district as hereinafter provided. The name shall contain the words "mosquito control district."

At the time of the declaration establishing and naming the district, the county commissioners shall by resolution call a special election to be held not less than thirty days and not more than sixty days from the date thereof, and shall cause to be published a notice of such election at least once a week for three consecutive weeks in a newspaper of general circulation in the county, setting forth the hours during which the polls will be open, the boundaries of the proposed district as finally adopted, and the object of the election. If any portion of the proposed district lies in another county, a notice of such election shall likewise be published in that county.

The election on the formation of the mosquito control district shall be conducted by the auditor of the county in which the greater area of the proposed district is located in accordance with the general election laws of the state and the results thereof shall be canvassed by that county's canvassing board. For the purpose of conducting an election under this section, the auditor of the county in which the greater area of the proposed district is located may appoint the auditor of any county or the city clerk of any city lying wholly or partially within the proposed district as his or her deputies. No person shall be entitled to vote at such election unless he or she is a qualified voter under the laws of the state in effect at the time of such election and has resided within the mosquito control district for at least thirty days preceding the date of the election. The ballot proposition shall be in substantially the following form:

"Shall a mosquito control district be established for the area described in a resolution of the board of commissioners of county adopted on the day of, (year)....?"

YES
NO

If a majority of the persons voting on the proposition shall vote in favor thereof, the mosquito control district shall thereupon be established and the county commissioners of the county in which the greater area of the district is situated shall immediately file for record in the office of the county auditor of each county in which any portion of the land embraced in the district is situated, and shall also forward to the county commissioners of each of the other counties, if any, in which any portion of the district is situated, and also shall file with the secretary of state, a certified copy of the order of the county commissioners. From and after the date of the filing of the certified copy with the secretary of state, the district named therein is organized as a district, with all the rights, privileges, and powers set forth in this chapter, or necessarily incident thereto.

If a majority of the persons voting on the proposition shall vote in favor thereof, all expenses of the election shall be paid by the mosquito control district when organized. If the proposition fails to receive a majority of votes in favor, the expenses of the election shall be borne by the respective counties in which the district is

located in proportion to the number of votes cast in said counties.
[2016 c 202 § 20; 2011 c 336 § 464; 1957 c 153 § 9.]

RCW 17.28.100 Election on proposition to levy tax. At the same election there shall be submitted to the voters residing within the district, for their approval or rejection, a proposition authorizing the mosquito control district, if formed, to levy at the earliest time permitted by law on all taxable property located within the mosquito control district a general tax, for one year, of up to twenty-five cents per thousand dollars of assessed value in excess of any constitutional or statutory limitation for authorized purposes of the mosquito control district. The proposition shall be expressed on the ballots in substantially the following form:

"ONE YEARCENTS PER THOUSAND
DOLLARS OF ASSESSED VALUE LEVY

Shall the mosquito control district, if formed, levy a general tax of cents per thousand dollars of assessed value for one year upon all the taxable property within said district in excess of the constitutional and/or statutory tax limits for authorized purposes of the district?

YES
NO

Such proposition to be effective must be approved by a majority of at least three-fifths of the persons voting on the proposition to levy such tax in the manner set forth in Article VII, section 2(a) of the Constitution of this state, as amended by Amendment 59 and as thereafter amended. [1982 c 217 § 1; 1973 1st ex.s. c 195 § 2; 1957 c 153 § 10.]

(3) If the district is situated in two or more counties and is comprised wholly of incorporated territory, one member shall be appointed from each commissioner district of each county or portion of

a county situated in the district by the county commissioners; but if the district board created consists of less than five members, the county commissioners of the county in which the greater area of the district is situated shall appoint from the district at large enough additional members to make a board of five members.

(4) If the district is situated in two or more counties and consists of both incorporated and unincorporated territory, one member shall be appointed by the county commissioners of each of the counties from that portion of the district lying within each commissioner district within its jurisdiction; and one member from each city, a portion of which is situated in the district by the governing body of the city; but if the board created consists of less than five members, the county commissioners in which the greater area of the district is situated shall appoint from the district at large enough additional members to make a board of five members. [1959 c 64 § 1; 1957 c 153 § 11.]

RCW 17.28.120 Board of trustees—Name of board—Qualification of members. The district board shall be called "The board of trustees of mosquito control district."

Each member of the board appointed by the governing body of a city shall be an elector of the city from which he or she is appointed and a resident of that portion of the city which is in the district.

(1) If the total membership is an even number, the terms of one-half the members will expire at the end of one year, and the terms of the remainder at the end of two years, from the second day of the calendar year next succeeding their appointment.

(2) If the total membership is an odd number, the terms of a bare majority of the members will expire at the end of one year, and the terms of the remainder at the end of two years, from the second day of the calendar year next succeeding their appointment.

The term of each subsequent member is two years from and after the expiration of the term of his or her predecessor.

(1) Take all necessary or proper steps for the extermination of mosquitoes.

(2) Subject to the paramount control of the county or city in which they exist, abate as nuisances all stagnant pools of water and other breeding places for mosquitoes.

(3) If necessary or proper, in the furtherance of the objects of this chapter, build, construct, repair, and maintain necessary dikes, levees, cuts, canals, or ditches upon any land, and acquire by purchase, condemnation, or by other lawful means, in the name of the district, any lands, rights-of-way, easements, property, or material necessary for any of those purposes.

(4) Make contracts to indemnify or compensate any owner of land or other property for any injury or damage necessarily caused by the use or taking of property for dikes, levees, cuts, canals, or ditches.

(5) (a) Enter upon without hindrance any lands within the district and adjacent thereto for the purpose of inspection to ascertain whether breeding places of mosquitoes exist upon such lands; or to abate public nuisances in accordance with this chapter; or to ascertain if notices to abate the breeding of mosquitoes upon such lands have been complied with; or to treat using integrated pest management, as defined in RCW 17.15.010, methods in places where mosquitoes are found or are likely to exist upon such lands.

(b) For land adjacent to land within the district, a district must give prior written notice to the property owner of the district's intent to enter upon the land for the purposes specified in (a) of this subsection.

(6) Sell or lease any land, rights-of-way, easements, property or material acquired by the district.

(7) Issue warrants payable at the time stated therein to evidence the obligation to repay money borrowed or any other obligation incurred by the district, warrants so issued to draw interest at a rate fixed by the board payable annually or semiannually as the board may prescribe.

(8) Make contracts with the United States, or any state, municipality, or any department of those entities for carrying out the general purpose for which the district is formed.

(9) Acquire by gift, devise, bequest, lease, or purchase, real and personal property necessary or convenient for its purposes.

(10) Make contracts, employ engineers, health officers, sanitarians, physicians, laboratory personnel, attorneys, and other technical or professional assistants; and publish information or literature and do any and all other things necessary or incident to the powers granted by, and to carry out the projects specified in this chapter.

(11) Subject to management considerations identified during consultation with the landowner, cut or remove shrubbery or undergrowth as necessary or proper in order to carry out this chapter. [2013 c 208 § 1; 1981 c 156 § 1; 1957 c 153 § 16.]

RCW 17.28.170 Mosquito breeding places declared public nuisance—Abatement. Any breeding place for mosquitoes which exists by reason of any use made of the land on which it is found or of any artificial change in its natural condition is a public nuisance: PROVIDED, That conditions or usage of land which are beyond the control of the landowner or are not contrary to normal, accepted practices of water usage in the district, shall not be considered a public nuisance.

The nuisance may be abated in any action or proceeding, or by any remedy provided by law. [1959 c 64 § 2; 1957 c 153 § 17.]

RCW 17.28.175 Control of mosquitoes—Declaration that owner is responsible. A board established pursuant to RCW 17.28.110 may adopt, by resolution, a policy declaring that the control of mosquitoes within the district is the responsibility of the owner of the land from which the mosquitoes originate. To protect the public health or welfare, the board may, in accordance with policies and standards established by the board following a public hearing, adopt a regulation requiring owners of land within the district to perform such acts as may be necessary to control mosquitoes. [1990 c 300 § 2.]

RCW 17.28.185 Control of mosquitoes—Noncompliance by landowner with regulations. (1) Whenever the board finds that the owner has not taken prompt and sufficient action to comply with regulations adopted pursuant to RCW 17.28.175 to control mosquitoes originating from the owner's land, the board shall notify the owner that a violation of this chapter exists. The notice shall be in writing and sent by certified mail, or served by personal service. The notice shall provide a reasonable time period for action to be taken to control mosquitoes. If the board deems that a public nuisance or threat to public health or welfare caused by the mosquito infestation is sufficiently severe, it may require immediate control action to be taken within forty-eight hours following the time that notification is reasonably expected to have been received by the owner or agent by certified mail or personal service.

(2) If the owner does not take sufficient action to control mosquitoes in accordance with the notice, the board may control them,

or cause their being controlled, at the expense of the owner. The amount of such expense shall constitute a lien against the property and may be enforced by proceedings on such lien. The owner shall be liable for payment of the expenses, and nothing in this chapter shall be construed to prevent collection of any judgment on account thereof by any means available pursuant to law, in substitution for enforcement of the lien. Necessary costs and expenses, including reasonable attorneys' fees, incurred by the board in carrying out this section, may be recovered at the same time, as a part of the action filed under this section. The venue in proceedings for reimbursement of expenses brought pursuant to this section, including those involving governmental entities, shall be the county in which the real property that is the subject of the action is situated. [1990 c 300 § 3.]

RCW 17.28.250 Interference with entry or work of district—
Penalty. Any person who obstructs, hinders, or interferes with the entry upon any land within the district of any officer or employee of the district in the performance of his or her duty, and any person who obstructs, interferes with, molests, or damages any work performed by the district, is guilty of a misdemeanor. [2011 c 336 § 467; 1957 c 153 § 25.]

RCW 17.28.251 Borrowing money or issuing warrants in anticipation of revenue. A mosquito control district may, prior to the receipt of taxes raised by levy, borrow money or issue warrants of the district in anticipation of revenue, and such warrants shall be redeemed from the first money available from such taxes. [1959 c 64 § 3.]

RCW 17.28.252 Excess levy authorized. A mosquito control district shall have the power to levy additional taxes in excess of the constitutional and/or statutory limitations for any of the authorized purposes of such district, not in excess of fifty cents per thousand dollars of assessed value per year when authorized so to do by the electors of such district by a three-fifths majority of those voting on the proposition in the manner set forth in Article VII, section 2(a) of the Constitution of this state, as amended by Amendment 59 and as thereafter amended at such time as may be fixed by the board of trustees for the district, which special election may be called by the board of trustees of the district, at which special election the proposition of authorizing such excess levy shall be submitted in such form as to enable the voters favoring the proposition to vote "Yes" and those opposing thereto to vote "No". Nothing herein shall be construed to prevent holding the foregoing special election at the same time as that fixed for a general election. [1973 1st ex.s. c 195 § 3; 1959 c 64 § 4.]

Severability—Effective dates and termination dates—Construction
—1973 1st ex.s. c 195: See notes following RCW 84.52.043.

[1959 c 64 § 5.]

RCW 17.28.254 Abatement, extermination declared necessity and benefit to land. It is hereby declared that whenever the public necessity or welfare has required the formation of a mosquito control district, the abatement or extermination of mosquitoes within the district is of direct, economic benefit to the land located within such district and is necessary for the protection of the public health, safety and welfare of those residing therein. [1959 c 64 § 6.]

RCW 17.28.255 Classification of property—Assessments. The board of trustees shall annually determine the amount of money necessary to carry on the operations of the district and shall classify the property therein in proportion to the benefits to be derived from the operations of the district and in accordance with such classification shall apportion and assess the several lots, blocks, tracts, and parcels of land or other property within the district, which assessment shall be collected with the general taxes of the county or counties. A mosquito control district must use the assessed value applicable to forestland, farm and agricultural land, or open space land, under chapter 84.33 or 84.34 RCW, when the land has been designated as such and the assessed value is used as a component in determining the district assessment. If a district uses a fractional amount of assessed value as a component in determining the district assessment, then a fractional amount of the value applicable to forestland, farm and agricultural land, or open space land, under chapter 84.33 or 84.34 RCW, shall be used. [2005 c 181 § 2; 1959 c 64 § 7.]

RCW 17.28.256 Assessments—Roll, hearings, notices, objections, appeal, etc. The board of trustees in assessing the property within the district and the rights, duties and liabilities of property owners therein shall be governed, insofar as is consistent with this chapter, by the provisions for county road improvement districts as set forth in RCW 36.88.090 through 36.88.110. [1959 c 64 § 8.]

[2020 c 54 § 1; 1959 c 64 § 9.]

RCW 17.28.258 County treasurer—Duties. The county treasurer shall collect all mosquito control district assessments, and the duties and responsibilities herein imposed upon him or her shall be among the duties and responsibilities of his or her office for which his or her bond is given as county treasurer. The collection and disposition of revenue from such assessments and the depository thereof shall be the same as for tax revenues of such districts as provided in RCW 17.28.270. [2011 c 336 § 468; 1959 c 64 § 10.]

RCW 17.28.260 General obligation bonds—Excess property tax levies. A mosquito control district shall have the power to issue general obligation bonds and to pledge the full faith and credit of the district to the payment thereof, for authorized capital purposes of the mosquito control district, and to provide for the retirement thereof by excess property tax levies whenever a proposition authorizing both the issuance of such bonds and the imposition of such excess levies has been approved by the voters of the district, at an election held pursuant to RCW 39.36.050, by three-fifths of the persons voting on said proposition at said election at which such election the total number of persons voting on such bond proposition shall constitute not less than forty percent of the total number of votes cast within the area of said mosquito control district at the last preceding county or state general election. Mosquito control districts may become indebted for capital purposes up to an amount equal to one and one-fourth percent of the value of the taxable property in the district, as the term "value of the taxable property" is defined in RCW 39.36.015.
