RCW 43.99Y.010 General obligation bonds for capital and operating appropriations acts. For the purpose of providing funds to finance the projects described and authorized by the legislature in the capital and operating appropriations acts for the 2011-2013 and 2013-2015 fiscal biennia, and all costs incidental thereto, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of two billion thirty-six million dollars, or as much thereof as may be required, to finance these projects and all costs incidental thereto. Bonds authorized in this section may be sold at such price as the state finance committee shall determine. No bonds authorized in this section may be offered for sale without prior legislative appropriation of the net proceeds of the sale of the bonds. [2013 2nd sp.s. c 20 § 1.]

RCW 43.99Y.020 Conditions and limitations. (1) The proceeds from the sale of bonds authorized in RCW 43.99Y.010 shall be deposited in the state building construction account created by RCW 43.83.020. The proceeds shall be transferred as follows:

(a) One billion six hundred seventy million six hundred eighty-five thousand dollars to remain in the state building construction account created by RCW 43.83.020;

(b) Twenty-five million five hundred thousand dollars to the outdoor recreation account created by RCW 79A.25.060;

(c) Twenty-five million five hundred thousand dollars to the habitat conservation account created by RCW 79A.15.020;

(d) Eight million five hundred thousand dollars to the riparian protection account created by RCW 79A.15.120;

(e) Five million five hundred thousand dollars to the farmlands preservation account created by *RCW 79A.15.130;

(f) Two hundred seventy-nine million five hundred thousand dollars to the state taxable building construction account. All receipts from taxable bond issues are to be deposited into the account. If the state finance committee deems it necessary or advantageous to issue more than the amount specified in this subsection (1)(f) as taxable bonds in order to comply with federal internal revenue service rules and regulations pertaining to the use of nontaxable bond proceeds or in order to reduce the total financing costs for bonds issued, the proceeds of such additional taxable bonds shall be transferred to the state taxable building construction account in lieu of any transfer otherwise provided by this section. If

the state finance committee determines that a portion of the amount specified in this subsection (1)(f) as taxable bonds may be issued as nontaxable bonds in compliance with federal internal revenue service rules and regulations pertaining to the use of nontaxable bond proceeds, then such bond proceeds shall be transferred to the state building construction account in lieu of the transfer to the state taxable building construction account otherwise provided by this subsection (1)(f). The state treasurer shall submit written notice to the director of financial management if it is determined that any such additional transfer to the state taxable building construction account is necessary. Moneys in the account may be spent only after appropriation.

(2) These proceeds shall be used exclusively for the purposes specified in this section and for the payment of expenses incurred in the issuance and sale of the bonds issued for the purposes of this section, and shall be administered by the office of financial management subject to legislative appropriation. [2013 2nd sp.s. c 20 § 2.]
