To achieve these ends the legislature does hereby adopt this 1965 amendatory act relating to driver licensing modeled after the Uniform Vehicle Code subject to such variances as are deemed better suited to the people of this state. It is intended that this 1965 amendatory act be liberally construed to effectuate the purpose of improving the safety of our highways through driver licensing procedures within the framework of

The office of the chief information officer shall develop the appropriate security standards for the department's use of the facial recognition matching system, subject to approval and oversight by the technology services board.

(6) The department shall develop procedures to handle instances in which the facial recognition matching system fails to verify the identity of an applicant for a renewal or duplicate driver's license, permit, or identicard. RCW 46.20.041 Persons with physical or mental disabilities or diseases. (1) If the department has reason to believe that a person is suffering from a physical or mental disability or disease that may affect that person's ability to drive a motor vehicle, the department must evaluate whether the person is able to safely drive a motor vehicle. As part of the evaluation:

(a) The department shall permit the person to demonstrate personally that notwithstanding the disability or disease he or she is able to safely drive a motor vehicle.

(b) The department may require the person to obtain a statement signed by a licensed physician or other proper authority designated by the department certifying the person's condition.

(i) The statement is for the confidential use of the director and the chief of the Washington state patrol and for other public officials designated by law. It is exempt from public inspection and copying notwithstanding chapter 42.56 RCW.

(ii) The statement may not be offered as evidence in any court except when appeal is taken from the order of the director canceling or withholding a person's driving privilege. However, the department may make the statement available to the director of the department of retirement systems for use in determining eligibility for or continuance of disability benefits and it may be offered and admitted as evidence in any administrative proceeding or court action concerning the disability benefits.

(2) On the basis of the evaluation the department may:

(a) Issue or renew a driver's license to the person without restrictions;

(b) Cancel or withhold the driving privilege from the person; or

(c) Issue a restricted driver's license to the person. The restrictions must be suitable to the licensee's driving ability. The restrictions may include:

(i) Special mechanical control devices on the motor vehicle operated by the licensee;

(ii) Limitations on the type of motor vehicle that the licensee may operate; or

(iii) Other restrictions determined by the department to be appropriate to assure the licensee's safe operation of a motor vehicle.

(3) The department may either issue a special restricted license or may set forth the restrictions upon the usual license form.

(4) The department may suspend or revoke a restricted license upon receiving satisfactory evidence of any violation of the restrictions. In that event the licensee is entitled to a driver improvement interview and a hearing as provided by RCW 46.20.322 or 46.20.328.

(5) Operating a motor vehicle in violation of the restrictions imposed in a restricted license is a traffic infraction. [2005 c 274 § 306; 1999 c 274 § 12; 1999 c 6 § 9; 1986 c 176 § 1; 1979 ex.s. c 136 § 54; 1979 c 61 § 2; 1965 ex.s. c 121 § 5.]

Finding—Intent—2021 c 158: "The legislature finds that a driver's license or identicard is a fundamental document that Washingtonians need to live, work, drive, and access essential needs. The COVID-19 pandemic has significantly reduced the department of licensing's ability to provide in-person driver licensing services, resulting in a growing backlog of customers that cannot access the agency's critical services. This act is intended to address that backlog by expanding online renewals, extending driver's license and identicard issuance up to eight years, and providing more online options for instruction permits. The legislature recognizes the critical role of the department of licensing's frontline staff during the pandemic and does not intend that this act will result in staffing reductions at the department of licensing now or in the future. To ensure that a driver's license and identicard remain affordable for Washington residents, the legislature intends for the department of licensing to continue to offer a six-year issuance option. The legislature further recognizes the potential of remote photo capture to enable expanded online renewals while ensuring that customer information remains updated. In implementing remote photo capture, the legislature intends that the department of licensing will prioritize data security and antifraud features as well as closely monitor its usage. The legislature also intends that within a year of initial implementation of remote photo capture, driver's license and identicard photos should be updated with each renewal whenever possible, recognizing that technology limitations and other challenges will prevent some customers from using remote photo capture." The course offered by a school district or an approved private school must be part of a traffic safety education program authorized by the office of the superintendent of public instruction and certified under chapter 28A.220 RCW. The course offered by a driver training school must meet the standards established by the department of licensing under chapter 46.82 RCW. The driver training education course may be provided by:

(i) A secondary school within a school district or approved private school that establishes and maintains an approved and certified traffic safety education program under chapter 28A.220 RCW; or

(ii) A driver training school licensed under chapter 46.82 RCW that is annually approved by the department of licensing.

(b) To meet the traffic safety education requirement for a motorcycle endorsement, the applicant must successfully complete a motorcycle safety education course that meets the standards established by the department of licensing.

(c) The department may waive the driver training education course requirement for a driver's license if the applicant demonstrates to the department's satisfaction that:

(i) He or she was unable to take or complete a driver training education course;

(ii) A need exists for the applicant to operate a motor vehicle; and

(iii) He or she has the ability to operate a motor vehicle in such a manner as not to jeopardize the safety of persons or property.

The department may adopt rules to implement this subsection (2)(c) in concert with the supervisor of the traffic safety education section of the office of the superintendent of public instruction.

(d) The department may waive the driver training education course requirement if the applicant was licensed to drive a motor vehicle or motorcycle outside this state and provides proof that he or she has had education equivalent to that required under this subsection.

(2) An instruction permit must be identified as an "instruction permit" and issued in a distinctive form as determined by the department.

(3) An intermediate license must be identified as an "intermediate license" and issued in a distinctive form as determined by the department. [2000 c 115 § 5; 1987 c 463 § 3.]

RCW 46.20.109 Wheelchair conveyances. Each operator of a wheelchair conveyance shall undergo a special examination conducted for the purpose of determining whether that person can properly and safely operate the conveyance on public roadways within a specified area. An operator's license issued after the special examination may specify the route, area, time, or other restrictions that are necessary to ensure the safety of the operator as well as the general motoring public. The department shall adopt rules for periodic review of the performance of operators of wheelchair conveyances. Operation of a wheelchair conveyance in violation of these rules is a traffic infraction. [1983 c 200 § 3. Formerly RCW 46.20.550.]

If the applicant is under the age of eighteen at the time of application, the department shall notify the applicant that he will be registered with the selective service system as required by federal law. When providing notice under this subsection (3)(b), the department shall provide the applicant with materials containing the following statement:

"By submitting this application, I am consenting to registration with the Selective Service System, if so required by federal law. If under age 18, I understand that I will be registered as required by federal law when I attain age 18."

(4)(a) If an applicant declines to register with the selective service system under subsection (2)(c) of this section, the department may not create a record indicating that the applicant declined to register.

(6) The department may provide selective service system registration information to applicants who choose to decline the opportunity to register with the selective service system if the applicant requests registration information.

(7) The department may adopt rules as necessary to implement this section. [2011 c 350 § 1.]

RCW 46.20.1132 Information for bone marrow donation—Registry—Organizations and third parties may not utilize information obtained for fund-raising or other commercial purposes. (1) The department shall provide each driver's license or identicard applicant with written materials regarding making a donation of bone marrow and being

placed on the bone marrow donor registry at the completion of their licensing transaction.

(2) The department of licensing, in cooperation with the national marrow donor program and other appropriate organizations, shall place signage in each of the licensing service offices that provide background on the written materials that the applicant will receive regarding bone marrow donation. This will include a notice that any information provided by the driver's license or identicard applicant will be used solely for allowing the applicant to obtain information on becoming a possible bone marrow donor and will not be used for commercial or fund-raising purposes.

(3) No organization or third party may utilize the information obtained from this section for fund-raising or other commercial purposes. [2018 c 192 § 2.]

Findings—Intent—2018 c 192: "The legislature finds that every three minutes an American child or adult is diagnosed with a potentially fatal blood disease. The legislature further finds that twenty percent to thirty-four percent of individuals with diverse heritage never find a match. For many of these individuals, bone marrow transplantation is the only chance for survival. The ultimate key to survivability lies in increasing the number of bone marrow donors across all ethnicities, thus increasing the potential for a suitable match. It is the intent of the legislature to increase awareness of the national bone marrow program statewide and to increase the number of Washington residents on the national marrow donor registry in order to increase the chance that all patients in need of bone marrow transplants will find a suitable bone marrow match." RCW 46.20.114 Preventing alteration or reproduction. The department shall prepare and issue drivers' licenses and identicards using processes that prohibit as nearly as possible the alteration or reproduction of such cards, or the superimposing of other photographs on such cards, without ready detection. [1999 c 6 § 17; 1977 ex.s. c 27 § 2.]

Intent—1999 c 6: See note following RCW 46.04.168.

Purpose—1977 ex.s. c 27: "The legislature finds that the falsification of cards and licenses is a serious social problem creating economic hardship and problems which impede the efficient conduct of commerce and government. The legislature is particularly concerned that the increasing use of false drivers' licenses and identicards to purchase liquor, to cash bad checks, and to obtain food stamps and other benefits is causing the loss of liquor licenses, the loss of jobs, the loss of income, and the loss of human life in addition to significant monetary losses in business and government. It is the purpose of RCW 46.20.114 to require an effective means of rendering drivers' licenses and identicards as immune as possible from alteration and counterfeiting in order to promote the public health and safety of the people of this state." [1977 ex.s. c 27 § 1.]

RCW 46.20.117 Identicons. (1) **Issuance.** The department shall issue an identicon, containing a picture, if the applicant:

- (a) Does not hold a valid Washington driver's license;
- (b) Proves the applicant's identity as required by RCW 46.20.035;

and

(c) Pays the required fee. Except as provided in subsection (7) of this section, the fee is seventy-two dollars, unless an applicant is:

(ii) Under the age of twenty-five and does not have a permanent residence address as determined by the department by rule; or

(iii) An individual who is scheduled to be released from an institution as defined in RCW 13.40.020, a community facility as defined in RCW 72.05.020, or other juvenile rehabilitation facility operated by the department of social and health services or the department of children, youth, and families; or an individual who has been released from such an institution or facility within thirty calendar days before the date of the application.

For those persons under (c)(i) through (iii) of this subsection, the fee must be the actual cost of production of the identicon.

(2) (a) **Design and term.** The identicon must:

(i) Be distinctly designed so that it will not be confused with the official driver's license; and

(ii) Except as provided in subsection (7) of this section, expire on the eighth anniversary of the applicant's birthdate after issuance.

(b) The identicon may include the person's status as a veteran, consistent with RCW 46.20.161(4).

(c) If applicable, the identicon may include a medical alert designation as provided in subsection (5) of this section.

(3) **Renewal.** An application for identicon renewal may be submitted by means of:

(a) Personal appearance before the department;

(b) Mail or electronic commerce, if permitted by rule of the department and if the applicant did not renew the identicon by mail or by electronic commerce when it last expired; or

(c) From January 1, 2022, to June 30, 2024, electronic commerce, if permitted by rule of the department.

An identicon may not be renewed by mail or by electronic commerce unless the renewal issued by the department includes a photograph of the identicon holder.

(4) **Cancellation.** The department may cancel an identicon if the holder of the identicon used the card or allowed others to use the card in violation of RCW 46.20.0921.

(5) Any person may apply to the department to obtain a medical alert designation, a developmental disability designation, or a deafness designation on an identicon issued under this chapter by providing:

(a) Self-attestation that the individual:

(i) Has a medical condition that could affect communication or account for a health emergency;

(ii) Is deaf or hard of hearing; or

(iii) Has a developmental disability as defined in RCW 71A.10.020;

(b) A statement from the person that they have voluntarily provided the self-attestation and other information verifying the condition; and

(c) For persons under eighteen years of age or who have a developmental disability, the signature of a parent or legal guardian.

(6) A self-attestation or data contained in a self-attestation provided under this section:

(a) Shall not be disclosed; and

(b) Is for the confidential use of the director, the chief of the Washington state patrol, and law enforcement and emergency medical service providers as designated by law.

(7) **Alternative issuance/renewal/extension.** The department may issue or renew an identicard for a period other than eight years, or may extend by mail or electronic commerce an identicard that has already been issued. The fee for an identicard issued or renewed for a period other than eight years, or that has been extended by mail or electronic commerce, is nine dollars for each year that the identicard is issued, renewed, or extended. The department must offer the option to issue or renew an identicard for six years in addition to the eight year issuance. The department may adopt any rules as are necessary to carry out this subsection.

(8) Identicard photos must be updated in the same manner as driver's license photos under RCW 46.20.120(5). [2021 c 158 § 5. Finding—2020 c 261: "The legislature finds that the health and safety of the traveling public, law enforcement, and emergency medical service providers are enhanced by the voluntary sharing of information about medical conditions, including deafness and developmental disabilities. Licensed drivers and applicants who wish to voluntarily include a medical alert designation on their driver's license may provide law enforcement and emergency medical service providers with the opportunity to know at the point of contact or shortly thereafter that there is a medical condition which could affect communication or account for a driver health emergency. RCW 46.20.118 Negative file. (1) The department shall maintain a negative file. It shall contain negatives of all pictures taken by the department of licensing as authorized by this chapter. Negatives in the file shall not be available for public inspection and copying under chapter 42.56 RCW.

(2) The department may make the file available to official governmental enforcement agencies to assist in the investigation by the agencies of suspected criminal activity or for the purposes of verifying identity when a law enforcement officer is authorized by law to request identification from an individual.

(3) The department shall make the file available to the office of the secretary of state, at the expense of the secretary of state, to assist in maintenance of the statewide voter registration database.

(4) The department may also provide a print to the driver's next of kin in the event the driver is deceased.

(5) The department shall make the file available to the county coroner or medical examiner for the purpose of identifying a deceased person. [2021 c 122 § 8; 2009 c 366 § 1. Prior: 2005 c 274 § 307; 2005 c 246 § 23; 1990 c 250 § 37; 1981 c 22 § 1; 1979 c 158 § 149; 1969 ex.s. c 155 § 5.]

Finding—Intent—2021 c 122: See note following RCW 2.32.050.

Effective date—2005 c 246: See note following RCW 10.64.140.

Purpose—1969 ex.s. c 155: "The identification of the injured or the seriously ill is often difficult. The need for an identification file to facilitate use by proper law enforcement officers has hampered law enforcement. Personal identification for criminal, personal and commercial reasons is becoming most important at a time when it is increasingly difficult to accomplish. The legislature finds that the public health and welfare requires a standard and readily recognizable means of identification of each person living within the state. The legislature further finds that the need for an identification file by law enforcement agencies must be met. The use of photographic drivers' licenses will greatly aid the problem, but some means of identification must be provided for persons who do not possess a driver's license. The purpose of this 1969 amendatory act is to provide for the positive identification of persons, both through an expanded use of drivers' licenses and also through issue of personal identification cards for nondrivers." [1969 ex.s. c 155 § 1.]

RCW 46.20.119 Reasonable rules. The rules and regulations adopted pursuant to RCW 46.20.070 through 46.20.119 shall be reasonable in view of the purposes to be served by RCW 46.20.070 through 46.20.119. [1990 c 250 § 38; 1969 ex.s. c 155 § 6.]

Effective date—Purpose—1969 ex.s. c 155: See notes following RCW 46.20.118.

RCW 46.20.120 Examinations—Waiver—Fees—Renewals—Administration. An applicant for a new or renewed driver's license must successfully pass a driver licensing examination to qualify for a driver's license. The department must ensure that examinations are given at places and times reasonably available to the people of this state. If the department does not administer driver licensing examinations as a routine part of its licensing services within a department region because adequate testing sites are provided by driver training schools or school districts within that region, the department shall, at a minimum, administer driver licensing examinations by appointment to applicants eighteen years of age and older in at least one licensing office within that region.

(1) **Waiver.** The department may waive:

(a) All or any part of the examination of any person applying for the renewal of a driver's license unless the department determines that the applicant is not qualified to hold a driver's license under this title; or

(b) All or any part of the examination involving operating a motor vehicle if the applicant:

(i) Surrenders a valid driver's license issued by the person's previous home state; or

(ii) Provides for verification a valid driver's license issued by a foreign driver licensing jurisdiction with which the department has an informal agreement under RCW 46.20.125; and

(iii) Is otherwise qualified to be licensed.

(2) **Fee.** Each applicant for a new license must pay an examination fee of thirty-five dollars.

(a) The examination fee is in addition to the fee charged for issuance of the license.

(b) "New license" means a license issued to a driver:

(i) Who has not been previously licensed in this state; or

(ii) Whose last previous Washington license has been expired for more than eight years.

(3) An application for driver's license renewal may be submitted by means of:

(a) Personal appearance before the department;

(b) Mail or electronic commerce, if permitted by rule of the department and if the applicant did not renew the license by mail or by electronic commerce when it last expired; or

(c) From January 1, 2022, to June 30, 2024, electronic commerce, if permitted by rule of the department.

(4) A person whose license expired or will expire while the licensee is living outside the state, may:

(a) Apply to the department to extend the validity of the license for no more than twelve months. If the person establishes to the department's satisfaction that the licensee is unable to return to Washington before the date the license expires, the department shall extend the person's license. The department may grant consecutive extensions, but in no event may the cumulative total of extensions exceed twelve months. An extension granted under this section does not change the expiration date of the license for purposes of RCW 46.20.181. The department shall charge a fee of five dollars for each license extension;

(b) Apply to the department to renew the license by mail or, if permitted by rule of the department, by electronic commerce even if subsection (3)(b) of this section would not otherwise allow renewal by that means. If the person establishes to the department's satisfaction that the licensee is unable to return to Washington within twelve months of the date that the license expires, the department shall renew the person's license by mail or, if permitted by rule of the department, by electronic commerce.

(5)(a) If a qualified person submits an application for renewal under subsection (3)(b) or (c) or (4)(b) of this section, the applicant is not required to pass an examination and only needs to provide an updated photograph:

(i) At least every 16 years, except that persons under 30 must provide an updated photograph every eight years; and

(ii) Beginning January 1, 2023, persons renewing through electronic commerce must provide an updated photograph in a form and manner approved by the department with each renewal unless they are unable to provide a photograph that meets the department's requirements and the most recent photograph on file with the department is not more than 10 years old at the time of renewal.

(b) A license renewed by mail or by electronic commerce that does not include a photograph of the licensee must be labeled "not valid for identification purposes."

(6) Driver training schools licensed by the department under chapter 46.82 RCW may administer the portions of the driver licensing examination that test the applicant's knowledge of traffic laws and ability to safely operate a motor vehicle.

(7) School districts that offer a traffic safety education program under chapter 28A.220 RCW may administer the portions of the

driver licensing examination that test the applicant's knowledge of traffic laws and ability to safely operate a motor vehicle. [2021 c 158 § 6; 2012 c 80 § 7; 2011 c 370 § 4. (a) The jurisdiction has procedures in place to verify the validity of the drivers' licenses it issues; and

(b) The jurisdiction has agreed to waive all or any part of the driver's license examination requirements for Washington licensed drivers applying for a driver's license in that jurisdiction. [2005 c 61 § 3.]

Intent—2005 c 61: "The legislature recognizes the importance of global markets to our state and national economy. As a leader among states in international commerce, Washington houses many multinational corporations. Competition among states for foreign businesses and personnel is fierce and it is necessary to Washington's future economic viability to eliminate a significant regulatory barrier to efficient personnel exchange, resulting in a more attractive business climate in Washington. The legislature recognizes that more than twenty other states have entered into informal reciprocal agreements with other nations to waive driver's license testing requirements in order to ease the transition of personnel to and from those states. By removing an unnecessary barrier to efficient personnel mobility it is the intent of the legislature to strengthen and diversify Washington's economy." [2005 c 61 § 1.]

If the department chooses to issue an enhanced driver's license, the department must allow each applicant to choose between a standard driver's license or identicard, or an enhanced driver's license or identicard.

(b) The department shall implement a one-to-many biometric matching system for the enhanced driver's license or identicard. An applicant for an enhanced driver's license or identicard shall submit a biometric identifier as designated by the department. The biometric identifier must be used solely for the purpose of verifying the identity of the holders and for any purpose set out in RCW 46.20.037. Applicants are required to sign a declaration acknowledging their understanding of the one-to-many biometric match.

(c) The enhanced driver's license or identicard must include reasonable security measures to protect the privacy of Washington state residents, including reasonable safeguards to protect against unauthorized disclosure of data about Washington state residents. If the enhanced driver's license or identicard includes a radio frequency identification chip, or similar technology, the department shall ensure that the technology is encrypted or otherwise secure from unauthorized data access.

If the enhanced driver's license or enhanced identicard is issued, renewed, or extended for a period other than eight years, the fee for each class is \$7 for each year that the enhanced driver's license or enhanced identicard is issued, renewed, or extended.

(5) (a) The first \$4 per year of issuance, to a maximum of \$32 of the enhanced driver's license and enhanced identicard fee under this section must be deposited into the highway safety fund unless prior to July 1, 2023, the actions described in (a) (i) or (ii) of this subsection occur, in which case the portion of the revenue that is the result of the fee increased in section 209, chapter 44, Laws of 2015 3rd sp. sess. must be distributed to the connecting Washington account created under RCW 46.68.395.

(ii) Any state agency otherwise enacts, adopts, orders, or in any way implements a fuel standard based upon or defined by the carbon intensity of fuel, including a low carbon fuel standard or clean fuel standard, without explicit legislative authorization enacted subsequent to July 1, 2015.

(b) \$24 of the enhanced driver's license and enhanced identicaid fee under this section must be deposited into the move ahead WA flexible account created in RCW 46.68.520. If the enhanced driver's license or enhanced identicaid is issued, renewed, or extended for a period other than eight years, the amount deposited into the move ahead WA flexible account created in RCW 46.68.520 is \$3 for each year that the enhanced driver's license or enhanced identicaid is issued, renewed, or extended. Intent—2016 c 32: "During the third special legislative session of 2015, the legislature passed Second Engrossed Substitute Senate Bill No. 5987 (chapter 44, Laws of 2015 3rd sp. sess.), a significant transportation revenue bill intended to provide needed transportation funding throughout the state. However, since the enactment of that legislation, certain drafting errors were discovered within the bill resulting in some provisions being enacted contrary to legislative intent. Therefore, it is the intent of the legislature to simply correct manifest drafting errors in order to conform certain provisions with the original legislative intent of Second Engrossed Substitute Senate Bill No. 5987. It is not the intent of the legislature to alter the intended substantive policy enacted in Second Engrossed Substitute Senate Bill No. 5987, but rather to make technical changes that correct certain drafting errors." writing by posting in the United States mail, appropriately addressed, postage prepaid, or by personal service. Notice by mail is given upon deposit in the United States mail. Notice given under this subsection must specify the date upon which the driving privilege is to be withheld which shall not be less than forty-five days after the original notice is given.

(2) For persons subject to suspension, revocation, or denial of a driver's license who are eligible for full credit under RCW 46.61.5055(9)(b)(ii), the notice in subsection (1) of this section must also notify the person of the obligation to complete the requirements under RCW 46.20.311 and pay the probationary license fee under RCW 46.20.355 by the date specified in the notice in order to avoid license suspension.

(3) Within fifteen days after notice has been given to a person under subsection (1) of this section, the person may request in writing an administrative review before the department. If the request is mailed, it must be postmarked within fifteen days after the date the department has given notice. If a person fails to request an administrative review within fifteen days after the date the department gives notice, the person is considered to have defaulted and loses his or her right to an administrative review unless the department finds good cause for a request after the fifteen-day period.

(a) An administrative review under this subsection shall consist solely of an internal review of documents and records submitted or available to the department, unless the person requests an interview before the department, in which case all or any part of the administrative review may, at the discretion of the department, be conducted by telephone or other electronic means.

(b) The only issues to be addressed in the administrative review are:

(c) For the purposes of this section, the notice received from a court or other reporting agency or entity, regardless of form or format, is prima facie evidence that the information from the court or other reporting agency or entity regarding the person is accurate. A person requesting administrative review has the burden of showing by a preponderance of the evidence that the person is not subject to the withholding of the driving privilege.

(d) The action subject to the notification requirements of subsection (1) of this section shall be stayed during the administrative review process.

(e) Judicial review of a department order affirming the action subject to the notification requirements of subsection (1) of this section after an administrative review shall be available in the same manner as provided in RCW 46.20.308(8). The department shall certify its record to the court within thirty days after service upon the department of the petition for judicial review. The action subject to the notification requirements of subsection (1) of this section shall not automatically be stayed during the judicial review. If judicial relief is sought for a stay or other temporary remedy from the department's action, the court shall not grant relief unless the court

finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury.

(4) The department may adopt rules that are considered necessary or convenient by the department for purposes of administering this section, including, but not limited to, rules regarding expedited procedures for issuing orders and expedited notice procedures.

(5) This section does not apply where an opportunity for an informal settlement, driver improvement interview, or formal hearing is otherwise provided by law or rule of the department. [2020 c 330 § 5; 2005 c 288 § 1.]

(b) Upon receipt of a second or subsequent notice, the department shall impose a revocation for two years or until the juvenile reaches eighteen years of age, whichever is longer.

(c) Each offense for which the department receives notice shall result in a separate period of revocation. All periods of revocation imposed under this section that could otherwise overlap shall run consecutively up to the juvenile's twenty-first birthday, and no period of revocation imposed under this section shall begin before the expiration of all other periods of revocation imposed under this section or other law. Periods of revocation imposed consecutively under this section shall not extend beyond the juvenile's twenty-first birthday.

(3)(a) If the department receives notice from a court that the juvenile's privilege to drive should be reinstated, the department shall immediately reinstate any driving privileges that have been revoked under this section if the minimum term of revocation as specified in RCW 13.40.265(3), 66.44.365(3), 69.41.065(3), 69.50.420(3), 69.52.070(3), or similar ordinance has expired, and subject to subsection (2)(c) of this section.

Any blood drawn for the purpose of determining the person's alcohol, cannabis levels, or any drug, is drawn pursuant to this section when the officer has reasonable grounds to believe that the person is in physical control or driving a vehicle under the influence or in violation of RCW 46.61.503.

No temporary license is valid to any greater degree than the license or permit that it replaces; and

(d) Immediately notify the department of the arrest and transmit to the department within seventy-two hours, except as delayed as the result of a blood test, a sworn report or report under a declaration authorized by chapter 5.50 RCW that states:

(7) A person receiving notification under subsection (5)(b) of this section may, within seven days after the notice has been given, request in writing a formal hearing before the department. The person shall pay a fee of three hundred seventy-five dollars as part of the request. If the request is mailed, it must be postmarked within seven days after receipt of the notification. Upon timely receipt of such a

request for a formal hearing, including receipt of the required three hundred seventy-five dollar fee, the department shall afford the person an opportunity for a hearing. The department may waive the required three hundred seventy-five dollar fee if the person is an indigent as defined in RCW 10.101.010. The hearing shall be held within thirty days, excluding Saturdays, Sundays, and legal holidays, following the date of timely receipt of such request for a formal hearing before the department or thirty days, excluding Saturdays, Sundays, and legal holidays following the date notice has been given in the event notice is given by the department following a blood test, unless otherwise agreed to by the department and the person, in which case the action by the department shall be stayed, and any valid temporary license under subsection (5) of this section extended, if the person is otherwise eligible for licensing. Unless otherwise agreed to by the department and the person, the department must give five days notice of the hearing to the person. For the purposes of this section, the scope of the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more, or THC in his or her system in a concentration above 0.00, if the person was under the age of twenty-one, whether the person was placed under arrest, and (a) whether the person refused to submit to the test or tests upon request of the officer after having been informed that such refusal would result in the revocation of the person's license, permit, or privilege to drive, or (b) if a test or tests were administered, whether the applicable requirements of this section were satisfied before the administration of the test or tests, whether the person submitted to the test or tests, or whether a test was administered pursuant to a search warrant, a valid waiver of the warrant requirement, when exigent circumstances exist, or under any other authority of law as permitted under this section, and whether the test or tests indicated that the alcohol concentration of the person's breath or blood was 0.08 or more, or the THC concentration of the person's blood was 5.00 or more, if the person was age twenty-one or over at the time of the arrest, or that the alcohol concentration of the person's breath or blood was 0.02 or more, or the THC concentration of the person's blood was above 0.00, if the person was under the age of twenty-one at the time of the arrest. Where a person is found to be in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug or was under the age of twenty-one at the time of the arrest and was in physical control of a motor vehicle while having alcohol in his or her system in a concentration of 0.02 or THC concentration above 0.00, the person may petition the hearing officer to apply the affirmative defense found in RCW 46.61.504(3) and 46.61.503(2). The driver has the burden to prove the affirmative defense by a preponderance of the evidence. The sworn report or report under a declaration authorized by chapter 5.50 RCW submitted by a law enforcement officer is prima facie

evidence that the officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or the person had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more, or THC in his or her system in a concentration above 0.00, and was under the age of twenty-one and that the officer complied with the requirements of this section.

A hearing officer shall conduct the hearing, may issue subpoenas for the attendance of witnesses and the production of documents, and shall administer oaths to witnesses. The hearing officer shall not issue a subpoena for the attendance of a witness at the request of the person unless the request is accompanied by the fee required by RCW 5.56.010 for a witness in district court. The sworn report or report under a declaration authorized by chapter 5.50 RCW of the law enforcement officer and any other evidence accompanying the report shall be admissible without further evidentiary foundation and the certifications authorized by the criminal rules for courts of limited jurisdiction shall be admissible without further evidentiary foundation. The person may be represented by counsel, may question witnesses, may present evidence, and may testify. The department shall order that the suspension, revocation, or denial either be rescinded or sustained.

(8) If the suspension, revocation, or denial is sustained after such a hearing, the person whose license, privilege, or permit is suspended, revoked, or denied has the right to file a petition in the superior court of the county of arrest to review the final order of revocation by the department in the same manner as an appeal from a decision of a court of limited jurisdiction. Notice of appeal must be filed within thirty days after the date the final order is served or the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ 1.1, or other statutes or rules referencing de novo review, the appeal shall be limited to a review of the record of the administrative hearing. The appellant must pay the costs associated with obtaining the record of the hearing before the hearing officer. The filing of the appeal does not stay the effective date of the suspension, revocation, or denial. A petition filed under this subsection must include the petitioner's grounds for requesting review. Upon granting petitioner's request for review, the court shall review the department's final order of suspension, revocation, or denial as expeditiously as possible. The review must be limited to a determination of whether the department has committed any errors of law. The superior court shall accept those factual determinations supported by substantial evidence in the record: (a) That were expressly made by the department; or (b) that may reasonably be inferred from the final order of the department. The superior court may reverse, affirm, or modify the decision of the department or remand the case back to the department for further proceedings. The decision of the superior court must be in writing and filed in the clerk's office with the other papers in the case. The court shall state the reasons for the decision. If judicial relief is sought for a stay or other temporary remedy from the department's action, the court shall not grant such relief unless the court finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury. If the court stays the

suspension, revocation, or denial it may impose conditions on such stay.

(9) (a) If a person whose driver's license, permit, or privilege to drive has been or will be suspended, revoked, or denied under subsection (6) of this section, other than as a result of a breath test refusal, and who has not committed an offense for which he or she was granted a deferred prosecution under chapter 10.05 RCW, petitions a court for a deferred prosecution on criminal charges arising out of the arrest for which action has been or will be taken under subsection (6) of this section, or notifies the department of licensing of the intent to seek such a deferred prosecution, then the license suspension or revocation shall be stayed pending entry of the deferred prosecution. The stay shall not be longer than one hundred fifty days after the date charges are filed, or two years after the date of the arrest, whichever time period is shorter. If the court stays the suspension, revocation, or denial, it may impose conditions on such stay. If the person is otherwise eligible for licensing, the department shall issue a temporary license, or extend any valid temporary license under subsection (5) of this section, for the period of the stay. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an offered treatment plan, or if the person violates any condition imposed by the court, then the court shall immediately direct the department to cancel the stay and any temporary license or extension of a temporary license issued under this subsection.

(b) A suspension, revocation, or denial imposed under this section, other than as a result of a breath test refusal, shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.

(c) The provisions of (b) of this subsection relating to a stay of a suspension, revocation, or denial and the cancellation of any suspension, revocation, or denial do not apply to the suspension, revocation, denial, or disqualification of a person's commercial driver's license or privilege to operate a commercial motor vehicle.

(10) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license. Finding—Intent—2004 c 68: "The legislature finds that previous attempts to curtail the incidence of driving while intoxicated have been inadequate. The legislature further finds that property loss, injury, and death caused by drinking drivers continue at unacceptable levels. This act is intended to convey the seriousness with which the legislature views this problem. To that end the legislature seeks to ensure swift and certain consequences for those who drink and drive.

To accomplish this goal, the legislature adopts standards governing the admissibility of tests of a person's blood or breath. These standards will provide a degree of uniformity that is currently lacking, and will reduce the delays caused by challenges to various breath test instrument components and maintenance procedures. Such challenges, while allowed, will no longer go to admissibility of test results. Instead, such challenges are to be considered by the finder of fact in deciding what weight to place upon an admitted blood or breath test result.

The legislature's authority to adopt standards governing the admissibility of evidence involving alcohol is well established by the Washington Supreme Court. See generally *State v. Long*, 113 Wn.2d 266, 778 P.2d 1027 (1989); *State v. Sears*, 4 Wn.2d 200, 215, 103 P.2d 337 (1940) (the legislature has the power to enact laws which create rules

of evidence); *State v. Pavelich*, 153 Wash. 379, 279 P. 1102 (1929) ("rules of evidence are substantive law")." [2004 c 68 § 1.]

(1) In the case of a person who has refused a test or tests:

(a) For a first refusal within seven years, where there has not been a previous incident within seven years that resulted in administrative action under this section, revocation or denial for one year;

(b) For a second or subsequent refusal within seven years, or for a first refusal where there has been one or more previous incidents within seven years that have resulted in administrative action under this section, revocation or denial for two years or until the person reaches age twenty-one, whichever is longer.

(2) In the case of an incident where a person has submitted to or been administered a test or tests indicating that the alcohol concentration of the person's breath or blood was 0.08 or more, or that the THC concentration of the person's blood was 5.00 or more:

(a) For a first incident within seven years, where there has not been a previous incident within seven years that resulted in administrative action under this section, suspension for ninety days, unless the person successfully completes or is enrolled in a pretrial 24/7 sobriety program;

If a person has already served a suspension, revocation, or denial under RCW 46.61.5055 for a period equal to or greater than the period imposed under this section, the department shall provide notice of full credit, shall provide for no further suspension or revocation under this section, and shall impose no additional reissue fees for this credit. RCW 46.20.311 Duration of license sanctions—Reissuance or renewal. (1)(a) The department shall not suspend a driver's license or privilege to drive a motor vehicle on the public highways for a fixed period of more than one year, except as specifically permitted under RCW 46.20.267, 46.20.342, or other provision of law.

(b) Except for a suspension under RCW 46.20.267, 46.20.289, 46.20.291(5), 46.61.740, or 74.20A.320, whenever the license or driving privilege of any person is suspended by reason of a conviction, a finding that a traffic infraction has been committed, pursuant to chapter 46.29 RCW, or pursuant to RCW 46.20.291 or 46.20.308, the suspension shall remain in effect until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW.

(c) If the suspension is the result of a nonfelony violation of RCW 46.61.502 or 46.61.504, the department shall determine the person's eligibility for licensing based upon the reports provided by the substance use disorder agency or probation department designated under RCW 46.61.5056 and shall deny reinstatement until enrollment and participation in an approved program has been established and the person is otherwise qualified. If the suspension is the result of a violation of RCW 46.61.502(6) or 46.61.504(6), the department shall determine the person's eligibility for licensing based upon the reports provided by the substance use disorder agency required under RCW 46.61.524 and shall deny reinstatement until satisfactory progress in an approved program has been established and the person is otherwise qualified. If the suspension is the result of a violation of RCW 46.61.502 or 46.61.504, and the person is required pursuant to RCW 46.20.720 to drive only a motor vehicle equipped with a functioning

ignition interlock, the department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person seeking reinstatement. The department may waive the requirement for written verification under this subsection if it determines to its satisfaction that a device previously verified as having been installed on a vehicle owned or operated by the person is still installed and functioning or as permitted by RCW 46.20.720(8). If, based upon notification from the interlock provider or otherwise, the department determines that an interlock required under RCW 46.20.720 is no longer installed or functioning as required, the department shall suspend the person's license or privilege to drive. Whenever the license or driving privilege of any person is suspended or revoked as a result of noncompliance with an ignition interlock requirement, the suspension shall remain in effect until the person provides notice issued by a company doing business in the state that a vehicle owned or operated by the person is equipped with a functioning ignition interlock device.

(d) Whenever the license or driving privilege of any person is suspended as a result of certification of noncompliance with a child support order under chapter 74.20A RCW, the suspension shall remain in effect until the person provides a release issued by the department of social and health services stating that the person is in compliance with the order.

(e) (i) Except as provided in RCW 46.20.2892(3), the department shall not issue to the person a new, duplicate, or renewal license until the person pays a reissue fee of seventy-five dollars.

(ii) Except as provided in subsection (4) of this section, if the suspension is the result of a violation of RCW 46.61.502 or 46.61.504, or is the result of administrative action under RCW 46.20.308, the reissue fee shall be one hundred seventy dollars.

(2) (a) Any person whose license or privilege to drive a motor vehicle on the public highways has been revoked, unless the revocation was for a cause which has been removed, is not entitled to have the license or privilege renewed or restored until: (i) After the expiration of one year from the date the license or privilege to drive was revoked; (ii) after the expiration of the applicable revocation period provided by RCW 46.20.3101 or 46.61.5055; (iii) after the expiration of two years for persons convicted of vehicular homicide; or (iv) after the expiration of the applicable revocation period provided by RCW 46.20.265.

(b) (i) After the expiration of the appropriate period, the person may make application for a new license as provided by law together with a reissue fee in the amount of seventy-five dollars.

(ii) Except as provided in subsection (4) of this section, if the revocation is the result of a violation of RCW 46.20.308, 46.61.502, or 46.61.504, the reissue fee shall be one hundred seventy dollars. If the revocation is the result of a nonfelony violation of RCW 46.61.502 or 46.61.504, the department shall determine the person's eligibility for licensing based upon the reports provided by the substance use disorder agency or probation department designated under RCW 46.61.5056 and shall deny reissuance of a license, permit, or privilege to drive until enrollment and participation in an approved program has been established and the person is otherwise qualified. If the suspension is the result of a violation of RCW 46.61.502(6) or 46.61.504(6), the department shall determine the person's eligibility

for licensing based upon the reports provided by the substance use disorder agency required under RCW 46.61.524 and shall deny reinstatement until satisfactory progress in an approved program has been established and the person is otherwise qualified. If the revocation is the result of a violation of RCW 46.61.502 or 46.61.504, and the person is required pursuant to RCW 46.20.720 to drive only a motor vehicle equipped with a functioning ignition interlock or other biological or technical device, the department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person applying for a new license. The department may waive the requirement for written verification under this subsection if it determines to its satisfaction that a device previously verified as having been installed on a vehicle owned or operated by the person is still installed and functioning or as permitted by RCW 46.20.720(8). If, following issuance of a new license, the department determines, based upon notification from the interlock provider or otherwise, that an interlock required under RCW 46.20.720 is no longer functioning, the department shall suspend the person's license or privilege to drive until the department has received written verification from an interlock provider that a functioning interlock is installed.

(c) Except for a revocation under RCW 46.20.265, the department shall not then issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant the privilege of driving a motor vehicle on the public highways, and until the person gives and thereafter maintains proof of financial responsibility for the future as provided in chapter 46.29 RCW. For a revocation under RCW 46.20.265, the department shall not issue a new license unless it is satisfied after investigation of the driving ability of the person that it will be safe to grant that person the privilege of driving a motor vehicle on the public highways.

(3) (a) Whenever the driver's license of any person is suspended pursuant to Article IV of the nonresident violators compact or RCW 46.23.020 or 46.20.289 or 46.20.291(5), the department shall not issue to the person any new or renewal license until the person pays a reissue fee of seventy-five dollars.

(b) Except as provided in subsection (4) of this section, if the suspension is the result of a violation of the laws of this or any other state, province, or other jurisdiction involving (i) the operation or physical control of a motor vehicle upon the public highways while under the influence of intoxicating liquor or drugs, or (ii) the refusal to submit to a chemical test of the driver's blood alcohol content, the reissue fee shall be one hundred seventy dollars.

(4) When the department reinstates a person's driver's license following a suspension, revocation, or denial under RCW 46.20.3101 or 46.61.5055, and the person is entitled to full day-for-day credit under RCW 46.20.3101(4) or 46.61.5055(9)(b)(ii) for an additional restriction arising from the same incident, the department shall impose no additional reissue fees under subsection (1)(e)(ii), (2)(b)(ii), or (3)(b) of this section associated with the additional restriction. (1) It is unlawful for any person to drive a motor vehicle in this state while that person is in a suspended or revoked status or when his or her privilege to drive is suspended or revoked in this or any other state. Any person who has a valid Washington driver's license is not guilty of a violation of this section.

(a) A person found to be a habitual offender under chapter 46.65 RCW, who violates this section while an order of revocation issued under chapter 46.65 RCW prohibiting such operation is in effect, is guilty of driving while license suspended or revoked in the first degree, a gross misdemeanor. Upon the first such conviction, the person shall be punished by imprisonment for not less than 10 days. Upon the second conviction, the person shall be punished by imprisonment for not less than 90 days. Upon the third or subsequent conviction, the person shall be punished by imprisonment for not less than 180 days. If the person is also convicted of the offense defined in RCW 46.61.502 or 46.61.504, when both convictions arise from the same event, the minimum sentence of confinement shall be not less than 90 days. For the purposes of this subsection, a person is not considered to be eligible to reinstate his or her driver's license or driving privilege if the person is eligible to obtain an ignition interlock driver's license but did not obtain such a license. This subsection applies when a person's driver's license or driving privilege has been suspended or revoked by reason of:

(iii) The person has failed to comply with the provisions of chapter 46.29 RCW relating to uninsured accidents;

(d) For the purposes of this subsection, a person is not considered to be eligible to reinstate his or her driver's license or driving privilege if the person is eligible to obtain an ignition interlock driver's license but did not obtain such a license.

(2) Upon receiving a record of conviction of any person or upon receiving an order by any juvenile court or any duly authorized court officer of the conviction of any juvenile under this section, the department shall:

(a) For a conviction of driving while suspended or revoked in the first degree, as provided by subsection (1) (a) of this section, extend the period of administrative revocation imposed under chapter 46.65 RCW for an additional period of one year from and after the date the person would otherwise have been entitled to apply for a new license or have his or her driving privilege restored; or

(b) For a conviction of driving while suspended or revoked in the second degree, as provided by subsection (1) (b) of this section, not issue a new license or restore the driving privilege for an additional period of one year from and after the date the person would otherwise have been entitled to apply for a new license or have his or her driving privilege restored; or

(c) Not extend the period of suspension or revocation if the conviction was under subsection (1) (c) of this section. RCW 46.20.355 Alcohol violator—Probationary license. (1) Upon receipt of an abstract indicating a deferred prosecution has been granted under RCW 10.05.060, or upon receipt of a notice of conviction of RCW 46.61.502 or 46.61.504, the department of licensing shall order the person to surrender any nonprobationary Washington state driver's license that may be in his or her possession. The department shall revoke the license, permit, or privilege to drive of any person who fails to surrender it as required by this section for one year, unless the license has been previously surrendered to the department, a law enforcement officer, or a court, or the person has completed an affidavit of lost, stolen, destroyed, or previously surrendered license, such revocation to take effect thirty days after notice is given of the requirement for license surrender.

(2) The department shall place a person's driving privilege in probationary status as required by RCW 10.05.060 or 46.61.5055 for a period of five years from the date the probationary status is required to go into effect.

(3) Following receipt of an abstract indicating a deferred prosecution has been granted under RCW 10.05.060, or upon reinstatement or reissuance of a driver's license suspended or revoked as the result of a conviction of RCW 46.61.502 or 46.61.504, the department shall require the person to obtain a probationary license in order to operate a motor vehicle in the state of Washington, except as otherwise exempt under RCW 46.20.025. The department shall not issue the probationary license unless the person is otherwise qualified for licensing, and the person must renew the probationary license on the same cycle as the person's regular license would have been renewed until the expiration of the five-year probationary status period imposed under subsection (2) of this section.

(4) If a person is eligible for full credit under RCW 46.61.5055(9)(b)(ii) and, by the date specified in the notice issued under RCW 46.20.245, has completed the requirements under RCW 46.20.311 and paid the fee under subsection (5) of this section, the department shall issue a probationary license on the date specified in the notice with no further action required of the person.

(5) For each original issue or renewal of a probationary license under this section, the department shall charge a fee of fifty dollars in addition to any other licensing fees required. Except for when renewing a probationary license, the department shall waive the requirement to obtain an additional probationary license and the fifty dollar fee if the person has a probationary license in his or her possession at the time a new probationary license is required.

(6) A probationary license shall enable the department and law enforcement personnel to determine that the person is on probationary status. RCW 46.20.385 Ignition interlock driver's license—Application—Eligibility—Cancellation—Costs—Rules. (1) (a) Any person licensed under this chapter or who has a valid driver's license from another state, who is convicted of: (i) A violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance, or (ii) a violation of RCW 46.61.520(1) (a) or an equivalent local or out-of-state statute or ordinance, or (iii) a conviction for a violation of RCW 46.61.520(1) (b) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.520(1) (a), or (iv) RCW 46.61.522(1) (b) or an equivalent local or out-of-state statute or ordinance, or (v) RCW 46.61.522(1) (a) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.522(1) (b) committed while under the influence of intoxicating liquor or any drug, or (vi) who has had or will have his or her license suspended, revoked, or denied under RCW 46.20.3101, or who is otherwise permitted under subsection (8) of this section, may submit to the department an application for an ignition interlock driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is eligible to receive the license, may issue an ignition interlock driver's license. (b) A person may apply for an ignition interlock driver's license anytime, including immediately after receiving the notices under RCW 46.20.308 or after his or her license is suspended, revoked, or denied.

(c) An applicant under this subsection shall provide proof to the satisfaction of the department that a functioning ignition interlock device has been installed on all vehicles operated by the person.

(i) The department shall require the person to maintain the device on all vehicles operated by the person and shall restrict the person to operating only vehicles equipped with the device, for the remainder of the period of suspension, revocation, or denial, unless otherwise permitted under RCW 46.20.720(6).

(ii) Subject to any periodic renewal requirements established by the department under this section and subject to any applicable compliance requirements under this chapter or other law, an ignition interlock driver's license granted upon a suspension or revocation under RCW 46.61.5055 or 46.20.3101 extends through the remaining portion of any concurrent or consecutive suspension or revocation that may be imposed as the result of administrative action and criminal conviction arising out of the same incident.

(2) An applicant for an ignition interlock driver's license who qualifies under subsection (1) of this section is eligible to receive a license only if the applicant files satisfactory proof of financial responsibility under chapter 46.29 RCW.

(3) Upon receipt of evidence that a holder of an ignition interlock driver's license granted under this subsection no longer has a functioning ignition interlock device installed on all vehicles operated by the driver, the director shall give written notice by first-class mail to the driver that the ignition interlock driver's license shall be canceled. If at any time before the cancellation goes into effect the driver submits evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver, the cancellation shall be stayed. If the cancellation becomes effective, the driver may obtain, at no additional charge, a new ignition interlock driver's license upon submittal of evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver.

(4) A person aggrieved by the decision of the department on the application for an ignition interlock driver's license may request a hearing as provided by rule of the department.

(5) The director shall cancel an ignition interlock driver's license after receiving notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, no longer meets the eligibility requirements, or has been convicted of or found to have committed a separate offense or any other act or omission that under this chapter would warrant suspension or revocation of a regular driver's license. The department must give notice of the cancellation as provided under RCW 46.20.245. A person whose ignition interlock driver's license has been canceled under this section may reapply for a new ignition interlock driver's license if he or she is otherwise qualified under this section and pays the fee required under RCW 46.20.380.

(6) (a) Unless costs are waived by the ignition interlock company or the person is indigent under RCW 10.101.010, the applicant shall pay the cost of installing, removing, and leasing the ignition interlock device and shall pay an additional fee of twenty-one dollars per month. Payments shall be made directly to the ignition interlock company. The company shall remit the additional fee to the department, except that the company may retain twenty-five cents per month of the additional fee to cover the expenses associated with administering the fee.

(b) The department shall deposit the proceeds of the twenty-one dollar fee into the ignition interlock device revolving account. Expenditures from the account may be used only to administer and operate the ignition interlock device revolving account program. The department shall adopt rules to provide monetary assistance according to greatest need and when funds are available.

(7) The department shall adopt rules to implement ignition interlock licensing. The department shall consult with the administrative office of the courts, the state patrol, the Washington association of sheriffs and police chiefs, ignition interlock companies, and any other organization or entity the department deems appropriate.

(8) (a) Any person licensed under this chapter who is convicted of a violation of RCW 46.61.500 when the charge was originally filed as a violation of RCW 46.61.502 or 46.61.504, or an equivalent local ordinance, may submit to the department an application for an ignition interlock driver's license under this section.

(b) A person who does not have any driver's license under this chapter, but who would otherwise be eligible under this section to apply for an ignition interlock license, may submit to the department an application for an ignition interlock license. The department may require the person to take any driver's licensing examination under this chapter and may require the person to also apply and qualify for a temporary restricted driver's license under RCW 46.20.391. ALCOHOL DETECTION DEVICES

RCW 46.20.710 Legislative finding. The legislature finds and declares:

(1) There is a need to reduce the incidence of drivers on the highways and roads of this state who, because of their use, consumption, or possession of alcohol, pose a danger to the health and safety of other drivers;

(2) One method of dealing with the problem of drinking drivers is to discourage the use of motor vehicles by persons who possess or have consumed alcoholic beverages;

(3) The installation of an ignition interlock breath alcohol device or other biological or technical device will provide a means of deterring the use of motor vehicles by persons who have consumed alcoholic beverages;

(4) Ignition interlock and other biological and technical devices are designed to supplement other methods of punishment that prevent drivers from using a motor vehicle after using, possessing, or consuming alcohol;

(5) It is economically and technically feasible to have an ignition interlock or other biological or technical device installed in a motor vehicle in such a manner that the vehicle will not start if the operator has recently consumed alcohol. [1994 c 275 § 21; 1987 c 247 § 1.]

Ignition interlock restriction. The department shall require that a person may drive only a motor vehicle equipped with a functioning ignition interlock device:

(a) **Pretrial release.** Upon receipt of notice from a court that an ignition interlock device restriction has been imposed under RCW 10.21.055;

(b) **Ignition interlock driver's license.** As required for issuance of an ignition interlock driver's license under RCW 46.20.385;

(c) **Deferred prosecution.** Upon receipt of notice from a court that the person is participating in a deferred prosecution program under RCW 10.05.020 for a violation of:

(i) RCW 46.61.502 or 46.61.504 or an equivalent local ordinance; or

(ii) RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person would be required under RCW 46.61.5249(4) or 46.61.500(3) (a) or (b) to install an ignition interlock device on all vehicles operated by the person in the event of a conviction;

(d) **Post conviction.** After any applicable period of mandatory suspension, revocation, or denial of driving privileges, or upon fulfillment of day-for-day credit under RCW 46.61.5055(9) (b) (ii) for a suspension, revocation, or denial of driving privileges:

(i) Due to a conviction of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance; or

(ii) Due to a conviction of a violation of RCW 46.61.5249 or 46.61.500 or an equivalent local ordinance if the person is required under RCW 46.61.5249(4) or 46.61.500(3) (a) or (b) to install an ignition interlock device on all vehicles operated by the person; or

(e) **Court order.** Upon receipt of an order by a court having jurisdiction that a person charged or convicted of any offense involving the use, consumption, or possession of alcohol while operating a motor vehicle may drive only a motor vehicle equipped with a functioning ignition interlock. The court shall establish a specific alcohol set point at which the ignition interlock will prevent the vehicle from being started. The court shall also establish the period of time for which ignition interlock use will be required.

(2) **Alcohol set point.** Unless otherwise specified by the court for a restriction imposed under subsection (1) (e) of this section, the ignition interlock device shall have an alcohol set point that prevents the motor vehicle from being started when the breath sample provided has an alcohol concentration of 0.020 or more.

(3) **Duration of restriction.** A restriction imposed under:

(a) Subsection (1) (a) of this section shall remain in effect until:

(i) The court has authorized the removal of the device under RCW 10.21.055; or

(ii) The department has imposed a restriction under subsection (1) (b), (c), or (d) of this section arising out of the same incident.

(b) Subsection (1)(b) of this section remains in effect during the validity of any ignition interlock driver's license that has been issued to the person.

(i) For a person who has not previously been restricted under this subsection, a period of one year;

(ii) For a person who has previously been restricted under (c)(i) of this subsection, a period of five years;

(iii) For a person who has previously been restricted under (c)(ii) of this subsection, a period of ten years.

The restriction of a person who is convicted of a violation of RCW 46.61.502 or 46.61.504 or an equivalent local ordinance and who committed the offense while one or more passengers under the age of sixteen were in the vehicle shall be extended for an additional period as required by RCW 46.61.5055(6)(a).

(d) Subsection (1)(c)(ii) or (d)(ii) of this section shall be for a period of no less than six months.

(e) The period of restriction under (c) or (d) of this subsection shall be extended by one hundred eighty days whenever the department receives notice that the restricted person has been convicted under RCW 46.20.740 or 46.20.750. If the period of restriction under (c) or (d) of this subsection has been fulfilled and cannot be extended, the department must add a new one hundred eighty-day restriction that is imposed from the date of conviction and is subject to the requirements for removal under subsection (4) of this section.

(f) Subsection (1)(e) of this section shall remain in effect for the period of time specified by the court.

(g) The period of restriction under (c) and (d) of this subsection based on incidents occurring on or after June 9, 2016, must be tolled for any period in which the person does not have an ignition interlock device installed on a vehicle owned or operated by the person unless the person receives a determination from the department that the person is unable to operate an ignition interlock device due to a physical disability. The department's determination that a person is unable to operate an ignition interlock device must be reasonable and be based upon good and substantial evidence. This determination is subject to review by a court of competent jurisdiction. The department may charge a person seeking a medical exemption under this subsection a reasonable fee for the assessment.

(4) **Requirements for removal.** A restriction imposed under subsection (1)(c) or (d) of this section shall remain in effect until the department receives a declaration from the person's ignition interlock device vendor, in a form provided or approved by the department, certifying the following:

(a) That there have been none of the following incidents in the one hundred eighty consecutive days prior to the date of release:

(i) Any attempt to start the vehicle with a breath alcohol concentration of 0.04 or more unless a subsequent test performed within ten minutes registers a breath alcohol concentration lower than 0.04 and the digital image confirms the same person provided both samples;

(ii) Failure to take any random test unless a review of the digital image confirms that the vehicle was not occupied by the driver at the time of the missed test;

(iii) Failure to pass any random retest with a breath alcohol concentration of lower than 0.020 unless a subsequent test performed

within ten minutes registers a breath alcohol concentration lower than 0.020, and the digital image confirms the same person provided both samples;

(iv) Failure of the person to appear at the ignition interlock device vendor when required for maintenance, repair, calibration, monitoring, inspection, or replacement of the device; or

(v) Removal of the ignition interlock device by a person other than an ignition interlock technician certified by the Washington state patrol; and

(b) That the ignition interlock device was inspected at the conclusion of the one hundred eighty-day period by an ignition interlock technician certified by the Washington state patrol and no evidence was found that the device was tampered with in the manner described in RCW 46.20.750.

(5) **Day-for-day credit.** (a) The time period during which a person has an ignition interlock device installed in order to meet the requirements of subsection (1)(b) of this section shall apply on a day-for-day basis toward satisfying the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident.

(b) The department must also give the person a day-for-day credit for any time period, beginning from the date of the incident, during which the person kept an ignition interlock device installed on all vehicles the person operates, other than those subject to the employer exemption under subsection (6) of this section.

(c) If the day-for-day credit granted under this subsection equals or exceeds the period of time the ignition interlock device restriction is imposed under subsection (1)(c) or (d) of this section arising out of the same incident, and the person has already met the requirements for removal of the device under subsection (4) of this section, the department may waive the requirement that a device be installed or that the person again meet the requirements for removal.

(6) **Employer exemption.** (a) Except as provided in (b) of this subsection, the installation of an ignition interlock device is not necessary on vehicles owned, leased, or rented by a person's employer and on those vehicles whose care and/or maintenance is the temporary responsibility of the employer, and driven at the direction of a person's employer as a requirement of employment during working hours. The person must provide the department with a declaration pursuant to chapter 5.50 RCW from his or her employer stating that the person's employment requires the person to operate a vehicle owned by the employer or other persons during working hours. When the department receives a declaration under this subsection, it shall attach or imprint a notation on the person's driving record stating that the employer exemption applies.

(b) The employer exemption does not apply when the employer's vehicle is assigned exclusively to the restricted driver and used solely for commuting to and from employment.

(7) **Ignition interlock device revolving account.** In addition to any other costs associated with the use of an ignition interlock device imposed on the person restricted under this section, the person shall pay an additional fee of twenty-one dollars per month. Payments must be made directly to the ignition interlock company. The company shall remit the additional fee to the department to be deposited into the ignition interlock device revolving account, except that the company may retain twenty-five cents per month of the additional fee to cover the expenses associated with administering the fee. The

department may waive the monthly fee if the person is indigent under RCW 10.101.010.

(8) **Foreign jurisdiction.** For a person restricted under this section who is residing outside of the state of Washington, the department may accept verification of installation of an ignition interlock device by an ignition interlock company authorized to do business in the jurisdiction in which the person resides, provided the device meets any applicable requirements of that jurisdiction. The department may waive one or more requirements for removal under subsection (4) of this section if compliance with the requirement or requirements would be impractical in the case of a person residing in another jurisdiction, provided the person is in compliance with any equivalent requirement of that jurisdiction. The department may waive the monthly fee required by subsection (7) of this section if collection of the fee would be impractical in the case of a person residing in another jurisdiction. Finding—Intent—1998 c 210: "The legislature finds that driving is a privilege and that the state may restrict that privilege in the interests of public safety. One such reasonable restriction is requiring certain individuals, if they choose to drive, to drive only vehicles equipped with ignition interlock devices. The legislature further finds that the costs of these devices are minimal and are affordable. It is the intent of the legislature that these devices be paid for by the drivers using them and that neither the state nor entities of local government provide any public funding for this purpose." RCW 46.20.740 Notation on driving record—Verification of interlock—Penalty, exception. (1) The department shall attach or imprint a notation on the driving record of any person restricted under RCW 46.20.720, 46.61.5055, or 10.05.140 stating that the person may operate only a motor vehicle equipped with a functioning ignition interlock device. The department shall determine the person's eligibility for licensing based upon written verification by a company doing business in the state that it has installed the required device on a vehicle owned or operated by the person seeking reinstatement. If, based upon notification from the interlock provider or otherwise, the department determines that an ignition interlock required under this section is no longer installed or functioning as required, the department shall suspend the person's license or privilege to drive. Whenever the license or driving privilege of any person is suspended or revoked as a result of noncompliance with an ignition interlock requirement, the suspension shall remain in effect until the person provides notice issued by a company doing business in the state that a vehicle owned or operated by the person is equipped with a functioning ignition interlock device.

(2) It is a gross misdemeanor for a person with such a notation on his or her driving record to operate a motor vehicle that is not so equipped, unless the notation resulted from a restriction imposed as a condition of release and the restriction has been released by the court prior to driving. Any time a person is convicted under this section, the court shall immediately notify the department for purposes of RCW 46.20.720(3)(e).

(3) Any sentence imposed for a violation of subsection (2) of this section shall be served consecutively with any sentence imposed under RCW 46.20.750, 46.61.502, 46.61.504, or 46.61.5055. RCW 46.20.745 Ignition interlock device revolving account program—Pilot program. (1) The ignition interlock device revolving account program is created within the department to assist in covering the monetary costs of installing, removing, and leasing an ignition

interlock device, and applicable licensing, for indigent persons who are required under RCW 46.20.385, 46.20.720, and 46.61.5055 to install an ignition interlock device in all vehicles owned or operated by the person. For purposes of this subsection, "indigent" has the same meaning as in RCW 10.101.010, as determined by the department. During the 2021-2023 and 2023-2025 fiscal biennia, the ignition interlock device revolving account program also includes ignition interlock enforcement work conducted by the Washington state patrol.

(2) A pilot program is created within the ignition interlock device revolving account program for the purpose of monitoring compliance by persons required to use ignition interlock devices and by ignition interlock companies and vendors.

(3) The department, the state patrol, and the Washington traffic safety commission shall coordinate to establish a compliance pilot program that will target at least one county from eastern Washington and one county from western Washington, as determined by the department, state patrol, and Washington traffic safety commission.

(4) At a minimum, the compliance pilot program shall:

(a) Review the number of ignition interlock devices that are required to be installed in the targeted county and the number of ignition interlock devices actually installed;

(b) Work to identify those persons who are not complying with ignition interlock requirements or are repeatedly violating ignition interlock requirements; and

(c) Identify ways to track compliance and reduce noncompliance.

(5) As part of monitoring compliance, the Washington traffic safety commission shall also track recidivism for violations of RCW 46.61.502 and 46.61.504 by persons required to have an ignition interlock driver's license under RCW 46.20.385 and 46.20.720. (d) Has, allows, directs, authorizes, or requests another person to blow or otherwise exhale into the device in order to circumvent the device to allow the restricted driver to operate the vehicle.

(2) A person who knowingly assists another person who is restricted to the use of a vehicle equipped with an ignition interlock device to circumvent the device or any components of the device, or otherwise interfere with the proper functionality of the device, or to start and operate that vehicle is guilty of a gross misdemeanor. The provisions of this subsection do not apply if the starting of a motor vehicle, or the request to start a motor vehicle, equipped with an ignition interlock device is done for the purpose of safety or mechanical repair of the device or the vehicle and the person subject to the court order does not operate the vehicle.

(3) Any sentence imposed for a violation of subsection (1) of this section shall be served consecutively with any sentence imposed under RCW 46.20.740, 46.61.502, 46.61.504, 46.61.5055, 46.61.520(1)(a), or 46.61.522(1)(b).

RCW 46.20.755 Local verification of ignition interlock device installation—Immunity. If a person is required, as part of the person's judgment and sentence or as a condition of release, to install an ignition interlock device on all motor vehicles operated by the person and the person is under the jurisdiction of the municipality or county probation or supervision department, the probation or supervision department must verify the installation of the ignition interlock device or devices. The municipality or county probation or supervision department satisfies the requirement to verify the installation or installations if the municipality or county probation or supervision department receives written verification by one or more companies doing business in the state that it has installed the required device on a vehicle owned or operated by the person. The municipality or county shall have no further obligation to supervise the use of the ignition interlock device or devices by the person and shall not be civilly liable for any injuries or damages caused by the person for failing to use an ignition interlock device or for driving under the influence of intoxicating liquor or any drug or being in actual physical control of a motor vehicle under the

influence of intoxicating liquor or any drug. [2015 2nd sp.s. c 3 § 15; 2010 c 269 § 5.]
