RCW 46.20.385 Ignition interlock driver's license—Application—Eligibility—Cancellation—Costs—Rules. (1)(a) Any person licensed under this chapter or who has a valid driver's license from another state, who is convicted of: (i) A violation of RCW 46.61.502 or 46.61.504 or an equivalent local or out-of-state statute or ordinance, or (ii) a violation of RCW 46.61.520(1)(a) or an equivalent local or out-of-state statute or ordinance, or (iii) a conviction for a violation of RCW 46.61.520(1) (b) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.520(1)(a), or (iv) RCW 46.61.522(1)(b) or an equivalent local or out-of-state statute or ordinance, or (v) RCW 46.61.522(1) (a) or (c) if the conviction is the result of a charge that was originally filed as a violation of RCW 46.61.522(1)(b) committed while under the influence of intoxicating liquor or any drug, or (vi) who has had or will have his or her license suspended, revoked, or denied under RCW 46.20.3101, or has had his or her license suspended, revoked, or denied under RCW 46.61.5055(11)(c)(i), or who is otherwise permitted under subsection (8) of this section, may submit to the department an application for an ignition interlock driver's license. The department, upon receipt of the prescribed fee and upon determining that the petitioner is eligible to receive the license, may issue an ignition interlock driver's license.

(b) A person may apply for an ignition interlock driver's license anytime, including immediately after receiving the notices under RCW 46.20.308 or after his or her license is suspended, revoked, or denied.

(c) An applicant under this subsection shall provide proof to the satisfaction of the department that a functioning ignition interlock device has been installed on all vehicles operated by the person.

(i) The department shall require the person to maintain the device on all vehicles operated by the person and shall restrict the person to operating only vehicles equipped with the device, for the remainder of the period of suspension, revocation, or denial, unless otherwise permitted under RCW 46.20.720(6).

(ii) Subject to any periodic renewal requirements established by the department under this section and subject to any applicable compliance requirements under this chapter or other law, an ignition interlock driver's license granted upon a suspension or revocation under RCW 46.61.5055 or 46.20.3101 extends through the remaining portion of any concurrent or consecutive suspension or revocation that may be imposed as the result of administrative action and criminal conviction arising out of the same incident.

(2) An applicant for an ignition interlock driver's license who qualifies under subsection (1) of this section is eligible to receive a license only if the applicant files satisfactory proof of financial responsibility under chapter 46.29 RCW.

(3) Upon receipt of evidence that a holder of an ignition interlock driver's license granted under this subsection no longer has a functioning ignition interlock device installed on all vehicles operated by the driver, the director shall give written notice by first-class mail to the driver that the ignition interlock driver's license shall be canceled. If at any time before the cancellation goes into effect the driver submits evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver, the cancellation shall be stayed. If the cancellation becomes effective, the driver may obtain, at no additional charge, a new

ignition interlock driver's license upon submittal of evidence that a functioning ignition interlock device has been installed on all vehicles operated by the driver.

(4) A person aggrieved by the decision of the department on the application for an ignition interlock driver's license may request a hearing as provided by rule of the department.

(5) The director shall cancel an ignition interlock driver's license after receiving notice that the holder thereof has been convicted of operating a motor vehicle in violation of its restrictions, no longer meets the eligibility requirements, or has been convicted of or found to have committed a separate offense or any other act or omission that under this chapter would warrant suspension or revocation of a regular driver's license. The department must give notice of the cancellation as provided under RCW 46.20.245. A person whose ignition interlock driver's license has been canceled under this section may reapply for a new ignition interlock driver's license if he or she is otherwise qualified under this section and pays the fee required under RCW 46.20.380.

(6)(a) Unless costs are waived by the ignition interlock company or the person is indigent under RCW 10.101.010, the applicant shall pay the cost of installing, removing, and leasing the ignition interlock device and shall pay an additional fee of twenty-one dollars per month. Payments shall be made directly to the ignition interlock company. The company shall remit the additional fee to the department, except that the company may retain 25 cents per month of the additional fee to cover the expenses associated with administering the fee.

(b) The department shall deposit the proceeds of the twenty-one dollar fee into the ignition interlock device revolving account. Expenditures from the account may be used only to administer and operate the ignition interlock device revolving account program. The department shall adopt rules to provide monetary assistance according to greatest need and when funds are available.

(7) The department shall adopt rules to implement ignition interlock licensing. The department shall consult with the administrative office of the courts, the state patrol, the Washington association of sheriffs and police chiefs, ignition interlock companies, and any other organization or entity the department deems appropriate.

(8)(a) Any person licensed under this chapter who is convicted of a violation of RCW 46.61.500 when the charge was originally filed as a violation of RCW 46.61.502 or 46.61.504, or an equivalent local ordinance, may submit to the department an application for an ignition interlock driver's license under this section.

(b) A person who does not have any driver's license under this chapter, but who would otherwise be eligible under this section to apply for an ignition interlock license, may submit to the department an application for an ignition interlock license. The department may require the person to take any driver's licensing examination under this chapter and may require the person to also apply and qualify for a temporary restricted driver's license under RCW 46.20.391.
