RCW 46.25.001 Short title. This chapter may be cited as the Uniform Commercial Driver's License Act. [1989 c 178 § 1.]

RCW 46.25.005 Purpose—Construction. (1) The purpose of this chapter is to implement the federal Commercial Motor Vehicle Safety Act of 1986 (CMVSA), Title XII, P.L. 99-570, and reduce or prevent commercial motor vehicle accidents, fatalities, and injuries by:

- (a) Permitting commercial drivers to hold only one license;
 - (b) Disqualifying commercial drivers who have committed certain serious traffic violations, or other specified offenses;
 - (c) Strengthening licensing and testing standards.
- (2) This chapter is a remedial law and shall be liberally construed to promote the public health, safety, and welfare. To the extent that this chapter conflicts with general driver licensing provisions, this chapter prevails. Where this chapter is silent, the general driver licensing provisions apply. [1989 c 178 § 2.]

RCW 46.25.020 One license limit. No person who drives a commercial motor vehicle may have more than one driver's license. [1989 c 178 § 4.]

RCW 46.25.030 Duties of driver—Notice to department and employer. (1)(a) A driver of a commercial motor vehicle holding a driver's license issued by this state who is convicted of violating a state law or local ordinance relating to motor vehicle traffic control, in any other state or federal, provincial, territorial, or municipal laws of Canada, other than parking violations, shall notify the department in the manner specified by rule of the department within thirty days of the date of conviction.

(b) A driver of a commercial motor vehicle holding a driver's license issued by this state who is convicted of violating a state law or local ordinance relating to motor vehicle traffic control in this or any other state or federal, provincial, territorial, or municipal laws of Canada, other than parking violations, shall notify his or her employer in writing of the conviction within thirty days of the date of conviction.

(c) The notification requirements contained in (a) and (b) of this subsection as they relate to the federal, provincial, territorial, or municipal laws of Canada become effective only when the federal law or federal rules are changed to require the notification or a bilateral or multilateral agreement is entered into between the state of Washington and any Canadian province implementing essentially the same standards of regulation and penalties of all parties as encompassed in this chapter.

(2) A driver whose driver's license is suspended, revoked, or canceled by a state, who loses the privilege to drive a commercial motor vehicle in a state for any period, or who is disqualified from driving a commercial motor vehicle for any period, shall notify his or her employer of that fact before the end of the business day following the day the driver received notice of that fact.

(3) A person who applies to be a commercial motor vehicle driver shall provide the employer, at the time of the application, with the following information for the ten years preceding the date of application:

(a) A list of the names and addresses of the applicant's previous employers for which the applicant was a driver of a commercial motor vehicle;

(b) The dates between which the applicant drove for each employer; and

(c) The reason for leaving that employer.

The applicant shall certify that all information furnished is true and complete. An employer may require an applicant to provide additional information. [1989 c 178 § 5.]

RCW 46.25.040 Duties of employer. (1) An employer shall require the applicant to provide the information specified in RCW 46.25.030(3).

(2) No employer may knowingly allow, permit, or authorize a driver to drive a commercial motor vehicle during any period:

(a) In which the driver has a driver's license suspended, revoked, or canceled by a state, has lost the privilege to drive a commercial motor vehicle in a state, or has been disqualified from driving a commercial motor vehicle; or

(b) In which the driver has more than one driver's license.
[1989 c 178 § 6.]

RCW 46.25.050 Commercial driver's license required—Exceptions, restrictions, reciprocity. (1) Drivers of commercial motor vehicles must obtain a commercial driver's license as required under this chapter. Except when driving under a commercial learner's permit and a valid driver's license and accompanied by the holder of a commercial driver's license valid for the vehicle being driven, no person may drive a commercial motor vehicle unless the person holds and is in immediate possession of a commercial driver's license and applicable endorsements valid for the vehicle they are driving. However, this requirement does not apply to any person:

(a) Who is the operator of a farm vehicle, and the vehicle is:

(i) Controlled and operated by a farmer;

(ii) Used to transport either agricultural products, which in this section include Christmas trees and wood products harvested from private tree farms and transported by vehicles weighing no more than forty thousand pounds licensed gross vehicle weight, farm machinery, farm supplies, animal manure, animal manure compost, or any combination of those materials to or from a farm;

(iii) Not used in the operations of a common or contract motor carrier; and

(iv) Used within one hundred fifty miles of the person's farm; or

(b) Who is a firefighter or law enforcement officer operating emergency equipment, and:

(i) The firefighter or law enforcement officer has successfully completed a driver training course approved by the director; and

(ii) The firefighter or law enforcement officer carries a certificate attesting to the successful completion of the approved training course; or

(c) Who is operating a recreational vehicle for noncommercial purposes. As used in this section, "recreational vehicle" includes a vehicle towing a horse trailer for a noncommercial purpose; or

(d) Who is operating a commercial motor vehicle for military purposes. This exception is applicable to active duty military personnel; members of the military reserves; members of the national guard on active duty, including personnel on full-time national guard duty, personnel on part-time national guard training, and national guard military technicians (civilians who are required to wear military uniforms); and active duty United States coast guard personnel. This exception is not applicable to United States reserve technicians; or

(e) Who is a collector truck operator using the vehicle in accordance with RCW 46.25.010.

(2) No person may drive a commercial motor vehicle while his or her driving privilege is suspended, revoked, or canceled, while subject to disqualification, or in violation of an out-of-service order. Violations of this subsection shall be punished in the same way as violations of RCW 46.20.342(1).

(3) The department must, to the extent possible, enter into reciprocity agreements with adjoining states to allow the waivers described in subsection (1) of this section to apply to drivers holding commercial driver's licenses from those adjoining states. [2019 c 195 § 2; 2013 c 224 § 4; 2011 c 142 § 1; 2006 c 327 § 3; 1995 c 393 § 1; 1990 c 56 § 1; 1989 c 178 § 7.]

Effective date—2013 c 224: See note following RCW 46.01.130.

RCW 46.25.052 Commercial learner's permit—Qualifications, authorized use, endorsements, restrictions, fee distribution. (1) The department may issue a CLP to an applicant who is at least eighteen years of age and holds a valid Washington state driver's license and who has:

(a) Submitted an application on a form or in a format provided by the department;

(b) Passed the general knowledge examination required for issuance of a CDL under RCW 46.25.060 for the commercial motor vehicle classification in which the applicant operates or expects to operate; and

(c) Paid the appropriate examination fee or fees and an application fee of ten dollars until June 30, 2016, and forty dollars beginning July 1, 2016.

(2) A CLP must be marked "commercial learner's permit" or "CLP," and must be, to the maximum extent practicable, tamperproof. Other than a photograph of the applicant, it must include, but not be limited to, the information required on a CDL under RCW 46.25.080(1).

(3) The holder of a CLP may drive a commercial motor vehicle on a highway only when in possession of a valid driver's license and accompanied by the holder of a valid CDL who has the proper CDL classification and endorsement or endorsements necessary to operate the commercial motor vehicle. The CDL holder must at all times be physically present in the front seat of the vehicle next to the CLP holder or, in the case of a passenger vehicle, directly behind or in

the first row behind the driver and must have the CLP holder under observation and direct supervision.

(4) A CLP may be classified in the same manner as a CDL under RCW 46.25.080(2)(a).

(5) CLPs may be issued with only P, S, or N endorsements as described in RCW 46.25.080(2)(b).

(a) The holder of a CLP with a P endorsement must have taken and passed the P endorsement knowledge examination. The holder of a CLP with a P endorsement is prohibited from operating a commercial motor vehicle carrying passengers other than authorized employees or representatives of the department and the federal motor carrier safety administration, examiners, other trainees, and the CDL holder accompanying the CLP holder as required under subsection (2) of this section. The P endorsement must be class specific.

(b) The holder of a CLP with an S endorsement must have taken and passed the S endorsement knowledge examination. The holder of a CLP with an S endorsement is prohibited from operating a school bus with passengers other than authorized employees or representatives of the department and the federal motor carrier safety administration, examiners, other trainees, and the CDL holder accompanying the CLP holder as required under subsection (2) of this section.

(c) The holder of a CLP with an N endorsement must have taken and passed the N endorsement knowledge examination. The holder of a CLP with an N endorsement may only operate an empty tank vehicle and is prohibited from operating any tank vehicle that previously contained hazardous materials and has not been purged of any residue.

(6) A CLP may be issued with appropriate restrictions as described in RCW 46.25.080(2)(c). In addition, a CLP may be issued with the following restrictions:

(a) "P" restricts the driver from operating a bus with passengers;

(b) "X" restricts the driver from operating a tank vehicle that contains cargo; and

(c) Any restriction as established by rule of the department.

(7) The holder of a CLP is not authorized to operate a commercial motor vehicle transporting hazardous materials.

(8) A CLP may not be issued for a period to exceed one hundred eighty days. The department may renew the CLP for one additional one hundred eighty-day period without requiring the CLP holder to retake the general and endorsement knowledge examinations.

(9) The department must transmit the fees collected for CLPs to the state treasurer for deposit in the highway safety fund unless prior to July 1, 2023, the actions described in (a) or (b) of this subsection occur, in which case the portion of the revenue that is the result of the fee increased in section 206, chapter 44, Laws of 2015 3rd sp. sess. must be distributed to the connecting Washington account created under RCW 46.68.395.

(a) Any state agency files a notice of rule making under chapter 34.05 RCW, absent explicit legislative authorization enacted subsequent to July 1, 2015, for a rule regarding a fuel standard based upon or defined by the carbon intensity of fuel, including a low carbon fuel standard or clean fuel standard.

(b) Any state agency otherwise enacts, adopts, orders, or in any way implements a fuel standard based upon or defined by the carbon intensity of fuel, including a low carbon fuel standard or clean fuel standard, without explicit legislative authorization enacted subsequent to July 1, 2015.

(c) Nothing in this subsection acknowledges, establishes, or creates legal authority for the department of ecology or any other state agency to enact, adopt, order, or in any way implement a fuel standard based upon or defined by the carbon intensity of fuel, including a low carbon fuel standard or clean fuel standard. (2) A person who violates this section is subject to a penalty of two hundred fifty dollars. If the person appears in person before the court or submits by mail written proof that he or she had, at the time the infraction took place, the medical examiner's certificate, the court shall reduce the penalty to fifty dollars. RCW 46.25.060 Knowledge and skills examination, exemptions, fee distribution. (1)(a) No person may be issued a commercial driver's license unless that person:

(i) Is a resident of this state;

(ii) Has successfully completed a course of instruction in the operation of a commercial motor vehicle that has been approved by the director or has been certified by an employer as having the skills and training necessary to operate a commercial motor vehicle safely;

(iii) If he or she does not hold a valid commercial driver's license of the appropriate classification, has been issued a commercial learner's permit under RCW 46.25.052; and

(iv) Has passed a knowledge and skills examination for driving a commercial motor vehicle that complies with minimum federal standards established by federal regulation enumerated in 49 C.F.R. Part 383, subparts F, G, and H, in addition to other requirements imposed by state law or federal regulation. The department may not allow the person to take the skills examination during the first fourteen days after initial issuance of the person's commercial learner's permit. The examinations must be prescribed and conducted by the department.

(b) In addition to the fee charged for issuance or renewal of any license, the applicant shall pay a fee of no more than ten dollars until June 30, 2016, and thirty-five dollars beginning July 1, 2016, for the classified knowledge examination, classified endorsement knowledge examination, or any combination of classified license and endorsement knowledge examinations. The applicant shall pay a fee of no more than one hundred dollars until June 30, 2016, and two hundred fifty dollars beginning July 1, 2016, for each classified skill examination or combination of classified skill examinations conducted by the department.

(c) The department may authorize a person, including an agency of this or another state, an employer, a private driver training facility, or other private institution, or a department, agency, or instrumentality of local government, to administer the skills examination specified by this section under the following conditions:

(i) The examination is the same which would otherwise be administered by the state;

(ii) The third party has entered into an agreement with the state that complies with the requirements of 49 C.F.R. Sec. 383.75; and

(iii) The director has adopted rules as to the third party testing program and the development and justification for fees charged by any third party.

(d) If the applicant's primary use of a commercial driver's license is for any of the following, then the applicant shall pay a fee of no more than seventy-five dollars until June 30, 2016, and two hundred twenty-five dollars beginning July 1, 2016, for the classified skill examination or combination of classified skill examinations whether conducted by the department or a third-party tester:

(i) Public benefit not-for-profit corporations that are federally supported head start programs; or

(ii) Public benefit not-for-profit corporations that support early childhood education and assistance programs as described in RCW 43.216.505.

(e) Beginning July 1, 2016, if the applicant's primary use of a commercial driver's license is to drive a school bus, the applicant shall pay a fee of no more than one hundred dollars for the classified skill examination or combination of classified skill examinations conducted by the department.

(f) Beginning July 1, 2016, payment of the examination fees under this subsection entitles the applicant to take the examination up to two times in order to pass.

(2) (a) The department may waive the skills examination and the requirement for completion of a course of instruction in the operation of a commercial motor vehicle specified in this section for a commercial driver's license applicant who meets the requirements of 49 C.F.R. Sec. 383.77. For current or former military service members that meet the requirements of 49 C.F.R. Sec. 383.77, the department may also waive the requirements for a knowledge test for commercial driver's license applicants. Beginning December 1, 2021, the department shall provide an annual report to the house and senate transportation committees and the joint committee on veterans' and military affairs of the legislature on the number and types of waivers granted pursuant to this subsection.

(b) An applicant who operates a commercial motor vehicle for agribusiness purposes is exempt from the course of instruction completion and employer skills and training certification requirements under this section. By January 1, 2010, the department shall submit recommendations regarding the continuance of this exemption to the transportation committees of the legislature. For purposes of this subsection (2) (b), "agribusiness" means a private carrier who in the normal course of business primarily transports:

(i) Farm machinery, farm equipment, implements of husbandry, farm supplies, and materials used in farming;

(ii) Agricultural inputs, such as seed, feed, fertilizer, and crop protection products;

(iii) Unprocessed agricultural commodities, as defined in RCW 17.21.020, where such commodities are produced by farmers, ranchers, vineyardists, or orchardists; or

(iv) Any combination of (b) (i) through (iii) of this subsection.

The department shall notify the transportation committees of the legislature if the federal government takes action affecting the exemption provided in this subsection (2) (b).

(3) A commercial driver's license or commercial learner's permit may not be issued to a person while the person is subject to a disqualification from driving a commercial motor vehicle, or while the person's driver's license is suspended, revoked, or canceled in any

state, nor may a commercial driver's license be issued to a person who has a commercial driver's license issued by any other state unless the person first surrenders all such licenses, which must be returned to the issuing state for cancellation.

(4) The fees under this section must be deposited into the highway safety fund unless prior to July 1, 2023, the actions described in (a) or (b) of this subsection occur, in which case the portion of the revenue that is the result of the fee increased in section 207, chapter 44, Laws of 2015 3rd sp. sess. must be distributed to the connecting Washington account created under RCW 46.68.395.

(a) Any state agency files a notice of rule making under chapter 34.05 RCW, absent explicit legislative authorization enacted subsequent to July 1, 2015, for a rule regarding a fuel standard based upon or defined by the carbon intensity of fuel, including a low carbon fuel standard or clean fuel standard.

(b) Any state agency otherwise enacts, adopts, orders, or in any way implements a fuel standard based upon or defined by the carbon intensity of fuel, including a low carbon fuel standard or clean fuel standard, without explicit legislative authorization enacted subsequent to July 1, 2015.

(c) Nothing in this subsection acknowledges, establishes, or creates legal authority for the department of ecology or any other state agency to enact, adopt, order, or in any way implement a fuel standard based upon or defined by the carbon intensity of fuel, including a low carbon fuel standard or clean fuel standard. [2021 c 317 § 23; 2020 c 78 § 2; 2015 3rd sp.s. c 44 § 207; 2013 c 224 § 6; 2011 c 153 § 1; 2009 c 339 § 1; 2007 c 418 § 1; 2004 c 187 § 3; 2002 c 352 § 18; 1989 c 178 § 8.]

Severability—2021 c 317: See note following RCW 70A.535.005.

Legislative intent—Value—2020 c 78: "Over half a million United States military veterans live in Washington state and contribute to the state's economic vitality. While active military, many trained in civilian occupations and were well-prepared to contribute to the state as civilians once they left military service. However, many job markets are regulated through licensing, and veterans can find themselves at a disadvantage in obtaining these licenses compared with those trained in the private sector.

Commercial truck and bus drivers are in high demand; individuals are required to have commercial driver's licenses to qualify for these jobs. In the case of military veterans who obtain the necessary driving experience while in the military, there is already a waiver program in place to enable these veterans to waive out of the skills examination and course of instruction requirements. However, they are still required to take the knowledge test to obtain a commercial driver's license in Washington.

The legislature believes that expanding the waiver program to include the knowledge test will remove an unnecessary obstacle for qualifying veterans. The legislature values the military service of veterans and believes that the removal of this barrier will enable qualifying veterans to more quickly apply the skills they acquired in the military to serve their communities as they have served the country." RCW 46.25.070 Application—Change of address, name—Residency—Hazardous materials endorsement. (1) The application for a commercial driver's license or commercial learner's permit must include the following:

(a) The full name and current mailing and residential address of the person;

(b) A physical description of the person, including sex, height, weight, and eye color;

(c) Date of birth;

(d) Except in the case of an applicant for a nondomiciled CLP or CDL who is domiciled in a foreign country and who has not been issued a social security number, the applicant's social security number;

(e) The person's signature;

(f) Certifications including those required by 49 C.F.R. Sec. 383.71;

(g) The names of all states where the applicant has previously been licensed to drive any type of motor vehicle during the previous ten years;

(h) Any other information required by the department; and

(i) A consent to release driving record information to parties identified in chapter 46.52 RCW and this chapter.

(2) An applicant for a commercial driver's license or commercial learner's permit, and every licensee seeking to renew his or her license, must meet the requirements of 49 C.F.R. Sec. 383.71 as it existed on July 8, 2014, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section.

(3) An applicant for a hazardous materials endorsement must submit an application and comply with federal transportation security administration requirements as specified in 49 C.F.R. Part 1572.

(4) When a licensee changes his or her name, mailing address, or residence address, the person shall notify the department as provided in RCW 46.20.205.

(5) No person who has been a resident of this state for thirty days may drive a commercial motor vehicle under the authority of a commercial driver's license issued by another jurisdiction. [2017 c 194 § 2; 2013 c 224 § 7; 2004 c 187 § 4; 2003 c 195 § 2; 1991 c 73 § 2; 1989 c 178 § 9.]

Effective date—2017 c 194: See note following RCW 46.25.054.

Effective date—2013 c 224: See note following RCW 46.01.130.

Findings—2003 c 195: "The legislature finds that current economic conditions impose severe hardships on many commercial vehicle drivers. The legislature finds that commercial drivers who may not currently be working may not be able to afford the expense of a required physical in order to maintain their commercial driver's license. The legislature finds that Washington's commercial driver's license statutes should be harmonized with federal requirements, which require proof of a physical capacity to drive a commercial vehicle, along with a valid commercial driver's license, but do not link the two requirements. The legislature finds that allowing commercial drivers to delay getting a physical until they are actually driving a commercial vehicle will prevent the imposition of unnecessary expense and hardship on Washington's commercial vehicle drivers." [2003 c 195 § 1.]

RCW 46.25.075 Certification—Recordkeeping and administration—Downgrade. (1) Any person applying for a CDL or CLP must certify that he or she is or expects to be engaged in one of the following types of driving:

- (a) Nonexcepted interstate;
- (b) Excepted interstate;
- (c) Nonexcepted intrastate; or
- (d) Excepted intrastate.

(2) A CDL or CLP applicant or holder who certifies under subsection (1)(a), (b), or (c) of this section that he or she is or expects to be engaged in nonexcepted interstate, excepted interstate, or nonexcepted intrastate commerce must provide a copy of a medical examiner's certificate prepared by a medical examiner, as defined in 49 C.F.R. Sec. 390.5 as it existed on April 30, 2019, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section. A CDL or CLP holder who certifies under subsection (1)(a), (b), or (c) of this section must provide a copy of each subsequently issued medical examiner's certificate.

(3) For each operator of a commercial motor vehicle required to have a CDL or CLP, the department must meet the following requirements:

- (a)(i) The driver's self-certification of type of driving under subsection (1) of this section must be maintained on the driver's record and the CDLIS driver record;
- (ii) The copy of a medical examiner's certificate, when provided under subsection (2) of this section, must be retained for three years beyond the date the certificate was issued; and
- (iii) When a medical examiner's certificate is provided under subsection (2) of this section, the information required under 49 C.F.R. Sec. 383.73 as it existed on April 30, 2019, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section must be posted to the CDLIS driver record within ten calendar days from the date provided. RCW 46.25.120 Test for alcohol or drugs—Disqualification for refusal of test or positive test—Procedures. (1) A person who drives a commercial motor vehicle within this state is deemed to have given consent, subject to RCW 46.61.506, to take a test or tests of that person's breath for the purpose of determining that person's alcohol concentration.

(2) A test or tests may be administered at the direction of a law enforcement officer, who after stopping or detaining the commercial motor vehicle driver, has reasonable grounds to believe that driver was driving a commercial motor vehicle while having alcohol in his or her system or while under the influence of any drug.

(3) The law enforcement officer requesting the test under subsection (1) of this section shall warn the person requested to submit to the test that a refusal to submit will result in that person being disqualified from operating a commercial motor vehicle under RCW 46.25.090.

(4) A law enforcement officer who at the time of stopping or detaining a commercial motor vehicle driver has reasonable grounds to believe that driver was driving a commercial motor vehicle while having alcohol, cannabis, or any drug in his or her system or while under the influence of alcohol, cannabis, or any drug may obtain a blood test pursuant to a search warrant, a valid waiver of the warrant requirement, when exigent circumstances exist, or under any other authority of law.

(5) If the person refuses testing, or a test is administered that discloses an alcohol concentration of 0.04 or more or any measurable amount of THC concentration, the law enforcement officer shall submit a sworn report to the department certifying that the test was requested pursuant to subsection (1) of this section or a blood test was administered pursuant to subsection (4) of this section and that the person refused to submit to testing, or a test was administered that disclosed an alcohol concentration of 0.04 or more or any measurable amount of THC concentration.

(6) Upon receipt of the sworn report of a law enforcement officer under subsection (5) of this section, the department shall disqualify the driver from driving a commercial motor vehicle under RCW 46.25.090, subject to the hearing provisions of RCW 46.20.329 and

46.20.332. The hearing shall be conducted in the county of the arrest. For the purposes of this section, the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a commercial motor vehicle within this state while having alcohol in the person's system or while under the influence of any drug, whether the person refused to submit to the test or tests upon request of the officer after having been informed that the refusal would result in the disqualification of the person from driving a commercial motor vehicle, if applicable, and, if the test was administered, whether the results indicated an alcohol concentration of 0.04 percent or more or any measurable amount of THC concentration. The department shall order that the disqualification of the person either be rescinded or sustained. Any decision by the department disqualifying a person from driving a commercial motor vehicle is stayed and does not take effect while a formal hearing is pending under this section or during the pendency of a subsequent appeal to superior court so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction that is a moving violation during the pendency of the hearing and appeal. If the disqualification of the person is sustained after the hearing, the person who is disqualified may file a petition in the superior court of the county of arrest to review the final order of disqualification by the department in the manner provided in RCW 46.20.334.

(7) If a motor carrier or employer who is required to have a testing program under 49 C.F.R. 382 knows that a commercial driver in his or her employ has refused to submit to testing under this section and has not been disqualified from driving a commercial motor vehicle, the employer may notify law enforcement or his or her medical review officer or breath alcohol technician that the driver has refused to submit to the required testing.

(8) The hearing provisions of this section do not apply to those persons disqualified from driving a commercial motor vehicle under RCW 46.25.090(7). [2022 c 16 § 39; 2015 2nd sp.s. c 3 § 7; 2013 2nd sp.s. c 35 § 12; 2006 c 327 § 5; 2002 c 272 § 5; 1998 c 41 § 6; 1990 c 250 § 50; 1989 c 178 § 14.]

RCW 46.25.123 Mandatory reporting of positive test. (1) All medical review officers or breath alcohol technicians hired by or under contract to a motor carrier or employer who employs drivers who operate commercial motor vehicles and who is required to have a testing program conducted under the procedures established by 49 C.F.R. 40 or to a consortium the carrier or employer belongs to, as defined in 49 C.F.R. 40.3, shall report the finding of a commercial motor vehicle driver's verified positive drug test or positive alcohol confirmation test to the department of licensing on a form provided by the department. If the employer is required to have a testing program

under 49 C.F.R. 655, a report of a verified positive drug test or positive alcohol confirmation test must not be forwarded to the department under this subsection unless the test is a preemployment drug test conducted under 49 C.F.R. 655.41 or a preemployment alcohol test conducted under 49 C.F.R. 655.42.

(2) (a) A motor carrier or employer who employs drivers who operate commercial motor vehicles and who is required to have a testing program conducted under the procedures established by 49 C.F.R. 40, or the consortium the carrier or employer belongs to, must report a refusal by a commercial motor vehicle driver to take a drug or alcohol test, under circumstances that constitute the refusal of a test under 49 C.F.R. 40 and where such refusal has not been reported by a medical review officer or breath alcohol technician, to the department of licensing on a form provided by the department.

(b) An employer who is required to have a testing program under 49 C.F.R. 655 must report a commercial motor vehicle driver's verified positive drug test or a positive alcohol confirmation test when: (i) The driver's employment has been terminated or the driver has resigned; (ii) any grievance process, up to but not including arbitration, has been concluded; and (iii) at the time of termination or resignation the driver has not been cleared to return to safety-sensitive functions.

(3) Motor carriers, employers, or consortiums shall make it a written condition of their contract or agreement with a medical review officer or breath alcohol technician, regardless of the state where the medical review officer or breath alcohol technician is located, that the medical review officer or breath alcohol technician is required to report all Washington state licensed drivers who have a verified positive drug test or positive alcohol confirmation test to the department of licensing within three business days of the verification or confirmation. Failure to obtain this contractual condition or agreement with the medical review officer or breath alcohol technician by the motor carrier, employer, or consortium, or failure to report a refusal as required by subsection (2) of this section, will result in an administrative fine as provided in RCW 46.32.100 or 81.04.405.

(4) Substances obtained for testing may not be used for any purpose other than drug or alcohol testing under 49 C.F.R. 40. [2005 c 325 § 3; 2002 c 272 § 1.]

Intent—2005 c 325: See note following RCW 46.25.010.

RCW 46.25.125 Disqualification for positive test—Procedure.

(1) When the department of licensing receives a report from a medical review officer, breath alcohol technician, employer, contractor, or consortium that a driver has a verified positive drug test or positive alcohol confirmation test, as part of the testing program conducted under 49 C.F.R. 40, the department shall disqualify the driver from driving a commercial motor vehicle under RCW 46.25.090(7) subject to a hearing as provided in this section. The department shall notify the person in writing of the disqualification by first-class mail. The notice must explain the procedure for the person to request a hearing.

(2) A person disqualified from driving a commercial motor vehicle for having a verified positive drug test or positive alcohol confirmation test may request a hearing to challenge the

disqualification within twenty days from the date notice is given. If the request for a hearing is mailed, it must be postmarked within twenty days after the department has given notice of the disqualification.

(3) The hearing must be conducted in the county of the person's residence, except that the department may conduct all or part of the hearing by telephone or other electronic means.

(4) For the purposes of this section, or for the purpose of a hearing de novo in an appeal to superior court, the hearing must be limited to the following issues: (a) Whether the driver is the person who is the subject of the report; (b) whether the motor carrier, employer, or consortium has a program that is subject to the federal requirements under 49 C.F.R. 40; and (c) whether the medical review officer or breath alcohol technician making the report accurately followed the protocols established to verify or confirm the results, or if the driver refused a test, whether the circumstances constitute the refusal of a test under 49 C.F.R. 40. Evidence may be presented to demonstrate that the test results are a false positive. For the purpose of a hearing under this section, a copy of a positive test result with a declaration by the tester or medical review officer or breath alcohol technician stating the accuracy of the laboratory protocols followed to arrive at the test result is prima facie evidence:

(i) Of a verified positive drug test or positive alcohol confirmation test result;

(ii) That the motor carrier, employer, or consortium has a program that is subject to the federal requirements under 49 C.F.R. 40; and

(iii) That the medical review officer or breath alcohol technician making the report accurately followed the protocols for testing established to verify or confirm the results.

After the hearing, the department shall order the disqualification of the person either be rescinded or sustained.

(5) If the person does not request a hearing within the twenty-day time limit, or if the person fails to appear at a hearing, the person has waived the right to a hearing and the department shall sustain the disqualification.

(6) A decision by the department disqualifying a person from driving a commercial motor vehicle is stayed and does not take effect while a formal hearing is pending under this section or during the pendency of a subsequent appeal to superior court so long as there is no conviction for a moving violation or no finding that the person has committed a traffic infraction that is a moving violation and the department receives no further report of a verified positive drug test or positive alcohol confirmation test during the pendency of the hearing and appeal. If the disqualification is sustained after the hearing, the person who is disqualified may file a petition in the superior court of the county of his or her residence to review the final order of disqualification by the department in the manner provided in RCW 46.20.334.

(7) The department of licensing may adopt rules specifying further requirements for requesting and conducting a hearing under this section.

(8) The department of licensing is not civilly liable for damage resulting from disqualifying a driver based on a verified positive drug test or positive alcohol confirmation test result as required by this section or for damage resulting from release of this information

that occurs in the normal course of business. [2005 c 325 § 4; 2002 c 272 § 2.]

(2) (a) No later than ten days after disqualifying any nonresident holder of a commercial driver's license or commercial learner's permit from operating a commercial motor vehicle, or revoking, suspending, or canceling the nonresident driving privileges of the nonresident holder of a commercial driver's license or commercial learner's permit for at least sixty days, the department must notify the state that issued the license of the disqualification, revocation, suspension, or cancellation.
