**RCW 72.09.010 Legislative intent.** It is the intent of the legislature to establish a comprehensive system of corrections for convicted law violators within the state of Washington to accomplish the following objectives.

(1) The system should ensure the public safety. The system should be designed and managed to provide the maximum feasible safety for the persons and property of the general public, the staff, and the inmates.

(2) The system should punish the offender for violating the laws of the state of Washington. This punishment should generally be limited to the denial of liberty of the offender.

(3) The system should positively impact offenders by stressing personal responsibility and accountability and by discouraging recidivism.

(4) The system should treat all offenders fairly and equitably without regard to race, religion, sex, national origin, residence, or social condition.

(5) The system, as much as possible, should reflect the values of the community including:

(a) Avoiding idleness. Idleness is not only wasteful but destructive to the individual and to the community.

(b) Adoption of the work ethic. It is the community expectation that all individuals should work and through their efforts benefit both themselves and the community.

(c) Providing opportunities for self improvement. All individuals should have opportunities to grow and expand their skills and abilities so as to fulfill their role in the community.

(d) Linking the receipt or denial of privileges to responsible behavior and accomplishments. The individual who works to improve himself or herself and the community should be rewarded for these efforts. As a corollary, there should be no rewards for no effort.

(e) Sharing in the obligations of the community. All citizens, the public and inmates alike, have a personal and fiscal obligation in the corrections system. All communities must share in the responsibility of the corrections system.

(6) The system should provide for prudent management of resources. The avoidance of unnecessary or inefficient public expenditures on the part of offenders and the department is essential. Offenders must be accountable to the department, and the department to the public and the legislature. The human and fiscal resources of the community are limited. The management and use of these resources can be enhanced by wise investment, productive programs, the reduction of duplication and waste, and the joining together of all involved parties in a common endeavor. Since most offenders return to the community, it is wise for the state and the communities to make an investment in effective rehabilitation programs for offenders and the wise use of resources.

(7) The system should provide for restitution. Those who have damaged others, persons or property, have a responsibility to make restitution for these damages.

(8) The system should be accountable to the citizens of the state. In return, the individual citizens and local units of government must meet their responsibilities to make the corrections system effective.

(9) The system should meet those national standards which the state determines to be appropriate. [1995 1st sp.s. c 19 § 2; 1981 c 136 § 2.]

**Findings—Purpose—Short title—Severability—Effective date—1995 1st sp.s. c 19:** See notes following RCW 72.09.450.

Prior: 2011 1st sp.s. c 21 § 38; 2011 c 282 § 1; 2010 c 181 § 1; 2009 c 521 § 165; 2008 c 231 § 47; 2007 c 483 § 202; 2004 c 167 § 6; 1995 1st sp.s. c 19 § 3; 1987 c 312 § 2.]

**Finding—2022 c 254:** "The legislature recognizes that many federally recognized Indian tribes in Washington exercise felony criminal jurisdiction, yet none operate or have access to a prison facility. Tribal defendants sentenced to greater than one year in custody must serve their time in local jail facilities ill-equipped to house inmates for long sentences. This act will authorize the Washington state department of corrections to negotiate agreements with Indian tribes that will provide a public safety benefit to all residents of Washington by allowing tribal court inmates to serve their felony sentences in an appropriate facility with access to rehabilitative services." [2022 c 254 § 1.]

**Finding—2020 c 319:** "The legislature recognizes the importance of maintaining strong family ties throughout an individual's period of incarceration to help facilitate rehabilitation. Studies have shown that regular visits from family members can reduce recidivism rates by thirteen percent. The legislature recognizes the importance and value that a strong, connected family network can provide to an individual once he or she is released from incarceration. The legislature further recognizes the financial and emotional toll that incarceration can take on the family of those experiencing incarceration. The legislature resolves to increase family interaction by expanding eligibility for family visitation and by providing transparency and availability of services inside correctional institutions. Furthermore, the current indigent cap of ten dollars, which has not increased since 1995, limits access to services inside correctional institutions. Therefore, the legislature finds and declares that the cap shall be increased to twenty-five dollars." [2020 c 319 § 1.]

Each member shall serve a three-year staggered term. The speaker of the house of representatives and the president of the senate shall each appoint one member from each of the two largest caucuses in their respective houses. The legislators so appointed shall be nonvoting members and shall serve two-year terms, or until they cease to be members of the house from which they were appointed, whichever occurs first. The nine members appointed by the secretary shall include three representatives from labor, three representatives from business representing cross sections of industries and all sizes of employers, and three members from the general public.

(2) The committee shall elect a chair and such other officers as it deems appropriate from among the voting members.

(3) The voting members of the committee shall serve with compensation pursuant to RCW 43.03.240 and shall be reimbursed by the department for travel expenses and per diem under RCW 43.03.050 and 43.03.060, as now or hereafter amended. Legislative members shall be reimbursed under RCW 44.04.120, as now or hereafter amended.

**RCW 72.09.090 Correctional industries account—Expenditure—Profits—Appropriations.** The correctional industries account is established in the state treasury. The department of corrections shall deposit in the account all moneys collected and all profits that accrue from the industrial and agricultural operations of the department and any moneys appropriated to the account. Moneys in the account may be spent only for expenses arising in the correctional industries operations.

The division's net profits from correctional industries' sales and contracts shall be reinvested, without appropriation, in the expansion and improvement of correctional industries. However, the secretary shall annually recommend that some portion of the profits from correctional industries be returned to the state general fund.

The secretary shall request appropriations or increased appropriations whenever it appears that additional money is needed to provide for the establishment and operation of a comprehensive correctional industries program. During the 2015-2017 fiscal biennium, the legislature may appropriate from the correctional industries account for increased caseload costs at the department of corrections such amounts as reflect the excess fund balance of the account. **RCW 72.09.095 Transfer of funds to department of labor and industries for crime victims' compensation.** Each year the department shall transfer twenty-five percent of the total annual revenues and receipts received in each institutional betterment fund subaccount to the department of labor and industries for the purpose of providing direct benefits to crime victims through the crime victims' compensation program as outlined in chapter 7.68 RCW. This transfer takes priority over any expenditure of betterment funds and shall be reflected on the monthly financial statements of each institution's betterment fund subaccount.

Any funds so transferred to the department of labor and industries shall be in addition to the crime victims' compensation amount provided in an omnibus appropriation bill. It is the intent of the legislature that the funds forecasted or transferred pursuant to

this section shall not reduce the funding levels provided by appropriation. [1995 c 234 § 2.]

**Finding—1995 c 234:** "The legislature finds that the responsibility for criminal activity should fall squarely on the criminal. To the greatest extent possible society should not be expected to have to pay the price for crimes twice, once for the criminal activity and again by feeding, clothing, and housing the criminal. The corrections system should be the first place criminals are given the opportunity to be responsible for paying for their criminal act, not just through the loss of their personal freedom, but by making financial contributions to alleviate the pain and suffering of victims of crime." [1995 c 234 § 1.]

**RCW 72.09.100 Inmate work program—Classes of work programs—Participation—Benefits.** It is the intent of the legislature to vest in the department the power to provide for a comprehensive inmate work program and to remove statutory and other restrictions which have limited work programs in the past. It is also the intent of the legislature to ensure that the department, in developing and selecting correctional industries work programs, does not encourage the development of, or provide for selection of or contracting for, or the significant expansion of, any new or existing class I correctional industries work programs that unfairly compete with Washington businesses. The legislature intends that the requirements relating to fair competition in the correctional industries work programs be liberally construed by the department to protect Washington businesses from unfair competition. For purposes of establishing such a comprehensive program, the legislature recommends that the department consider adopting any or all, or any variation of, the following classes of work programs:

(1) CLASS I: FREE VENTURE INDUSTRIES.

(a) The employer model industries in this class shall be operated and managed in total or in part by any profit or nonprofit organization pursuant to an agreement between the organization and the department. The organization shall produce goods or services for sale to both the public and private sector.

(b) The customer model industries in this class shall be operated and managed by the department to provide Washington state manufacturers or businesses with products or services currently produced or provided by out-of-state or foreign suppliers.

(c) The department shall review these proposed industries, including any potential new class I industries work program or the significant expansion of an existing class I industries work program, before the department contracts to provide such products or services. The review shall include the analysis required under RCW 72.09.115 to determine if the proposed correctional industries work program will compete with any Washington business. An agreement for a new class I correctional industries work program, or an agreement for a significant expansion of an existing class I correctional industries work program, that unfairly competes with any Washington business is prohibited.

(d) The department shall supply appropriate security and custody services without charge to the participating firms.

(e) Inmates who work in free venture industries shall do so at their own choice. They shall be paid a wage comparable to the wage paid for work of a similar nature in the locality in which the industry is located, as determined by the director of correctional industries. If the director cannot reasonably determine the comparable wage, then the pay shall not be less than the federal minimum wage.

(f) An inmate who is employed in the class I program of correctional industries shall not be eligible for unemployment compensation benefits pursuant to any of the provisions of Title 50 RCW until released on parole or discharged.

(2) CLASS II: TAX REDUCTION INDUSTRIES.

(a) Industries in this class shall be state-owned and operated enterprises designed primarily to reduce the costs for goods and services for tax-supported agencies and for nonprofit organizations.

(b) (i) The industries selected for development within this class shall, as much as possible, match the available pool of inmate work skills and aptitudes with the work opportunities in the free community. The industries shall be closely patterned after private sector industries but with the objective of reducing public support costs rather than making a profit.

(ii) Except as provided in \*RCW 43.19.534(3) and this section, the products and services of this industry, including purchased products and services necessary for a complete product line, may be sold to the following:

(A) Public agencies;

(B) Nonprofit organizations;

(C) Private contractors when the goods purchased will be ultimately used by a public agency or a nonprofit organization;

(D) An employee and immediate family members of an employee of the department;

(E) A person under the supervision of the department and his or her immediate family members; and

(F) A licensed health professional for the sole purpose of providing eyeglasses to enrollees of the state medical program at no more than the health professional's cost of acquisition.

(iii) The department shall authorize the type and quantity of items that may be purchased and sold under (b) (ii) (D) and (E) of this subsection.

(iv) It is prohibited to purchase any item purchased under (b) (ii) (D) and (E) of this subsection for the purpose of resale.

(v) Clothing manufactured by an industry in this class may be donated to nonprofit organizations that provide clothing free of charge to low-income persons.

(c) Under no circumstance shall offenders under the custody of the department of corrections make or assemble uniforms to be worn by correctional officers employed with the department.

(d) (i) Class II correctional industries products and services shall be reviewed by the department before offering such products and services for sale to private contractors.

(ii) The secretary shall conduct a yearly marketing review of the products and services offered under this subsection. Such review shall include an analysis of the potential impact of the proposed products and services on the Washington state business community. To avoid waste or spoilage and consequent loss to the state, when there is no public sector market for such goods, by-products and surpluses of timber, agricultural, and animal husbandry enterprises may be sold to private persons, at private sale. Surplus by-products and surpluses of

timber, agricultural and animal husbandry enterprises that cannot be sold to public agencies or to private persons may be donated to nonprofit organizations. All sales of surplus products shall be carried out in accordance with rules prescribed by the secretary.

(e) Security and custody services shall be provided without charge by the department.

(f) Inmates working in this class of industries shall do so at their own choice and shall be paid for their work on a gratuity scale which shall not exceed the wage paid for work of a similar nature in the locality in which the industry is located and which is approved by the director of correctional industries.

(g) Provisions of RCW 41.06.142 shall not apply to contracts with Washington state businesses entered into by the department through class II industries.

(3) CLASS III: INSTITUTIONAL SUPPORT INDUSTRIES.

(a) Industries in this class shall be operated by the department. They shall be designed and managed to accomplish the following objectives:

(i) Whenever possible, to provide basic work training and experience so that the inmate will be able to qualify for better work both within correctional industries and the free community. It is not intended that an inmate's work within this class of industries should be his or her final and total work experience as an inmate.

(ii) Whenever possible, to provide forty hours of work or work training per week.

(iii) Whenever possible, to offset tax and other public support costs.

(b) Class III correctional industries shall be reviewed by the department to set policy for work crews. The department shall prepare quarterly detail statements showing where work crews worked, what correctional industry class, and the hours worked.

(c) Supervising, management, and custody staff shall be employees of the department.

(d) All able and eligible inmates who are assigned work and who are not working in other classes of industries shall work in this class.

(e) Except for inmates who work in work training programs, inmates in this class shall be paid for their work in accordance with an inmate gratuity scale. The scale shall be adopted by the secretary of corrections.

(4) CLASS IV: COMMUNITY WORK INDUSTRIES.

(a) Industries in this class shall be operated by the department. They shall be designed and managed to provide services in the inmate's resident community at a reduced cost. The services shall be provided to public agencies, to persons who are poor or infirm, or to nonprofit organizations.

(b) Class IV correctional industries shall be reviewed by the department to set policy for work crews. The department shall prepare quarterly detail statements showing where work crews worked, what correctional industry class, and the hours worked. Class IV correctional industries operated in work camps established pursuant to RCW 72.64.050 are exempt from the requirements of this subsection (4) (b).

(c) Inmates in this program shall reside in facilities owned by, contracted for, or licensed by the department. A unit of local government shall provide work supervision services without charge to the state and shall pay the inmate's wage.

(d) The department shall reimburse participating units of local government for liability and workers compensation insurance costs.

(e) Inmates who work in this class of industries shall do so at their own choice and shall receive a gratuity which shall not exceed the wage paid for work of a similar nature in the locality in which the industry is located.

(5) CLASS V: COMMUNITY RESTITUTION PROGRAMS.

(a) Programs in this class shall be subject to supervision by the department. The purpose of this class of industries is to enable an inmate, placed on community supervision, to work off all or part of a community restitution order as ordered by the sentencing court.

(b) Employment shall be in a community restitution program operated by the state, local units of government, or a nonprofit agency.

(c) To the extent that funds are specifically made available for such purposes, the department shall reimburse nonprofit agencies for workers compensation insurance costs. [2012 c 220 § 2. **RCW 72.09.110 Inmates' wages—Supporting cost of corrections—Crime victims' compensation and family support.** All inmates working in prison industries shall participate in the cost of corrections, including costs to develop and implement correctional industries programs, by means of deductions from their gross wages. The secretary may direct the state treasurer to deposit a portion of these moneys in the crime victims compensation account. The secretary shall direct that all moneys received by an inmate for testifying in any judicial proceeding shall be deposited into the crime victims compensation account.

When the secretary finds it appropriate and not unduly destructive of the work incentive, the secretary may also provide

deductions for savings and family support. [1993 sp.s. c 20 § 5; 1991 c 133 § 1; 1989 c 185 § 9; 1986 c 162 § 1; 1981 c 136 § 12.]

**RCW 72.09.111 Inmate wages—Deductions—Availability of savings—Recovery of cost of incarceration—Definition.** (1) The secretary shall deduct taxes and legal financial obligations from the wages, gratuities, or workers' compensation benefits payable directly to the inmate under chapter 51.32 RCW, of each inmate working in correctional industries work programs, or otherwise receiving such wages, gratuities, or benefits. The secretary shall also deduct child support payments from the gratuities of each inmate working in class II through class IV correctional industries work programs. The secretary shall develop a formula for the distribution of offender wages, gratuities, and benefits. The formula shall not reduce the inmate account below the indigency level, as defined in RCW 72.09.015.

(a) The formula shall include the following maximum allowable deductions from class I wages and from all others earning at least minimum wage:

(4) The management of classes I, II, and IV correctional industries may establish an incentive payment for offender workers based on productivity criteria. This incentive shall be paid separately from the hourly wage/gratuity rate and shall not be subject to the specified deduction for cost of incarceration.

(5) In the event that the offender worker's wages, gratuity, or workers' compensation benefit is subject to garnishment for support enforcement, the crime victims' compensation account, savings, and cost of incarceration deductions shall be calculated on the net wages after taxes, legal financial obligations, and garnishment.

**RCW 72.09.115 Proposed new class I correctional industries work program—Threshold analysis—Business impact analysis—Public hearing—Finding.** (1) The department must prepare a threshold analysis for any proposed new class I correctional industries work program or the significant expansion of an existing class I correctional industries work program before the department enters into an agreement to provide such products or services. The analysis must state whether the proposed new or expanded program will impact any Washington business

and must be based on information sufficient to evaluate the impact on Washington business.

(2) If the threshold analysis determines that a proposed new or expanded class I correctional industries work program will impact a Washington business, the department must complete a business impact analysis before the department enters into an agreement to provide such products or services. The business impact analysis must include:

(a) A detailed statement identifying the scope and types of impacts caused by the proposed new or expanded correctional industries work program on Washington businesses; and

(b) A detailed statement of the business costs of the proposed correctional industries work program compared to the business costs of the Washington businesses that may be impacted by the proposed class I correctional industries work program. Business costs of the proposed correctional industries work program include rent, water, sewer, electricity, disposal, labor costs, and any other quantifiable expense unique to operating in a prison. Business costs of the impacted Washington business include rent, water, sewer, electricity, disposal, property taxes, and labor costs including employee taxes, unemployment insurance, and workers' compensation.

(3) The completed threshold analysis and any completed business impact analysis with all supporting documents must be shared in a meaningful and timely manner with local chambers of commerce, trade or business associations, local and state labor union organizations, and government entities before a finding required under subsection (4) of this section is made on the proposed new or expanded class I correctional industries work program.

(4) If a business impact analysis is completed, the department must conduct a public hearing to take public testimony on the business impact analysis. The department must, at a minimum, establish a publicly accessible website containing information reasonably calculated to provide notice to each Washington business assigned the same three-digit standard industrial classification code, or the corresponding North American industry classification system code, as the organization seeking the class I correctional industries work program agreement of the date, time, and place of the hearing. Notice of the hearing shall be posted at least thirty days prior to the hearing.

(5) Following the public hearing, the department shall adopt a finding that the proposed new or expanded class I correctional industries work program: (a) Will not compete with any Washington business; (b) will not compete unfairly with any Washington business; or (c) will compete unfairly with any Washington business and is therefore prohibited under chapter 167, Laws of 2004. [2004 c 167 § 4.]

**RCW 72.09.116 Information obtained under RCW 72.09.115 exempt from public disclosure.** All records, documents, data, and other materials obtained under the requirements of RCW 72.09.115 from an existing correctional industries class I work program participant or an applicant for a proposed new or expanded class I correctional industries work program are exempt from public disclosure under chapter 42.56 RCW. [2005 c 274 § 347; 2004 c 167 § 8.]

**RCW 72.09.120 Distribution of list of inmate job opportunities.**

In order to assist inmates in finding work within prison industries, the department shall periodically prepare and distribute a list of prison industries' job opportunities, which shall include job descriptions and the educational and skill requirements for each job. [1981 c 136 § 16.]

**RCW 72.09.130 Incentive system for participation in education and work programs—Rules—Dissemination.**

(1) The department shall adopt, by rule, a system that clearly links an inmate's behavior and participation in available education and work programs with the receipt or denial of earned early release days and other privileges. The system shall include increases or decreases in the degree of liberty granted the inmate within the programs operated by the department, access to or withholding of privileges available within correctional institutions, and recommended increases or decreases in the number of earned early release days that an inmate can earn for good conduct and good performance.

(2) Earned early release days shall be recommended by the department as a reward for accomplishment. The system shall be fair, measurable, and understandable to offenders, staff, and the public. At least once in each twelve-month period, the department shall inform the offender in writing as to his or her conduct and performance. This written evaluation shall include reasons for awarding or not awarding recommended earned early release days for good conduct and good performance. An inmate is not eligible to receive earned early release days during any time in which he or she refuses to participate in an available education or work program into which he or she has been placed under RCW 72.09.460.

(3) The department shall provide each offender in its custody a written description of the system created under this section. [1995 1st sp.s. c 19 § 6; 1981 c 136 § 17.]

The department of corrections shall, no later than July 1, 1987, adopt standards for the operation of state adult correctional facilities. These standards shall be the minimums necessary to meet federal and state constitutional requirements relating to health, safety, and welfare of inmates and staff, and specific state and federal statutory requirements, and to provide for the public's health, safety, and welfare. The need for each standard shall be documented. [1987 c 462 § 15.]

**Effective dates—1987 c 462:** See note following RCW 13.04.116.

**RCW 72.09.190 Legal services for inmates.** (1) It is the intent of the legislature that reasonable legal services be provided to persons committed to the custody of the department of corrections. The department shall contract with persons or organizations to provide legal services. The secretary shall adopt procedures designed to

minimize any conflict of interest, or appearance thereof, in respect to the provision of legal services and the department's administration of such contracts.

(2) Persons who contract to provide legal services are expressly forbidden to solicit plaintiffs or promote litigation which has not been pursued initially by a person entitled to such services under this section.

(4) Nothing in this section forbids the secretary to supplement contracted legal services with any of the following: (a) Law libraries, (b) law student interns, and (c) volunteer attorneys.

(5) The total due a contractor as compensation, fees, or reimbursement under the terms of the contract shall be reduced by the total of any other compensation, fees, or reimbursement received by or due the contractor for the performance of any legal service to inmates during the contract period. Any amount received by a contractor under contract which is not due under this section shall be immediately returned by the contractor. [1981 c 136 § 23.]

Whenever any question arises as to the transfer of any funds including unexpended balances within any accounts, books, documents, records, papers, files, equipment, or other tangible property used or held in the exercise of the powers and the performance of the duties and functions transferred under RCW 72.09.040, the director of financial management shall make a determination as to the proper allocation and certify the same to the state agencies concerned.

If apportionments of budgeted funds are required because of the transfers authorized in this section, the director of financial management shall certify the apportionments to the agencies affected, the state auditor, and the state treasurer. Each of these shall make the appropriate transfer and adjustments in funds and appropriation accounts and equipment records in accordance with the certification. [1981 c 136 § 31.]

**RCW 72.09.210 Transfer of employees.** All employees of the department of social and health services who are directly employed in connection with the exercise of the powers and performance of the

duties and functions transferred to the department of corrections by RCW 72.09.040 shall be transferred on July 1, 1981, to the jurisdiction of the department of corrections.

All such employees classified under chapter 41.06 RCW, the state civil service law, shall be assigned to the department of corrections. **RCW 72.09.220 Employee rights under collective bargaining.**

Nothing contained in RCW 72.09.010 through 72.09.190, 72.09.901, and section 13, chapter 136, Laws of 1981 may be construed to downgrade any rights of any employee under any existing collective bargaining unit or the provisions of any existing collective bargaining agreement until the agreement has expired or until the bargaining unit has been modified by action of the Washington personnel resources board as provided by law. [1993 c 281 § 64; 1981 c 136 § 33.]

**Effective date—1993 c 281:** See note following RCW 41.06.022.

**RCW 72.09.225 Sexual misconduct by state employees, contractors.**

(1) When the secretary has reasonable cause to believe that sexual intercourse or sexual contact between an employee and an inmate has occurred, notwithstanding any rule adopted under chapter 41.06 RCW the secretary shall immediately suspend the employee.

(2) The secretary shall immediately institute proceedings to terminate the employment of any person:

(a) Who is found by the department, based on a preponderance of the evidence, to have had sexual intercourse or sexual contact with the inmate; or

(b) Upon a guilty plea or conviction for any crime specified in chapter 9A.44 RCW when the victim was an inmate.

(3) When the secretary has reasonable cause to believe that sexual intercourse or sexual contact between the employee of a contractor and an inmate has occurred, the secretary shall require the employee of a contractor to be immediately removed from any employment position which would permit the employee to have any access to any inmate.

(4) The secretary shall disqualify for employment with a contractor in any position with access to an inmate, any person:

(a) Who is found by the department, based on a preponderance of the evidence, to have had sexual intercourse or sexual contact with the inmate; or

(b) Upon a guilty plea or conviction for any crime specified in chapter 9A.44 RCW when the victim was an inmate.

(5) The secretary, when considering the renewal of a contract with a contractor who has taken action under subsection (3) or (4) of this section, shall require the contractor to demonstrate that there has been significant progress made in reducing the likelihood that any of its employees will have sexual intercourse or sexual contact with an inmate. The secretary shall examine whether the contractor has taken steps to improve hiring, training, and monitoring practices and whether the employee remains with the contractor. The secretary shall

not renew a contract unless he or she determines that significant progress has been made.

(6) (a) For the purposes of RCW 50.20.060, a person terminated under this section shall be considered discharged for misconduct.

(b) (i) The department may, within its discretion or upon request of any member of the public, release information to an individual or to the public regarding any person or contract terminated under this section.

(ii) An appointed or elected public official, public employee, or public agency as defined in RCW 4.24.470 is immune from civil liability for damages for any discretionary release of relevant and necessary information, unless it is shown that the official, employee, or agency acted with gross negligence or in bad faith. The immunity provided under this section applies to the release of relevant and necessary information to other public officials, public employees, or public agencies, and to the public.

(iii) Except as provided in chapter 42.56 RCW, or elsewhere, nothing in this section shall impose any liability upon a public official, public employee, or public agency for failing to release information authorized under this section. Nothing in this section implies that information regarding persons designated in subsection (2) of this section is confidential except as may otherwise be provided by law.

(7) The department shall adopt rules to implement this section. The rules shall reflect the legislative intent that this section prohibits individuals who are employed by the department or a contractor of the department from having sexual intercourse or sexual contact with inmates. The rules shall also reflect the legislative intent that when a person is employed by the department or a contractor of the department, and has sexual intercourse or sexual contact with an inmate against the employed person's will, the termination provisions of this section shall not be invoked.

(8) As used in this section:

(a) "Contractor" includes all subcontractors of a contractor;

(b) "Inmate" means an inmate as defined in RCW 72.09.015 or a person under the supervision of the department; and

(c) "Sexual intercourse" and "sexual contact" have the meanings provided in RCW 9A.44.010. [2005 c 274 § 348; 1999 c 72 § 2.]

**Application—1999 c 72:** See note following RCW 13.40.570.

**RCW 72.09.230 Duties continued during transition.** All state officials required to maintain contact with or provide services to the department or secretary of social and health services relating to adult corrections shall continue to perform the services for the department of corrections.

In order to ease the transition of adult corrections to the department of corrections, the governor may require an interagency agreement between the department and the department of social and health services under which the department of social and health services would, on a temporary basis, continue to perform all or part of any specified function of the department of corrections. [1981 c 136 § 34.]

**RCW 72.09.240 Reimbursement of employees for offender assaults.**

(1) In recognition of prison overcrowding and the hazardous nature of employment in state correctional institutions and offices, the legislature hereby provides a supplementary program to reimburse employees of the department of corrections and the department of natural resources for some of their costs attributable to their being the victims of offender assaults. This program shall be limited to the reimbursement provided in this section.

(2) An employee is only entitled to receive the reimbursement provided in this section if the secretary of corrections or the commissioner of public lands, or the secretary's or commissioner's designee, finds that each of the following has occurred:

(a) An offender has assaulted the employee while the employee is performing the employee's official duties and as a result thereof the employee has sustained injuries which have required the employee to miss days of work; and

(b) The assault cannot be attributable to any extent to the employee's negligence, misconduct, or failure to comply with any rules or conditions of employment.

(3) The reimbursement authorized under this section shall be as follows:

(a) The employee's accumulated sick leave days shall not be reduced for the workdays missed;

(b) For each workday missed for which the employee is not eligible to receive compensation under chapter 51.32 RCW, the employee shall receive full pay; and

(c) In respect to workdays missed for which the employee will receive or has received compensation under chapter 51.32 RCW, the employee shall be reimbursed in an amount which, when added to that compensation, will result in the employee receiving full pay for the workdays missed.

(4) Reimbursement under this section may not continue longer than three hundred sixty-five consecutive days after the date of the injury or the date of termination of time loss benefits related to the assault by the department of labor and industries, whichever is later.

(5) The employee shall not be entitled to the reimbursement provided in subsection (3) of this section for any workday for which the secretary or the commissioner of public lands, or the secretary's or commissioner's designee, finds that the employee has not diligently pursued his or her compensation remedies under chapter 51.32 RCW.

(6) The reimbursement shall only be made for absences which the secretary or the commissioner of public lands, or the secretary's or commissioner's designee, believes are justified.

(7) While the employee is receiving reimbursement under this section, he or she shall continue to be classified as a state employee and the reimbursement amount shall be considered as salary or wages.

(8) All reimbursement payments required to be made to employees under this section shall be made by the department of corrections or the department of natural resources. The payments shall be considered as a salary or wage expense and shall be paid by the department of corrections or the department of natural resources in the same manner and from the same appropriations as other salary and wage expenses of the department of corrections or the department of natural resources.

(9) Should the legislature revoke the reimbursement authorized under this section or repeal this section, no affected employee is entitled thereafter to receive the reimbursement as a matter of contractual right.

(10) For the purposes of this section, "offender" means: (a) Offender as defined in RCW 9.94A.030; and (b) any other person in the custody of or subject to the jurisdiction of the department of corrections. [2016 c 8 § 1; 2002 c 77 § 2; 1988 c 149 § 1; 1984 c 246 § 9.]

**Severability—1984 c 246:** See note following RCW 9.94A.870.

**RCW 72.09.251 Communicable disease prevention guidelines.** (1) The department shall develop and implement policies and procedures for the uniform distribution of communicable disease prevention guidelines to all corrections staff who, in the course of their regularly assigned job responsibilities, may come within close physical proximity to offenders with communicable diseases.

(2) The guidelines shall identify special precautions necessary to reduce the risk of transmission of communicable diseases.

(3) For the purposes of this section, "communicable disease" means sexually transmitted diseases, as defined in RCW 70.24.017, diseases caused by blood-borne pathogens, or any other illness caused by an infectious agent that can be transmitted from one person, animal, or object to another person by direct or indirect means including transmission via an intermediate host or vector, food, water, or air. [1997 c 345 § 4.]

**Findings—Intent—1997 c 345:** See note following RCW 70.24.340.

**RCW 72.09.260 Litter cleanup programs—Requirements.** (1) The department shall assist local units of government in establishing community restitution programs for litter cleanup. Community restitution litter cleanup programs must include the following: (a) Procedures for documenting the number of community restitution hours worked in litter cleanup by each offender; (b) plans to coordinate litter cleanup activities with local governmental entities responsible for roadside and park maintenance; (c) insurance coverage for offenders during litter cleanup activities pursuant to RCW 51.12.045; (d) provision of adequate safety equipment and, if needed, weather protection gear; and (e) provision for including felons and misdemeanants in the program.

(2) Community restitution programs established under this section shall involve, but not be limited to, persons convicted of nonviolent, drug-related offenses.

(3) Nothing in this section shall diminish the department's authority to place offenders in community restitution programs or to determine the suitability of offenders for specific programs.

(4) As used in this section, "litter cleanup" includes cleanup and removal of solid waste that is illegally dumped. [2002 c 175 § 50; 1990 c 66 § 2.]

**Effective date—2002 c 175:** See note following RCW 7.80.130.

**Findings—Intent—1990 c 66:** "The legislature finds that the amount of litter along the state's roadways is increasing at an alarming rate and that local governments often lack the human and fiscal resources to remove litter from public roads. The legislature

also finds that persons committing nonviolent, drug-related offenses can often be productively engaged through programs to remove litter from county and municipal roads. It is therefore the intent of the legislature to assist local units of government in establishing community restitution programs for litter cleanup and to establish a funding source for such programs." [2002 c 175 § 51; 1990 c 66 § 1.]

**RCW 72.09.270 Individual reentry plan.** (1) The department of corrections shall develop an individual reentry plan as defined in RCW 72.09.015 for every incarcerated individual who is committed to the jurisdiction of the department except:

(a) Incarcerated individuals who are sentenced to life without the possibility of release or sentenced to death under \*chapter 10.95 RCW; and

(b) Incarcerated individuals who are subject to the provisions of 8 U.S.C. Sec. 1227.

(2) The individual reentry plan may be one document, or may be a series of individual plans that combine to meet the requirements of this section.

(3) In developing individual reentry plans, the department shall assess all incarcerated individuals using standardized and comprehensive tools to identify the criminogenic risks, programmatic needs, and educational and vocational skill levels for each incarcerated individual. The assessment tool should take into account demographic biases, such as culture, age, and gender, as well as the needs of the incarcerated individual, including any learning disabilities, substance abuse or mental health issues, and social or behavior challenges.

(4) (a) The initial assessment shall be conducted as early as sentencing, but, whenever possible, no later than forty-five days of being sentenced to the jurisdiction of the department of corrections.

(b) The incarcerated individual's individual reentry plan shall be developed as soon as possible after the initial assessment is conducted, but, whenever possible, no later than sixty days after completion of the assessment, and shall be periodically reviewed and updated as appropriate.

(5) The individual reentry plan shall, at a minimum, include:

(a) A plan to maintain contact with the incarcerated individual's children and family, if appropriate. The plan should determine whether parenting classes, or other services, are appropriate to facilitate successful reunification with the incarcerated individual's children and family;

(b) An individualized portfolio for each incarcerated individual that includes the incarcerated individual's education achievements, certifications, employment, work experience, skills, and any training received prior to and during incarceration; and

(c) A plan for the incarcerated individual during the period of incarceration through reentry into the community that addresses the needs of the incarcerated individual including education, employment, substance abuse treatment, mental health treatment, family reunification, and other areas which are needed to facilitate a successful reintegration into the community.

(6) (a) Prior to discharge of any incarcerated individual, the department shall:

(i) Evaluate the incarcerated individual's needs and, to the extent possible, connect the incarcerated individual with existing services and resources that meet those needs; and

(ii) Connect the incarcerated individual with a community justice center and/or community transition coordination network in the area in which the incarcerated individual will be residing once released from the correctional system if one exists.

(b) If the department recommends partial confinement in an incarcerated individual's individual reentry plan, the department shall maximize the period of partial confinement for the incarcerated individual as allowed pursuant to RCW 9.94A.728 to facilitate the incarcerated individual's transition to the community.

(7) The department shall establish mechanisms for sharing information from individual reentry plans to those persons involved with the incarcerated individual's treatment, programming, and reentry, when deemed appropriate. When feasible, this information shall be shared electronically.

(8) (a) In determining the county of discharge for an incarcerated individual released to community custody, the department may approve a residence location that is not in the incarcerated individual's county of origin if the department determines that the residence location would be appropriate based on any court-ordered condition of the incarcerated individual's sentence, victim safety concerns, and factors that increase opportunities for successful reentry and long-term support including, but not limited to, location of family or other sponsoring persons or organizations that will support the incarcerated individual, ability to complete an educational program that the incarcerated individual is enrolled in, availability of appropriate programming or treatment, and access to housing, employment, and prosocial influences on the person in the community.

(b) In implementing the provisions of this subsection, the department shall approve residence locations in a manner that will not cause any one county to be disproportionately impacted.

(c) If the incarcerated individual is not returned to his or her county of origin, the department shall provide the law and justice council of the county in which the incarcerated individual is placed with a written explanation.

(d) (i) For purposes of this section, except as provided in (d) (ii) of this subsection, the incarcerated individual's county of origin means the county of the incarcerated individual's residence at the time of the incarcerated individual's first felony conviction in Washington state.

(ii) If the incarcerated individual is a homeless person as defined in RCW 43.185C.010, or the incarcerated individual's residence is unknown, then the incarcerated individual's county of origin means the county of the incarcerated individual's first felony conviction in Washington state.

(9) Nothing in this section creates a vested right in programming, education, or other services. [2021 c 200 § 3; 2008 c 231 § 48; 2007 c 483 § 203.]

**\*Reviser's note:** RCW 10.95.040 through 10.95.901 relating to "death sentence" was repealed by 2023 c 102 § 21.

**~~Intent—Application—Application of repealers—Effective date—~~**  
**2008 c 231:** See notes following RCW 9.94A.701.

**Severability—2008 c 231:** See note following RCW 9.94A.500.

**Intent—2007 c 483:** "Individual reentry plans are intended to be a tool for the department of corrections to identify the needs of an offender. Individual reentry plans are meant to assist the department in targeting programming and services to offenders with the greatest need and to the extent that those services are funded and available. The state cannot meet every need that may have contributed to every offender's criminal proclivities. Further, an individual reentry plan, and the programming resulting from that plan, are not a guarantee that an offender will not recidivate. Rather, the legislature intends that by identifying offender needs and offering programs that have been proven to reduce the likelihood of reoffense, the state will benefit by an overall reduction in recidivism." [2007 c 483 § 201.]

**Findings—2007 c 483:** See RCW 72.78.005.

**RCW 72.09.275 Duty to notify of process for restoration of voting rights.** (1) The department shall notify a person, in writing, of the process for restoration of voting rights, as described in RCW 29A.08.520, prior to the release from, or transfer to partial confinement from, total confinement under the jurisdiction of the department of corrections unless a person is being released from a department of corrections facility to an out-of-state jurisdiction or federal detention center, pursuant to a felony conviction. The department shall also provide the person with:

(a) A voter registration form and written instructions for returning the form by mail; and

(b) Written information regarding registering to vote in person and electronically.

(2) For purposes of this section:

(a) A sentence of total confinement does not include confinement imposed as a sanction for a community custody violation under RCW 9.94A.633(1).

(b) "Total confinement" has the same meaning as in RCW 9.94A.030. [2021 c 10 § 7; 2019 c 43 § 1.]

**Effective date—2021 c 10:** See note following RCW 29A.08.520.

**RCW 72.09.280 Community justice centers.** (1) The department shall continue to establish community justice centers throughout the state for the purpose of providing comprehensive services and monitoring for offenders who are reentering the community.

(2) For the purposes of this chapter, "community justice center" is defined as a nonresidential facility staffed primarily by the department in which recently released offenders may access services necessary to improve their successful reentry into the community. Such services may include but are not limited to, those listed in the individual reentry plan, mental health, chemical dependency, sex offender treatment, anger management, parenting education, financial literacy, housing assistance, and employment assistance.

(3) At a minimum, the community justice center shall include:

(a) A violator program to allow the department to utilize a range of available sanctions for offenders who violate conditions of their supervision;

(b) An employment opportunity program to assist an offender in finding employment; and

(c) Resources for connecting offenders with services such as treatment, transportation, training, family reunification, and community services.

(4) In addition to any other programs or services offered by a community justice center, the department shall designate a transition coordinator to facilitate connections between the former offender and the community. The department may designate transition coordination services to be provided by a community transition coordination network pursuant to \*RCW 72.78.030 if one has been established in the community where the community justice center is located and the department has entered into a memorandum of understanding with the county to share resources.

(5) The transition coordinator shall provide information to former offenders regarding services available to them in the community regardless of the length of time since the offender's release from the correctional facility. The transition coordinator shall, at a minimum, be responsible for the following:

(a) Gathering and maintaining information regarding services currently existing within the community that are available to offenders including, but not limited to:

(i) Programs offered through the department of social and health services, the department of health, the department of licensing, housing authorities, local community and technical colleges, other state or federal entities which provide public benefits, and nonprofit entities;

(ii) Services such as housing assistance, employment assistance, education, vocational training, parent education, financial literacy, treatment for substance abuse, mental health, anger management, and any other service or program that will assist the former offender to successfully transition into the community;

(b) Coordinating access to the existing services with the community providers and provide offenders with information regarding how to access the various type of services and resources that are available in the community.

(6) (a) A minimum of six community justice centers shall be operational by December 1, 2009. The six community justice centers include those in operation on July 22, 2007.

(b) By December 1, 2011, the department shall establish a minimum of three additional community justice centers within the state.

(7) In locating new centers, the department shall:

(a) Give priority to the counties with the largest population of offenders who were under the jurisdiction of the department of corrections and that do not already have a community justice center;

(b) Ensure that at least two centers are operational in eastern Washington; and

(c) Comply with RCW 72.09.290 and all applicable zoning laws and regulations.

(8) Before beginning the siting or opening of the new community justice center, the department shall:

(a) Notify the city, if applicable, and the county within which the community justice center is proposed. Such notice shall occur at

least sixty days prior to selecting a specific location to provide the services listed in this section;

(b) Consult with the community providers listed in subsection (5) of this section to determine if they have the capacity to provide services to offenders through the community justice center; and

(c) Give due consideration to all comments received in response to the notice of the start of site selection and consultation with community providers.

(9) The department shall make efforts to enter into memoranda of understanding or agreements with the local community policing and supervision programs as defined in RCW 72.78.010 in which the community justice center is located to address:

(a) Efficiencies that may be gained by sharing space or resources in the provision of reentry services to offenders, including services provided through a community transition coordination network established pursuant to \*RCW 72.78.030 if a network has been established in the county;

(b) Mechanisms for communication of information about offenders, including the feasibility of shared access to databases;

(c) Partnerships to establish neighborhood corrections initiatives between the department of corrections and local police to supervise offenders.

(i) A neighborhood corrections initiative includes shared mechanisms to facilitate supervision of offenders which may include activities such as joint emphasis patrols to monitor high-risk offenders, service of bench and secretary warrants and detainers, joint field visits, connecting offenders with services, and, where appropriate, directing offenders into sanction alternatives in lieu of incarceration.

(ii) The agreement must address:

(A) The roles and responsibilities of police officers and corrections staff participating in the partnership; and

(B) The amount of corrections staff and police officer time that will be dedicated to partnership efforts. [2007 c 483 § 302.]

**\*Reviser's note:** RCW 72.78.030 expired June 30, 2013.

**Findings—2007 c 483:** See RCW 72.78.005.

**RCW 72.09.285 Rental voucher list—Housing providers.** (1) A housing provider may be placed on a list with the department to receive rental vouchers under RCW 9.94A.729 in accordance with the provisions of this section.

(2) For living environments with between four and eight beds, or a greater number of individuals if permitted by local code, the department shall provide transition support that verifies an offender is participating in programming or services including, but not limited to, substance abuse treatment, mental health treatment, sex offender treatment, educational programming, development of positive living skills, or employment programming. In addition, when selecting housing providers, the department shall consider the compatibility of the proposed offender housing with the surrounding neighborhood and underlying zoning. The department shall adopt procedures to limit the concentration of housing providers who provide housing to sex offenders in a single neighborhood or area.

(3) (a) The department shall provide the local law and justice council, county sheriff, or, if such housing is located within a city, a city's chief law enforcement officer with notice anytime a housing provider or new housing location requests to be or is added to the list within that county.

(b) The county or city local government may provide the department with a community impact statement, which includes the number and location of other special needs housing in the neighborhood and a review of services and supports in the area to assist offenders in their transition. If a community impact statement is provided to the department within twenty-five business days of the notice of a new housing provider or housing location request, the department shall consider the community impact statement in determining whether to add the provider to the list and, if the provider is added, shall include the community impact statement in the notice that a provider is added to the list within that county.

(4) If a certificate of inspection, as provided in RCW 59.18.125, is required by local regulation and the local government does not have a current certificate of inspection on file, the local government shall have ten business days from the later of (a) receipt of notice from the department as provided in subsection (3) of this section; or (b) the date the local government is given access to the dwelling unit to conduct an inspection or reinspection to issue a certificate. This section is deemed satisfied if a local government does not issue a timely certificate of inspection.

(5) (a) If, within ten business days of receipt of a notice from the department of a new location or new housing provider, the county or city determines that the housing is in a neighborhood with an existing concentration of special needs housing, including but not limited to offender reentry housing, retirement homes, assisted living, emergency or transitional housing, or adult family homes, the county or city may request that the department program administrator remove the new location or new housing provider from the list.

(b) This subsection does not apply to housing providers approved by the department to receive rental vouchers on July 28, 2013.

(6) The county or city may at any time request a housing provider be removed from the list if it provides information to the department that:

(a) It has determined that the housing does not comply with state and local fire and building codes or applicable zoning and development regulations in effect at the time the housing provider first began receiving housing vouchers; or

(b) The housing provider is not complying with the provisions of this section.

(7) After receiving a request to remove a housing provider from the county or city, the department shall immediately notify the provider of the concerns and request that the provider demonstrate that it is in compliance with the provisions of this section. If, after ten days' written notice, the housing provider cannot demonstrate to the department that it is in compliance with the reasons for the county's or city's request for removal, the department shall remove the housing provider from the list.

(8) A housing provider who provides housing pursuant to this section is not liable for civil damages arising from the criminal conduct of an offender to any greater extent than a regular tenant, and no special duties are created under this section. [2017 c 141 § 1; 2013 c 266 § 2.]

**RCW 72.09.290 Correctional facility siting list.** (1) No later than July 1, 2007, and every biennium thereafter starting with the biennium beginning July 1, 2009, the department shall prepare a list of counties and rural multicounty geographic areas in which work release facilities, community justice centers and other community-based correctional facilities are anticipated to be sited during the next three fiscal years and transmit the list to the office of financial management and the counties on the list. The list may be updated as needed.

(2) In preparing the list, the department shall make substantial efforts to provide for the equitable distribution of work release, community justice centers, or other community-based correctional facilities among counties. The department shall give great weight to the following factors in determining equitable distribution:

(a) The locations of existing residential facilities owned or operated by, or operated under contract with, the department in each county;

(b) The number and proportion of adult offenders sentenced to the custody or supervision of the department by the courts of the county or rural multicounty geographic area; and

The department is further authorized to reject a residence location if the

proposed residence is within close proximity to schools, child care centers, playgrounds, or other grounds or facilities where children of similar age or circumstance as a previous victim are present who the department determines may be put at substantial risk of harm by the sex offender's residence at that location.

(7) The committee shall issue to appropriate law enforcement agencies, for their use in making public notifications under RCW 4.24.550, narrative notices regarding the pending release of sex offenders from the department's facilities. The narrative notices shall, at a minimum, describe the identity and criminal history behavior of the offender and shall include the department's risk level classification for the offender. **RCW 72.09.370 Reentry community services program—Plan for postrelease treatment and support services—Rules.** (1) The reentry community services program is established to provide intensive services to persons identified under this subsection and to thereby promote successful reentry, public safety, and recovery. The secretary shall identify persons in confinement or partial confinement who: (a) Are reasonably believed to present a danger to themselves or others if

released to the community without supportive services; and (b) have a mental disorder. In evaluating these criteria, the secretary shall consider behavior known to the department and factors, based on research, that are linked to risk of dangerousness for persons with mental illnesses within the criminal justice system and shall include consideration of the person's history of substance use disorder or abuse.

(2) Prior to release of a person identified under this section, a team consisting of representatives of the department of corrections, the health care authority, and, as necessary, the indeterminate sentence review board, divisions or administrations within the department of social and health services, specifically including the division of developmental disabilities, the appropriate managed care organization or behavioral health administrative services organization, and reentry community services providers, as appropriate, shall develop a plan, as determined necessary by the team, for delivery of treatment and support services to the person upon release. The supporting documentation shall include the person's criminal history, history of judicially required or administratively ordered involuntary antipsychotic medication while in confinement, and any known history of involuntary civil commitment.

(4) If an evaluation by a designated crisis responder is recommended by the team, such evaluation shall occur not more than ten days, nor less than five days, prior to release.

(5) A second evaluation by a designated crisis responder shall occur on the day of release if requested by the team, based upon new information or a change in the person's mental condition, and the initial evaluation did not result in an emergency detention or a summons under chapter 71.05 RCW.

(6) If the designated crisis responder determines an emergency detention under chapter 71.05 RCW is necessary, the department shall release the person only to a state hospital or to a consenting evaluation and treatment facility or secure withdrawal management and stabilization facility. The department shall arrange transportation of the person to the hospital or facility.

(7) If the designated crisis responder believes that a less restrictive alternative treatment is appropriate, he or she shall seek a summons, pursuant to the provisions of chapter 71.05 RCW, to require the person to appear at an evaluation and treatment facility or secure withdrawal management and stabilization facility. If a summons is issued, the person shall remain within the corrections facility until completion of his or her term of confinement and be transported, by corrections personnel on the day of completion, directly to the identified facility.

(8) The secretary shall adopt rules to implement this section. [2021 c 243 § 6; 2019 c 325 § 5025; 2018 c 201 § 9012; 2016 sp.s. c 29 § 427; 2014 c 225 § 95. Prior: 2009 c 319 § 3; 2009 c 28 § 36; 2001 2nd sp.s. c 12 § 362; 1999 c 214 § 2.]

**RCW 72.09.400 Work ethic camp program—Findings—Intent.** The legislature finds that high crime rates and a heightened sense of vulnerability have led to increased public pressure on criminal justice officials to increase offender punishment and remove the most dangerous criminals from the streets. As a result, there is unprecedented growth in the corrections populations and overcrowding of prisons and local jails. Skyrocketing costs and high rates of recidivism have become issues of major public concern. Attention must be directed towards implementing a long-range corrections strategy that focuses on inmate responsibility through intensive work ethic training.

The legislature finds that many offenders lack basic life skills and have been largely unaffected by traditional correctional philosophies and programs. In addition, many first-time offenders who enter the prison system learn more about how to be criminals than the important qualities, values, and skills needed to successfully adapt to a life without crime.

The legislature finds that opportunities for offenders to improve themselves are extremely limited and there has not been adequate

emphasis on alternatives to total confinement for nonviolent offenders.

The legislature finds that the explosion of drug crimes since the inception of the sentencing reform act and the response of the criminal justice system have resulted in a much higher proportion of substance abuse-affected offenders in the state's prisons and jails. The needs of this population differ from those of other offenders and present a great challenge to the system. The problems are exacerbated by the shortage of drug treatment and counseling programs both in and outside of prisons.

The legislature finds that the concept of a work ethic camp that requires the offender to complete an appropriate and balanced combination of highly structured and goal-oriented work programs such as correctional industries based work camps and/or class I and class II work projects, drug rehabilitation, and intensive life management work ethic training, can successfully reduce offender recidivism and lower the overall cost of incarceration.

It is the purpose and intent of RCW 72.09.400 through \*72.09.420, 9.94A.690, and \*\*section 5, chapter 338, Laws of 1993 to implement a regimented work ethic camp that is designed to directly address the high rate of recidivism, reduce upwardly spiraling prison costs, preserve scarce and high cost prison space for the most dangerous offenders, and provide judges with a tough and sound alternative to traditional incarceration without compromising public safety. [1993 c 338 § 1.]

**Reviser's note:** \*(1) RCW 72.09.420 was repealed by 1998 c 273 § 1.

**Effective date—1993 c 338:** "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1993." [1993 c 338 § 9.]

*Sentencing: RCW 9.94A.690.*

**RCW 72.09.410 Work ethic camp program—Generally.** The department of corrections shall establish one work ethic camp. The secretary shall locate the work ethic camp within an already existing department compound or facility, or in a facility that is scheduled to come on line within the initial implementation date outlined in this section. The facility selected for the camp shall appropriately accommodate the logistical and cost-effective objectives contained in RCW 72.09.400 through \*72.09.420, 9.94A.690, and \*\*section 5, chapter 338, Laws of 1993. The department shall be ready to assign inmates to the camp one hundred twenty days after July 1, 1993. The department shall establish the work ethic camp program cycle to last from one hundred twenty to one hundred eighty days. The department shall develop all aspects of the work ethic camp program including, but not limited to, program standards, conduct standards, educational

components including preparation for a high school equivalency certificate as described in RCW 28B.50.536, offender incentives, drug rehabilitation program parameters, individual and team work goals, techniques for improving the offender's self-esteem, citizenship skills for successful living in the community, measures to hold the offender accountable for his or her behavior, and the successful completion of the work ethic camp program granted to the offender based on successful attendance, participation, and performance as defined by the secretary. The work ethic camp shall be designed and implemented so that offenders are continually engaged in meaningful activities and unstructured time is kept to a minimum. In addition, the department is encouraged to explore the integration and overlay of a military style approach to the work ethic camp. [2013 c 39 § 23; 1993 c 338 § 3.]

**Reviser's note:** \*(1) RCW 72.09.420 was repealed by 1998 c 273 § 1.

**RCW 72.09.450 Limitation on denial of access to services and supplies—Recoupment of assessments—Collections.** (1) An inmate shall not be denied access to services or supplies required by state or federal law solely on the basis of his or her inability to pay for them.

(2) The department shall record all lawfully authorized assessments for services or supplies as a debt to the department. The department shall recoup the assessments when the inmate's institutional account exceeds the indigency standard, and may pursue other remedies to recoup the assessments after the period of incarceration.

(3) The department shall record as a debt any costs assessed by a court against an inmate plaintiff where the state is providing defense pursuant to chapter 4.92 RCW. The department shall recoup the debt when the inmate's institutional account exceeds the indigency standard and may pursue other remedies to recoup the debt after the period of incarceration.

(4) In order to maximize the cost-efficient collection of unpaid offender debt existing after the period of an offender's incarceration, the department is authorized to use the following nonexclusive options: (a) Use the collection services available through the department of enterprise services, or (b) notwithstanding any provision of chapter 41.06 RCW, contract with collection agencies for collection of the debts. The costs for enterprise services or collection agency services shall be paid by the debtor. Any contract with a collection agency shall only be awarded after competitive bidding. Factors the department shall consider in awarding a collection contract include but are not limited to a collection agency's history and reputation in the community; and the agency's access to a local database that may increase the efficiency of its collections. The servicing of an unpaid obligation to the department does not constitute assignment of a debt, and no contract with a collection agency may remove the department's control over unpaid

obligations owed to the department. [2015 c 225 § 113; 1996 c 277 § 1; 1995 1st sp.s. c 19 § 4.]

**Findings—Purpose—1995 1st sp.s. c 19:** "The legislature finds the increasing number of inmates incarcerated in state correctional institutions, and the expenses associated with their incarceration, require expanded efforts to contain corrections costs. Cost containment requires improved planning and oversight, and increased accountability and responsibility on the part of inmates and the department.

The legislature further finds motivating inmates to participate in meaningful education and work programs in order to learn transferable skills and earn basic privileges is an effective and efficient way to meet the penological objectives of the corrections system.

The purpose of this act is to assure that the department fulfills its mission to reduce offender recidivism, to mirror the values of the community by clearly linking inmate behavior to receipt of privileges, and to prudently manage the resources it receives through tax dollars. This purpose is accomplished through the implementation of specific cost-control measures and creation of a planning and oversight process that will improve the department's effectiveness and efficiencies." [1995 1st sp.s. c 19 § 1.]

**Short title—1995 1st sp.s. c 19:** "This act shall be known as the department of corrections cost-efficiency and inmate responsibility omnibus act." [1995 1st sp.s. c 19 § 37.]

**Severability—1995 1st sp.s. c 19:** "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1995 1st sp.s. c 19 § 38.]

**Effective date—1995 1st sp.s. c 19:** "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately [June 15, 1995]." [1995 1st sp.s. c 19 § 40.]

**RCW 72.09.460 Incarcerated individual participation in education and work programs—Postsecondary degree education opportunities—Legislative intent—Priorities—Rules—Payment of costs. (1)** Recognizing that there is a positive correlation between education opportunities and reduced recidivism, it is the intent of the legislature to offer appropriate postsecondary degree or certificate opportunities to incarcerated individuals.

(2) The legislature intends that all incarcerated individuals be required to participate in department-approved education programs, work programs, or both, unless exempted as specifically provided in this section. Eligible incarcerated individuals who refuse to participate in available education or work programs available at no charge to the incarcerated individuals shall lose privileges according to the system established under RCW 72.09.130. Eligible incarcerated individuals who are required to contribute financially to an education or work program and refuse to contribute shall be placed in another

work program. Refusal to contribute shall not result in a loss of privileges.

(3) The legislature recognizes more incarcerated individuals may agree to participate in education and work programs than are available. The department must make every effort to achieve maximum public benefit by placing incarcerated individuals in available and appropriate education and work programs.

(4) (a) The department shall, to the extent possible and considering all available funds, prioritize its resources to meet the following goals for incarcerated individuals in the order listed:

(i) Achievement of basic academic skills through obtaining a high school diploma or a high school equivalency certificate as provided in RCW 28B.50.536, including achievement by those incarcerated individuals eligible for special education services pursuant to state or federal law;

(ii) Achievement of vocational skills necessary for purposes of work programs and for an incarcerated individual to qualify for work upon release;

(iii) Additional work and education programs necessary for compliance with an incarcerated individual's individual reentry plan under RCW 72.09.270, including special education services and postsecondary degree or certificate education programs; and

(iv) Other appropriate vocational, work, or education programs that are not necessary for compliance with an incarcerated individual's individual reentry plan under RCW 72.09.270 including postsecondary degree or certificate education programs.

(b) If programming is provided pursuant to (a) (i) through (iii) of this subsection, the department shall pay the cost of such programming, including but not limited to books, materials, and supplies.

(c) If programming is provided pursuant to (a) (iv) of this subsection, incarcerated individuals shall be required to pay all or a portion of the costs, including books, fees, and tuition, for participation in any vocational, work, or education program as provided in department policies. Department policies shall include a formula for determining how much an incarcerated individual shall be required to pay. The formula shall include steps which correlate to an incarcerated individual's average monthly income or average available balance in a personal savings account and which are correlated to a prorated portion or percent of the per credit fee for tuition, books, or other ancillary educational costs. The formula shall be reviewed every two years. A third party, including but not limited to nonprofit entities or community-based postsecondary education programs, may pay directly to the department all or a portion of costs and tuition for any programming provided pursuant to (a) (iv) of this subsection on behalf of an incarcerated individual. Such payments shall not be subject to any of the deductions as provided in this chapter.

(d) The department may accept any and all donations and grants of money, equipment, supplies, materials, and services from any third party, including but not limited to nonprofit entities and community-based postsecondary education programs, and may receive, utilize, and dispose of same to complete the purposes of this section.

(e) Any funds collected by the department under (c) and (d) of this subsection and subsections (11) and (12) of this section shall be used solely for the creation, maintenance, or expansion of incarcerated individual educational and vocational programs.

(5) The department shall provide access to a program of education to all incarcerated individuals who are under the age of eighteen and who have not met high school graduation requirements or requirements to earn a high school equivalency certificate as provided in RCW 28B.50.536 in accordance with chapter 28A.193 RCW. The program of education established by the department and education provider under RCW 28A.193.020 for incarcerated individuals under the age of eighteen must provide each incarcerated individual a choice of curriculum that will assist the incarcerated individual in achieving a high school diploma or high school equivalency certificate. The program of education may include but not be limited to basic education, prevocational training, work ethic skills, conflict resolution counseling, substance abuse intervention, and anger management counseling. The curriculum may balance these and other rehabilitation, work, and training components.

(6) (a) In addition to the policies set forth in this section, the department shall consider the following factors in establishing criteria for assessing the inclusion of education and work programs in an incarcerated individual's individual reentry plan and in placing incarcerated individuals in education and work programs:

(i) An incarcerated individual's release date and custody level. An incarcerated individual shall not be precluded from participating in an education or work program solely on the basis of his or her release date, except that incarcerated individuals with a release date of more than one hundred twenty months in the future shall not comprise more than ten percent of incarcerated individuals participating in a new class I correctional industry not in existence on June 10, 2004;

(ii) An incarcerated individual's education history and basic academic skills;

(iii) An incarcerated individual's work history and vocational or work skills;

(iv) An incarcerated individual's economic circumstances, including but not limited to an incarcerated individual's family support obligations; and

(v) Where applicable, an incarcerated individual's prior performance in department-approved education or work programs;

(b) The department shall establish, and periodically review, incarcerated individual behavior standards and program outcomes for all education and work programs. Incarcerated individuals shall be notified of applicable behavior standards and program goals prior to placement in an education or work program and shall be removed from the education or work program if they consistently fail to meet the standards or outcomes.

(7) Eligible incarcerated individuals who refuse to participate in available education or work programs available at no charge to the incarcerated individuals shall lose privileges according to the system established under RCW 72.09.130. Eligible incarcerated individuals who are required to contribute financially to an education or work program and refuse to contribute shall be placed in another work program. Refusal to contribute shall not result in a loss of privileges.

(8) The department shall establish, by rule, a process for identifying and assessing incarcerated individuals with learning disabilities, traumatic brain injuries, and other cognitive impairments to determine whether the person requires accommodations in order to effectively participate in educational programming, including general educational development tests and postsecondary education. The

department shall establish a process to provide such accommodations to eligible incarcerated individuals.

(9) The department shall establish, and periodically review, goals for expanding access to postsecondary degree and certificate education programs and program completion for all incarcerated individuals, including persons of color. The department may contract and partner with any accredited educational program sponsored by a nonprofit entity, community-based postsecondary education program, or institution with historical evidence of providing education programs to people of color.

(10) The department shall establish, by rule, objective medical standards to determine when an incarcerated individual is physically or mentally unable to participate in available education or work programs. When the department determines an incarcerated individual is permanently unable to participate in any available education or work program due to a health condition, the incarcerated individual is exempt from the requirement under subsection (2) of this section. When the department determines an incarcerated individual is temporarily unable to participate in an education or work program due to a medical condition, the incarcerated individual is exempt from the requirement of subsection (2) of this section for the period of time he or she is temporarily disabled. The department shall periodically review the medical condition of all incarcerated individuals with temporary disabilities to ensure the earliest possible entry or reentry by incarcerated individuals into available programming.

(11) The department shall establish policies requiring an incarcerated individual to pay all or a portion of the costs and tuition for any vocational training or postsecondary education program if the incarcerated individual previously abandoned coursework related to postsecondary degree or certificate education or vocational training without excuse as defined in rule by the department. Department policies shall include a formula for determining how much an incarcerated individual shall be required to pay. The formula shall include steps which correlate to an incarcerated individual's average monthly income or average available balance in a personal savings account and which are correlated to a prorated portion or percent of the per credit fee for tuition, books, or other ancillary costs. The formula shall be reviewed every two years. A third party may pay directly to the department all or a portion of costs and tuition for any program on behalf of an incarcerated individual under this subsection. Such payments shall not be subject to any of the deductions as provided in this chapter.

(12) Notwithstanding any other provision in this section, an incarcerated individual sentenced to death under \*chapter 10.95 RCW or subject to the provisions of 8 U.S.C. Sec. 1227:

(a) Shall not be required to participate in education programming except as may be necessary for the maintenance of discipline and security;

(b) May not participate in a postsecondary degree education program offered by the department or its contracted providers, unless the incarcerated individual's participation in the program is paid for by a third party or by the individual;

(c) May participate in prevocational or vocational training that may be necessary to participate in a work program;

(d) Shall be subject to the applicable provisions of this chapter relating to incarcerated individual financial responsibility for programming.

(13) If an incarcerated individual has participated in postsecondary education programs, the department shall provide the incarcerated individual with a copy of the incarcerated individual's unofficial transcripts, at no cost to the individual, upon the incarcerated individual's release or transfer to a different facility. Upon the incarcerated individual's completion of a postsecondary education program, the department shall provide to the incarcerated individual, at no cost to the individual, a copy of the incarcerated individual's unofficial transcripts. This requirement applies regardless of whether the incarcerated individual became ineligible to participate in or abandoned a postsecondary education program.

(14) For the purposes of this section, "third party" includes a nonprofit entity or community-based postsecondary education program that partners with the department to provide accredited postsecondary education degree and certificate programs at state correctional facilities. Recent research suggests that a solid academic foundation and employment- and career-focused programs can be cost-effective in reducing the likelihood of reoffense. To this end, the legislature intends that the state strive to provide every inmate with basic academic skills as well as educational and vocational training designed to meet the assessed needs of the offender.

Nonetheless, it is vital that offenders engaged in educational or vocational training contribute to their own success. An offender should financially contribute to his or her education, particularly postsecondary educational pursuits. The legislature intends to provide more flexibility for offenders in obtaining postsecondary education by allowing third parties to make contributions to the offender's education without mandatory deductions. In developing the loan program, the department is encouraged to adopt rules and standards similar to those that apply to students in noninstitutional settings for issues such as applying for a loan, maintaining accountability, and accruing interest on the loan obligation." **RCW 72.09.465 Postsecondary degree education programs.** (1) (a)

The department may implement postsecondary degree or certificate education programs at state correctional institutions.

(b) The department may consider for inclusion in any postsecondary degree or certificate education program, any education program from an accredited community or technical college, college, or university that is limited to no more than a bachelor's degree. Washington state-recognized preapprenticeship programs may also be included as appropriate postsecondary education programs.

(2) Incarcerated individuals not meeting the department's priority criteria for the state-funded postsecondary degree education program shall be required to pay the costs for participation in a postsecondary education degree program if he or she elects to participate through self-pay, including costs of books, fees, tuition, or any other appropriate ancillary costs, by one or more of the following means:

(a) The incarcerated individual who is participating in the postsecondary education degree program may, during confinement, provide the required payment or payments to the department; or

(b) A third party shall provide the required payment or payments directly to the department on behalf of an incarcerated individual, and such payments shall not be subject to any of the deductions as provided in this chapter.

(3) The department may accept any and all donations and grants of money, equipment, supplies, materials, and services from any third party, including but not limited to nonprofit entities, and may receive, utilize, and dispose of same to provide postsecondary education to incarcerated individuals.

(4) An incarcerated individual may be selected to participate in a state-funded postsecondary degree or certificate education program, based on priority criteria determined by the department, in which the following conditions may be considered:

(a) Priority should be given to incarcerated individuals who do not already possess a postsecondary education degree; and

(b) Incarcerated individuals with individual reentry plans that include participation in a postsecondary degree or certificate education program that is:

(i) Offered at the incarcerated individual's state correctional institution;

(ii) Approved by the department as an eligible and effective postsecondary education degree program; and

(iii) Limited to a postsecondary degree or certificate program.

(5) The department shall work with the college board as defined in RCW 28B.50.030 to develop a plan to assist incarcerated individuals selected to participate in postsecondary degree or certificate programs with filing a free application for federal student aid or the Washington application for state financial aid.

(6) Any funds collected by the department under this section shall be used solely for the creation, maintenance, or expansion of postsecondary education degree programs for incarcerated individuals. [2021 c 200 § 5; 2017 c 120 § 4; 2016 sp.s. c 36 § 946; 2007 c 483 § 403.]

The state agencies shall consult and engage with nonprofit and community-based postsecondary education providers during the development of the annual report.

(2) At a minimum, the combined report must include:

(a) The number of incarcerated individuals served in the department's postsecondary education system, the number of individuals not served, the number of individuals leaving the department's custody without a high school equivalency who were in the department's custody longer than one year, and the number of individuals released without any postsecondary education, each disaggregated by demographics;

(b) A review of the department's identification and assessment of incarcerated individuals with learning disabilities, traumatic brain injuries, and other cognitive impairments or disabilities that may limit their ability to participate in educational programming, including general educational development testing and postsecondary education. The report shall identify barriers to the identification and assessment of these individuals and include recommendations that will further facilitate access to educational programming for these individuals;

(c) An identification of issues related to ensuring that credits earned in credit-bearing courses are transferable. The report must also include the number of transferable credits awarded and the number of credits awarded that are not transferable;

(d) A review of policies on transfer, in order to create recommendations to institutions and the legislature that to ensure postsecondary education credits earned while incarcerated transfer seamlessly upon postrelease enrollment in a postsecondary education institution. The review must identify barriers or challenges on transferring credits experienced by individuals and the number of credits earned while incarcerated that transferred to the receiving colleges postrelease;

(e) The number of individuals participating in correspondence courses and completion rates of correspondence courses, disaggregated by demographics;

(f) An examination of the collaboration between correctional facilities, the educational programs, nonprofit and community-based

postsecondary education providers, and the institutions, with the goal of ensuring that roles and responsibilities are clearly defined, including the roles and responsibilities of each entity in relation to ensuring incarcerated individual access to, and accommodations in, educational programming; and

(g) A review of the partnerships with nonprofit and community-based postsecondary education organizations at state correctional facilities that provide accredited certificate and degree-granting programs and those that provide reentry services in support of educational programs and goals, including a list of the programs and services offered and recommendations to improve program delivery and access.

(3) The report shall strive to include, where possible, the voices and experiences of current or formerly incarcerated individuals. [2021 c 200 § 8.]

**RCW 72.09.469 Postsecondary degree education programs—Study. (Expires January 1, 2029.)**

(1) (a) Subject to the availability of amounts appropriated for this specific purpose, the Washington state institute for public policy shall study enrollment, completion, and recidivism rates of incarcerated individuals in the postsecondary education system postrelease.

(b) The goal of the study is to understand whether participation in postsecondary education while incarcerated contributes to greater enrollment and completion of postsecondary education and reduced recidivism postrelease. The scope of the study shall focus on postrelease enrollment and completion trends in the community and technical college sector for formerly incarcerated individuals of all ages. The timeline of the study may include data from 2015 to the present, to the extent possible. The study's findings shall be divided into a preliminary and final report. The reports shall complement similar studies conducted at the University of Washington or elsewhere. To the extent that it is not duplicative of other studies, the Washington state institute for public policy shall study the following:

(i) For the preliminary report, which is due October 1, 2024:

(A) Patterns and any effects on postrelease enrollment and participation in the community and technical college system by individuals who, while incarcerated, participated in postsecondary education programs, including those individuals that completed some coursework but did not earn a degree or certificate; and

(B) Differential outcomes for individuals participating in different types of postsecondary education courses, certificate programs, and degree programs.

(ii) For the final report, which is due October 1, 2027, a continuation of the preliminary report in addition to:

(A) Changes in enrollment and completion of postsecondary education courses, certificate programs, and degree programs due to the changes and expansion of educational programming in chapter 200, Laws of 2021, to the extent possible; and

(B) Recidivism outcomes beyond incarceration for those incarcerated individuals that participated in postsecondary certificate and degree programs while incarcerated, including arrests, charges, and convictions.

(iii) The preliminary and final reports shall be submitted to the appropriate committees of the legislature and in accordance with RCW 43.01.036.

(iv) The department of corrections, the student achievement council, the state board for community and technical colleges, and the education research and data center shall provide data necessary to conduct the study.

**RCW 72.09.495 Incarcerated parents—Policies to encourage family contact and engagement.** (1) The secretary of corrections shall review current department policies and assess the following:

(a) The impact of existing policies on the ability of offenders to maintain familial contact and engagement between inmates and children; and

(b) The adequacy and availability of programs targeted at inmates with children.

(2) The secretary shall adopt policies that encourage familial contact and engagement between inmates and their children with the goal of reducing recidivism and intergenerational incarceration. Programs and policies should take into consideration the children's need to maintain contact with his or her parent and the inmate's ability to develop plans to financially support their children, assist in reunification when appropriate, and encourage the improvement of parenting skills where needed.

(3) The department shall conduct the following activities to assist in implementing the requirements of subsection (1) of this section:

(a) Gather information and data on the families of inmates, particularly the children of incarcerated parents;

(b) Evaluate data to determine the impact on recidivism and intergenerational incarceration; and

(c) Participate in the children of incarcerated parents advisory committee and report information obtained under this section to the advisory committee. [2007 c 384 § 2.]

**Intent—Finding—2007 c 384:** "The legislature recognizes the significant impact on the lives and well-being of children and families when a parent is incarcerated. It is the intent of the legislature to support children and families, and maintain familial connections when appropriate, during the period a parent is incarcerated. Further, the legislature finds that there must be a greater emphasis placed on identifying state policies and programs impacting children with incarcerated parents. Additionally, greater effort must be made to ensure that the policies and programs of the state are supportive of the children, and meet their needs during the time the parent is incarcerated.

According to the final report of the children of incarcerated parents oversight committee, helping offenders build durable family relationships may reduce the likelihood that their children will go to prison later in life. Additionally, the report indicates that offenders who reconnect with their families in sustaining ways are less likely to reoffend. In all efforts to help offenders build these relationships with their children, the safety of the children will be paramount." [2007 c 384 § 1.]

**RCW 72.09.500 Prohibition on weight-lifting.** An inmate found by the superintendent in the institution in which the inmate is incarcerated to have committed an aggravated assault against another person, under rules adopted by the department, is prohibited from participating in weight lifting for a period of two years from the date the finding is made. At the conclusion of the two-year period the superintendent shall review the inmate's infraction record to determine if additional weight-lifting prohibitions are appropriate. If, based on the review, it is determined by the superintendent that the inmate poses a threat to the safety of others or the order of the facility, or otherwise does not meet requirements for the weight-lifting privilege, the superintendent may impose an additional reasonable restriction period. Dietary supplements made for the sole purpose of increasing muscle mass shall not be available for purchase by inmates unless prescribed by a physician for medical purposes or for inmates officially competing in department-sanctioned competitive weight lifting. The secretary shall establish a method of reviewing all incoming and outgoing material, consistent with constitutional constraints, for the purpose of confiscating anything determined to be contraband. **RCW 72.09.585 Mental health services information—Required inquiries and disclosures—Release to court, individuals, indeterminate sentence review board, state and local agencies.** (1)

When the department is determining an offender's risk management level, the department shall inquire of the offender and shall be told whether the offender is subject to court-ordered treatment for mental health services or chemical dependency services. The department shall request and the offender shall provide an authorization to release information form that meets applicable state and federal requirements and shall provide the offender with written notice that the department will request the offender's mental health and substance use disorder treatment information. An offender's failure to inform the department of court-ordered treatment is a violation of the conditions of supervision if the offender is in the community and an infraction if the offender is in confinement, and the violation or infraction is subject to sanctions.

(2) When an offender discloses that he or she is subject to court-ordered mental health services or chemical dependency treatment, the department shall provide the mental health services provider or chemical dependency treatment provider with a written request for information and any necessary authorization to release information forms. The written request shall comply with rules adopted by the health care authority or protocols developed jointly by the department and the health care authority. A single request shall be valid for the duration of the offender's supervision in the community. Disclosures of information related to mental health services made pursuant to a department request shall not require consent of the offender.

(3) The information received by the department under RCW 71.05.445 or 70.02.250 may be released to the indeterminate sentence review board as relevant to carry out its responsibility of planning and ensuring community protection with respect to persons under its jurisdiction. Further disclosure by the indeterminate sentence review board is subject to the limitations set forth in subsections (5) and

(6) of this section and must be consistent with the written policy of the indeterminate sentence review board. The decision to disclose or not shall not result in civil liability for the indeterminate sentence review board or staff assigned to perform board-related duties provided that the decision was reached in good faith and without gross negligence.

(4) The information received by the department under RCW 71.05.445 or 70.02.250 may be used to meet the statutory duties of the department to provide evidence or report to the court. Disclosure to the public of information provided to the court by the department related to mental health services shall be limited in accordance with RCW 9.94A.500 or this section.

(5) The information received by the department under RCW 71.05.445 or 70.02.250 may be disclosed by the department to other state and local agencies as relevant to plan for and provide offenders transition, treatment, and supervision services, or as relevant and necessary to protect the public and counteract the danger created by a particular offender, and in a manner consistent with the written policy established by the secretary. The decision to disclose or not shall not result in civil liability for the department or its employees so long as the decision was reached in good faith and without gross negligence. The information received by a state or local agency from the department shall remain confidential and subject to the limitations on disclosure set forth in chapters 70.02, 71.05, and 71.34 RCW and, subject to these limitations, may be released only as relevant and necessary to counteract the danger created by a particular offender.

(6) The information received by the department under RCW 71.05.445 or 70.02.250 may be disclosed by the department to individuals only with respect to offenders who have been determined by the department to have a high risk of reoffending by a risk assessment, as defined in RCW 9.94A.030, only as relevant and necessary for those individuals to take reasonable steps for the purpose of self-protection, or as provided in RCW 72.09.370(2). The information may not be disclosed for the purpose of engaging the public in a system of supervision, monitoring, and reporting offender behavior to the department. The department must limit the disclosure of information related to mental health services to the public to descriptions of an offender's behavior, risk he or she may present to the community, and need for mental health treatment, including medications, and shall not disclose or release to the public copies of treatment documents or records, except as otherwise provided by law. All disclosure of information to the public must be done in a manner consistent with the written policy established by the secretary. The decision to disclose or not shall not result in civil liability for the department or its employees so long as the decision was reached in good faith and without gross negligence. Nothing in this subsection prevents any person from reporting to law enforcement or the department behavior that he or she believes creates a public safety risk. **RCW 72.09.588 Pregnant inmates—Midwifery or doula services—Reasonable accommodations.** (1) The department must make reasonable accommodations for the provision of available midwifery or doula services to inmates who are pregnant or who have given birth in the last six weeks. Persons providing midwifery or doula services must be granted appropriate facility access, must be allowed to attend and provide assistance during labor and childbirth where feasible, and must have access to the inmate's relevant health care information, as defined in RCW 70.02.010, if the inmate authorizes disclosure.

(2) For purposes of this section, the following definitions apply:

(a) "Doula services" are services provided by a trained doula and designed to provide physical, emotional, or informational support to a pregnant woman before, during, and after delivery of a child. **RCW 72.09.650 Use of force by limited authority Washington peace officers—Detention of persons.** (1) An employee of the department who is a limited authority Washington peace officer under RCW 10.93.020 may use reasonable force to detain, search, or remove persons who enter or remain without permission within a correctional facility or institutional grounds or whenever, upon probable cause, it appears to such employee that a person has committed or is attempting to commit a crime, or possesses contraband within a correctional facility or institutional grounds. Should any person be detained, the department shall immediately notify a local law enforcement agency having jurisdiction over the correctional facility or institutional grounds of the detainment. The department is authorized to detain the person for a reasonable time to search the person and confiscate any contraband, and until custody of the person and any illegal contraband can be transferred to a law enforcement officer when appropriate. **RCW 72.09.651 Use of restraints on pregnant women or youth in custody—Allowed in extraordinary circumstances.** (1) Except in extraordinary circumstances, no restraints of any kind may be used on any pregnant woman or youth incarcerated in a correctional facility during transportation to and from visits to medical providers and court proceedings during the third trimester of her pregnancy, or during postpartum recovery. For purposes of this section, "extraordinary circumstances" exist where a corrections officer makes an individualized determination that restraints are necessary to prevent an incarcerated pregnant woman or youth from escaping, or from injuring herself, medical or correctional personnel, or others. In the event the corrections officer determines that extraordinary circumstances exist and restraints are used, the corrections officer must fully document in writing the reasons that he or she determined such extraordinary circumstances existed such that restraints were used. As part of this documentation, the corrections officer must also include the kind of restraints used and the reasons those restraints were considered the least restrictive available and the most reasonable under the circumstances.

(2) While the pregnant woman or youth is in labor or in childbirth no restraints of any kind may be used. Nothing in this section affects the use of hospital restraints requested for the medical safety of a patient by treating physicians licensed under Title 18 RCW.
