RCW 42.17A.001 Declaration of policy. (Effective until January 1, 2026. Recodified as RCW 29B.05.010.) It is hereby declared by the sovereign people to be the public policy of the state of Washington:

(1) That political campaign and lobbying contributions and expenditures be fully disclosed to the public and that secrecy is to be avoided.

(2) That the people have the right to expect from their elected representatives at all levels of government the utmost of integrity, honesty, and fairness in their dealings.

(3) That the people shall be assured that the private financial dealings of their public officials, and of candidates for those offices, present no conflict of interest between the public trust and private interest.

(4) That our representative form of government is founded on a belief that those entrusted with the offices of government have nothing to fear from full public disclosure of their financial and business holdings, provided those officials deal honestly and fairly with the people.

(5) That public confidence in government at all levels is essential and must be promoted by all possible means.

(6) That public confidence in government at all levels can best be sustained by assuring the people of the impartiality and honesty of the officials in all public transactions and decisions.

(7) That the concept of attempting to increase financial participation of individual contributors in political campaigns is encouraged by the passage of the Revenue Act of 1971 by the Congress of the United States, and in consequence thereof, it is desirable to have implementing legislation at the state level.

(8) That the concepts of disclosure and limitation of election campaign financing are established by the passage of the Federal Election Campaign Act of 1971 by the Congress of the United States, and in consequence thereof it is desirable to have implementing legislation at the state level.

(9) That small contributions by individual contributors are to be encouraged, and that not requiring the reporting of small contributions may tend to encourage such contributions.

(10) That the public's right to know of the financing of political campaigns and lobbying and the financial affairs of elected officials and candidates far outweighs any right that these matters remain secret and private.

(11) That, mindful of the right of individuals to privacy and of the desirability of the efficient administration of government, full access to information concerning the conduct of government on every level must be assured as a fundamental and necessary precondition to the sound governance of a free society.

The provisions of this chapter shall be liberally construed to promote complete disclosure of all information respecting the financing of political campaigns and lobbying, and the financial affairs of elected officials and candidates, and full access to public records so as to assure continuing public confidence of fairness of elections and governmental processes, and so as to assure that the

public interest will be fully protected. In promoting such complete disclosure, however, this chapter shall be enforced so as to ensure that the information disclosed will not be misused for arbitrary and capricious purposes and to ensure that all persons reporting under this chapter will be protected from harassment and unfounded allegations based on information they have freely disclosed. Findings—Intent—2011 c 145: "The legislature finds that timely and full disclosure of election campaign funding and expenditures is essential to a well-functioning democracy in which Washington's voters can judge for themselves what is appropriate based on ideologies, programs, and policies. Long-term voter engagement and confidence depends on the public knowing who is funding the multiple and targeted messages distributed during election campaigns.

The legislature also finds that recent events have revealed the need for refining certain elements of our state's election campaign finance laws that have proven inadequate in preventing efforts to hide information from voters. The legislature intends, therefore, to promote greater transparency for the public by enhancing penalties for violations; regulating the formation of, and contributions between, political committees; and reducing the expenditure thresholds for purposes of mandatory electronic filing and disclosure." RCW 42.17A.060 Access to reports—Legislative intent. (Effective until January 1, 2026. Recodified as RCW 29B.15.020.) It is the intent of the legislature to ensure that the commission provide the general public timely access to all contribution and expenditure reports submitted by candidates, continuing political committees, bona fide political parties, lobbyists, and lobbyists' employers. The legislature finds that failure to meet goals for full and timely disclosure threatens to undermine our electoral process.

Furthermore, the legislature intends for the commission to consult with Washington technology solutions as it seeks to implement chapter 401, Laws of 1999, and that the commission follow the standards and procedures established by Washington technology solutions in chapter 43.105 RCW as they relate to information technology. RCW 42.17A.120 Suspension or modification of reporting requirements. (Effective until January 1, 2026. Recodified as RCW 29B.20.040.) (1) The commission may suspend or modify any of the reporting requirements of this chapter if it finds that literal application of this chapter works a manifestly unreasonable hardship in a particular case and the suspension or modification will not frustrate the purposes of this chapter. The commission may suspend or modify reporting requirements only to the extent necessary to substantially relieve the hardship and only after a hearing is held and the suspension or modification receives approval. A suspension or modification of the financial affairs reporting requirements in RCW 42.17A.710 may be approved for an elected official's term of office or for up to three years for an executive state officer. If a material change in the applicant's circumstances or relevant information occurs or has occurred, the applicant must request a modification at least one month prior to the next filing deadline rather than at the conclusion of the term.

(2) A manifestly unreasonable hardship exists if reporting the name of an entity required to be reported under RCW 42.17A.710(1)(g)(ii) would be likely to adversely affect the competitive position of any entity in which the person filing the report, or any member of the person's immediate family, holds any office, directorship, general partnership interest, or an ownership interest of ten percent or more.

(3) Requests for reporting modifications may be heard in a brief adjudicative proceeding as set forth in RCW 34.05.482 through 34.05.494 and in accordance with the standards established in this section. The commission, the commission chair acting as presiding officer, or another commissioner appointed by the chair to serve as presiding officer, may preside over a brief adjudicatory proceeding. If a modification is requested by a filer because of a concern for personal safety, the information submitted regarding that safety concern shall not be made public prior to, or at, the hearing on the request. Any information provided or prepared for the modification hearing shall remain exempt from public disclosure under this chapter and chapter 42.56 RCW to the extent it is determined at the hearing that disclosure of such information would present a personal safety risk to a reasonable person.

(4) If the commission, or presiding officer, grants a modification request, the commission or presiding officer may apply the modification retroactively to previously filed reports. In that event, previously reported information of the kind that is no longer being reported is confidential and exempt from public disclosure under this chapter and chapter 42.56 RCW.

(5) Any citizen has standing to bring an action in Thurston county superior court to contest the propriety of any order entered under this section within one year from the date of the entry of the order.

(6) The commission shall adopt rules governing the proceedings. [2019 c 428 s 10; 2010 c 204 s 304.]

RCW 42.17A.125 Revising monetary contribution limits, reporting thresholds, and code values. (Effective until January 1, 2026. Recodified as RCW 29B.20.050.) At least once every five years, but no more often than every two years, the commission must consider whether to revise the monetary contribution limits and reporting thresholds and code values of this chapter. If the commission chooses to make revisions, the revisions shall be only for the purpose of recognizing economic changes as reflected by an inflationary index recommended by the office of financial management, and may be rounded off to amounts as determined by the commission to be most accessible for public understanding. The revisions shall be guided by the change in the index for the period commencing with the month of December preceding the last revision and concluding with the month of December preceding the month the revision is adopted. As to each of the three general categories of this chapter, reports of campaign finance, reports of lobbyist activity, and reports of the financial affairs of elected and appointed officials, the revisions shall equally affect all thresholds within each category. The revisions authorized by this subsection shall reflect economic changes from the time of the last legislative enactment affecting the respective code or threshold.

Revisions made in accordance with this section shall be adopted as rules in accordance with chapter 34.05 RCW. [2019 c 428 s 11; 2011 c 60 s 21; 2010 c 204 s 305; 1993 c 2 s 9 (Initiative Measure No. 134, approved November 3, 1992). Formerly RCW 42.17.690.]

(b) Political committees formed to support or oppose candidates or ballot propositions in such political subdivisions; or

(c) Persons making independent expenditures in support of or opposition to such ballot propositions.

(2) The reporting provisions of this chapter apply in any exempt political subdivision from which a "petition for disclosure" containing the valid signatures of fifteen percent of the number of registered voters, as of the date of the most recent general election in the political subdivision, is filed with the commission. The commission shall by rule prescribe the form of the petition. After the signatures are gathered, the petition shall be presented to the auditor or elections officer of the county, or counties, in which the political subdivision is located. (3) The reporting provisions of this chapter apply in any exempt political subdivision that by ordinance, resolution, or other official action has petitioned the commission to make the provisions applicable to elected officials and candidates of the exempt political subdivision. A copy of the action shall be sent to the commission. If the commission finds the petition to be a valid action of the appropriate governing body or authority, the commission shall order every known affected person in the political subdivision to file the initially required statement and reports within fourteen days of the date of the order.

(4) The commission shall void any order issued by it pursuant to subsection (2) or (3) of this section when, at least four years after issuing the order, the commission is presented a petition or official action so requesting from the affected political subdivision. (b) In the case of a candidate, at least sixty days before the first day on which a person may file a declaration of candidacy for any election in which campaign finance reporting is to be required.

Finding—2019 c 428: "The legislature finds that passage of chapter 304, Laws of 2018 (Engrossed Substitute House Bill No. 2938) and chapter 111, Laws of 2018 (Substitute Senate Bill No. 5991) was an important step in achieving the goals of reforming campaign finance reporting and oversight, including simplifying the reporting and enforcement processes to promote administrative efficiencies. Much has been accomplished in the short time the public disclosure commission has implemented these new laws. However, some additional improvements were identified by the legislature, stakeholders, and the public disclosure commission, that are necessary to further implement these goals and the purpose of the state campaign finance law. Additional refinements to the law will help to ensure the public disclosure commission may continue to provide transparency of election campaign funding activities, meaningful guidance to participants in the political process, and enforcement that is timely, fair, and focused on improving compliance." [2019 c 428 s 1.]

Effective date—2019 c 428: "Except for sections 35 and 36 of this act, this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [May 21, 2019]." Findings—Intent—2018 c 111: "The legislature finds that the public has the right to know who is contributing to election campaigns in Washington state and that campaign finance disclosure deters corruption, increases public confidence in Washington state elections, and strengthens representative democracy.

The legislature finds that campaign finance disclosure is overwhelmingly supported by the citizens of Washington state as evidenced by the two initiatives that largely established Washington's current campaign finance system. Both passed with over seventy-two percent of the popular vote, as well as winning margins in every county in the state.

The legislature finds that nonprofit organizations are increasingly engaging in campaign activities in Washington state and across the country, including taking a more active role in contributing to candidate and ballot proposition campaigns. In some cases, these activities are occurring without adequate public disclosure due to loopholes in campaign finance regulations.

The legislature finds that many nonprofit organizations wish to use the provisions of current law to anonymously contribute to campaign activity, frustrating the purposes of public disclosure laws.

Therefore, the legislature intends to increase transparency and accountability, deter corruption, and strengthen confidence in the election process by closing campaign finance disclosure loopholes and requiring the disclosure of contributions and expenditures by nonprofit organizations that participate significantly in Washington state elections." (a) The commission is notified in writing of the initiation and the termination of the investment; and

(b) The principal of such investment, when terminated together with all interest, dividends, and income derived from the investment, is deposited in the depository in the account from which the investment was made and properly reported to the commission before any further disposition or expenditure.

(4) Accumulated unidentified contributions, other than those made by persons whose names must be maintained on a separate and private list by a political committee's treasurer pursuant to RCW 42.17A.240(2), in excess of one percent of the total accumulated contributions received in the current calendar year, or three hundred dollars, whichever is more, may not be deposited, used, or expended, but shall be returned to the donor if his or her identity can be ascertained. RCW 42.17A.225 Filing and reporting by continuing political committee. (Effective until January 1, 2026. Recodified as RCW 29B.25.070.)

(1) In addition to the provisions of this section, a continuing political committee shall file and report on the same conditions and at the same times as any other committee in accordance with the provisions of RCW 42.17A.205, 42.17A.210, and 42.17A.220.

(2) A continuing political committee shall file with the commission a report on the tenth day of each month detailing expenditures made and contributions received for the preceding calendar month. This report need only be filed if either the total contributions received or total expenditures made since the last such report exceed two hundred dollars. The report shall be on a form supplied by the commission and shall include the following information:

(a) The information required by RCW 42.17A.240;

(b) Each expenditure made to retire previously accumulated debts of the committee identified by recipient, amount, and date of payments;

(c) Other information the commission shall prescribe by rule.

(3) If a continuing political committee makes a contribution in support of or in opposition to a candidate or ballot proposition within sixty days before the date that the candidate or ballot proposition will be voted upon, the committee shall report pursuant to RCW 42.17A.235.

(4) (a) A continuing political committee shall file reports as required by this chapter until the committee has ceased to function and intends to dissolve, at which time, when there is no outstanding debt or obligation and the committee is concluded in all respects, a final report shall be filed. Upon submitting a final report, the continuing political committee so intending to dissolve must file notice of intent to dissolve with the commission and the commission must post the notice on its website.

(b) The continuing political committee may dissolve sixty days after it files its notice to dissolve, only if:

(ii) No complaint or court action, pursuant to this chapter, is pending against the continuing political committee; and

(iii) All penalties assessed by the commission or court order have been paid by the continuing political committee.

(c) The continuing political committee must continue to report regularly as required under this chapter until all the conditions under (b) of this subsection are resolved.

(d) Upon dissolution, the commission must issue an acknowledgment of dissolution, the duties of the treasurer shall cease, and there shall be no further obligations under this chapter. Dissolution does not absolve the candidate or board of the committee from responsibility for any future obligations resulting from the finding after dissolution of a violation committed prior to dissolution.

(5) The treasurer shall maintain books of account, current within five business days, that accurately reflect all contributions and expenditures. During the ten calendar days immediately preceding the date of any election that the committee has received any contributions or made any expenditures, the books of account shall be kept current within one business day and shall be open for public inspection in the same manner as provided for candidates and other political committees in RCW 42.17A.235(6).

RCW 42.17A.235 Reporting of contributions and expenditures—Public inspection of accounts. (Effective until January 1, 2026. Recodified as RCW 29B.25.090.) (1)(a) In addition to the information required under RCW 42.17A.205 and 42.17A.210, each candidate or political committee must file with the commission a report of all contributions received and expenditures made as a political committee on the next reporting date pursuant to the timeline established in this section.

(b) In addition to the information required under RCW 42.17A.207 and 42.17A.210, on the day an incidental committee files a statement of organization with the commission, each incidental committee must file with the commission a report of any election campaign expenditures under *RCW 42.17A.240(6), as well as the source of the ten largest cumulative payments of ten thousand dollars or greater it received in the current calendar year from a single person, including any persons tied as the tenth largest source of payments it received, if any.

(2) Each treasurer of a candidate or political committee, or an incidental committee, required to file a statement of organization under this chapter, shall file with the commission a report, for each election in which a candidate, political committee, or incidental

committee is participating, containing the information required by RCW 42.17A.240 at the following intervals:

(a) On the twenty-first day and the seventh day immediately preceding the date on which the election is held; and

(b) On the tenth day of the first full month after the election.

(3) (a) Each treasurer of a candidate or political committee shall file with the commission a report on the tenth day of each month during which the candidate or political committee is not participating in an election campaign, only if the committee has received a contribution or made an expenditure in the preceding calendar month and either the total contributions received or total expenditures made since the last such report exceed two hundred dollars.

(b) Each incidental committee shall file with the commission a report on the tenth day of each month during which the incidental committee is not otherwise required to report under this section only if the committee has:

(i) Received a payment that would change the information required under RCW 42.17A.240(2)(d) as included in its last report; or

(ii) Made any election campaign expenditure reportable under *RCW 42.17A.240(6) since its last report, and the total election campaign expenditures made since the last report exceed two hundred dollars.

(4) The report filed twenty-one days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. The report filed seven days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. Reports filed on the tenth day of the month shall report all contributions received and expenditures made from the closing date of the last report filed through the last day of the month preceding the date of the current report.

(5) For the period beginning the first day of the fourth month preceding the date of the special election, or for the period beginning the first day of the fifth month before the date of the general election, and ending on the date of that special or general election, each Monday the treasurer for a candidate or a political committee shall file with the commission a report of each bank deposit made during the previous seven calendar days. The report shall contain the name of each person contributing the funds and the amount contributed by each person. However, persons who contribute no more than twenty-five dollars in the aggregate are not required to be identified in the report. A copy of the report shall be retained by the treasurer for the treasurer's records. In the event of deposits made by candidates, political committee members, or paid staff other than the treasurer, the copy shall be immediately provided to the treasurer for the treasurer's records. Each report shall be certified as correct by the treasurer.

(6) (a) The treasurer for a candidate or a political committee shall maintain books of account accurately reflecting all contributions and expenditures on a current basis within five business days of receipt or expenditure. During the ten calendar days immediately preceding the date of the election the books of account shall be kept current within one business day. As specified in the political committee's statement of organization filed under RCW 42.17A.205, the books of account must be open for public inspection by appointment at a place agreed upon by both the treasurer and the requestor, for inspections between 9:00 a.m. and 5:00 p.m. on any day from the tenth calendar day immediately before the election through

the day immediately before the election, other than Saturday, Sunday, or a legal holiday. It is a violation of this chapter for a candidate or political committee to refuse to allow and keep an appointment for an inspection to be conducted during these authorized times and days. The appointment must be allowed at an authorized time and day for such inspections that is within forty-eight hours of the time and day that is requested for the inspection. The treasurer may provide digital access or copies of the books of account in lieu of scheduling an appointment at a designated place for inspection. If the treasurer and requestor are unable to agree on a location and the treasurer has not provided digital access to the books of account, the default location for an appointment shall be a place of public accommodation selected by the treasurer within a reasonable distance from the treasurer's office.

(b) At the time of making the appointment, a person wishing to inspect the books of account must provide the treasurer the name and telephone number of the person wishing to inspect the books of account. The person inspecting the books of account must show photo identification before the inspection begins.

(c) A treasurer may refuse to show the books of account to any person who does not make an appointment or provide the required identification. The commission may issue limited rules to modify the requirements set forth in this section in consideration of other technology and best practices.

(7) Copies of all reports filed pursuant to this section shall be readily available for public inspection by appointment, pursuant to subsection (6) of this section.

(8) The treasurer or candidate shall preserve books of account, bills, receipts, and all other financial records of the campaign or political committee for not less than five calendar years following the year during which the transaction occurred or for any longer period as otherwise required by law.

(9) All reports filed pursuant to subsection (1) or (2) of this section shall be certified as correct by the candidate and the treasurer.

(10) Where there is not a pending complaint concerning a report, it is not evidence of a violation of this section to submit an amended report within twenty-one days of filing an initial report if:

(a) The report is accurately amended;

(b) The amended report is filed more than thirty days before an election;

(c) The total aggregate dollar amount of the adjustment for the amended report is within three times the contribution limit per election or two hundred dollars, whichever is greater; and

(d) The committee reported all information that was available to it at the time of filing, or made a good faith effort to do so, or if a refund of a contribution or expenditure is being reported.

(11)(a) When there is no outstanding debt or obligation, the campaign fund is closed, the campaign is concluded in all respects, and the political committee has ceased to function and intends to dissolve, the treasurer shall file a final report. Upon submitting a final report, the political committee so intending to dissolve must file notice of intent to dissolve with the commission and the commission must post the notice on its website.

(b) Any political committee may dissolve sixty days after it files its notice to dissolve, only if:

(i) The political committee does not make any expenditures other than those related to the dissolution process or engage in any political activity or any other activities that generate additional reporting requirements under this chapter after filing such notice;

(ii) No complaint or court action under this chapter is pending against the political committee; and

(iii) All penalties assessed by the commission or court order have been paid by the political committee.

(c) The political committee must continue to report regularly as required under this chapter until all the conditions under (b) of this subsection are resolved.

(d) Upon dissolution, the commission must issue an acknowledgment of dissolution, the duties of the treasurer shall cease, and there shall be no further obligations under this chapter. Dissolution does not absolve the candidate or board of the committee from responsibility for any future obligations resulting from the finding after dissolution of a violation committed prior to dissolution.

(12) The commission must adopt rules for the dissolution of incidental committees. [2019 c 428 s 20. ***Reviser's note:** RCW 42.17A.240 was amended by 2020 c 152 s 3, changing subsection (6) to subsection (7).

Effective date—Finding—Intent—2019 c 428: See notes following RCW 42.17A.160.

Finding—Intent—2018 c 304: "The legislature finds that state campaign finance laws are intended to provide maximum transparency to the public and voters so they may know who is funding political campaigns and how those campaigns spend their money. Additionally, our campaign finance laws should not be so complex and complicated that volunteers and newcomers to the political process cannot understand the rules or have difficulty following them. The legislature believes that our campaign finance laws should not be a barrier to participating in the political process, but instead encourage people to participate in the process by ensuring a level playing field and a predictable enforcement mechanism. The legislature intends to simplify the political reporting and enforcement process without sacrificing transparency and the public's right to know who funds political campaigns. The legislature also intends to expedite the public disclosure commission's enforcement procedures so that remedial campaign finance violations can be dealt with administratively."

The intent of the law is not to trap or embarrass people when they make honest remediable errors. A majority of smaller campaigns are volunteer-driven and most treasurers are not professional accountants. The public disclosure commission should be guided to review and address major violations, intentional violations, and violations that could change the outcome of an election or materially affect the public interest." For payments to incidental committees from multiple persons received in aggregated form, any payment of more than ten thousand dollars from any single person must be reported, but the aggregated payment itself may not be reported. The commission may suspend or modify reporting requirements for payments received by an incidental committee in cases of manifestly unreasonable hardship under this chapter;

For purposes of this subsection, commentary or analysis on a ballot proposition by an incidental committee is not considered an expenditure if it does not advocate specifically to vote for or against the ballot proposition;

(8) The name, address, and electronic contact information of each person to whom an expenditure was made for soliciting or procuring signatures on an initiative or referendum petition, the amount of the compensation to each person, and the total expenditures made for this purpose. RCW 42.17A.255 Special reports—Independent expenditures.

(Effective until January 1, 2026. Recodified as RCW 29B.25.120.) (1)

For the purposes of this section the term "independent expenditure" means any expenditure that is made in support of or in opposition to any candidate or ballot proposition and is not otherwise required to be reported pursuant to RCW 42.17A.225, 42.17A.235, and 42.17A.240.

"Independent expenditure" does not include: An internal political communication primarily limited to the contributors to a political party organization or political action committee, or the officers, management staff, and stockholders of a corporation or similar enterprise, or the members of a labor organization or other membership organization; or the rendering of personal services of the sort commonly performed by volunteer campaign workers, or incidental expenses personally incurred by volunteer campaign workers not in

excess of fifty dollars personally paid for by the worker. "Volunteer services," for the purposes of this section, means services or labor for which the individual is not compensated by any person.

(2) Within five days after the date of making an independent expenditure that by itself or when added to all other such independent expenditures made during the same election campaign by the same person equals one hundred dollars or more, or within five days after the date of making an independent expenditure for which no reasonable estimate of monetary value is practicable, whichever occurs first, the person who made the independent expenditure shall file with the commission an initial report of all independent expenditures made during the campaign prior to and including such date.

(3) At the following intervals each person who is required to file an initial report pursuant to subsection (2) of this section shall file with the commission a further report of the independent expenditures made since the date of the last report:

(a) On the twenty-first day and the seventh day preceding the date on which the election is held; and

(b) On the tenth day of the first month after the election; and

(c) On the tenth day of each month in which no other reports are required to be filed pursuant to this section. However, the further reports required by this subsection (3) shall only be filed if the reporting person has made an independent expenditure since the date of the last previous report filed.

The report filed pursuant to (a) of this subsection (3) shall be the final report, and upon submitting such final report the duties of the reporting person shall cease, and there shall be no obligation to make any further reports.

(4) All reports filed pursuant to this section shall be certified as correct by the reporting person.

(5) Each report required by subsections (2) and (3) of this section shall disclose for the period beginning at the end of the period for the last previous report filed or, in the case of an initial report, beginning at the time of the first independent expenditure, and ending not more than one business day before the date the report is due:

(a) The name, address, and electronic contact information of the person filing the report;

(b) The name and address of each person to whom an independent expenditure was made in the aggregate amount of more than fifty dollars, and the amount, date, and purpose of each such expenditure. If no reasonable estimate of the monetary value of a particular independent expenditure is practicable, it is sufficient to report instead a precise description of services, property, or rights furnished through the expenditure and where appropriate to attach a copy of the item produced or distributed by the expenditure;

(c) The total sum of all independent expenditures made during the campaign to date;

(d) A statement from the person making an independent expenditure that:

(i) The expenditure is not financed in any part by a foreign national; and

(ii) Foreign nationals are not involved in making decisions regarding the expenditure in any way; and

(e) Such other information as shall be required by the commission by rule in conformance with the policies and purposes of this chapter.

POLITICAL ADVERTISING AND ELECTIONEERING COMMUNICATIONS

RCW 42.17A.300 Findings—Intent—Rule-making authority. (Effective until January 1, 2026. Recodified as RCW 29B.30.010.) (1) The legislature finds that:

(a) Timely disclosure to voters of the identity and sources of funding for electioneering communications is vitally important to the integrity of state, local, and judicial elections.

(b) Electioneering communications that identify political candidates for state, local, or judicial office and that are distributed sixty days before an election for those offices are intended to influence voters and the outcome of those elections.

(c) The state has a compelling interest in providing voters information about electioneering communications in political campaigns concerning candidates for state, local, or judicial office so that voters can be fully informed as to the: (i) Source of support or opposition to those candidates; and (ii) identity of persons

attempting to influence the outcome of state, local, and judicial candidate elections.

(d) Nondisclosure of financial information about advertising that masquerades as relating only to issues and not to candidate campaigns fosters corruption or the appearance of corruption. These consequences can be substantially avoided by full disclosure of the identity and funding of those persons paying for such advertising.

(e) The United States supreme court held in *McConnell et al. v. Federal Elections Commission*, 540 U.S. 93, 124 S.Ct. 619, 157 L.Ed.2d 491 (2003) that speakers seeking to influence elections do not possess an inviolable free speech right to engage in electioneering communications regarding elections, including when issue advocacy is the functional equivalent of express advocacy. Therefore, such election campaign communications can be regulated and the source of funding disclosed.

(f) The state has a sufficiently compelling interest in preventing corruption in political campaigns to justify and restore contribution limits and restrictions on the use of soft money in RCW 42.17A.405. Those interests include restoring restrictions on the use of such funds for electioneering communications, as well as the laws preventing circumvention of those limits and restrictions.

(2) Based upon the findings in this section, chapter 445, Laws of 2005 is narrowly tailored to accomplish the following and is intended to:

(a) Improve the disclosure to voters of information concerning persons and entities seeking to influence state, local, and judicial campaigns through reasonable and effective mechanisms, including improving disclosure of the source, identity, and funding of electioneering communications concerning state, local, and judicial candidate campaigns;

(b) Regulate electioneering communications that mention state, local, and judicial candidates and that are broadcast, mailed, erected, distributed, or otherwise published right before the election so that the public knows who is paying for such communications;

(c) Reenact and amend the contribution limits in RCW 42.17A.405 (7) and (15) and the restrictions on the use of soft money, including as applied to electioneering communications, as those limits and restrictions were in effect following the passage of chapter 2, Laws of 1993 (Initiative Measure No. 134) and before the state supreme court decision in *Washington State Republican Party v. Washington State Public Disclosure Commission*, 141 Wn.2d 245, 4 P.3d 808 (2000). The commission is authorized to fully restore the implementation of the limits and restrictions of RCW 42.17A.405 (7) and (15) in light of *McConnell et al. v. Federal Elections Commission*, 540 U.S. 93, 124 S.Ct. 619, 157 L.Ed.2d 491 (2003). The United States supreme court upheld the disclosure and regulation of electioneering communications in political campaigns, including but not limited to issue advocacy that is the functional equivalent of express advocacy; and

(d) Authorize the commission to adopt rules to implement chapter 445, Laws of 2005. [2010 c 204 s 501; 2005 c 445 s 1. Formerly RCW 42.17.561.]

(a) Name and address of the sponsor;

(b) Source of funds for the communication, including:

(i) General treasury funds. The name and address of businesses, unions, groups, associations, or other organizations using general treasury funds for the communication, however, if a business, union, group, association, or other organization undertakes a special solicitation of its members or other persons for an electioneering communication, or it otherwise receives funds for an electioneering communication, that entity shall report pursuant to (b)(ii) of this subsection;

(3) Electioneering communications shall be reported electronically by the sponsor using software provided or approved by the commission. The commission may make exceptions on a case-by-case basis for a sponsor who lacks the technological ability to file reports using the electronic means provided or approved by the commission.

(4) All persons required to report under RCW 42.17A.225, 42.17A.235, 42.17A.240, and 42.17A.255 are subject to the requirements of this section, although the commission may determine by rule that persons filing according to those sections may be exempt from reporting some of the information otherwise required by this section. The commission may determine that reports filed pursuant to this

section also satisfy the requirements of RCW 42.17A.255 and 42.17A.260.

(5) Failure of any sponsor to report electronically under this section shall be a violation of this chapter. [2020 c 152 s 8; 2019 c 428 s 25; 2010 c 204 s 502; 2005 c 445 s 3. Formerly RCW 42.17.565.]

(3) If an electioneering communication is not a contribution pursuant to subsection (1) or (2) of this section, the sponsor shall file an affidavit or declaration so stating at the time the sponsor is required to report the electioneering communication expense under RCW 42.17A.305. [2010 c 204 s 503; 2005 c 445 s 4. Formerly RCW 42.17.570.]

RCW 42.17A.315 Recordkeeping. (Effective until January 1, 2026. Recodified as RCW 29B.30.040.) (1) The sponsor of an electioneering communication shall preserve all financial records relating to the communication, including books of account, bills, receipts, contributor information, and ledgers, for not less than five calendar years following the year in which the communication was broadcast, transmitted, mailed, erected, or otherwise published.

(2) All reports filed under RCW 42.17A.305 shall be certified as correct by the sponsor. If the sponsor is an individual using his or her own funds to pay for the communication, the certification shall be signed by the individual. If the sponsor is a political committee, the certification shall be signed by the committee treasurer. Formerly RCW 42.17.575.]

RCW 42.17A.320 Identification of sponsor—Exemptions. (Effective until January 1, 2026. Recodified as RCW 29B.30.050.) (1) All written political advertising, whether relating to candidates or ballot propositions, shall include the sponsor's name and address. All radio and television political advertising, whether relating to candidates or ballot propositions, shall include the sponsor's name. The use of an assumed name for the sponsor of electioneering communications, independent expenditures, or political advertising shall be unlawful. For partisan office, if a candidate has expressed a party or

independent preference on the declaration of candidacy, that party or independent designation shall be clearly identified in electioneering communications, independent expenditures, or political advertising.

(2) In addition to the information required by subsection (1) of this section, except as specifically addressed in subsections (4) and (5) of this section, all political advertising undertaken as an independent expenditure or an electioneering communication by a person or entity other than a bona fide political party must include as part of the communication:

(a) The statement: "No candidate authorized this ad. It is paid for by (name, address, city, state)";

(b) If the sponsor is a political committee, the statement: "Top Five Contributors," followed by a listing of the names of the five persons making the largest contributions as determined by RCW 42.17A.350(1); and if necessary, the statement "Top Three Donors to PAC Contributors," followed by a listing of the names of the three individuals or entities, other than political committees, making the largest aggregated contributions as determined by RCW 42.17A.350(2); and

(c) If the sponsor is a political committee established, maintained, or controlled directly, or indirectly through the formation of one or more political committees, by an individual, corporation, union, association, or other entity, the full name of that individual or entity.

(3) The information required by subsections (1) and (2) of this section shall:

(a) Appear on the first page or fold of the written advertisement or communication in at least ten-point type, or in type at least ten percent of the largest size type used in a written advertisement or communication directed at more than one voter, such as a billboard or poster, whichever is larger;

(b) Not be subject to the half-tone or screening process; and

(c) Be set apart from any other printed matter. No text may be before, after, or immediately adjacent to the information required by subsections (1) and (2) of this section.

(4) In an independent expenditure or electioneering communication transmitted via television or other medium that includes a visual image, the following statement must either be clearly spoken, or appear in print and be visible for at least four seconds, appear in letters greater than four percent of the visual screen height on a solid black background on the entire bottom one-third of the television or visual display screen, or bottom one-fourth of the screen if the sponsor does not have or is otherwise not required to list its top five contributors, and have a reasonable color contrast with the background: "No candidate authorized this ad. Paid for by (name, city, state)." If the advertisement or communication is undertaken by a nonindividual other than a party organization, then the following notation must also be included: "Top Five Contributors" followed by a listing of the names of the five persons making the largest aggregate contributions as determined by RCW 42.17A.350(1); and if necessary, the statement "Top Three Donors to PAC Contributors," followed by a listing of the names of the three individuals or entities other than political committees making the largest aggregate contributions to political committees as determined by RCW 42.17A.350(2). Abbreviations may be used to describe contributing entities if the full name of the entity has been clearly spoken previously during the broadcast advertisement.

(5) The following statement shall be clearly spoken in an independent expenditure or electioneering communication transmitted by a method that does not include a visual image: "No candidate authorized this ad. Paid for by (name, city, state)." If the independent expenditure or electioneering communication is undertaken by a nonindividual other than a party organization, then the following statement must also be included: "Top Five Contributors" followed by a listing of the names of the five persons making the largest contributions as determined by RCW 42.17A.350(1); and if necessary, the statement "Top Three Donors to PAC Contributors," followed by a listing of the names of the three individuals or entities, other than political committees, making the largest aggregate contributions to political committees as determined by RCW 42.17A.350(2). Abbreviations may be used to describe contributing entities if the full name of the entity has been clearly spoken previously during the broadcast advertisement.

(6) Political advertising costing one thousand dollars or more supporting or opposing ballot measures sponsored by a political committee must include the information on the top five contributors and top three contributors, other than political committees, as required by RCW 42.17A.350. A series of political advertising sponsored by the same political committee, each of which is under one thousand dollars, must include the top five contributors and top three contributors, other than political committees, as required by RCW 42.17A.350 once their cumulative value reaches one thousand dollars or more.

(7) Political yard signs are exempt from the requirements of this section that the top five contributors and top three PAC contributors as required by RCW 42.17A.350 be listed on the advertising. In addition, the public disclosure commission shall, by rule, exempt from the identification requirements of this section forms of political advertising such as campaign buttons, balloons, pens, pencils, sky-writing, inscriptions, and other forms of advertising where identification is impractical.

(8) For the purposes of this section, "yard sign" means any outdoor sign with dimensions no greater than eight feet by four feet. RCW 42.17A.335 Political advertising or electioneering communication—Libel or defamation per se. (Effective until January 1,

2026. Recodified as RCW 29B.30.070.) (1) It is a violation of this chapter for a person to sponsor with actual malice a statement constituting libel or defamation per se under the following circumstances:

(a) Political advertising or an electioneering communication that contains a false statement of material fact about a candidate for public office;

(b) Political advertising or an electioneering communication that falsely represents that a candidate is the incumbent for the office sought when in fact the candidate is not the incumbent;

(c) Political advertising or an electioneering communication that makes either directly or indirectly, a false claim stating or implying the support or endorsement of any person or organization when in fact the candidate does not have such support or endorsement.

(2) For the purposes of this section, "libel or defamation per se" means statements that tend (a) to expose a living person to hatred, contempt, ridicule, or obloquy, or to deprive him or her of the benefit of public confidence or social intercourse, or to injure him or her in his or her business or occupation, or (b) to injure any person, corporation, or association in his, her, or its business or occupation.

(3) It is not a violation of this section for a candidate or his or her agent to make statements described in subsection (1)(a) or (b) of this section about the candidate himself or herself because a person cannot defame himself or herself. It is not a violation of this section for a person or organization referenced in subsection (1)(c) of this section to make a statement about that person or organization because such persons and organizations cannot defame themselves.

(4) Any violation of this section shall be proven by clear and convincing evidence. If a violation is proven, damages are presumed and do not need to be proven. [2009 c 222 s 2; 2005 c 445 s 10; 1999 c 304 s 2; 1988 c 199 s 2; 1984 c 216 s 3. Formerly RCW 42.17.530.]

Intent—Findings—2009 c 222: "(1) The concurring opinion of the Washington state supreme court in *Rickert v. State, Public Disclosure Commission*, 161 Wn.2d 843, 168 P. 3d 826 (2007) found the statute that prohibits persons from sponsoring, with actual malice, political advertising and electioneering communications about a candidate containing false statements of material fact to be invalid under the First Amendment to the United States Constitution because it posed no requirement that the prohibited statements be defamatory.

(2) It is the intent of the legislature to amend *chapter 42.17 RCW to find that a violation of state law occurs if a person sponsors false statements about candidates in political advertising and electioneering communications when the statements are made with actual malice and are defamatory.

(3) The legislature finds that in such circumstances damages are presumed and do not need to be established when such statements are made with actual malice in political advertising and electioneering communications and constitute libel or defamation per se. The legislature finds that incumbents, challengers, voters, and the political process will benefit from vigorous political debate that is not made with actual malice and is not defamatory.

(4) The legislature finds that when such defamatory statements contain a false statement of material fact about a candidate for public office they expose the candidate to contempt, ridicule, or

reproach and can deprive the candidate of the benefit of public confidence, or prejudice him or her in his or her profession, trade, or vocation. The legislature finds that when such statements falsely represent that a candidate is the incumbent for the office sought when in fact the candidate is not the incumbent they deprive the actual incumbent and the candidates of the benefit of public confidence and injure the actual incumbent in the ability to effectively serve as an elected official. The legislature further finds that defamatory statements made by an incumbent regarding the incumbent's challenger may deter individuals from seeking public office and harm the democratic process. Further, the legislature finds that when such statements make, either directly or indirectly, a false claim stating or implying the support or endorsement of any person or organization when in fact the candidate does not have such support or endorsement, they deprive the person or organization of the benefit of public confidence and/or will expose the person or organization to contempt, ridicule, or reproach, or injure the person or organization in their business or occupation.

(5) The legislature finds that defamatory statements, made with actual malice, damage the integrity of elections by distorting the electoral process. Democracy is premised on an informed electorate. To the extent such defamatory statements misinform the voters, they interfere with the process upon which democracy is based. Such defamatory statements also lower the quality of campaign discourse and debate, and lead or add to voter alienation by fostering voter cynicism and distrust of the political process." [2009 c 222 s 1.]

***Reviser's note:** Provisions in chapter 42.17 RCW relating to campaign finance were recodified in chapter 42.17A RCW by 2010 c 204, effective January 1, 2012.

Finding—Intent—1999 c 304: "(1) The Washington supreme court in a case involving a ballot measure, *State v. 119 Vote No! Committee*, 135 Wn.2d 618 (1998), found the statute that prohibits persons from sponsoring, with actual malice, political advertising containing false statements of material fact to be invalid under the First Amendment to the United States Constitution.

(2) The legislature finds that a review of the opinions indicates that a majority of the supreme court may find valid a statute that limited such a prohibition on sponsoring with actual malice false statements of material fact in a political campaign to statements about a candidate in an election for public office.

(3) It is the intent of the legislature to amend the current law to provide protection for candidates for public office against false statements of material fact sponsored with actual malice." [1999 c 304 s 1.]

(1) Except as provided in subsection (2) of this section, the responsibility for compliance with RCW 42.17A.320 through 42.17A.335 shall be with the sponsor of the political advertising and not with the broadcasting station or other medium.

(2) If a broadcasting station or other medium changes the content of a political advertisement, the station or medium shall be responsible for any failure of the advertisement to comply with RCW

42.17A.320 through 42.17A.335 that results from that change. [2010 c 204 s 507; 1984 c 216 s 4. Formerly RCW 42.17.540.]

The documents and books of account shall specify:

RCW 42.17A.350 Top five contributors to political advertisement. (Effective until January 1, 2026. Recodified as RCW 29B.30.100.) (1) For any requirement to include the top five contributors under RCW 42.17A.320 or any other provision of this chapter, the sponsor must identify the five persons or entities making the largest contributions to the sponsor in excess of the threshold aggregate value to be considered an independent expenditure in an election for public office under *RCW 42.17A.005(29)(a)(iv) reportable under this chapter during the twelve-month period preceding the date on which the advertisement is initially to be published or otherwise presented to the public.

(2) If one or more of the top five contributors identified under subsection (1) of this section is a political committee, the top three contributors to each of those political committees during the same period must then be identified, and so on, until the individuals or entities other than political committees with the largest aggregate contributions to each political committee identified under subsection (1) of this section have also been identified. The sponsor must identify the three individuals or entities, not including political committees, who made the largest aggregate contributions to any political committee identified under subsection (1) of this section in excess of the threshold aggregate value to be considered an independent expenditure in an election for public office under *RCW 42.17A.005(29)(a)(iv) reportable under this chapter during the same period, and the names of those individuals or entities must be displayed in the advertisement alongside the statement "Top Three Donors to PAC Contributors."

(3) Contributions to the sponsor or a political committee that are earmarked, tracked, and used for purposes other than the advertisement in question should not be counted in identifying the top five contributors under subsection (1) of this section or the top three contributors under subsection (2) of this section.

(4) The sponsor shall not be liable for a violation of this section that occurs because a contribution to any political committee identified under subsection (1) of this section has not been reported to the commission.

(5) The commission is authorized to adopt rules, as needed, to prevent ways to circumvent the purposes of the required disclosures in this section to inform voters about the individuals and entities sponsoring political advertisements. [2019 c 261 s 2.]

***Reviser's note:** RCW 42.17A.005 was amended by 2020 c 152 s 2, changing subsection (29) to subsection (30).

Findings—Intent—2019 c 261: "The legislature finds that the public has the right to know who is contributing to election campaigns in Washington state and that campaign finance disclosure deters corruption, increases public confidence in Washington state elections, raises the level of debate, and strengthens our representative democracy.

The legislature finds that campaign finance disclosure is overwhelmingly supported by the citizens of Washington state as evidenced by the two initiatives that largely established Washington's current system. Both passed with more than seventy-two percent of the popular vote, as well as winning margins in every county in the state.

One of the cornerstones of Washington state's campaign finance disclosure laws is the requirement that political advertisements disclose the sponsor and the sponsor's top five donors. Many political action committees have avoided this important transparency requirement by funneling money from political action committee to political action committee so the top five donors listed are deceptive political action committee names rather than the real donors. The legislature finds that this practice, sometimes called "gray money" or "donor washing," undermines the intent of Washington state's campaign finance laws and impairs the transparency required for fair elections and a healthy democracy.

Therefore, the legislature intends to close this disclosure loophole, increase transparency and accountability, raise the level of discourse, deter corruption, and strengthen confidence in the election process by prohibiting political committees from receiving an overwhelming majority of their funds from one or a combination of political committees." CAMPAIGN CONTRIBUTION LIMITS AND OTHER RESTRICTIONS

RCW 42.17A.400 Findings—Intent. (Effective until January 1, 2026. Recodified as RCW 29B.40.010.) (1) The people of the state of Washington find and declare that:

(a) The financial strength of certain individuals or organizations should not permit them to exercise a disproportionate or controlling influence on the election of candidates.

(b) Rapidly increasing political campaign costs have led many candidates to raise larger percentages of money from special interests with a specific financial stake in matters before state government. This has caused the public perception that decisions of elected officials are being improperly influenced by monetary contributions.

(c) Candidates are raising less money in small contributions from individuals and more money from special interests. This has created the public perception that individuals have an insignificant role to play in the political process.

(2) By limiting campaign contributions, the people intend to:

(a) Ensure that individuals and interest groups have fair and equal opportunity to influence elective and governmental processes;

(b) Reduce the influence of large organizational contributors; and

(c) Restore public trust in governmental institutions and the electoral process. [2010 c 204 s 601; 1993 c 2 s 1 (Initiative Measure No. 134, approved November 3, 1992). Formerly RCW 42.17.610.]

RCW 42.17A.405 Limits specified—Exemptions. (Effective until January 1, 2026. Recodified as RCW 29B.40.020.) (1) The contribution limits in this section apply to:

(b) Candidates for state office other than legislative office;

(c) Candidates for county office;

(d) Candidates for port district office;

(e) Candidates for city council office;

(f) Candidates for mayoral office;

(g) Candidates for school board office;

(h) Candidates for public hospital district board of commissioners in districts with a population over one hundred fifty thousand;

(i) Persons holding an office in (a) through (h) of this subsection against whom recall charges have been filed or to a political committee having the expectation of making expenditures in support of the recall of a person holding the office;

(j) Caucus political committees;

(k) Bona fide political parties.

(2) No person, other than a bona fide political party or a caucus political committee, may make contributions to a candidate for a legislative office, county office, city council office, mayoral office, school board office, or public hospital district board of commissioners that in the aggregate exceed *eight hundred dollars or to a candidate for a public office in a port district or a state office other than a legislative office that in the aggregate exceed *one thousand six hundred dollars for each election in which the candidate is on the ballot or appears as a write-in candidate. Contributions to candidates subject to the limits in this section made with respect to a primary may not be made after the date of the primary. However, contributions to a candidate or a candidate's authorized committee may be made with respect to a primary until thirty days after the primary, subject to the following limitations:

(a) The candidate lost the primary; (b) the candidate's authorized committee has insufficient funds to pay debts outstanding as of the date of the primary; and (c) the contributions may only be raised and spent to satisfy the outstanding debt. Contributions to candidates

subject to the limits in this section made with respect to a general election may not be made after the final day of the applicable election cycle.

(3) No person, other than a bona fide political party or a caucus political committee, may make contributions to a state official, a county official, a city official, a school board member, a public hospital district commissioner, or a public official in a port district against whom recall charges have been filed, or to a political committee having the expectation of making expenditures in support of the recall of the state official, county official, city official, school board member, public hospital district commissioner, or public official in a port district during a recall campaign that in the aggregate exceed *eight hundred dollars if for a legislative office, county office, school board office, public hospital district office, or city office, or *one thousand six hundred dollars if for a port district office or a state office other than a legislative office.

(4) (a) Notwithstanding subsection (2) of this section, no bona fide political party or caucus political committee may make contributions to a candidate during an election cycle that in the aggregate exceed (i) eighty cents multiplied by the number of eligible registered voters in the jurisdiction from which the candidate is elected if the contributor is a caucus political committee or the governing body of a state organization, or (ii) forty cents multiplied by the number of registered voters in the jurisdiction from which the candidate is elected if the contributor is a county central committee or a legislative district committee.

(b) No candidate may accept contributions from a county central committee or a legislative district committee during an election cycle that when combined with contributions from other county central committees or legislative district committees would in the aggregate exceed forty cents times the number of registered voters in the jurisdiction from which the candidate is elected.

(5) (a) Notwithstanding subsection (3) of this section, no bona fide political party or caucus political committee may make contributions to a state official, county official, city official, school board member, public hospital district commissioner, or a public official in a port district against whom recall charges have been filed, or to a political committee having the expectation of making expenditures in support of the state official, county official, city official, school board member, public hospital district commissioner, or a public official in a port district during a recall campaign that in the aggregate exceed (i) eighty cents multiplied by the number of eligible registered voters in the jurisdiction entitled to recall the state official if the contributor is a caucus political committee or the governing body of a state organization, or (ii) forty cents multiplied by the number of registered voters in the jurisdiction from which the candidate is elected if the contributor is a county central committee or a legislative district committee.

(b) No official holding an office specified in subsection (1) of this section against whom recall charges have been filed, no authorized committee of the official, and no political committee having the expectation of making expenditures in support of the recall of the official may accept contributions from a county central committee or a legislative district committee during an election cycle that when combined with contributions from other county central committees or legislative district committees would in the aggregate

exceed forty cents multiplied by the number of registered voters in the jurisdiction from which the candidate is elected.

(6) For purposes of determining contribution limits under subsections (4) and (5) of this section, the number of eligible registered voters in a jurisdiction is the number at the time of the most recent general election in the jurisdiction.

(7) Notwithstanding subsections (2) through (5) of this section, no person other than an individual, bona fide political party, or caucus political committee may make contributions reportable under this chapter to a caucus political committee that in the aggregate exceed *eight hundred dollars in a calendar year or to a bona fide political party that in the aggregate exceed *four thousand dollars in a calendar year. This subsection does not apply to loans made in the ordinary course of business.

(8) For the purposes of RCW 42.17A.125, 42.17A.405 through 42.17A.415, 42.17A.450 through 42.17A.495, 42.17A.500, 42.17A.560, and 42.17A.565, a contribution to the authorized political committee of a candidate or of an official specified in subsection (1) of this section against whom recall charges have been filed is considered to be a contribution to the candidate or official.

(9) A contribution received within the twelve-month period after a recall election concerning an office specified in subsection (1) of this section is considered to be a contribution during that recall campaign if the contribution is used to pay a debt or obligation incurred to influence the outcome of that recall campaign.

(10) The contributions allowed by subsection (3) of this section are in addition to those allowed by subsection (2) of this section, and the contributions allowed by subsection (5) of this section are in addition to those allowed by subsection (4) of this section.

(11) RCW 42.17A.125, 42.17A.405 through 42.17A.415, 42.17A.450 through 42.17A.495, 42.17A.500, 42.17A.560, and 42.17A.565 apply to a special election conducted to fill a vacancy in an office specified in subsection (1) of this section. However, the contributions made to a candidate or received by a candidate for a primary or special election conducted to fill such a vacancy shall not be counted toward any of the limitations that apply to the candidate or to contributions made to the candidate for any other primary or election.

(12) Notwithstanding the other subsections of this section, no corporation or business entity not doing business in Washington state, no labor union with fewer than ten members who reside in Washington state, and no political committee that has not received contributions of *ten dollars or more from at least ten persons registered to vote in Washington state during the preceding one hundred eighty days may make contributions reportable under this chapter to a state office candidate, to a state official against whom recall charges have been filed, or to a political committee having the expectation of making expenditures in support of the recall of the official. This subsection does not apply to loans made in the ordinary course of business.

(13) Notwithstanding the other subsections of this section, no county central committee or legislative district committee may make contributions reportable under this chapter to a candidate specified in subsection (1) of this section, or an official specified in subsection (1) of this section against whom recall charges have been filed, or political committee having the expectation of making expenditures in support of the recall of an official specified in subsection (1) of this section if the county central committee or

legislative district committee is outside of the jurisdiction entitled to elect the candidate or recall the official.

(14) No person may accept contributions that exceed the contribution limitations provided in this section.

(15) The following contributions are exempt from the contribution limits of this section:

(a) An expenditure or contribution earmarked for voter registration, for absentee ballot information, for precinct caucuses, for get-out-the-vote campaigns, for precinct judges or inspectors, for sample ballots, or for ballot counting, all without promotion of or political advertising for individual candidates;

(b) An expenditure by a political committee for its own internal organization or fund-raising without direct association with individual candidates; or

(c) An expenditure or contribution for independent expenditures as defined in RCW 42.17A.005 or electioneering communications as defined in RCW 42.17A.005. (2) Contributions to other candidates subject to the contribution limits of this chapter made and received before June 7, 2006, are considered to be contributions under *RCW 42.17.640 through 42.17.790. RCW 42.17A.417 Foreign nationals—Contributions, expenditures, and electioneering prohibited. (Effective until January 1, 2026. Recodified as RCW 29B.40.050.) (1) A foreign national may not make a contribution to any candidate or political committee, make an expenditure in support of or in opposition to any candidate or ballot measure, or sponsor political advertising or an electioneering communication.

(2) A person may not make a contribution to any candidate or political committee, make an expenditure in support of or in opposition to any candidate or ballot measure, or sponsor political advertising or an electioneering communication, if:

(a) The contribution, expenditure, political advertising, or electioneering communication is financed in any part by a foreign national; or

(b) Foreign nationals are involved in making decisions regarding the contribution, expenditure, political advertising, or electioneering communication in any way. [2020 c 152 s 9.]

Findings—2020 c 152: "The legislature finds that the First Amendment rights of freedom of speech and free association, as they relate to participating in elections, are core values in the United States. The United States supreme court has repeatedly held that these rights include the right to make campaign contributions in support of candidates and ballot measures at the federal, state, and local levels.

The legislature also finds, in accordance with federal law, that these rights are reserved solely for citizens of the United States and

permanent legal residents, whether they act as individuals or in association. The First Amendment protection for political speech does not apply to foreign nationals, who are forbidden under 52 U.S.C. Sec. 30121 from directly or indirectly making political contributions or financing independent expenditures and electioneering communications, either individually or collectively through a corporation or other association. Furthermore, federal law prohibits any person from knowingly soliciting or receiving contributions from a foreign national. Therefore, it falls to individual states to help protect the prohibition on foreign influence in our state and local elections by requiring certification that contributions, expenditures, political advertising, and electioneering communications are not financed in any part by foreign nationals and that foreign nationals are not involved in making decisions regarding such election activity in any way."

(a) The contribution is not financed in any part by a foreign national; and

(b) Foreign nationals are not involved in making decisions regarding the contribution in any way.

(2) The certifications must be maintained for a period of no less than three years after the date of the applicable election.

(3) At the request of the commission, each candidate or committee required to comply with subsection (1) of this section must provide to the commission copies of the certifications maintained under this section. [2020 c 152 s 10.]

(1) Return the surplus to a contributor in an amount not to exceed that contributor's original contribution;

(2) Using surplus, reimburse the candidate for lost earnings incurred as a result of that candidate's election campaign. All lost earnings incurred shall be documented and a record thereof shall be maintained by the candidate or the candidate's authorized committee. The committee shall maintain a copy of this record in accordance with *RCW 42.17A.235(6);

(4) Donate the surplus to a charitable organization registered in accordance with chapter 19.09 RCW;

(5) Transmit the surplus to the state treasurer for deposit in the general fund, the Washington state legacy project, state library, and archives account under RCW 43.07.380, or the legislative international trade account under RCW 43.15.050, as specified by the candidate or political committee; or

(6) Hold the surplus in the depository or depositories designated in accordance with RCW 42.17A.215 for possible use in a future election campaign for the same office last sought by the candidate and report any such disposition in accordance with RCW 42.17A.240. If the

candidate subsequently announces or publicly files for office, the appropriate information must be reported to the commission in accordance with RCW 42.17A.205 through 42.17A.240. If a subsequent office is not sought the surplus held shall be disposed of in accordance with the requirements of this section.

The separate account required under this subsection shall not be used for deposits of campaign funds that are not surplus.

(8) No candidate or authorized committee may transfer funds to any other candidate or other political committee.

RCW 42.17A.635 Legislative activities of state agencies, other units of government, elective officials, employees. (Effective until January 1, 2026. Recodified as RCW 29B.50.090.) (1) The house of representatives and the senate shall report annually: The total budget; the portion of the total attributed to staff; and the number of full-time and part-time staff positions by assignment, with dollar figures as well as number of positions.

(2) Unless authorized by subsection (3) of this section or otherwise expressly authorized by law, no public funds may be used directly or indirectly for lobbying. However, this does not prevent officers or employees of an agency from communicating with a member of the legislature on the request of that member; or communicating to the legislature, through the proper official channels, requests for legislative action or appropriations that are deemed necessary for the efficient conduct of the public business or actually made in the proper performance of their official duties. This subsection does not apply to the legislative branch.

(3) Any agency, not otherwise expressly authorized by law, may expend public funds for lobbying, but such lobbying activity shall be limited to (a) providing information or communicating on matters pertaining to official agency business to any elected official or officer or employee of any agency or (b) advocating the official position or interests of the agency to any elected official or officer or employee of any agency. Public funds may not be expended as a direct or indirect gift or campaign contribution to any elected official or officer or employee of any agency. For the purposes of this subsection, "gift" means a voluntary transfer of any thing of value without consideration of equal or greater value, but does not include informational material transferred for the sole purpose of informing the recipient about matters pertaining to official agency business. This section does not permit the printing of a state publication that has been otherwise prohibited by law.

(4) No elective official or any employee of his or her office or any person appointed to or employed by any public office or agency may use or authorize the use of any of the facilities of a public office or agency, directly or indirectly, in any effort to support or oppose an initiative to the legislature. "Facilities of a public office or agency" has the same meaning as in RCW 42.17A.555 and 42.52.180. The provisions of this subsection shall not apply to the following activities:

(a) Action taken at an open public meeting by members of an elected legislative body to express a collective decision, or to actually vote upon a motion, proposal, resolution, order, or ordinance, or to support or oppose an initiative to the legislature so long as (i) any required notice of the meeting includes the title and number of the initiative to the legislature, and (ii) members of the legislative body or members of the public are afforded an approximately equal opportunity for the expression of an opposing view;

(b) A statement by an elected official in support of or in opposition to any initiative to the legislature at an open press conference or in response to a specific inquiry;

(c) Activities that are part of the normal and regular conduct of the office or agency;

(d) Activities conducted regarding an initiative to the legislature that would be permitted under RCW 42.17A.555 and 42.52.180 if conducted regarding other ballot measures.

(5) Each state agency, county, city, town, municipal corporation, quasi-municipal corporation, or special purpose district that expends public funds for lobbying shall file with the commission, except as exempted by (d) of this subsection, quarterly statements providing the following information for the quarter just completed:

(a) The name of the agency filing the statement;

(b) The name, title, and job description and salary of each elected official, officer, or employee who lobbied, a general description of the nature of the lobbying, and the proportionate amount of time spent on the lobbying;

(c) A listing of expenditures incurred by the agency for lobbying including but not limited to travel, consultant or other special contractual services, and brochures and other publications, the principal purpose of which is to influence legislation;

(d) For purposes of this subsection, "lobbying" does not include:

(i) Requests for appropriations by a state agency to the office of financial management pursuant to chapter 43.88 RCW nor requests by the office of financial management to the legislature for appropriations other than its own agency budget requests;

(ii) Recommendations or reports to the legislature in response to a legislative request expressly requesting or directing a specific study, recommendation, or report by an agency on a particular subject;

(iii) Official reports including recommendations submitted to the legislature on an annual or biennial basis by a state agency as required by law;

(iv) Requests, recommendations, or other communication between or within state agencies or between or within local agencies;

(v) Any other lobbying to the extent that it includes:

(A) Telephone conversations or preparation of written correspondence;

(B) In-person lobbying on behalf of an agency of no more than four days or parts thereof during any three-month period by officers or employees of that agency and in-person lobbying by any elected official of such agency on behalf of such agency or in connection with the powers, duties, or compensation of such official. The total expenditures of nonpublic funds made in connection with such lobbying for or on behalf of any one or more members of the legislature or state elected officials or public officers or employees of the state of Washington may not exceed fifteen dollars for any three-month period. The exemption under this subsection (5) (d) (v) (B) is in addition to the exemption provided in (d) (v) (A) of this subsection;

(C) Preparation or adoption of policy positions.

The statements shall be in the form and the manner prescribed by the commission and shall be filed within one month after the end of the quarter covered by the report.

(6) In lieu of reporting under subsection (5) of this section, any county, city, town, municipal corporation, quasi municipal corporation, or special purpose district may determine and so notify the public disclosure commission that elected officials, officers, or

employees who, on behalf of any such local agency, engage in lobbying reportable under subsection (5) of this section shall register and report such reportable lobbying in the same manner as a lobbyist who is required to register and report under RCW 42.17A.600 and 42.17A.615. Each such local agency shall report as a lobbyist employer pursuant to RCW 42.17A.630.

(7) The provisions of this section do not relieve any elected official or officer or employee of an agency from complying with other provisions of this chapter, if such elected official, officer, or employee is not otherwise exempted.

(8) The purpose of this section is to require each state agency and certain local agencies to report the identities of those persons who lobby on behalf of the agency for compensation, together with certain separately identifiable and measurable expenditures of an agency's funds for that purpose. This section shall be reasonably construed to accomplish that purpose and not to require any agency to report any of its general overhead cost or any other costs that relate only indirectly or incidentally to lobbying or that are equally attributable to or inseparable from nonlobbying activities of the agency.

The public disclosure commission may adopt rules clarifying and implementing this legislative interpretation and policy. (a) If the court finds that the violation of any provision of this chapter by any candidate, committee, or incidental committee probably affected the outcome of any election, the result of that election may be held void and a special election held within sixty days of the finding. Any action to void an election shall be commenced within one year of the date of the election in question. It is intended that this remedy be imposed freely in all appropriate cases to protect the right of the electorate to an informed and knowledgeable vote.

(b) If any lobbyist or sponsor of any grass roots lobbying campaign violates any of the provisions of this chapter, the lobbyist's or sponsor's registration may be revoked or suspended and the lobbyist or sponsor may be enjoined from receiving compensation or making expenditures for lobbying. The imposition of a sanction shall not excuse the lobbyist from filing statements and reports required by this chapter.

However, a person or entity who violates RCW 42.17A.405 may be subject to a civil penalty of ten thousand dollars or three times the amount of the contribution illegally made or accepted, whichever is greater.

(d) When assessing a civil penalty, the court may consider the nature of the violation and any relevant circumstances, including the following factors:

(i) The respondent's compliance history, including whether the noncompliance was isolated or limited in nature, indicative of systematic or ongoing problems, or part of a pattern of violations by the respondent, resulted from a knowing or intentional effort to conceal, deceive or mislead, or from collusive behavior, or in the case of a political committee or other entity, part of a pattern of violations by the respondent's officers, staff, principal decision makers, consultants, or sponsoring organization;

(ii) The impact on the public, including whether the noncompliance deprived the public of timely or accurate information during a time-sensitive period or otherwise had a significant or material impact on the public;

RCW 42.17A.755 Violations—Determination by commission—Penalties—Procedure. (Effective until January 1, 2026. Recodified as RCW 29B.60.020.)

(1) The commission may initiate or respond to a complaint, request a technical correction, or otherwise resolve matters of compliance with this chapter, in accordance with this section. If a complaint is filed with or initiated by the commission, the commission must:

(a) Dismiss the complaint or otherwise resolve the matter in accordance with subsection (2) of this section, as appropriate under the circumstances after conducting a preliminary review;

(b) Initiate an investigation to determine whether a violation has occurred, conduct hearings, and issue and enforce an appropriate order, in accordance with chapter 34.05 RCW and subsection (3) of this section; or

(c) Refer the matter to the attorney general, in accordance with subsection (4) of this section.

(2)(a) For complaints of remediable violations or requests for technical corrections, the commission may, by rule, delegate authority to its executive director to resolve these matters in accordance with

subsection (1)(a) of this section, provided the executive director consistently applies such authority.

(b) The commission shall, by rule, develop additional processes by which a respondent may agree by stipulation to any allegations and pay a penalty subject to a schedule of violations and penalties, unless waived by the commission as provided for in this section. Any stipulation must be referred to the commission for review. If approved or modified by the commission, agreed to by the parties, and the respondent complies with all requirements set forth in the stipulation, the matter is then considered resolved and no further action or review is allowed.

(3) If the commission initiates an investigation, an initial hearing must be held within ninety days of the complaint being filed. Following an investigation, in cases where it chooses to determine whether a violation has occurred, the commission shall hold a hearing pursuant to the administrative procedure act, chapter 34.05 RCW. Any order that the commission issues under this section shall be pursuant to such a hearing.

(a) The person against whom an order is directed under this section shall be designated as the respondent. The order may require the respondent to cease and desist from the activity that constitutes a violation and in addition, or alternatively, may impose one or more of the remedies provided in RCW 42.17A.750(1) (b) through (h), or other requirements as the commission determines appropriate to effectuate the purposes of this chapter.

(b) The commission may assess a penalty in an amount not to exceed ten thousand dollars per violation, unless the parties stipulate otherwise. Any order that the commission issues under this section that imposes a financial penalty must be made pursuant to a hearing, held in accordance with the administrative procedure act, chapter 34.05 RCW.

(c) The commission has the authority to waive a penalty for a first-time violation. A second violation of the same requirement by the same person, regardless if the person or individual committed the violation for a different political committee or incidental committee, shall result in a penalty. Successive violations of the same requirement shall result in successively increased penalties. The commission may suspend any portion of an assessed penalty contingent on future compliance with this chapter. The commission must create a schedule to enhance penalties based on repeat violations by the person.

(d) Any order issued by the commission is subject to judicial review under the administrative procedure act, chapter 34.05 RCW. If the commission's order is not satisfied and no petition for review is filed within thirty days, the commission may petition a court of competent jurisdiction of any county in which a petition for review could be filed under that jurisdiction, for an order of enforcement. Proceedings in connection with the commission's petition shall be in accordance with RCW 42.17A.760.

(4) In lieu of holding a hearing or issuing an order under this section, the commission may refer the matter to the attorney general consistent with this section, when the commission believes:

(a) Additional authority is needed to ensure full compliance with this chapter;

(b) An apparent violation potentially warrants a penalty greater than the commission's penalty authority; or

(c) The maximum penalty the commission is able to levy is not enough to address the severity of the violation.

(5) Prior to filing a citizen's action under RCW 42.17A.775, a person who has filed a complaint pursuant to this section must provide written notice to the attorney general if the commission does not, within 90 [ninety] days of the complaint being filed with the commission, take action pursuant to subsection (1) of this section. A person must simultaneously provide a copy of the written notice to the commission. RCW 42.17A.760 Procedure upon petition for enforcement of order of commission—Court's order of enforcement. (Effective until January 1, 2026. Recodified as RCW 29B.60.030.) The following procedure shall apply in all cases where the commission has petitioned a court of competent jurisdiction for enforcement of any order it has issued pursuant to this chapter:

(1) A copy of the petition shall be served by certified mail directed to the respondent at his or her last known address. The court shall issue an order directing the respondent to appear at a time designated in the order, not less than five days from the date thereof, and show cause why the commission's order should not be enforced according to its terms.

(2) The commission's order shall be enforced by the court if the respondent does not appear, or if the respondent appears and the court finds, pursuant to a hearing held for that purpose:

(a) That the commission's order is unsatisfied;

(b) That the order is regular on its face; and

(c) That the respondent's answer discloses no valid reason why the commission's order should not be enforced or that the respondent had an appropriate remedy by review under RCW 34.05.570(3) and failed to avail himself or herself of that remedy without valid excuse.

(3) Upon appropriate application by the respondent, the court may, after hearing and for good cause, alter, amend, revise, suspend, or postpone all or part of the commission's order. In any case where the order is not enforced by the court according to its terms, the reasons for the court's actions shall be clearly stated in writing, and the action shall be subject to review by the appellate courts by certiorari or other appropriate proceeding.

(4) The court's order of enforcement, when entered, shall have the same force and effect as a civil judgment.

(5) Notwithstanding RCW 34.05.578 through 34.05.590, this section is the exclusive method for enforcing an order of the commission. [2010 c 204 s 1003; 1989 c 175 s 92; 1982 c 147 s 17; 1975-'76 2nd ex.s. c 112 s 13. Formerly RCW 42.17.397.]

RCW 42.17A.765 Enforcement—Attorney general. (Effective until January 1, 2026. Recodified as RCW 29B.60.040.) (1) (a) The attorney general may bring civil actions in the name of the state for any appropriate civil remedy, including but not limited to the special remedies provided in RCW 42.17A.750 upon:

(i) Referral by the commission pursuant to RCW 42.17A.755(4);
(ii) Receipt of a notice provided in accordance with RCW 42.17A.755(5); or
(iii) Receipt of a notice of intent to commence a citizen's action, as provided under RCW 42.17A.775(3).

(b) Within forty-five days of receiving a referral from the commission or notice of the commission's failure to take action provided in accordance with RCW 42.17A.755(5), or within ten days of receiving a citizen's action notice, the attorney general must publish a decision whether to commence an action on the attorney general's office website. Publication of the decision within the forty-five day period, or ten-day period, whichever is applicable, shall preclude a citizen's action pursuant to RCW 42.17A.775.

(c) The attorney general should use the enforcement powers in this section in a consistent manner that provides guidance in complying with the provisions of this chapter to candidates, political committees, or other individuals subject to the regulations of this chapter.

(2) The attorney general may investigate or cause to be investigated the activities of any person who there is reason to believe is or has been acting in violation of this chapter, and may require any such person or any other person reasonably believed to have information concerning the activities of such person to appear at a time and place designated in the county in which such person resides or is found, to give such information under oath and to produce all accounts, bills, receipts, books, paper and documents which may be relevant or material to any investigation authorized under this chapter.

(3) When the attorney general requires the attendance of any person to obtain such information or produce the accounts, bills, receipts, books, papers, and documents that may be relevant or material to any investigation authorized under this chapter, the attorney general shall issue an order setting forth the time when and the place where attendance is required and shall cause the same to be delivered to or sent by registered mail to the person at least fourteen days before the date fixed for attendance. The order shall have the same force and effect as a subpoena, shall be effective statewide, and, upon application of the attorney general, obedience to the order may be enforced by any superior court judge in the county where the person receiving it resides or is found, in the same manner as though the order were a subpoena. The court, after hearing, for good cause, and upon application of any person aggrieved by the order, shall have the right to alter, amend, revise, suspend, or postpone all

or any part of its provisions. In any case where the order is not enforced by the court according to its terms, the reasons for the court's actions shall be clearly stated in writing, and the action shall be subject to review by the appellate courts by certiorari or other appropriate proceeding. (1) A person who has reason to believe that a provision of this chapter is being or has been violated may bring a citizen's action in the name of the state, in accordance with the procedures of this section.

(2) A citizen's action may be brought and prosecuted only if the person first has filed a complaint with the commission and:

(a) The commission has not taken action authorized under RCW 42.17A.755(1) within ninety days of the complaint being filed with the commission, and the person who initially filed the complaint with the commission provided written notice to the attorney general in accordance with RCW 42.17A.755(5) and the attorney general has not commenced an action, or published a decision whether to commence action pursuant to RCW 42.17A.765(1)(b), within forty-five days of receiving the notice;

(3) To initiate the citizen's action, after meeting the requirements under subsection (2) (a) and (b) of this section, a person must notify the attorney general and the commission that the person will commence a citizen's action within ten days if the commission does not take action authorized under RCW 42.17A.755(1), or

the attorney general does not commence an action or publish a decision whether to commence an action pursuant to RCW 42.17A.765(1)(b). The attorney general and the commission must notify the other of its decision whether to commence an action.

(4) The citizen's action must be commenced within two years after the date when the alleged violation occurred and may not be commenced against a committee or incidental committee before the end of such period if the committee or incidental committee has received an acknowledgment of dissolution.

(5) If the person who brings the citizen's action prevails, the judgment awarded shall escheat to the state, but he or she shall be entitled to be reimbursed by the state for reasonable costs and reasonable attorneys' fees the person incurred. In the case of a citizen's action that is dismissed and that the court also finds was brought without reasonable cause, the court may order the person commencing the action to pay all trial costs and reasonable attorneys' fees incurred by the defendant.
