Intent—1982 c 35: "The legislature finds that the secretary of state's office, particularly the corporations division, performs a valuable public service for the business and nonprofit corporate community, and for the state of Washington. The legislature further finds that numerous filing and other requirements of the laws relating to the secretary of state's responsibilities have not been recently updated, thereby causing problems and delays for the corporate community as well as the secretary of state's office.

To provide better service to the corporate community in this state, and to permit the secretary of state to make efficient use of state resources and improve collection of state revenues, statutory changes are necessary. It is the intent of the legislature to provide for the modernization and updating of the corporate laws and other miscellaneous filing statutes and to give the secretary of state the appropriate authority the secretary of state needs to implement the modernization and streamlining effort." [1982 c 35 § 1.]

Severability—1982 c 35: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1982 c 35 § 202.]

(3) Sections 39, 45, 46, 52, 61, 63, and 201 of this act shall take effect January 1, 1983." [1982 c 35 § 203.]
