Dear Chief Clerk Dean and Secretary Bannister:

Please accept the enclosed report, submitted on behalf of the Department of Natural Resources (“Department”), as directed by the Legislature in the 2021-2023 Operating Budget (Engrossed Substitute Senate Bill 5092). Section 310 (8) of the bill directs the Department to submit monthly updates of fire suppression costs incurred, and the number and type of wildfires suppressed, to the appropriate fiscal and policy committees of the Legislature and the Office of Financial Management.

For November 2022, there were 13 classified fires recorded. Total fire cost to the department for the month of October was \$11.3 million. Estimated costs for all funds in FY 2023 are \$145.3 million. This puts us over the current allotment of GF-S/Disaster allotment by \$92.9 million and all other appropriations by \$27.5 million.

Should you have any questions, please contact me at 360-764-0013 or Brian.Considine@dnr.wa.gov.

Sincerely,

Brian Considine
Legislative Director
Office of the Commissioner of Public Lands
