WAC 110-305-3250 Immunization tracking. The licensee or designee is required to track each child's immunization status in accordance with WAC 246-105-060. The child care program must:

1. Keep all DOH approved forms described in WAC 246-105-050 for each enrolled child;
2. Keep a list of currently enrolled children with medical, religious, philosophical, or personal immunization exemptions. This list must be sent to the local health department upon request;
3. Return the department of health CIS or applicable form to the parent when the child is withdrawn from the child care program. A child care program may not withhold from the parent a child's health department-approved form for any reason, including nonpayment of child care program fees; and
4. Provide access to immunization records of each child enrolled to agents of the state or local health department.
