Toileting facility. (1) For any program that does not operate on public or private school premises, a toileting facility must be available for use by the children.

The toileting facility must have at minimum:
(a) One working flush-type toilet for every thirty children based on the licensed capacity. One-third of the toilets may be replaced by a urinal;
(b) Privacy for toileting for children of the opposite sex;
(c) A mounted toilet paper dispenser and toilet paper for each toilet; and
(d) Adequate ventilation provided by a window that can be opened or an exhaust fan.

(2) For all licensed school-age programs, a diaper changing area must be provided to meet the diapering needs of the children when applicable.
