WAC 16-230-825 Conditions applying to permits in Benton County.
The following conditions will apply to all permits issued under the 
authority of WAC 16-230-800 through 16-230-868.

(1) Application for a permit may be made to the Washington State 
Department of Agriculture, Compliance Branch, 21 N. First Avenue Suite 
236, Yakima, Washington 98902. Applications may also be taken in per-
son or by facsimile. Permits will not be granted by telephone.

(2) The department may make on-site monitoring of the application 
a condition of any permit. A representative of the department may con-
dition, deny, or revoke a permit at any time, if the representative 
determines that the situation at the application site creates an un-
reasonable risk of drift. In determining whether the situation at the 
application site creates an unreasonable risk of drift, the represen-
tative may consider all relevant factors such as temperature, air in-
versions, time of day, burning restrictions, wind direction, wind ve-
locity, topography, and type and condition of application equipment.

(3) No permit shall be issued to apply any pesticide unless that 
permit is consistent with existing department laws and rules.
