WAC 173-180-550  Class 2 facility—Minimum requirements for a certification program. The Class 2 facility certification program must have, at a minimum, the following contents:

(1) Documentation of a training program developed to meet the requirements in this chapter.

(2) Written certification procedures, including:
   (a) Minimum competency requirements to achieve certification;
   (b) The process to evaluate and confirm job competency for key supervisory and operations personnel that must incorporate methods to evaluate and confirm job competency, including:
      (i) Written examinations, or oral examinations documented in writing, which test general knowledge about training topics identified under WAC 173-180-530, with an appropriate passing score established by the facility;
      (ii) A practical evaluation of understanding and performance of routine and emergency operations specific to a position's job function, including:
         (A) Observation of performance of each oil-handling, transfer, storage, and monitoring duty assigned to a position prior to unsupervised performance of that duty; and
         (B) Practice exercises involving procedures to prevent a spill during abnormal operations events;
   (c) The Class 2 facility must maintain written records for key supervisory and operations personnel, which have met the facility's certification requirements. These records must document:
      (i) The certified individual's name and position;
      (ii) Types and hours of training completed;
      (iii) Name of training course and signature of the trainer upon completion of the course;
      (iv) Results of performance tests and evaluations; and
      (v) Copy of certificate demonstrating the individual is certified;
   (d) The process to issue and track certificates confirming certification;
   (e) All certified personnel must carry proof of certification during oil transfer operations;
   (f) Company policies regarding how the facility will manage key supervisory or operations personnel who lose or lack certification.
