

WAC 173-180-620 Class 1 facility—Prevention plan format requirements. Each prevention plan must:

(1) Include a detailed table of contents based on chapter, section, appendix numbers and titles, and tables and figures;

(2) Include a cross reference table reflecting the locations in the plan for each component required by WAC 173-180-630;

(3) Be organized in a format which provides easy access to information. Plans must be divided into easily identified chapters, sections, and appendices;

(4) Allow replacement of pages with revisions, without requiring replacement of the entire plan; and

(5) Include a log sheet to record amendments to the plan. The log sheet must be placed at the front of the plan. The log sheet must identify each section amended, the date of the amendment, verification that ecology was notified of the amendment pursuant to WAC 173-180-670, and name of the authorized individual making the change. A description of the amendment and its purpose must also be included in the log sheet.
