WAC 173-305-210  Imposition of fee.  (1) The fee is imposed on hazardous waste generators and hazardous substance users required to prepare plans under RCW 70.95E.030. The department may waive the fee for individual facilities when the amount owed is less than the estimated cost of collection. This provision does not waive the requirement to prepare a plan.

(2) The department will determine who, specifically, is required to pay the fee each year and the amount of the fee based on the most current verified information available to the department. Note: Information collected on toxic emissions will not be verified.

(3) The total fees collected under RCW 70.95E.030 may not exceed the department's cost of implementing RCW 70.95C.200.

(4) A person who develops a plan covering more than one interrelated facility as provided for in RCW 70.95C.200 must be assessed fees only for the number of plans prepared. In instances where a person has interrelated facilities without substantially similar processes, a single document may be prepared for the convenience of management but the document must contain separate detailed plans for each facility. In these cases, each detailed plan within the document must be assessed a fee.
