

WAC 173-95A-700 Starting a project. (1) Project initiation.

Grant or loan funds must be spent in a timely fashion. The recipient must consistently meet the performance measures agreed to in the grant or loan agreement. These performance measures include, but are not limited to, the following:

(a) Work on a project must be started within ten months of the publication date of the *Final Offer and Applicant List* on which the project was proposed.

(b) Starting a project means making any measurable steps toward achieving the milestones, objectives, and overall goals of the project.

(2) **Project initiation extension.** Certain circumstances may allow a time extension of no more than twelve months for starting a project. For example:

(a) Schedules included in water quality permits, consent decrees, or enforcement orders; or

(b) There is a need to do work during an environmental window in a specific season of the year.
