WAC 181-85-225  Appeal to professional educator standards board.
Any finding of noncompliance by the superintendent of public instruc-
tion under WAC 181-85-220 may be appealed to the professional educator
standards board for review. The filing of a notice of appeal shall
cause a stay of any order by the superintendent of public instruction
until the professional educator standards board makes an independent
determination on the issue of substantial compliance. If the profes-
sional educator standards board concurs that the approved in-service
education agency has failed to substantially comply with the applica-
ble provisions of this chapter, the professional educator standards
board shall prescribe the corrective action necessary to achieve sub-
stantial compliance. Such in-service education agency or department or
section within such agency, whichever is applicable, upon receipt of
notice of action by the professional educator standards board, shall
be denied the authority to grant any continuing education credit hours
for any subsequent in-service education program until the agency pro-
vides an assurance to the superintendent of public instruction that
corrective action prescribed by the professional educator standards
board will be implemented.
