

WAC 220-413-020 Tagging requirements. It is unlawful for a person who kills a big game animal or turkey to fail to immediately cut out and completely remove from his or her tag the designated notches corresponding to the day and month of the kill for that species (unless the tagging requirement is specifically exempted by the fish and wildlife commission), and to fail to immediately attach his or her notched tag to the carcass of such animal or bird. That tag must remain attached to the carcass while it is being transported and must remain with the wildlife during the period of retention of the edible parts.
