

WAC 230-05-016 Exceeding license class. (1) Licensees must not exceed the gross gambling receipts limits for their license class during any annual license period.

(2) Licensees must apply a projection of year-to-date receipts to the remaining period of their license and, if it indicates that it is reasonably likely that they may exceed their license, they must immediately:

(a) Apply for a license that authorizes the anticipated level of gross gambling receipts; and

(b) Submit the fee required for the new license, minus the amount originally submitted for the previous license, plus a change of classification fee.

(3) If we issue a license upgrade, it is valid only for the remainder of the original term of the license.

(4) Licensees may exceed license class limits once, by the amount shown in the fees table, without having to upgrade or pay the penalties as long as they upgrade to the higher license class the next time they renew their license.
