

WAC 246-817-780 Mandatory reporting. A licensed dentist shall submit a report of any patient death or other life-threatening incident or complication, permanent injury or admission to a hospital that results in a stay at the hospital for more than 24 hours, which is or may be a result of a dental procedure caused by a dentist or dental treatment.

(1) A licensed dentist shall notify the DQAC, by telephone, email, or facsimile within 72 hours of discovery and must submit a complete written report to the DQAC within 30 days of the incident.

(2) When a patient comes into an office with an existing condition, and hospital admission is the result of that condition and not the dental procedure, it is not reportable.

(3) The written report must include the following:

(a) Name, age, and address of the patient.

(b) Name of the dentist and other personnel present during the incident.

(c) Address of the facility or office where the incident took place.

(d) Description of the type of sedation or anesthetic being utilized at the time of the incident.

(e) Dosages, if any, of drugs administered to the patient.

(f) A narrative description of the incident including approximate times and evolution of symptoms.

(g) Hospital discharge records if available.

(h) Additional information which the DQAC may require or request.
