

WAC 246-827-0610 Expired credential—Return to active status.

(1) A person holding an expired medical assistant credential may not practice until the credential is returned to active status.

(2) If the medical assistant credential has expired for less than three years, they shall meet the requirements of WAC 246-12-020 through 246-12-051.

(3) If the medical assistant credential has been expired for three years or more, and they currently practice as a medical assistant in another state or U.S. jurisdiction, they shall:

(a) Meet the requirements of WAC 246-12-020 through 246-12-051; and

(b) Provide verification of a current unrestricted active medical assistant credential in another state or U.S. jurisdiction which is substantially equivalent to the qualifications for the credential in the state of Washington.

(4) If a medical assistant-certified, a medical assistant-hemodialysis technician, or a medical assistant-phlebotomist credential has been expired for three years or more and the person does not meet the requirements of subsection (3) of this section, they shall comply with WAC 246-12-020 through 246-12-051 and demonstrate competence in one of the following ways:

(a) A medical assistant-certified must successfully pass an examination as identified in WAC 246-827-0200 within six months prior to reapplying for the credential or currently hold a national medical assistant certification with a national examining organization approved by the secretary.

(b) A medical assistant-phlebotomist must complete the training requirements of WAC 246-827-0400 within six months prior to reapplying for the credential.

(c) A medical assistant-hemodialysis technician must complete the training requirements of WAC 246-827-0500 within six months prior to reapplying for the credential.

(5) If the medical assistant-registered credential has expired, they must also submit a new application as provided for in WAC 246-827-0300.
