

**WAC 246-922-740 Consultation—Exemptions for exigent and special circumstances.** A podiatric physician is not required to consult with a pain management specialist as defined in WAC 246-922-750 when they have documented adherence to all standards of practice as defined in WAC 246-922-715 through 246-922-760 and when one or more of the following conditions are met:

- (1) The patient is following a tapering schedule;
- (2) The patient requires treatment for acute pain, which may or may not include hospitalization, requiring a temporary escalation in opioid dosage with expected return to their baseline dosage level or below;
- (3) The podiatric physician documents reasonable attempts to obtain a consultation with a pain management specialist and the circumstances justifying prescribing at or above one hundred twenty MED per day without first obtaining a consultation; or
- (4) The podiatric physician documents the patient's pain and function is stable and the patient is on a nonescalating dosage of opioids.
