WAC 246-935-020 Applications—Veterinary technicians. Applications for licensure as a veterinary technician shall be made on forms prepared by the secretary of the department of health and submitted to the department of health. Applications must be received at least sixty days prior to the scheduled examination. The application, in addition to the required fee, must be accompanied by satisfactory evidence of experience and/or official transcripts or other evidence of completion of educational courses approved by the board. The application shall be signed by the applicant. When the application and the accompanying evidence are found satisfactory, the secretary shall notify the applicant of eligibility to be scheduled for the veterinary technician examination.
