

WAC 296-150I-0170 Monthly certification tag report. Certified manufactured home installers and manufactured home retailers who purchase installer certification tags from the department must submit a monthly report to the department on a form approved by the department relative to all installer certification tags issued.

(1) The report is due no later than the **15th day of each month** following the month of installation work being performed on a home. A certification tag report is not required for those months in which no installation work was performed.

(2) A manufactured home retailer who assigns tags to a certified manufactured home installer is responsible for ensuring completion of the monthly report. The manufactured home retailer must file a separate report for each certified manufactured home installer to whom the manufactured home retailer assigned installer certification tag(s).

(3) The installer certification tag report must contain the following information for each installation:

- (a) The installer certification tag number;
- (b) The address of the installation;
- (c) The date of the installation;
- (d) The name and certification number of the certified manufactured home installer; and
- (e) Any other information required by the department.
