WAC 296-155-53108  Duration and renewal of an accreditation.  (1)  
The accreditation will be valid for 3 years. Crane certifiers must 
complete 40 hours of crane related training every 3 years, in courses 
recognized by the department.

(2) You must file application for with the department not less 
than 60 days prior to expiration of the accredited crane certifier's 
certification. A renewal may be obtained by filing a completed appli-
cation for renewal meeting the requirements of WAC 296-155-53102 here-
of providing the applicant has been actively inspecting cranes during 
their prior accreditation period. An applicant is considered active if 
he/she has certified/inspected at least 21 cranes during their accred-
itation period. If the applicant certified cranes in another state, 
then that applicant must provide documentation showing they were ac-
tive during their accreditation period. An applicant who has not cer-
tified/inspected at least 21 cranes during the accreditation period 
may take the written exams to become recertified.

(3) At a minimum, all applicants for renewal must successfully 
complete the written examinations every 6 years.
