WAC 296-307-16150 Laundry facilities. An operator must:

(1) Provide laundry facilities that include:
   (a) One laundry tray or tub or one mechanical washing machine for every thirty occupants;
   (b) Adequate facilities for drying clothes; and
   (c) Sloped, coved floors of nonslip impervious materials with screened floor drains.

(2) Maintain laundry facilities in a clean and sanitary condition.
