WAC 296-307-59810  Keep voluntary use program records.

Exemption: If employees use only filtering-facepiece respirators voluntarily, you do not need to follow these recordkeeping requirements.

You must:
• Keep copies of:
  – Your current written respirator program
  – Written recommendations from the LHCP
• Allow records required by this section to be examined and copied by affected employees and their representatives.

[Statutory Authority: RCW 49.17.010, 49.17.040, 49.17.050, 49.17.060. WSR 05-01-166, § 296-307-59810, filed 12/21/04, effective 4/2/05.]
