WAC 296-307-64406 Follow these requirements when you contract with another employer to enter your confined space.

IMPORTANT:
The contractor is responsible for following all confined space requirements in this part and in other rules that apply.

You must:
• Do all of the following if you arrange to have another employer (contractor) perform work that involves entry into your permit-required confined space:
  - Inform the contractor:
    ■ That the workplace contains permit-required confined spaces and entry is allowed only if the applicable requirements of this part are met.
    ■ Of the identified hazards and your experience with each permit-required confined space.
    ■ Of any precautions or procedures you require for the protection of employees in or near spaces where the contractor will be working.
  - Coordinate entry operations with the contractor, when either employees or employers from the different companies will be working in or near permit-required confined spaces.
  - Discuss entry operations with the contractor when they are complete. Include the following in your discussion:
    ■ The program followed during confined space entry; and
    ■ Any hazards confronted or created.
