Meet these additional requirements if more than one group is used. You must do all of the following if more than one group works on a machine or equipment that has to be locked or tagged out:

1. Assign an authorized employee as the group coordinator with overall responsibility to:
   a. Coordinate the different work groups; and
   b. Maintain continuous lockout or tagout protection.
2. Assign a primary authorized employee in each group who has:
   a. Responsibility for the group of employees who are protected by a group lockout or tagout device; and
   b. A way to determine which employees of the group are exposed to the machine or equipment that is locked or tagged out.
