WAC 296-843-20015  Provide additional training to your managers and supervisors.  (1) You must make sure the following receive appropriate training:
   (a) On-site managers.
   (b) Supervisors responsible for hazardous waste operations.
   (c) Supervisors who directly supervise employees in hazardous waste operations.
(2) You must make sure such supervisors and on-site managers receive the same training as that required by the workers they supervise (see WAC 296-843-20010).
(3) You must make sure such supervisors and managers receive a minimum of eight additional hours of specialized training including the following information:
   (a) Written site-specific health and safety plan (HASP):
       (i) Training plan.
       (ii) Personal protective equipment (PPE) plan.
       (iii) Spill containment plan.
       (iv) Emergency management procedures to use when a release of hazardous substances occurs.
   (v) Federal, state, and local agencies to be contacted if there is a release of hazardous substances.
   (vi) Sampling and monitoring plan (including procedures and techniques for monitoring health hazards).
   (b) Managing hazardous wastes and their disposal.
