WAC 308-15-060  What qualifications must I meet to obtain a Washington state geologist license by reciprocity if I am already licensed in another jurisdiction? You are eligible for a geologist or specialty license by reciprocity if you submit a geologist and/or specialty license and examination application to the board which demonstrates:

(1) You hold an active geologist license in good standing in a jurisdiction recognized by the board;
(2) You meet the education and experience requirements in WAC 308-15-040 and, if applying for a specialty geologist license, the experience requirements in WAC 308-15-055 or 308-15-057; and
(3) You have passed the ASBOG Fundamentals of Geology and ASBOG Practice of Geology examinations or an equivalent examination acceptable to the board. If you are applying for a specialty geologist license, you must also verify that you have passed a specialty geologist examination adopted by or acceptable to the board, or take the Washington state specialty geologist examination.
